1940

EL RANCHO 1940

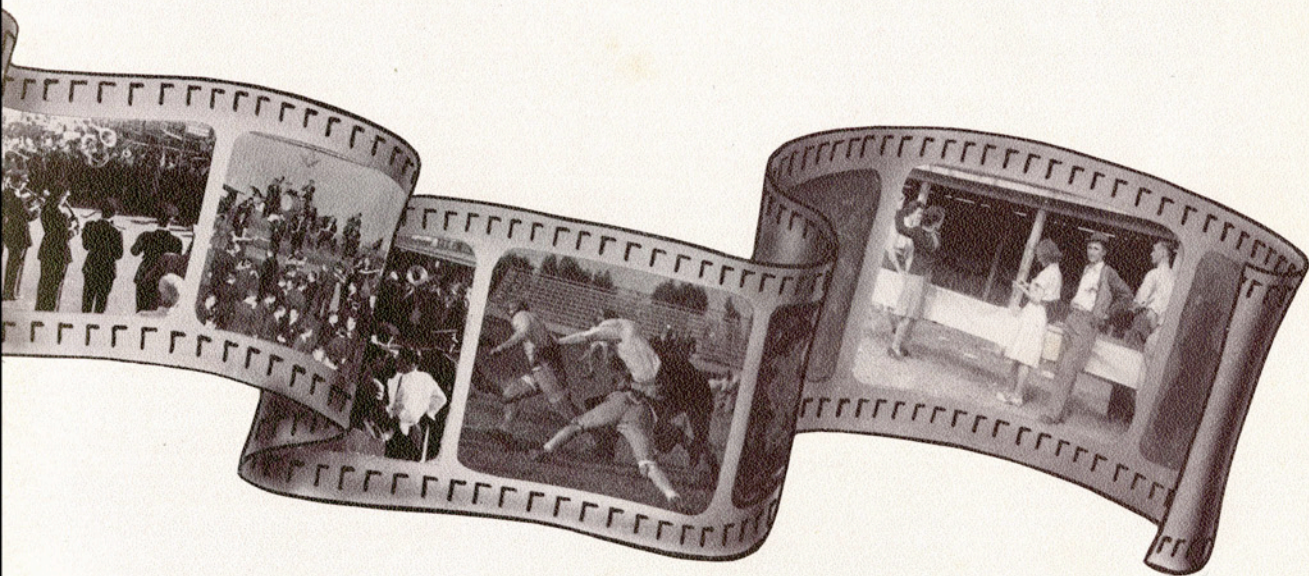

Annual Publication of the Students
of The Texas College of Arts
and Industries
Kingsville, Texas

Dedication

Because of their untiring efforts in building and maintaining a greater A&I for the students of today and tomorrow, because of their work in developing their respective departments, and because of their interest in prospective graduates as individuals, EL RANCHO 1940 is dedicated to the Administration and Faculty of The Texas College of Arts and Industries.

EDITOR
HARRIETT NADINE KIDDER

AL MARTIN

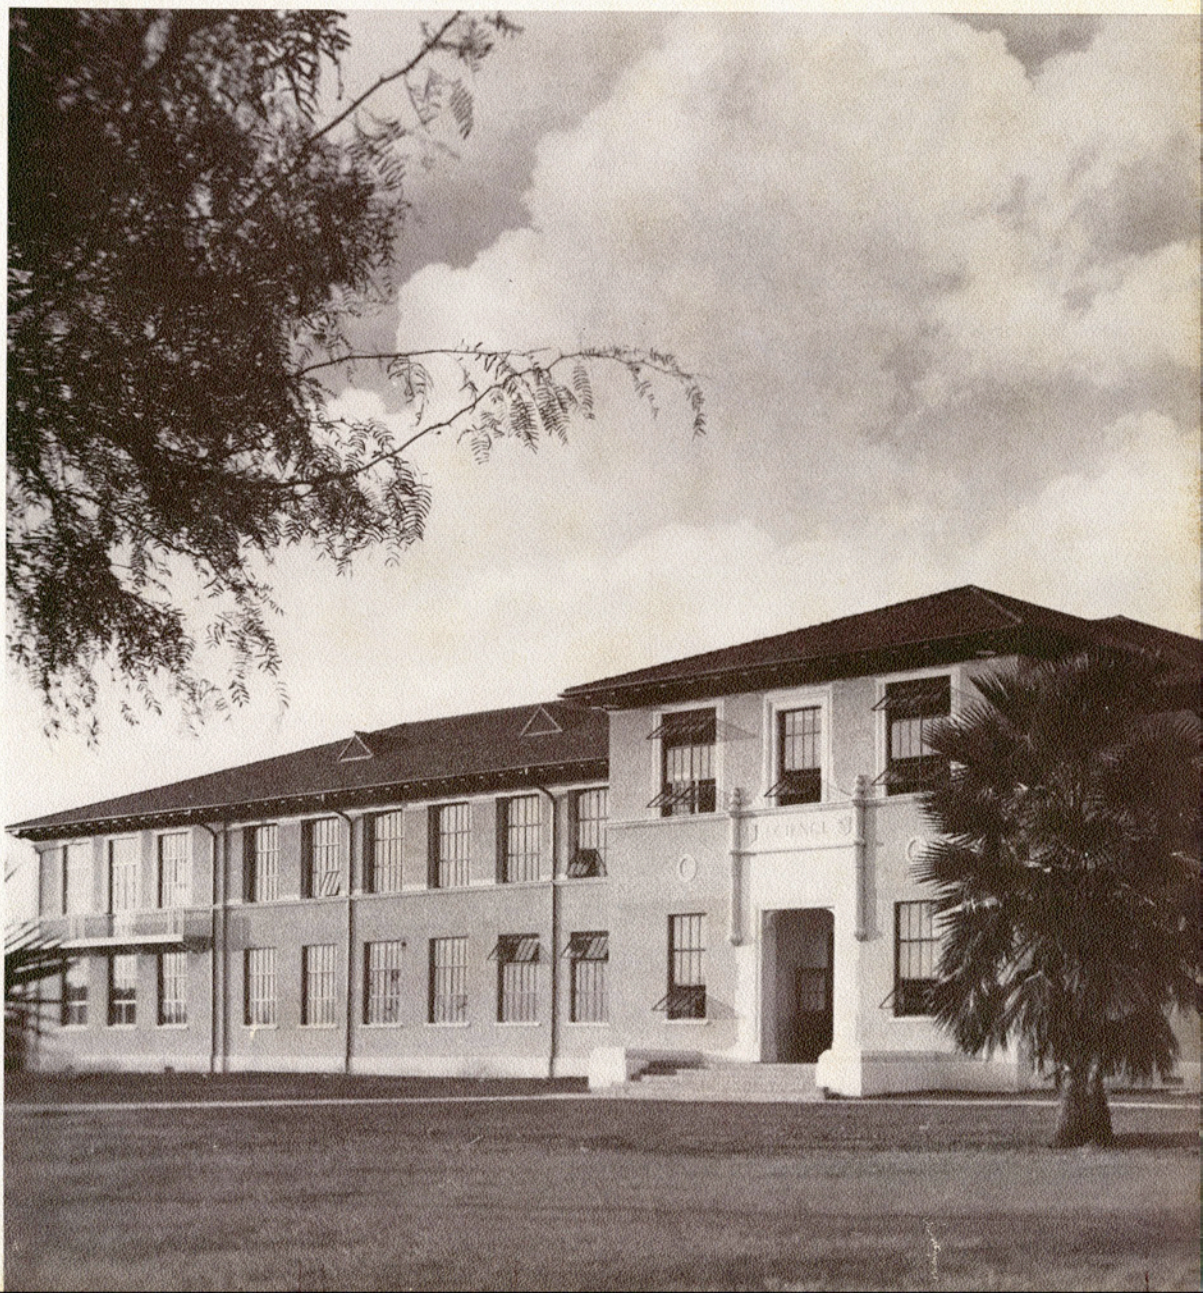

ASSOCIATE EDITOR
W. B. WILLIS

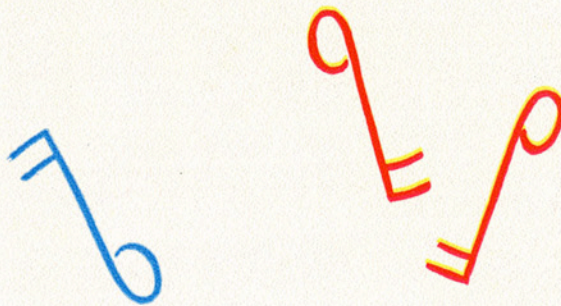

Seniors in the natural gas engineering department engaged in experimental work at the gas engineering laboratory. . . . In the lecture room of the Science Building a freshman class fills the place to capacity.

Science

Completed in 1938, the A&I Science Building was designed to provide for an ever increasing body of students . . . here, in its well equipped laboratories and spacious lecture rooms, busy young scientists learn under the guidance of skilled professors in the various fields . . . Not only an effecient educational unit, the Science Building is an asset to the campus for its architectural attractiveness as well.

OF THEM I SING

Hail A and I.
We pledge anew
Aims that are high,
Devotion deep and true.
And though we may part
And though year roll by,
Still loyal each heart
To A and I.

The hymn of Texas A and I, written by Mrs. Claire Ashford Ernst, "Hail A and I," stands unchallenged as the true representation of the loyalty which each student feels. A salutation to old and new students alike, a tie that binds undergraduates with exes, a like between tradition and progress, it pictures in heartfelt words the purposes for which Texas A and I stands.

