HOSPITAL BLESSING — Christus Spohn Hospital Kleberg hosted a ceremony Tuesday morning to bless the quiet room near the hospital's emergency department. The room, which was blessed by Sister Elizabeth Smith, will be used for meditation and as a place where friends and family can wait for news of a loved one who might be undergoing treatment. Sister Elizabeth Smith also blessed the waiting area. (Photo by Maria Rodriguez)

Volunteers...making a difference.

The Volunteer Annual Installation of Officers was recently held at the Corpus Christi County Club. Volunteers from throughout the System gathered to enjoy a great lunch, and an opportunity to share their stories of caring for patients and extending the healing ministry through their volunteer efforts. In addition to welcoming new volunteer officers and bidding adieu to outgoing officers, Volunteer Presidents made check presentations to the Chief Operating Officers of each hospital. Through the hard work and tremendous efforts of the volunteers, \$496,604 was given to our facilities for the purchase of new equipment, building renovations and beautification projects. Volunteer projects and sales from their gift shops are the source of funds that are returned to the hospitals. Volunteers make a tremendous impact on the everyday operation of the hospital—whether answering the phone, giving directions or sharing a prayer with a patient—our volunteers are the greatest! Thank you for all you do.

Volunteers bring nearly half a million dollars to hospitals

Junior Grossman

CHRISTUS SPOHN volunteers from Alice, Beeville, Corpus Christi and Kingsville recently met at the Corpus Christi Country Club to install new officers and celebrate their volunteer fundraising efforts.

Through their hard work and tremen-

dous efforts, they presented a total of \$496,604 to the chief operating officers of each hospital. Volunteer projects and sales from the gift shops are the sources of funds that are returned to the facilities.

Funds go to purchase new equipment, for building projects and to support local programs. For example, at CHRISTUS Spohn Hospital Alice, funds were used to purchase new televisions for the outpatient surgery area, Hi Lo treatment tables and equipment for Rehab, and new furniture for the Geropsychiatric Unit.

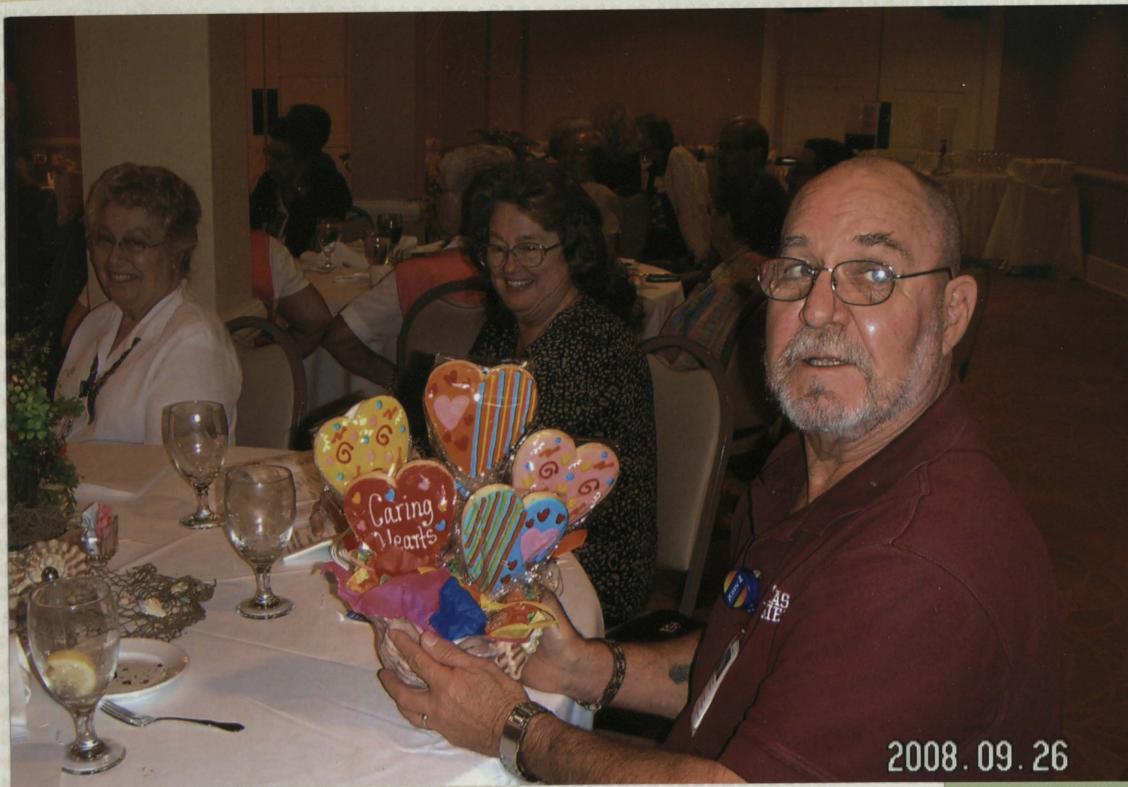

Volunteer funds were also earmarked for the Healing Garden at the Cancer Center.