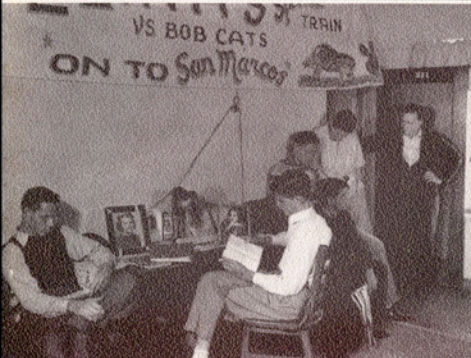

Cousins Hall

home to one hundred girls, named for A&I's first president,
Dr. R. B. Cousins,

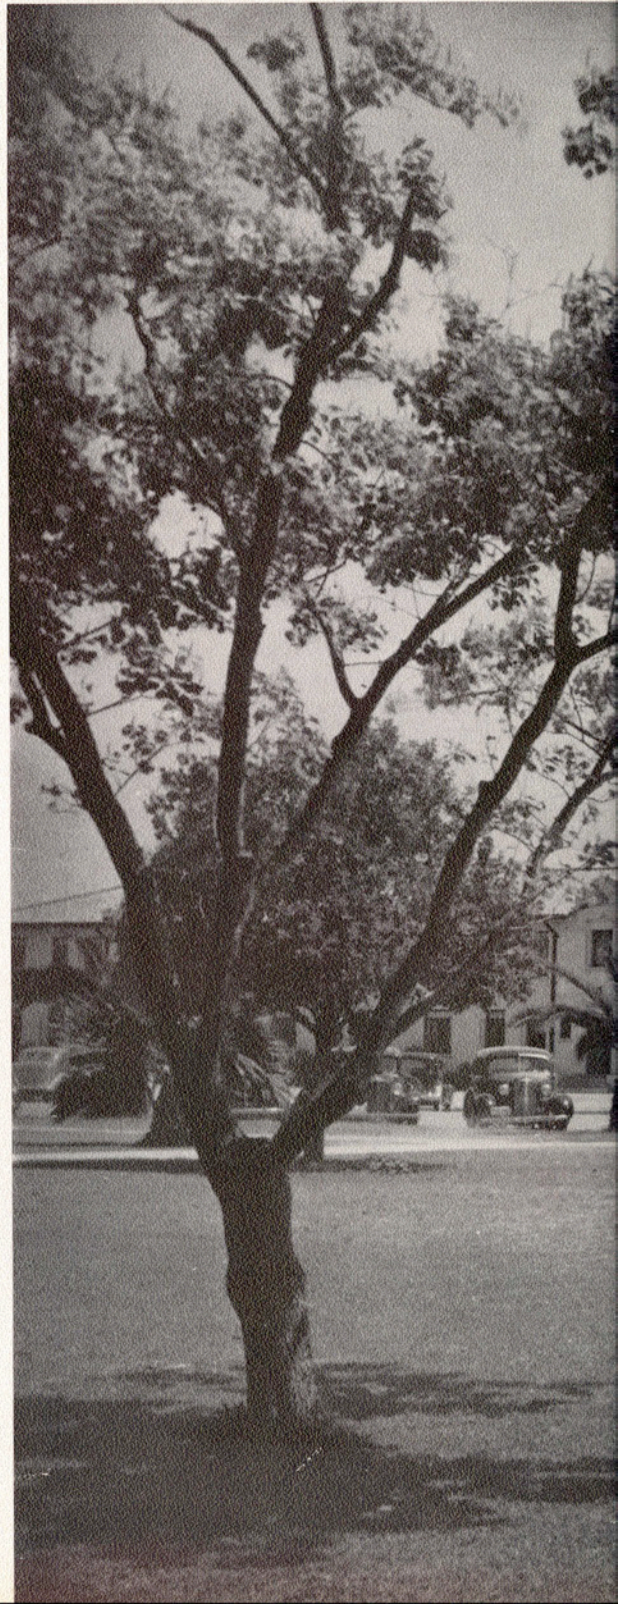

Here, at Cousins Hall, are located all of the comforts and conveniences that add so much to the busy and eventful life of the A&I co-ed . . . These pictures are evidence enough of why A&I's residence halls are ranked among the most beautiful in Texas. . . . Cousins Hall is the center of co-educational social activities . . . here the life of the residents is enriched by the many parties throughout the year, and the small informal gatherings that are always in progress are as much a part of Cousins Hall as the rooms where-in they take place.

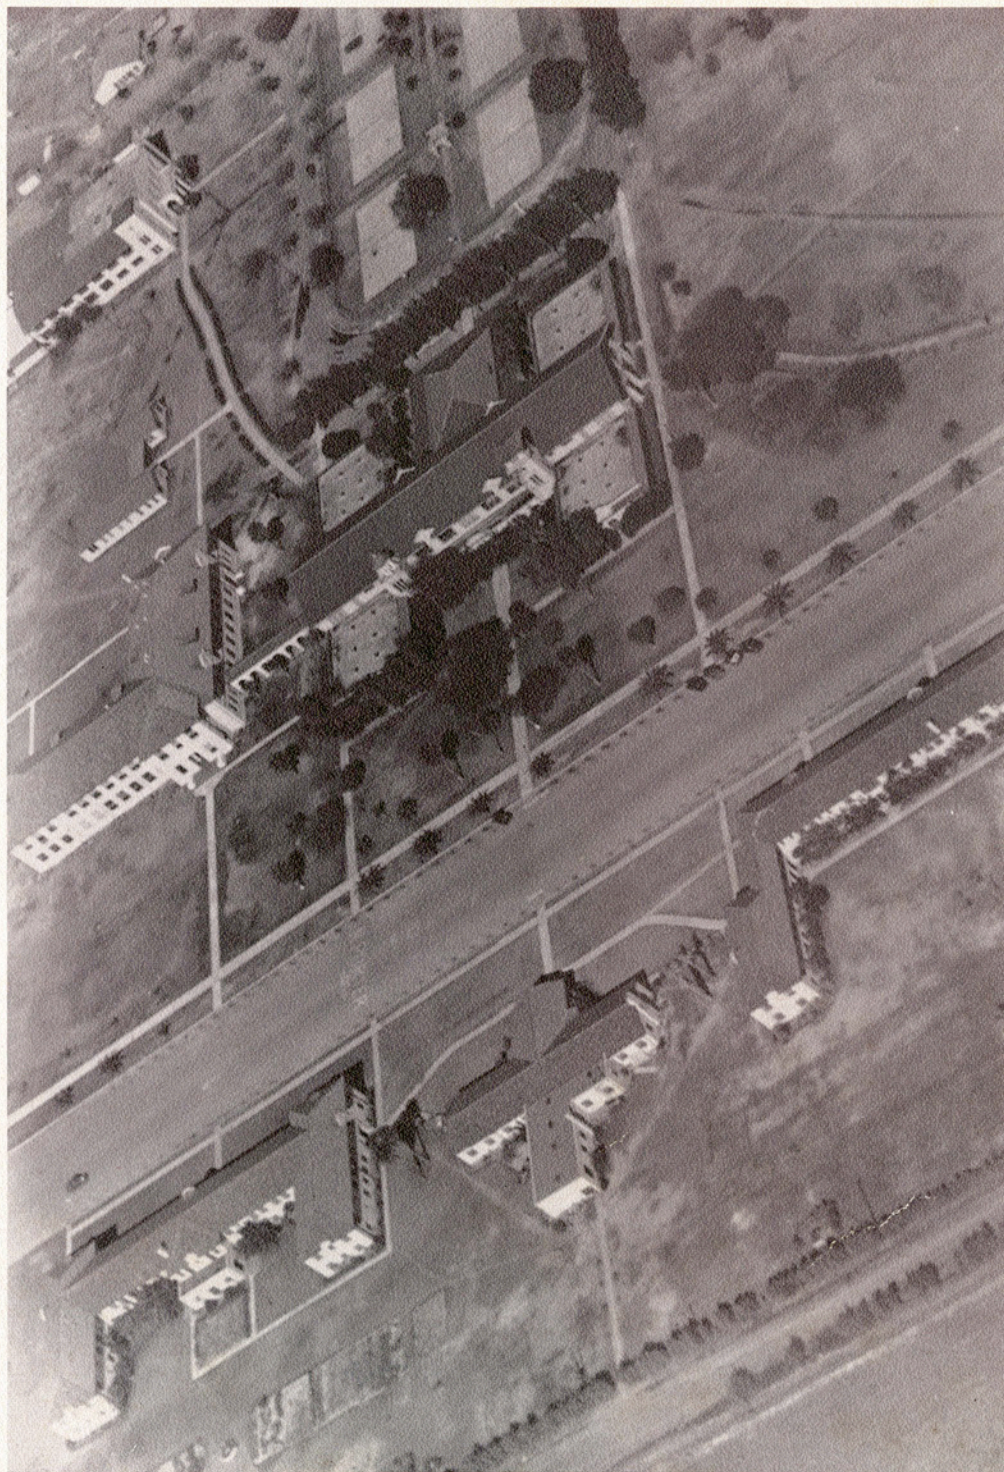

At Seale Hall may be found all of the facilities for a happy and eventful life, seen through the eyes of the occupants of this, A&I's largest residence hall for men. . . . Fun and study (yes, they do study part of the time) and the experience of working together in daily living provides a wholesome atmosphere for the many boys who call Seale Hall their home at A&I. . . . The snapshots show the main office as well as some of the individual rooms, noted for their interesting sessions on nearly every subject imaginable.

Seale Hall

named for A&I's second president, E. W. Seale, and the home
of one hundred boys during the year.

To the C.A.A. flyers this is a familiar view of the A&I campus. Here they look down upon the southernmost senior college in the United States, including among its facilities the only Natural Gas Engineering Department in America. A&I is one of the four colleges in Texas which offers the Smith-Hughes certificate in Agriculture and Home Economics.

Music Conservatory

which houses the A&I Music Department. Our music department boasts one of the finest choirs in the United States, the A&I A Cappella Choir, as well as an outstanding Male Chorus and the popular Javelina Marching Band. Last year the choir was one of six choirs in the country honored with an invitation to appear before the National Conference of Music Educators in St. Louis.

COLLEGE

President J. O. Loftin

This yearbook marks the passing of a very profitable and enjoyable year for the student body of A. and I. College. Yet deep in the consciousness of every student is the realization of the turmoil of the youth of other lands and a wonder if their bitterness will soon be shared with the young men and women of America.

The wanton lawlessness of nations is the fruit of unstable peoples led by over-ambitious war lords. Many of these peoples once enjoyed the liberties, peace, and luxuries that Americans still retain. But the college youth of America should draw on their training and judgment in being the first to detect subversive tendencies within their own group and thus avoid a fertile soil for seeds of dangerous "isms."

The administration, faculty, and student body join in praise of the El Rancho staff for this yearbook. All will keep this book with growing appreciation as the years crowd our lives into such short spans. Our hope is that good judgment, patriotic hearts, and the Divine Will may preserve for all of us the fortunate heritages we now possess.

Faculty members of the Texas College of Arts and Industries are not always as dignified and serious as we so frequently see them. In these pictures we see them in some of their most characteristic and some rather unconventional poses. Dr. Kriegel and Mr. McIntire swap hats, giving a sort of Laurel and Hardy effect . . . Mr. Peurifoy, head of the Engineering Department, demonstrates the more intricate uses of the slipstick, proving that so much water can be pumped so high in so long . . . Buster Moore, manager of the text book room, offers his services willingly to Miss Malone as well as to all the students of the college . . . Miss Bible's Home Eco. students learn the art of fitting their own clothes as a part of the well-planned Home Economics program . . . Dr. Nierman works diligently in his laboratory in the new science building . . . The class in aeronautics under the CAA program seem unusually absorbed in their work . . . Mr. Sinclair appears a bit weary as he stares over his glasses at the end of the day . . . Mr. Micheal didn't even get to finish what he started to say. . . . Drs. Micheal and Cross meet for the afternoon conflag minus Dr. Nierman . . . Librarian Allen as usual is probably saying, "Let's get quiet in here, please." People go through registration and by the end of the day look very, very weary.