CHRISTUS Spohn volunteers make a significant impact on the lives of our patients as they extend our healing ministry.

"Whether answering the phone, giving directions or sharing a prayer with a family, there is no greater gift than the giving of time, skills and compassion," says Marissa Carrillo, Director of Volunteer Services. "We are reminded daily of these special gifts through the efforts of our volunteers."

OUR VOLUNTEER PRESIDENTS are (back row, from left) Alice O'Neill, CHRISTUS Spohn Hospital Alice; Edwin "Junior" Grossman, CHRISTUS Spohn Hospital Kleberg; Donna Cisneros, CHRISTUS Spohn Hospital Corpus Christi-Memorial; (front row, from left) Rita Gonzales, South; Viola Van Houten, Shoreline; and Gloria Butler, CHRISTUS Spohn Hospital Beeville.

The McBRIE EMAIL POSTING

...from the Kleberg COO

August 12, 2009

It is hard to believe we are deep into August already--time really flies when you are having fun! Some very important events have happened in history in August. For me one was the Gulf of Tonkin Resolution in 1964 passed by Congress as a result of reports it had been given about North Vietnam attacking U.S. vessels in international waters. That Resolution gave the President the broad powers to use the armed forces which, in effect, authorized our getting into a land war in Asia--a war that changed many lives forever. In hindsight, it might have been worthwhile to ask some serious questions and history might not have been the same. In today's world it is still good to ask questions and challenge assumptions, a right all of us have and need to maintain in our free and democratic society.

Our junior volunteers have ended their services for this summer and we all give them a huge THANK YOU! On a sadder note we all mourn the passing of one of our stellar volunteers, Lydia Bradshaw, whose beautiful life was celebrated on August 6 with over 45 of our senior volunteers in attendance at the funeral services. She touched a lot of lives in a very positive way and leaves a special legacy for all of us to emulate.

CHRISTUS Spohn Hospital Kleberg and all hospitals in the Spohn system are gearing up for the upcoming flu season--for both normal flu and the H1N1 pandemic. It is expected that as the virus mutates this flu season could be significantly worse than last year's and we will have to take some pretty serious actions to control it. Please watch the easel boards at each entrance to remind us as well as our visitors of precautions/etiquette we must all take. This will include masking of any visitor with respiratory infection symptoms, controlling the number of visitors and limiting children visits in the hospital, and other more serious measures if the pandemic worsens. Remember, the best way to prevent contamination is WASH YOUR HANDS frequently and to cover your mouth and nose when coughing and sneezing. Please stay aware of all communication on this issue as we head into the fall season.

Town Hall meetings were held on July 29 and 30 for all Associates with reports being given by Administration, Nursing, Human Resources, and Quality Management. Over 50 Associates attended the three meetings and were free to ask questions about anything related to hospital operations. Administration would like to see more Associates attend these in the future and if anyone has ideas about how to increase attendance, such as better times to schedule the meetings, please let Melissa know in Administration.

Planning has begun for this year's Associate Service Awards program on October 8 where we honor recipients in five-year increments for their longevity and good service. The planning committee wants to make this program very special to salute this notable combination of seniority and service. Thanks to our HR Manager Candace Jefferson for her leadership and extra efforts to make this a memorable occasion for all Associates.

Today's date is a day most of us living today will never forget nor ever want to see repeated. I sometimes think back to those living on December 7, 1941 and wonder if they ever forgot what happened on that day at Pearl Harbor, Hawaii. From what I can tell most of them never forgot, but the majority of them did forgive. That is something we all will eventually need to do for 9-11 as well. Ironically, it was on this date Benjamin Franklin finalized the peace settlement with Great Britain in 1783 and stated in a letter following the negotiations "There never was a good war or a bad peace." Franklin was a wise man and didn't waste a lot of words. I will try to follow that example with this posting today.