Student Council

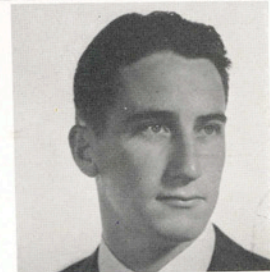

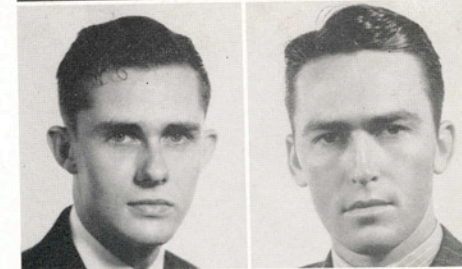

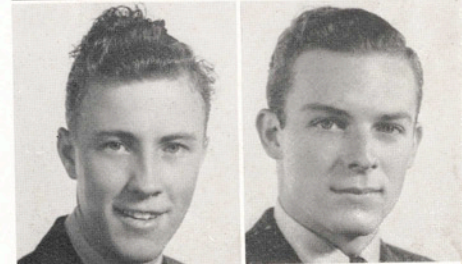

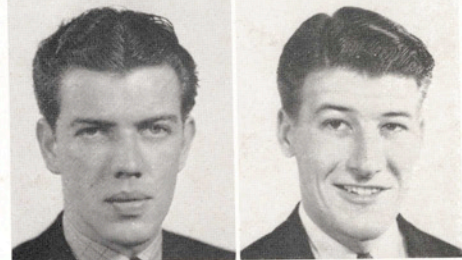

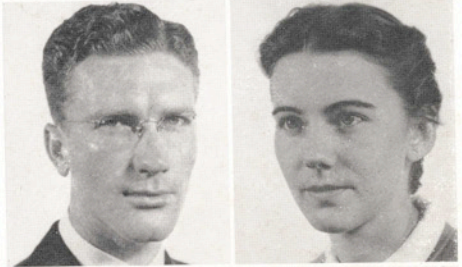

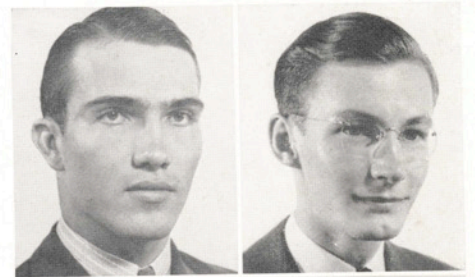

KENNETH GRIMES
President

Ideas of a progressive student government among A. and I. students first came into importance in the past few years. It has been the aim of the Student Council of 1939-1940 to maintain and build these ideas. One of the major projects undertaken this year was the complete revision of the handbook so that each student in the college might have an up-to-date copy and become familiar with the constitution under which the government of the student body is handled.

On April 9, the nucleus of the Student Council for 1940-1941 were elected. These members are Murrel Steigler, President; Robert Porcher, Vice-President; Charles Millikin, Secretary-Treasurer; Clyde Pryor, Editor of South Texan; and W. B. Willis, Editor of El Rancho.

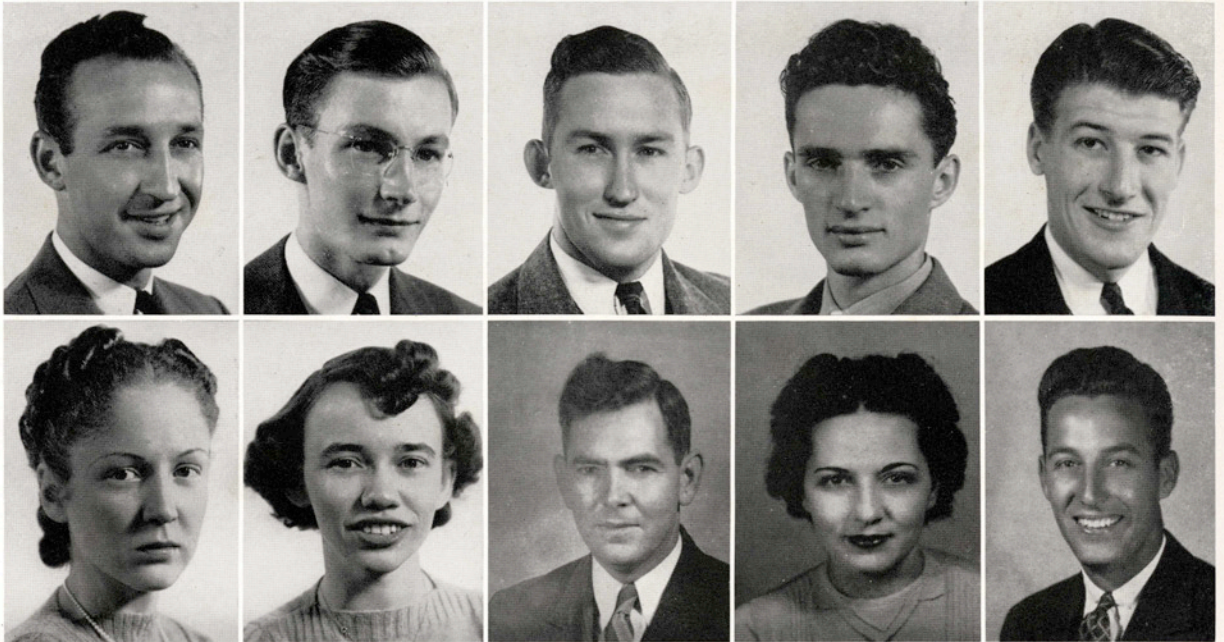

- MARVIN AHRENS Vice-President
- RAY O'HARA Secretary-Treasurer
- CLYDE PRYOR South Texan
- HARRIETT KIDDER El Rancho
- RICHARD NUGENT Yell Leader
- ROBERT SPRUCE Senior Representative
- MURREL STEIGLER Junior Representative
- CLINTON SCHMELING Sophomore Representative
- JOHN ELLIS GRIFFITH Freshman Representative
- J. W. GALIGA Athletic Representative
- CHARLES MOYER Athletic Representative

CAMPUS

Freshman

Campus

Registration day . . . it's a long wait, as this gallery of weary faces indicates . . . Well, really, if it isn't the annual shirt-tail parade! And the freshmen reveal how immodest they really are. . . . Clinton tries to rouse a little enthusiasm . . . freshman girls' Shirley Temple parade . . . Helen Harriet leads, looking very grim, Ruth sucks her thumb, and Idabell totes a pink bunny rabbit . . . Another view of the shirt-tail parade; the fish sorta took over the town.

Unusually placid view of A&I's campus, with Grace, Sid, and Elizabeth in the foreground . . . What's this? Marvin, don't you want to introduce us? . . . Troy and Ethel answer the dinner bell . . . Bluntzer and Bob are seen in silhouette . . . Down town promenade . . . Walter and Shannon obligingly lead the way.

Homecoming

Annual Homecoming assembly November 18 . . . Henry Javelina, the team mascot, in "full dress" . . . the Marching Band parades at the half . . . baton twirlers Mantel and Meyer at the pep rally . . . section of the crowd at the homecoming game between the Javelinas and St. Mary's Rattlers . . . at the dance afterward, with Baron Dakin providing the music . . . sponsored by the Ex-Students Association.

The Marching Band . . . the special to San Marcos . . . the "refreshment car" . . . hours whiled away at bridge . . . mob scenes as the train arrives . . . Majorettes Grace, Helen, and Anna Lynn . . . A&I Band followed by Javelina fans (on foot) . . . the band again.

San Marcos Special

Campus

Scenes from the Beta Gamma Mexican supper . . . Delta Theta pledges pose . . . and here is a view of the Delta Theta dinner given by the pledges for their "big sisters" . . . Eldon had a hard time pushing his face into this scene at the Hallowe'en dinner at Loftin Hall, complete with black cats, yellow pumpkins and dim lights . . . Queen Anna Lynn graciously presides over the coffee service at the All-College Christmas Party.

Distinguished visitors brought to A&I's campus during the year . . . Cornelia Otis Skinner caught with a blank stare, gave a series of amusing sketches . . . European correspondent H. R. Knickerbocker looks grim . . . maybe he is contemplating the disasters of dictatorship . . . cross section of the audience showing all too clearly the inadequate improvised auditorium in the gym . . . N. Kostrukoff and his celebrated Don Cossack Choir were also on the A&I list for this season's series—the agile dagger dancers.

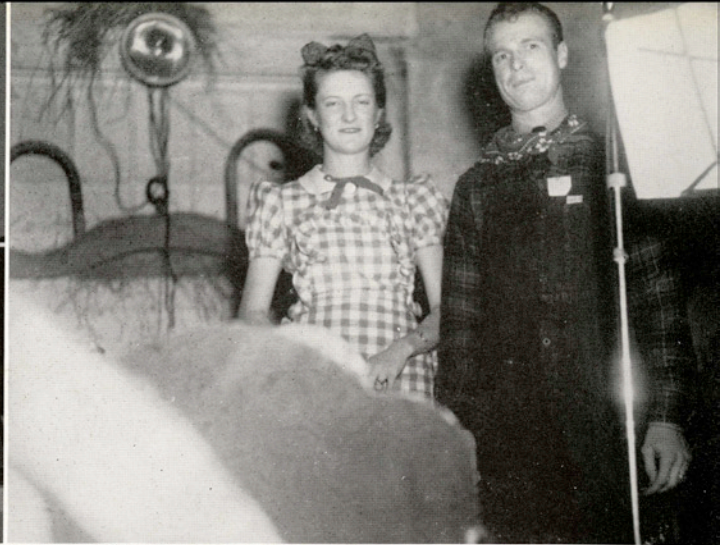

Christmas at Loftin Hall

Christmas

Annual presentation of "The Messiah" by the combined A&I Choirs and Chorus, with Riley conducting . . . Ave Sue Martin sings a recitative . . . A Cappella Choir at the All-College Christmas party.

Christmas comes to Loftin Hall, with the annual holiday formals . . . informal shot of chaperones and special guests at the dance given by the Seale Hall boys for the fair residents of Cousins Hall . . . "Red" Pryor looks distinctly deserted — whassa-matter, didn't Santa leave you that li' Model T you wanted, Red? . . . Oscar Cabra's orchestra plays from the veranda of a cleverly improvised colonial mansion. . . Residence hall heads, Joe and Shelly, lead the grand march through the arched gate of the garden . . . a well-whiskered Santa Claus presents remembrances to good little children, including Queenie Anna Lynn and FFA Sweetie Doris . . . "After the ball was over—" and the boys can have the confetti! . . . there ought to be enough here to start a nice bonfire, at least—but it's far into the night by now, and even the little Christmas trees look weary.