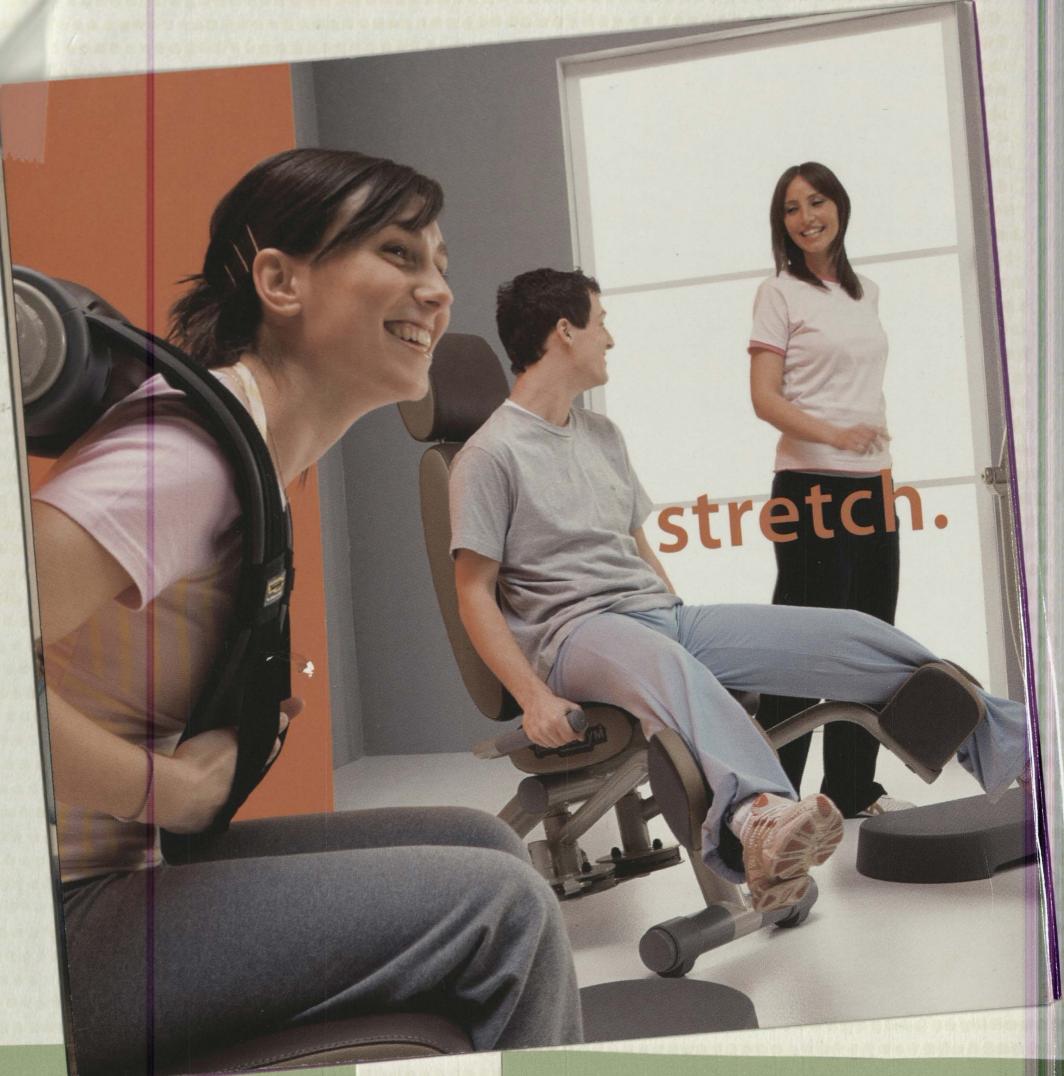

It has been a busy start to the new month as we head toward fall. Volumes have been up in most categories including inpatient days, outpatient visits, ED visits and OR procedures. We ended August with the highest number of deliveries for the past two years as well! August was the fifth month in a row for us to have a positive margin (net revenues minus our operating expenses) and for that we should all be very grateful.

One of my objectives here is to continue to grow volume by capturing patients and procedures that are leaving town right now, by reducing outmigration. Providing healthcare close to home is important in any community and we need to do what we can to make that happen. As I make my rounds in the community this is one of the chief complaints I hear about—"I had to get shipped to Corpus Christi or San Antonio to have the procedure done." That travel is inconvenient for everyone and a loss to our community in a variety of ways. I am hoping to make an announcement very shortly about a couple new physicians who will do procedures here rather than having them leave town. That will include an ENT physician who specializes in children such as tonsils and ear tubes as well as another general surgeon who can help out Dr. Flores who is overworked on a regular basis. We are also working on an Allergist as well as other specialists to serve this community on a regular recurring basis.