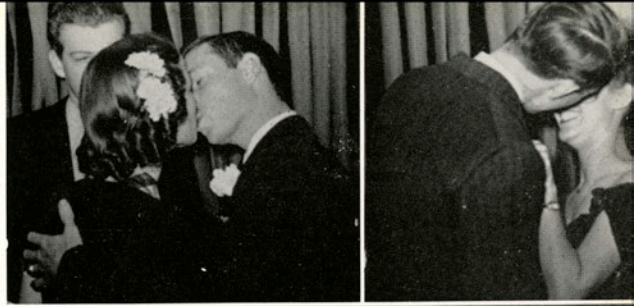

Engineers and Aggies

All-College Dances

Two of the largest organizations on the campus are well represented in these pictures of the Engineers and Aggies . . . George Hamilton played for the Engineers' Dance, pictured in the first column, from top to bottom . . . the maestro plays a sweet fiddle . . . shot of the dancers who thronged in the gym . . . Engineers' Sweetheart, lovely Harriett Kidder, is presented with the Engineer's compass and triangle and a bouquet of roses by Ray O'Hara, Engineer prexy . . . At the annual barn dance, Aggie Sweetheart Helen Meyer is introduced by Prexy Benny Oefinger . . . farm lads and lassies swarmed the gym which looked barn-like . . . "best-dressed" couple are awarded crisp one-dollar bills . . . Chris is evidently overwhelmed . . . the wearer of the stunning calico ensemble is Martha Ann Troy, who can't decide whether it's funny or not!

These interesting scenes were not printed for blackmail purposes . . . they were taken in good faith at the Press Club's annual Valentine Dance . . . the kisses were the forfeit for a dime entrance fee . . . and most were minus dimes . . . Brooks closes his eyes and Jo Le can't suppress that giggle . . . Dancers at the Aggie Christmas Dance . . . Very good, Sacks! If Billy wasn't in the way you could see Billie . . . Coy Miss McKenzie with Va. "the sheik" Campbell at the W.S.A. Manless Dance while Hayseed Carson looks on.

Snow of 1940

One of the loveliest pictures taken on that snowy day was this of Betty Jane McCallum, daughter of Coach and Mrs. A. Y. McCallum, and beloved "little sweetheart" of the T-Association.

An unbroken expanse of white from the Administration Building looking toward Loftin Hall and Seale Hall . . . palm leaves laden with snow . . . the first some South Texas students had ever seen.

That Same Memorable Day

Still More Snow

Fantastic but beautiful—snow on the athels . . . Looking toward the gym, music conservatory on one side . . . Eugenia keeps her feet dry on a bundle of twigs . . . More snow-play, which took up most of this unforgettable day . . . “Alabama” comes smiling up the walk . . . Leefe looking up—and Miss McNeill gets rolled in the snow . . . more of the same, just outside the front entrance . . . a sadly surprised palm tree wears a winter coat, while the banana trees droop in dejection; they couldn’t take this decidedly un-tropical weather!

Fast fighting, and Sibbie with her mouth open . . . Holley goes for the camera, while the other three play in the snow . . . “Tubby” Waldie gets thoroughly biffed on the ice-sculpture, with Offutt furnishing good advice.

Last of the Snow

More views of that unusual January day when everyone dug up a camera and films were sold out by 10 a. m. . . . Audrey gets thoroughly rolled in the snow . . . good old winter fight, in front of the conservatory . . . another co-ed gets a snow bath with Vaky officiating (the scarf was to keep his ears warm) . . . Clampitt and Bobbie peek over the top of a snowed-under coupe.

Unusual sight of snow provided subjects for many novel pictures . . . Miss Troy mugs the snow man . . . McIntyre winds up a good fast one . . . This group was snapped in front of Loftin Hall . . . the one in white is the snow man . . . white veiled hedge alongside the Ad. building, and, underneath, the snow-carpeted campus, with the East Tower dominating the background . . . Things had calmed down somewhat, by the time this was snapped . . . Aggies pose in a snowed-under orchard . . . Whose hat is that Milton? . . . Mountaineering misses seek ski-trails, no doubt . . . Strictly a pose, it looks like from here . . . advertising South Texas weather, or just proving you're he-men?

Initiations

Ever-recurring initiations infested A. & I. as usual . . . and hungry Kappa Sigs try to appease healthy appetites without the aid of the customary equipment . . . "Shoe-shine boys"! so Delta Sig pledges McCurdy and Martens slick 'em up. O. K., Margaret? . . . Annual oyster-feed at the Engineers' initiation . . . these shapely damsels put on a style show—good? M' deah, it was dee-vine! Bedragg'ed Alpha Sigma lead yells at a basketball game—the pink-haired Fiji Islander is really Lanell . . . Bell and Smith put some "oomph" into their yelling . . . Babette and Connie feed each other at the Beta Gamma picnic . . . Future "slipsticks" receive the brand of their calling; Strong is the doctor . . . Kappa Sigs sorta overdid this praying-for-rain act . . . they nearly got washed away in the resulting deluge.

Campus chit-chat . . . an assorted group going to and from classes . . . Vogel looks disgruntled, but Holley seems happy, and Jo Le has a knowing smile . . . Rosalie and Charlotte dodge the sun and John frowns . . . that inevitable gathering at the T-Jac, where politics, life and love are discussed over coffee and funny papers . . . "Air" travelers on their way home . . . maybe you should have a uniform, too, Herby!

Seen at A&I

In Cousins Hall, lovely Mrs. Littlejohn at a lovely table . . . Headwaiter Spruce got an unexpected vacation when this happened . . . Stag Bonner looks over the crowd as couples dance by . . . Will Babette be surprised to see this! She was asleep at the time . . . Cousins Hallers Grasso, Hager, Thomas, and Dunn relax at a popular pastime . . . Minter grins at a magazine . . . High school student teachers snapped in action . . . Misses Stewart and Henry impart a few pointers in English . . . while Galiga and Harris supervise the hurdle-jumping . . . the cast of the Footlight Club's production, "Spring Dance," with most of them registering suspicion . . . "Mom" White and assistants fixing a Sunday night supper, buffet style, at Loftin Hall.

Amado Nervo

“Blue Heaven’s” rear provides a leaning place for Lamar Gomez, Amado Nervo’s treasurer, while Nori Rodriguez is being christened by Oscar Guerra in front of the college and with audience . . . “The Blue Heaven,” whose color is changed with the fancies of the girls, serves splendidly for rioting when the Amado Nervo group gets together . . . OOPS! that piece of ice down Manuel Morales’ back doesn’t feel so hot in this zero weather . . . but you never can tell, the next week Frances Salinas, Noe Garcia, Anita Gonzales (club’s secretary), and Eligio Flores are glad to get out and give the breeze a smiling welcome . . . just ask Virginia Lopez Lira who beams away in smiles . . . President “Pete” Miniel does the “Indian act” while Eloy Garcia looks on to insure the camera man that he is ready . . . the cloister provides a good background for Frances Salinas, Isauro “Scotch” Garcia, Nori Rodriguez and Josefa Garcia, who in spite of their books and worries find time to smile it off . . . Why Frances! Who would’ve thunk it of you—and with gentlemen in the group!

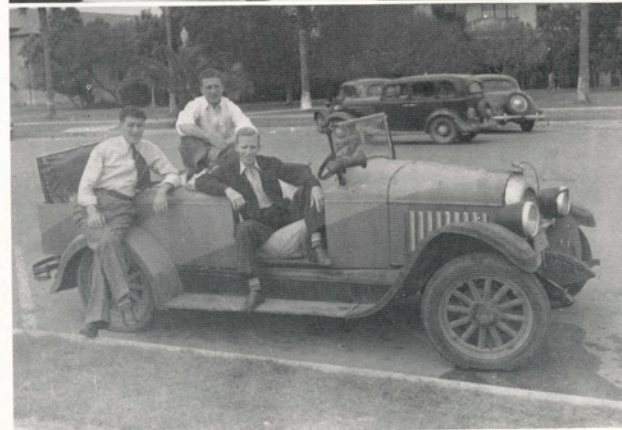

Campus

Annual Aggie-Home Ec. Carnival . . . Granne slings a mean ball as Smokey counts the shekels . . . Play Night finds Hazel and Holley at shuffleboard . . . After-dinner stroll . . . Carabelle and Billy ignore the camera . . . Two tall Cryers . . . George is dunned for class dues . . . Pledges pose, wearing Beta Gamma colors . . . D. C. and Waldie, C. A. and Mildred, all talking.

"Jona" gets overhauled . . . Millikin, Nugent, and Brown lend vocal assistance only . . . Deck Hulcy with the celebrated green convertible . . . Slight case of plagiarism! . . . Troy and Sykes coming in from dinner . . . Occasionally "Jona" gets up enough energy to limp to the T-Jac, but this, we suspect, was posed . . . A good looking shirt, once . . . "Alabama" and Babette look happy . . . Brooks and Glyn are amused . . . What's the matter, Ilfrey?

Lantana Court

A. & I.'s loveliest ladies are introduced, and campaigned for, in assembly . . . the east corner of the campus is definitely not neglected as the campaigning progresses . . . the bulletin board also receives its share of attention . . . the winners . . . A. & I.'s final choice for the Lantana Court, shown in the reception room of Cousins Hall. In case you don't know by THIS time, they are (left to right) Rosalie Burns, Kathleen Jester, Queen Anna Lynn Porter, Leefe Brown, Betty Jo Lyon, Kathryn Bluntzer, and Harriett Kidder.

On the night of April 27 Queen Mary Edith of the House of McFarling relinquished her crown and her throne to Queen Anna Lynn of the House of Porter at one of the loveliest coronations ever held on the A. & I. campus. Richard Davis, director of the coronation, had reason to be proud of this spectacle which included representative work of more departments than ever before had been incorporated into this festival. The queen, chosen by popular vote of the students, truly represents our college girls, and the king, chosen as president of the Student Body, represents the college boy.

WHO'S WHO

Representing one per cent of the student body, the fifteen men and women pictured on these pages were selected by a faculty committee to be listed in "Who's Who Among Students in American Universities and Colleges" on the basis of character, scholarship, leadership in extra-curricular activities, and possibility of future usefulness to business and society.

In addition to the fifteen noted here, Texas A. & I. has the special honor of having two students selected for the second time for this recognition, namely: Virginia Nierman of Kingsville, history major, and Harriett Kidder of Mercedes, chemistry major.

KENNETH GRIMES

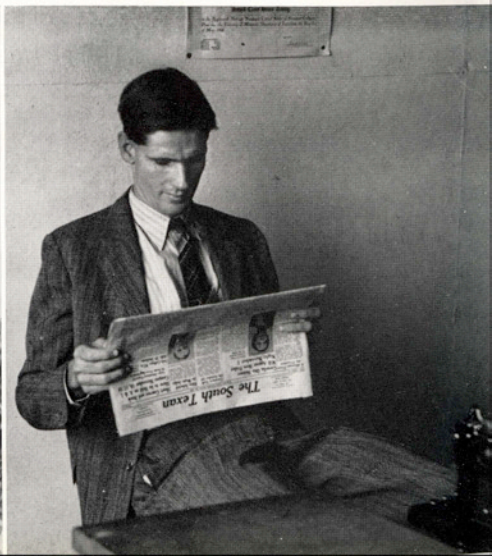

President of the student body and San Antonio's favorite son . . . has Student Council record of three consecutive years . . . likes to study people . . . noted for his football ability, which won him a place in the All-Alamo Conference line-up, and a bid toward professional football . . . possessor of an invigorating smile and tolerance.