You might have seen Bill Storgoin, our chief security officer, running around on a new-looking golf cart recently. This was a gift from our Volunteers with some of the proceeds from our very active gift shop and other sales, which I hope everyone here takes advantage of regularly. They not only have some nice merchandise but some very good buys as well! The new golf cart will help in patrolling the parking lots and with all entrances and exits to help keep us and our patients more secure.

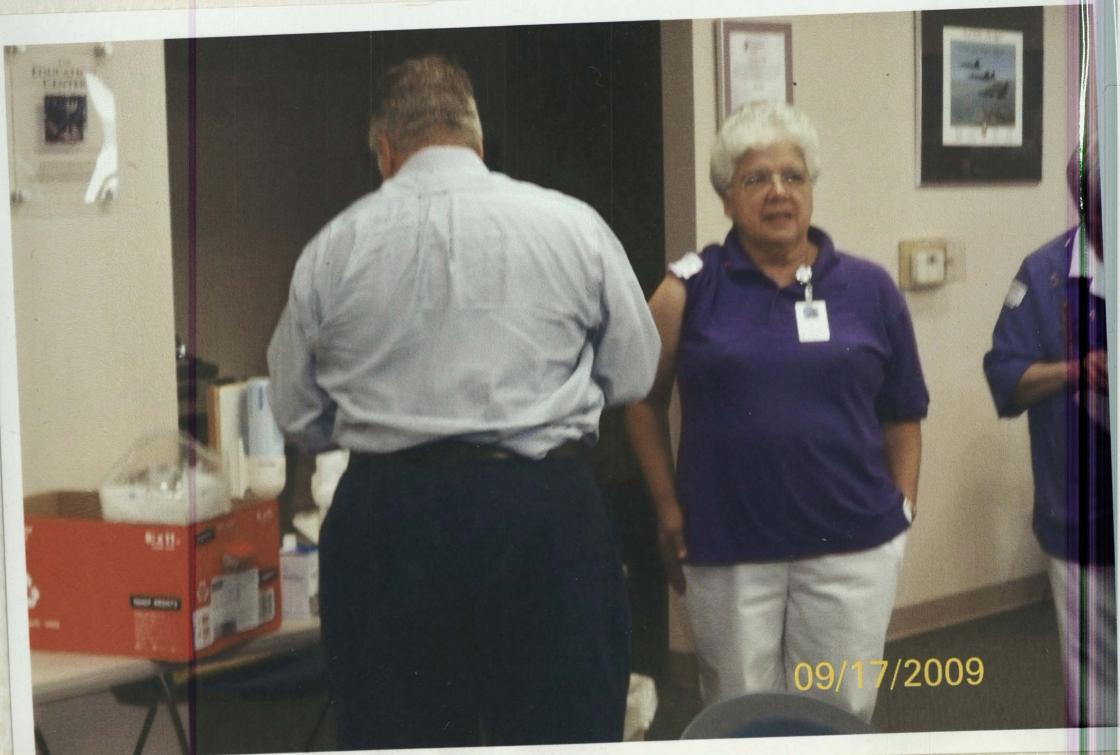

Memberships in the Wellness Center have now reached just about 200 and we are shooting for 250 as a target according to Penny Merriman. Associates, physicians, community members and senior citizens are all taking advantage of this new facility and its helpful personnel and outstanding equipment. If you haven't done so yet you might want to look into giving yourself an important gift, the gift of exercise. It will do wonders for your mental attitude as well.

Speaking of golf--two teams from Kleberg participated in the NAS-K Golf Tournament on Friday, September 4. Each member paid his/her own fee of \$40 to play and a good time was had by all. Neither team placed in one of the top three positions, nor came in last, but Fred Gomez hit a ball that is still orbiting around the earth according to several witnesses. We found out that Michelle Rouillard can also hit a mean ball as well as Raleigh White, who plays left handed, and JR. Grossman, volunteer, Shurie Thorne, Nuclear Medicine, Marco Tapia, our PACS administrator, and Bobby Alvarado, sailor from the NAS. Some wonder why the hospital participated in this effort but most of you realize that it is all a part of *positioning* the hospital as a valued partner with this community in a variety of settings. It is good to be an involved corporate citizen as well as individually.

ALVAREZ

Adan Alvarez, Jr., went to the Lord on October 14, 2009 surrounded by his family. Junior, as he was called by all who knew him, was born in Kingsville, Texas on March 6, 1926. His favorite past time was his love of music. As a professional drummer by the age of 19, he began traveling with different bands such as the Luis Alcaraz Orchestra, the Red Stewart Band, the Ralph Galvan Band, The Hal McIntyre Band, Les Elgerd Band, and the Skitch Henderson Band. He played in cities all along the east coast and in cities like Chicago, Memphis and New York. However, he preferred playing with local and area bands such as the Eddie Olivarez Band and Frank Strub Band. He was one of the founding members of the Texas Jazz Festival and participated in all but two festivals often playing with several groups and bands. Everyone wanted Junior as their drummer.

Along with his parents and sisters, Aurora and America, they owned and operated The Little Flower Shop for over 50 years. Another interest of his was officiating high school football games. His love of airplanes led him to receive a pilot's license which he was very proud of. He especially loved WWI airplanes and collected many models. He was an avid outdoorsman. He loved hunting and fishing. He was a Fourth Degree Knights of Columbus Council 2623.

He was preceded in death by his beloved parents, Adan Alvarez, Sr. and Antonia Saenz Alvarez.

Junior is survived by his beloved wife of 58 years, Blanca C. Alvarez of Kingsville; three daughters, Thelma (Jose Homero) Alvarez Cavazos of Corpus Christi, Texas, Elaine (Robert Xavier) Alvarez Perez and Sandra (Mario, Jr.) Alvarez Delgado, all of San Antonio, Texas; two sisters, Aurora (R.S. "Cookie") Alvarez Garza of Kingsville and America (James C.) Alvarez Wilson of Reno, Nevada; three grandchildren, Michelle Dawn (Arturo) Infante of Corpus Christi, Marissa Raquel Perez and Ana-Alicia Perez, both of San Antonio; two great-grandchildren, Adan Arturo Infante and Carolina Trinidad Infante, both of Corpus Christi; and numerous nephews, nieces and cousins.

Flora Ebba Barton

Flora Ebba Barton, age 91, a resident of Kingsville, Texas passed away Wednesday, December 2, 2009 in Kingsville. She was born October 17, 1918 in Midlothian, Texas to Raymond and Mary Morrow. Ebba graduated valedictorian from Auswell/Tivoli High School and attended Texas A&I College for one year. She spent the next several years raising her family. Later she went back to Texas A&I College and finished her degree. She began teaching in 1965 and taught for 20 years at KISD. In retirement, Ebba was a volunteer in the Kingsville ISD, the Kleberg County Literacy Council, Amistad Thrift Shop and the Spohn Kleberg Hospital Auxiliary. She was a member of the Retired Teachers of Texas and was a life member of PTA.

Her love of God and her family were her guiding force. She was an active member of the First United Methodist Church of Kingsville for 71 years. She was a member of UMW, Weeks Bible Class and the Couples Sunday School Class. Ebba was very religious and prayed each and every night for her family and friends by name. Through her many disabilities in recent years, she remained independent and was determined to live by herself. Ebba kept in constant touch with her loved ones and friends until her dying day.

Mrs. Barton was preceded in death by her husband, O.C. "Buck" Barton; parents; four brothers; two sisters;

Flora Ebba Barton

and daughter-in-law, Vicki Barton.

She is survived by four sons, Wiley (Sue) Barton of Bellville, Texas, Richard (Betty) Barton of Bay Cliff, Texas, Jerry (Lin) Barton of San Antonio, Texas and Steve Barton of Odem, Texas; two daughters, Sarah (George) Seaman of Leander, Texas and Peggy (Chris) Genz of Kingsville; sister-in-law, Evelyn Randall; 20 grandchildren; 37 great-grandchildren; two great-great-grandchildren; and numerous nieces, nephews; and a host of friends.

Funeral service was held at 2:00 p.m. Saturday, December 5, 2009 at the First United Methodist Church with Rev. Sheldon Johnson officiating. Burial followed in Kingsville at Chamberlain Cemetery.

Memorials may be made to the First United Methodist Church, P.O. Box 553, Kingsville, Texas 78364 or Methodist Child Development Center.

Services were entrusted to Turcotte-Piper Mortuary, 205 General Cavazos Blvd., Kingsville, Texas.