MARY ELLEN OSBORN

Home Economics major who revels in clothes designing . . . likes social activities and her poise and capacity for fun make her a leader in all such engagements . . . likes horse-back riding and looks like an English gentlewoman while following this avocation . . . sweetheart in her freshman year of a campus fraternity.

FRANK GOODWYN

Poet laureate of the college . . . with record of three books published . . . dislikes over-bearing people . . . likes to work in his garden in the cool of the evening . . . a fiddler of no mean ability with a passion for traditional cowboy and borderland ballads . . . individualistic and original . . . exemplifies South Texas with his mastery of tunes and tales of the West.

KATHLEEN JESTER

A miniature blonde with a trend toward the dramatic . . . combines distinct creative artistry with sincerity, tact and a search for loveliness in every situation . . . dislikes poor taste or rudeness in others . . . likes to spend her leisure time reading poetry, writing, or listening to her favorite operatic arias . . . has made a spectacular entry into the field of radio which she intends to follow as a career.

ROY DOUGHTY

Senior business administration major . . . hails from Robstown . . . follows up his scholastic duties with efficient presidency of the college Business Administration Club . . . likes a swift, clean game of tennis and is a member of the A. & I. tennis squad . . . has been called "the most perfect example of a gentleman that A. & I. has.

THELMARIE SHELLENBERGER

President of the Beta Gamma Sorority . . . is the girl that tells all Cousins Hall residents what and what not to do . . . home economics major who likes to try out new recipes . . . charter member of a campus club that revels in conversational activities . . . has a special interest on her left hand . . . dependable . . . hard working . . . vital.

MARVIN AHRENS

All-Alamo Conference end and vice-president of the Student Council . . . hails from Charlotte . . . incomparable sense of humor . . . students see him every Wednesday afternoon in the conference room where he shows ability in balancing a coffee cup as easily as he proved his worth on the gridiron and basketball court.

HARRIETTE BLUDWORTH

An interesting person with marked literary ability . . . may be easily identified by the rapid clicking of her tiny feet upon the publication office stairs . . . takes a deep interest in people . . . generally seen pounding a typewriter at the South Texan desk . . . an active worker in many clubs . . . likes to collect quotations and discuss world affairs over a steaming cup of coffee . . . efficient . . . responsible . . . friendly.

ROBERT SHUTT

Combination teacher, business man, and administrator . . . can be depended upon in any situation . . . likes dull colors and mixes them with a bright wit . . . favorite pastime is conversation . . . has in mind a trip to South American countries . . . believes in free speech as the acme of democratic existence . . . intolerance in others amuses him . . . has the rare and splendid virtue of minding his own business.

FAYE SINCLAIR

Kingsville product, with a flair for artistic creations . . . intends to teach the children of this state something about art upon graduation . . . likes people in general but prefers that they be tolerant and tactful . . . thinks that "leisure time" is an obsolete phrase but if she had any would use it in playing the piano or in sports activities . . . dependable . . . poised.

HAROLD OFFUTT FRANCIS

Combines versatile musical ability and leadership capability . . . serves as president of a church organization that covers all West Texas . . . is a perpetual delegate due to his active interest in people and his worthwhile activities . . . known as a member of practically every musical organization on the campus . . . lists as his special interest that of making new friends while keeping the old ones.

ELINOR McKINNEY

Began early to hang up her musical star . . . spends her spare time in the music conservatory huddled over the piano . . . has a collection of dogs, of the china and wooden variety . . . dislikes insincerity . . . a student teacher who enjoys working with the problem cases in her classes . . . attends all area concerts and hopes to some day be a concert star herself.

RAY O'HARA

Chemical engineering student from way up in Illinois . . . quiet and rather sophisticated . . . student assistant in the chemistry department and past president of the Engineers' Club . . . secretary-treasurer of the Student Council and spring president of the Senior Class . . . sincere in all relationships and possessed of a genuine capacity for friendship.

MARJORIE Du BOSE

A BBA major, whose secretarial ability has been a part of the engineering department for the past two years . . . likes to spend her leisure moments reading or listening to classical music . . . has a flair for good grades and friendly conversation . . . abhors gossiping females and conceited persons . . . Falfurrias sun takes the credit for the sheen in her blonde hair and the light in her blue eyes.

CLYDE PRYOR

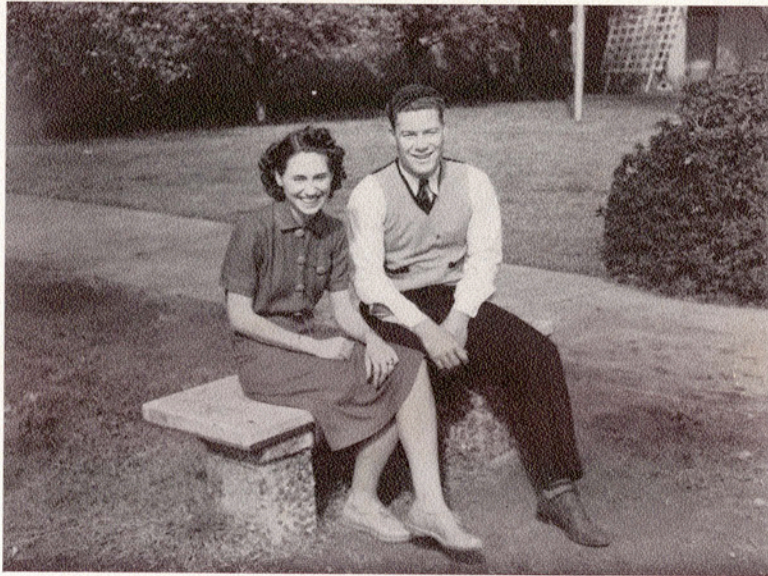

The red-headed dynamo of the publications . . . selected for "Bluebook of American University Men" . . . likes to worry . . . dislikes conceited people and resents unfriendliness . . . prefers news writing of engineering or sports interest but is proficient in any journalistic field . . . wants to work some day for an oil or gas publication . . . is a camera fiend of no mean ability.

LANTANA COURT

Lantana Queen

Anna Lynn Porter

First lady of A&I . . . energetic baton twirler from Freer . . . sympathetic . . . understanding . . . versatile . . . idolized by the campus as a whole for her warm-hearted and sincere friendliness . . . plans eventually to teach young hopefuls the awful secrets of the typewriter . . . efficient . . . takes part in active sports . . . scholarly . . . a staunch supporter of the football team and the Aggie Club.

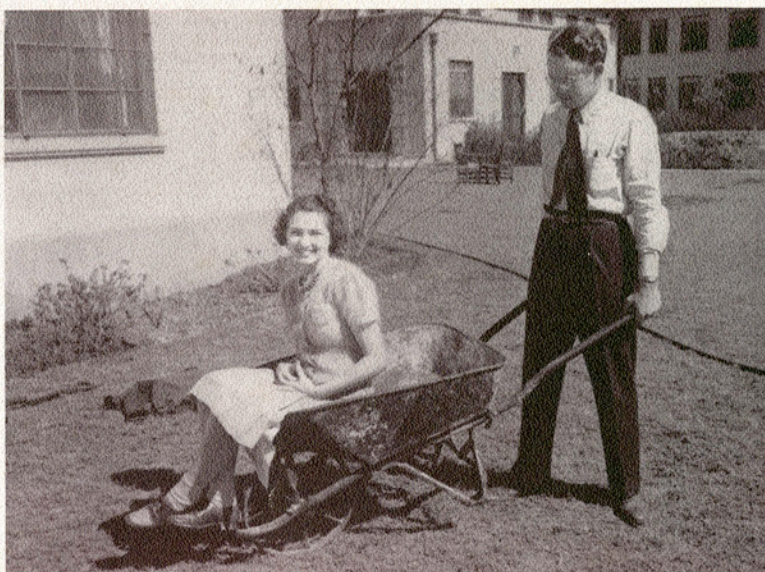

Kathleen Jester

A diminutive person who has rare insight into the social and political world of today . . . esteems serenity as a character trait . . . a creative individual with literary and artistic ability . . . reads psychological studies with interest . . . takes delight in quoting Shakespeare . . . an actress of no mean ability both behind and away from the footlights . . . analyzes people with admirable success . . . enjoys being different . . . matches her blondness by selecting Louis Taylor as her escort.

Betty Jo Lyon

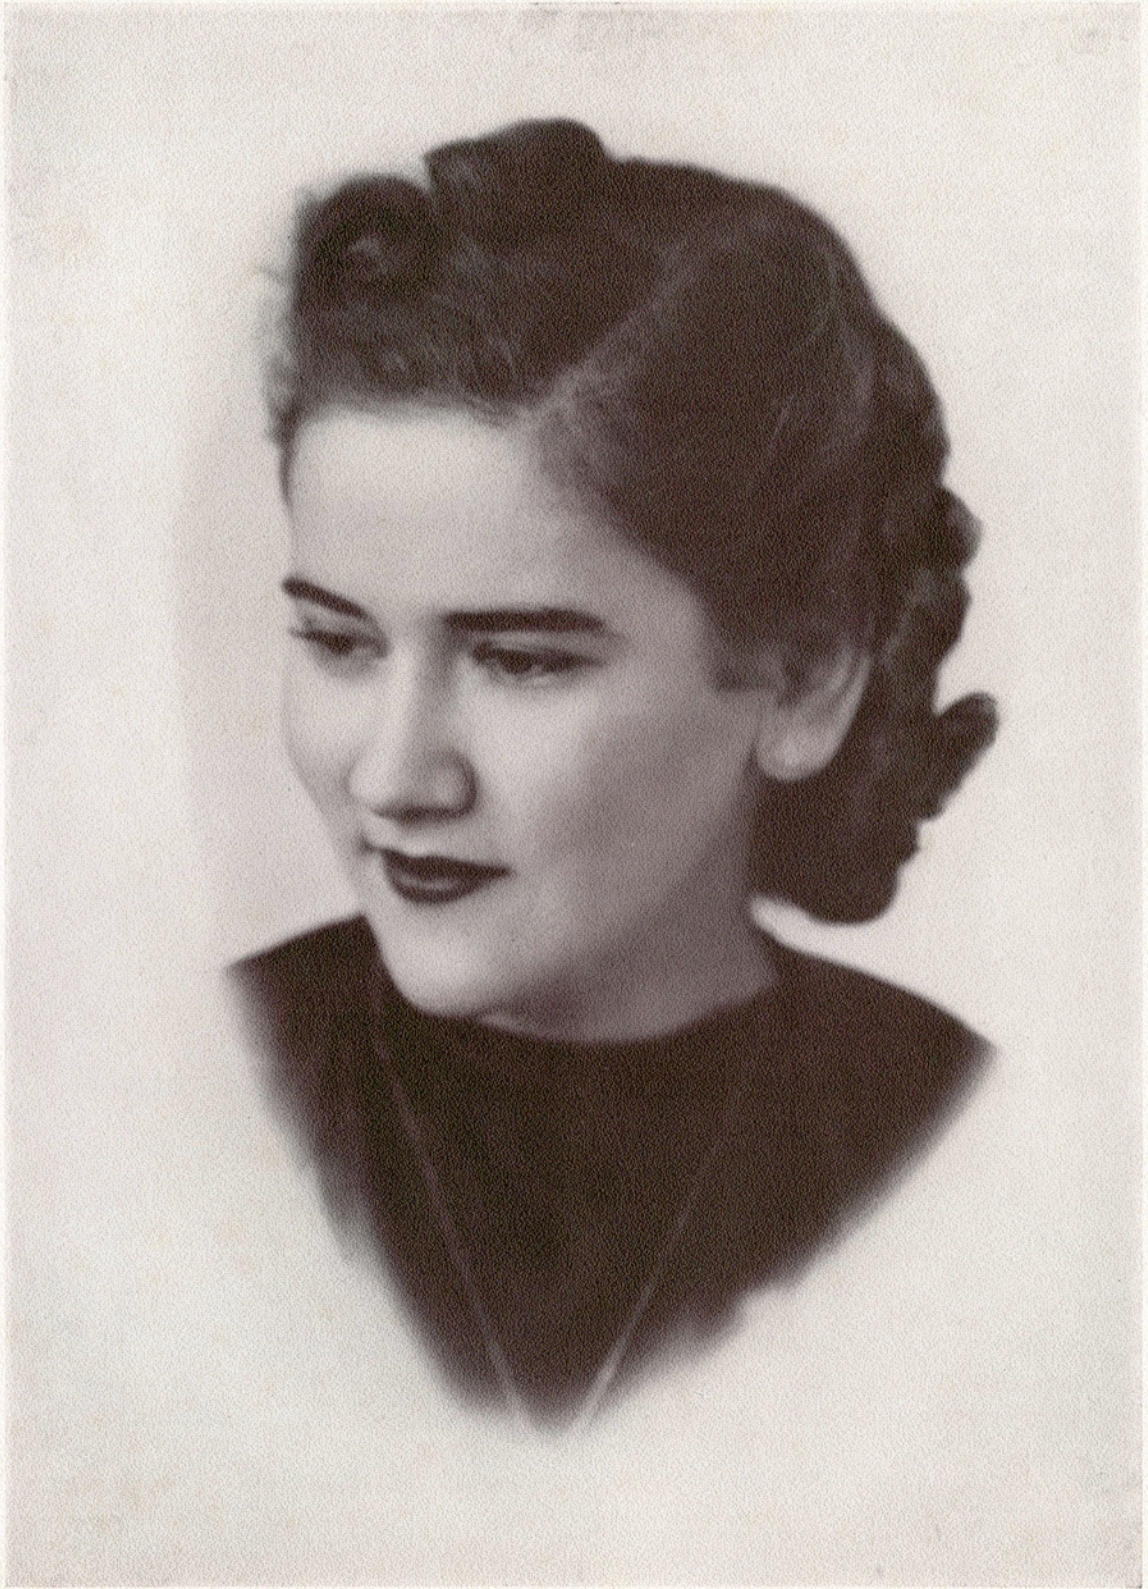

Personable member of the Robstown set . . . conservative . . . modest . . . an advocate of sincerity . . . admires American men of letters . . . enjoys club activities . . . has an avid admirer in the person of Al Martin . . . requires manners and respect in masculine acquaintances . . . has no use for catty people . . . somewhat forgetful . . . plans a business career.

Harriett Nadine Kidder

A poised and dignified young lady who fits perfectly the collegiate conception of the all-around girl . . . a picture of efficiency without display . . . responsible . . . collected . . . reserved . . . may be found in the publications office at almost any time of the day or night . . . orderly . . . refined . . . amicable . . . a fine student with unlimited ambition . . . works in conjunction with the South Texan editor.

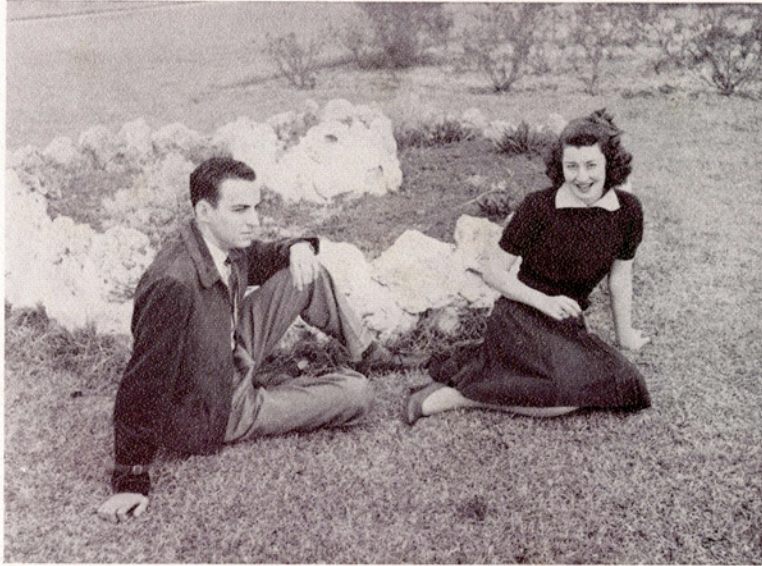

Leefe Brown

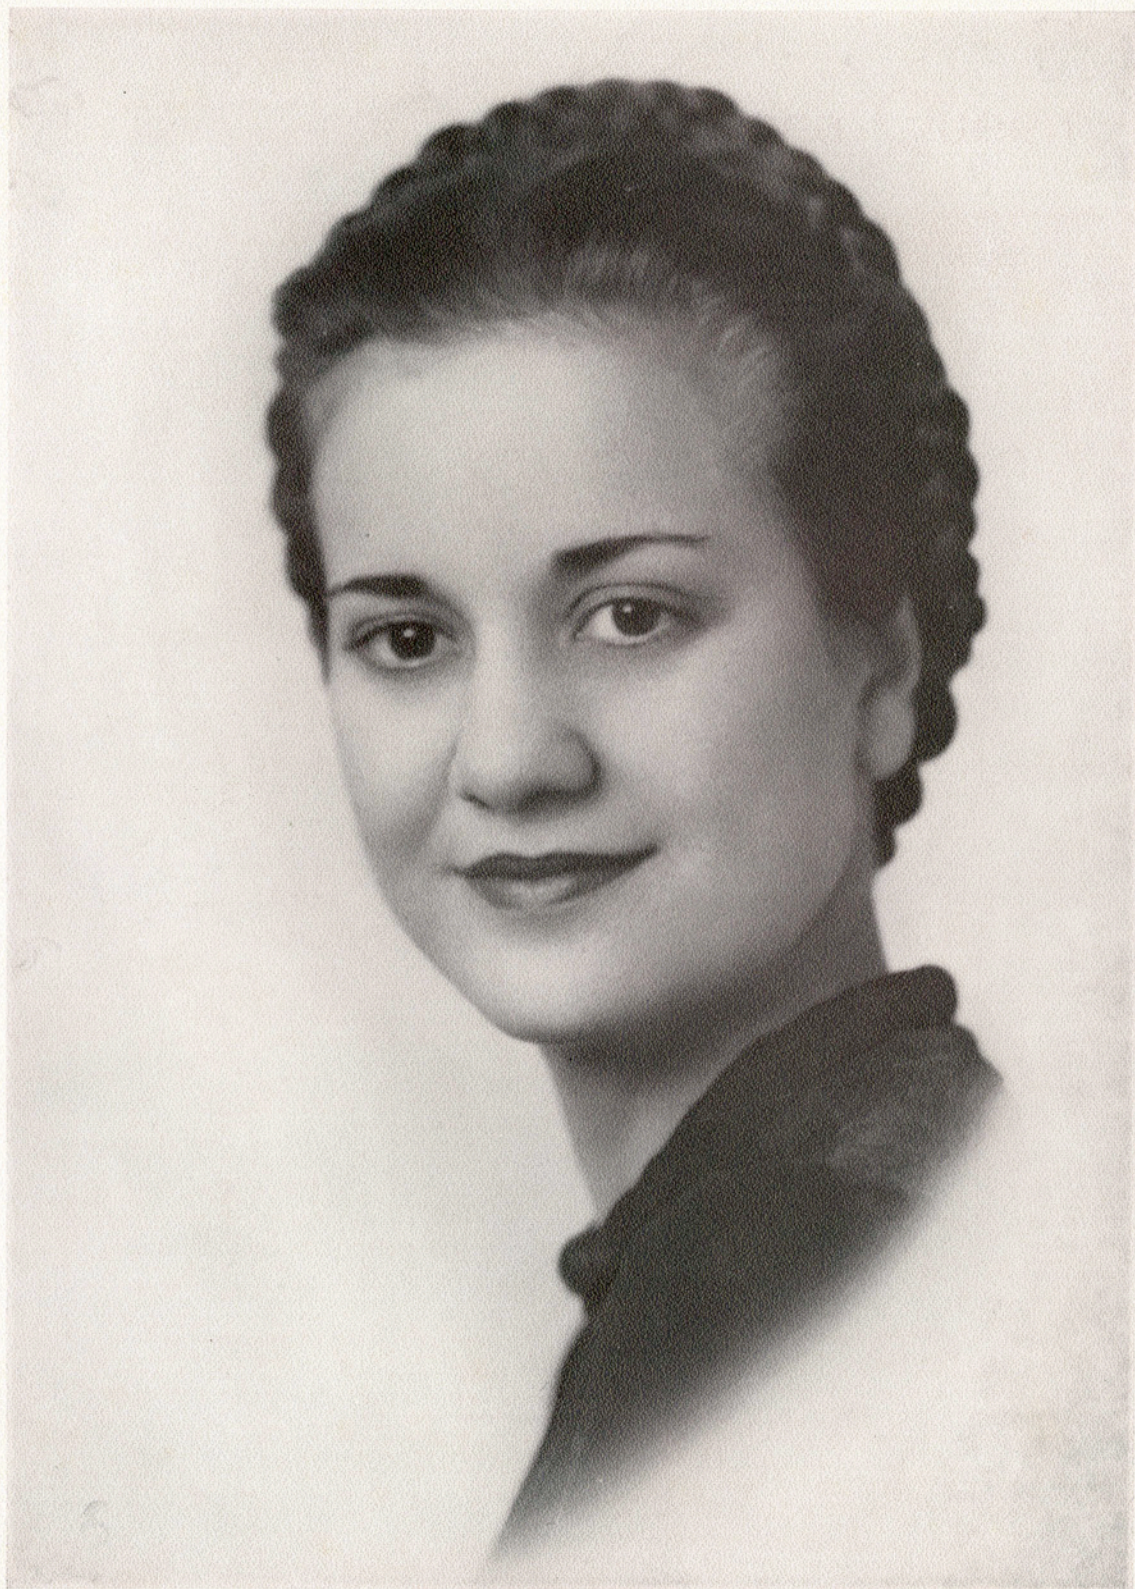

A voluble personality with a marked tendency toward household activities . . . not at all opinionated . . . a Valley product but by no means a lemon . . . favors striking sophisticated apparel . . . converses with aid of hands and scintillating hazel eyes . . . has an antipathy for persons afflicted with self-pity . . . enjoys dancing to the various types of popular music . . . an accurate shot with a rifle . . . has an inclination for adventure and excitement . . . football team gains a place in her affection in the person of Charlie Moyer.

Rosalie Burns

A comely red-head radiating amiability . . . believes in frankness tempered with tact . . . enjoys modern poetry of a melancholy tone . . . a responsible and conscientious worker . . . believes in the value of social contacts afforded by college . . . loathes conceit . . . is disturbed by lack of congeniality within a crowd . . . often appears with the B.A. teacher of Sigma Sigma Pi.

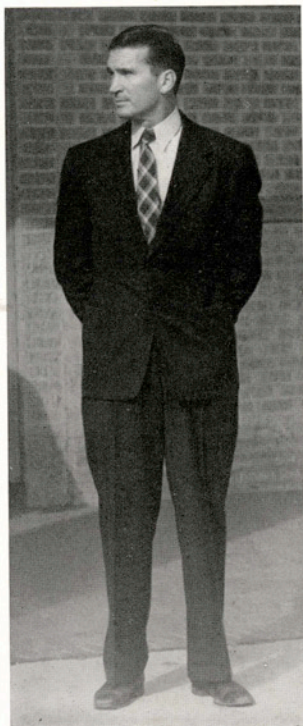

Kathryn Ann Bluntzer

An attractive prospective school teacher from Corpus Christi . . . somewhat conservative in political ideas . . . dislikes to be photographed . . . lacks domestic interests . . . wears little jewelry besides a Delta Sigma Chi Fraternity pin . . . admires sincerity in people . . . generally seen in the company of the Engineer reporter . . . feels embarrassed at the discomfort of others . . . prefers casual sport clothes to dramatic effects . . . a little girl with considerable energy.

ATHLETICS

Football

"Headman"

Ten years ago in the fall of 1929, Bud McCallum came to A&I from Wichita Falls to take over the coaching duties from Dean Smith. Exactly ten years from the day of his debut as head coach, he was called before the Board of Directors and given a vote of confidence.

"Bud's" record speaks for itself. His teams of '31, '32, '33, and '34, were undefeated except by stronger Southwestern Conference teams. The Javelinas of 1933 tied for the TIAA championship and won the title in 1934.

Since the formation of the Alamo Conference in 1936, the Javelinas, under Bud's tutelage, have either won the title or tied for it. In '36 and '37, the Javelinas were co-champions with St. Mary's. In 1938 they reigned supreme as Alamo champs. The past season again found them at the top of the ladder as co-champions with West Texas State.

Before coming to A&I, Bud was coach at Wichita Falls High where his talent first asserted itself when his team went to the State semi-finals.

Coach McCallum got his first taste of football at the University of Texas where he played from 1918 to 1921. He was an All-Southwestern fullback in 1921.

Top row—CROCKETT, TERRY, PIPKIN, RUCKER, HALL, FRANKS, LANG, HELMS, STEVENS, TAYLOR, DUGGER, CLARKSON, JEWETT, McCALLUM.

Middle row — DILLON, HILLIARD, BRANNON, GURDES, HILBURN, MARIS, BEAR, STEINKE, WILLIAMS, WELKENER, HILL.

Bottom row — HAWKS, REESE, JONES, ARNOLD, MATTINGLY, MOYER, GALIGA, GRIMES, HIGHTOWER, HENRY, HARRIS, EVANS.

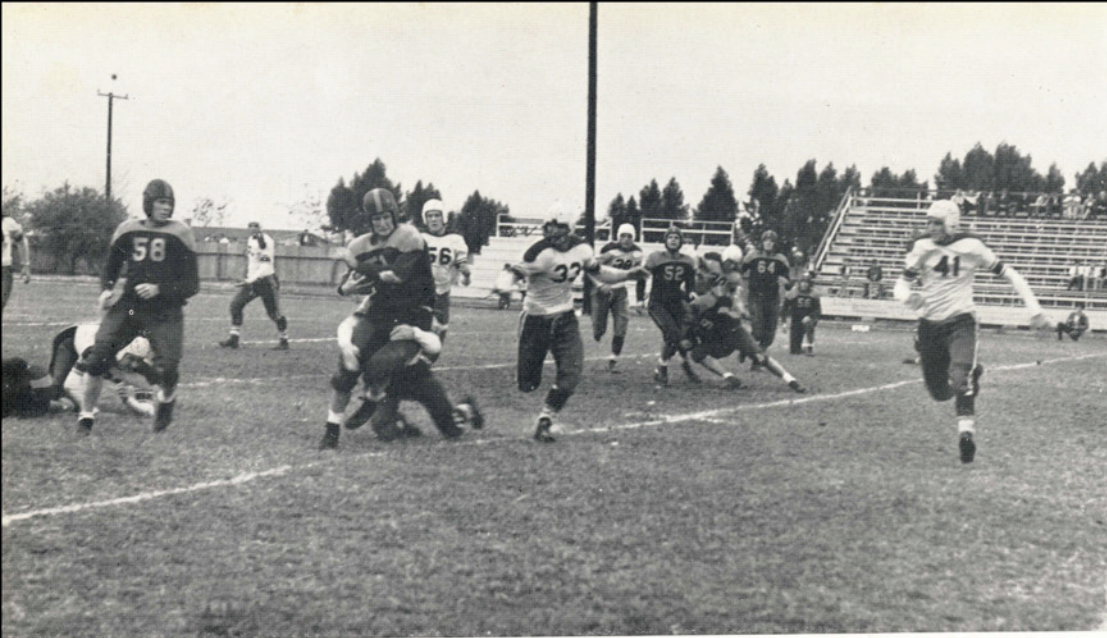

Above — Mattingly kicks out from behind his goal line in West Texas game. Below—Dottie Byfield crowned Queen of the "T" Association.

"Helpers"

Assistants to Bud McCallum are Cal Jewett on the left and Maurice Pipkin on the right. Cal made his debut at A&I with Bud in 1929. Maurice is starting on his second year as Bud's helper. Both share coaching honors with headman Bud and are greatly responsible for the strong defensive lines that the Hogs offer to their opponents.

STEINKE CLICKS OFF A FIRST DOWN!

Javelinas Drop Opener to San Jose, 9-0

Inaugurating a new type of schedule that featured bigger, better, and tougher teams, the Javelinas journeyed to San Jose, California, in September, to meet "Pop" Warner's famed Spartans of San Jose State, September 18.

San Jose, the nation's highest scoring team in 1939 and one of the best teams on the West Coast, found the Piggies from South Texas their toughest foe of the year.

For fifty-two minutes the Hogs battled the Spartans to a standstill, only to see their efforts go for naught as San Jose successfully kicked a field goal and penetrated the Javelina goal line for a score in the last eight minutes of play.

The Javelinas did not have possession of the ball long enough during the game to present much of an offensive show for the Coastal fans, but what a defensive spectacle they did offer! Four times the strong A&I forward wall halted Spartan drives before they materialized into touchdown marches. The Californians failed to penetrate the Javelina 15-yard line until late in the third quarter, and then went begging as the Hog line stopped the attack cold.

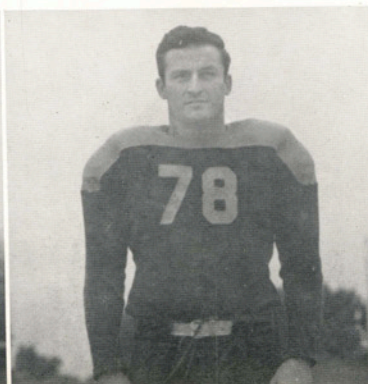

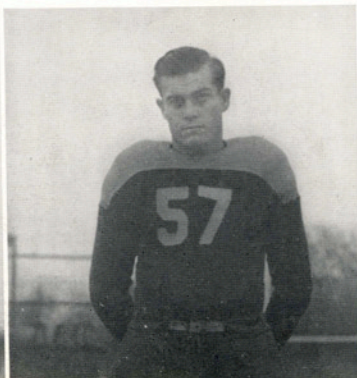

The Spartans began their scoring when Ken Cook came into the game in the closing minutes to attempt a field goal. His kick from the 26-yard line was accurate and good for three points. Several minutes later, the Californians again found themselves in scoring position after intercepting an A&I pass. Several line plunges were good for short gains, then Carlton Peregoy knifed through the Hog line for a 14-yard gain before being spilled on the 5-yard line. A penalty assessed the Hogs for too many timeouts, advanced the ball to the 2-yard line, from which point Peregoy plunged over for the second Spartan score. Cook's try for conversion after touchdown was wide and the game ended with the Javelinas on the short end of a 9-to-0 score.

Hogs Annihilate Hillbillies, 20-3

Scoring three touchdowns in the second half of their game with Daniel Baker, the Javelinas defeated the Hillbillies 20 to 3, in their annual game played on the A&I gridiron, September 30.

Play during the first half of the game was centered mostly in A&I territory as the Hillbillies capitalized on numerous "breaks." Strong defensive play on the part of the Javelinas killed all scoring threats that the Hillbillies offered and at no time were the Hogs in serious trouble.

The Hillbillies drew the game's first blood when Stewart booted a field goal through the uprights for three points in the opening minutes of the second half.

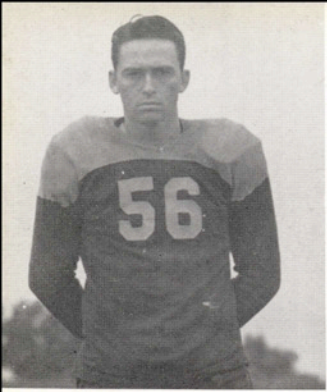

The three-point lead enjoyed by Daniel Baker was short lived, however, as the Javelinas swung into action with their powerhouse style of play. Taking the kick-off following the Daniel Baker score, the Hogs marched down the field to the Billies' 48-yard line on plays strictly of the power type. With the ball on the 48, Steinke broke loose on a spectacular run to cross the double stripes standing up, for the first A&I score.

The Hogs scored their second touchdown in the third quarter as Mattingly climaxed an 80-yard drive with a plunge over the Daniel Baker goal line. Hall converted the extra point.

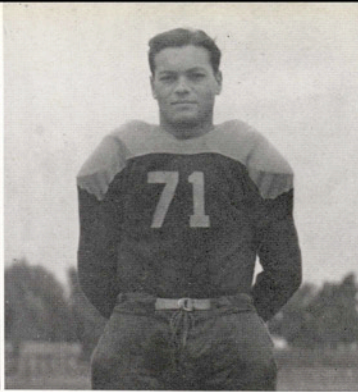

A blocked Daniel Baker punt recovered by the Javelinas on the Hillbilly 25-yard line paved the way for the third Hog score. After advancing the pigskin to the Hillbilly 10-yard line, Hall plunged over for a marker, only to have the play called back as both teams were off-side. Two plays later, Mattingly carried the ball over for the third and final Hog score of the game. Hall again converted the extra point and the Hillbillies were sent home with the short end of a 20-to-3 score.

Hogs Trample Helpless Lobos, 26-7

Playing their third game of the season, the Hogs journeyed up to Marfa, Texas, October 6, to meet the Sul Ross Lobos in their first Alamo Conference tilt.

A&I had an easy night against the hapless Lobos, running up 26 points on the scoreboard while the Lobos were amassing 7.

Sul Ross held the Javelinas to a scoreless first quarter, but weakened in the second period as the Hogs' attack started clicking. Steinke started the night's scoring by taking a 25-yard pass from Hall, tossed from the Lobo 48-yard line, and racing the remaining 23 yards untouched for the first score of the game.

The Lobos tied the score several minutes later when they scored from the Hog 10-yard line after recovering a Piggie fumble. A short pass from Scott to Riggs was good for the tally.

The Javelinas started the second half with a bang, scoring in the first three minutes of play after receiving the kickoff. Mattingly and Steinke alternated at carrying the ball with Mattingly going over for the touchdown.

Hall set the stage for the third Hog score with several short passes to Lang. With the ball on the Sul Ross 25-yard stripe, Hall faked a pass and ran to the Lobo 4-yard stripe, from where, with his forward progress stopped, he lateraled to Grimes who scored.

The Javelinas scored their last touchdown with a pass from Hall to Henry with Henry crossing the goal line untouched. Hall kicked the extra point, giving the Hogs a 26-7 victory.

JAVELINAS SCORING AGAINST ST. MARY'S!

GANGWAY — HERE COMES STEINKE!

Javs Stop Favored Sam Houston Kats, 7-0

Football stock of the Javelinas took a sharp rise, Saturday, October 14, when the Hogs "took" the heavily favored Bearkat eleven from Sam Houston into camp with a 7-to-0 victory.

A rough and tumble affair from start to finish, the game was witnessed by one of the largest crowds of the year as approximately 6,000 fans turned out for the tilt.

The stage for the lone score of the game was set up late in the first quarter when "Sacks" Mattingly intercepted one of Barnett's passes on the Hog 40-yard stripe.

The ground gaining combination of Steinke and Mattingly again began clicking behind the blocking of the Hog forwards and the ball was advanced to the Bearkat 4-yard line. An off-side penalty cost the Kats an additional 2 yards, putting the ball on the 2-yard marker, from where Mattingly crashed over for the score on a powerhouse play.

Dugger converted the extra point, giving the Javelinas a 7-point lead which turned out to be the margin of victory when the last gun was fired, ending the game.

The victory represents an achievement for the Javelinas, it being their first over the Bearkats in three years.

The game was an interesting and colorful one from the opening whistle to the final gun. Both teams showed an abundance of defensive strength, with A&I having a slight edge. Barnett, ace backfield star for the Kats, put on an aerial bombardment that thrilled the crowd, as he tossed 39 passes during the fray.

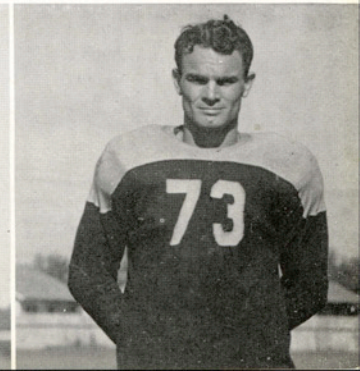

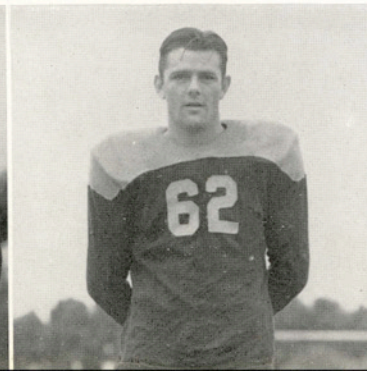

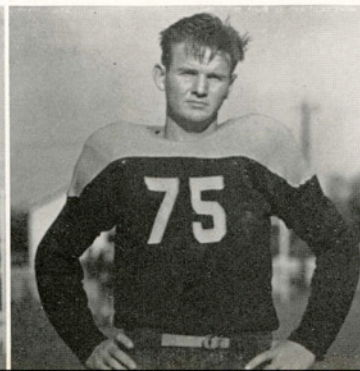

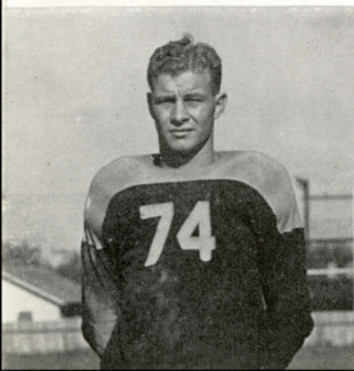

Steinke brought the crowd to its feet in the fourth quarter with a dazzling 67-yard dash to the Kat 9-yard line. The play was called back, however, and the Javelinas assessed a 5-yard penalty for being offside.

ANOTHER JAVELINA SCORE

Javelinas-Bobcats Battle to Deadlock, 0-0

Rated by experts as being the underdogs without a chance, the Bobcats of Southwest Texas State Teachers College upset the "dope bucket," October 20, by holding the Javelinas to a scoreless tie in their annual game played in San Marcos.

Four times during the fray, the Hogs advanced to within the shadows of the Cats' goal posts, only to see their scoring chances fade away as the result of fumbling.

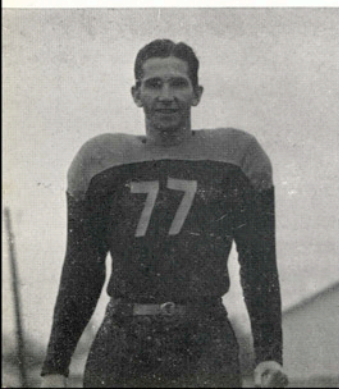

Tuger Hall crossed the double stripes early in the third quarter from the 7-yard line for the only A&I score of the game, only to have the play recalled and nullified by an offside penalty.

The Teachers played a strictly defensive game, never offering a serious threat to the Javelina goal line. Play during the first half was centered between the 40-yard markers, neither team being able to penetrate the other's defense. San Marcos reached into their bag of tricks late in the second quarter and came up with the old "Statue of Liberty" play, carrying to the Hog 30-yard line before being checked.

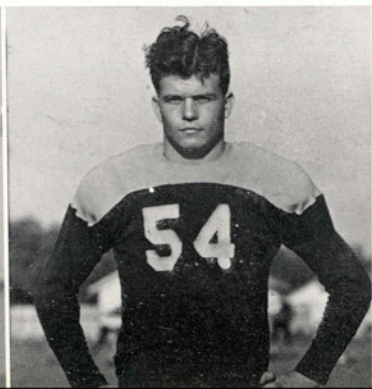

The third and fourth quarters saw the Javelinas repeatedly drive to within striking distance of the Bobcat goal line only to bog down in their own errors. Numerous fumbles cost the Javelinas four touchdowns that were virtually assured.

The feature of the game was the defensive play offered by both elevens with neither being able to crack the other with any appreciable success.

A&I Halts Schreiner, 21-14

Taking advantage of several Mountaineer miscues, the Javelinas downed a fighting Schreiner Institute team in Corpus Christi, October 28, when the two teams met in their annual "grudge" tilt played on Clark Field. When the final whistle sounded and the battle smoke had cleared away, the Hogs were leading the Mountaineers, 21 to 14.

Two of the three Javelina touchdowns came as the result of recovered Schreiner fumbles deep in Cadet territory. Direct power plays were used by the Hogs in crossing the Schreiner goal line on both occasions.

The third A&I score came as the result of an 80-yard power drive that had its beginning on the A&I 20-yard stripe. Mattingly crashed over for the score from the 1-yard line.

The Cadets scored their first touchdown on a long pass from Smith to Driskell on the opening play of the second quarter. The second Mountaineer marker was made on the kickoff following the second A&I score. Blackburn took the kickoff, raced to the Schreiner 30-yard line, and lateraled to Judd as he was being tackled. Judd galloped the remaining 70 yards untouched for a touchdown.

The Mountaineers came from behind to knot the score twice during the game, but the Javelinas' superior powerhouse attacks were not to be denied. The Piggies rang up 13 first downs to the Mountaineers' 3.

Pigs Tie Buffs in Scoreless Battle

Before a few fans and fewer students, the Javelinas and the Buffaloes of West Texas State Teachers College battled to a scoreless tie for the Alamo Conference championship, Thanksgiving Day, November 30, on the A&I gridiron.

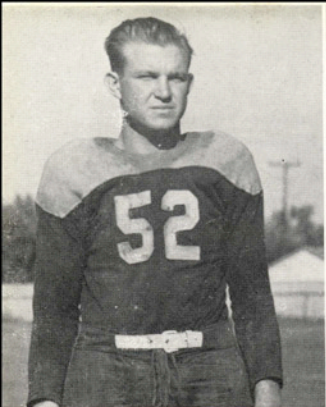

Football fans of South Texas saw one of the greatest games ever unreel as the boys from Canyon, Texas, opened up with an aerial attack against the Hogs that featured the passing of Flippin' Foster Watkins.

Four times the Buffaloes were within striking distance of the Javelina goal line, only to see victory taken away as the result of penalties.

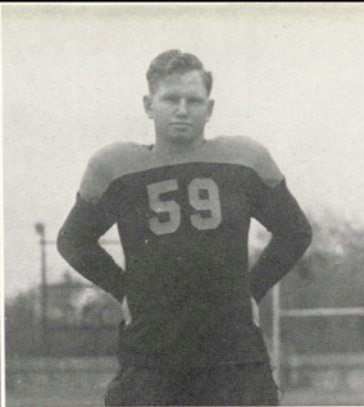

The Hogs presented the game's first scoring threat as the combination of Mattingly and Steinke

THERE GOES MATTINGLY!

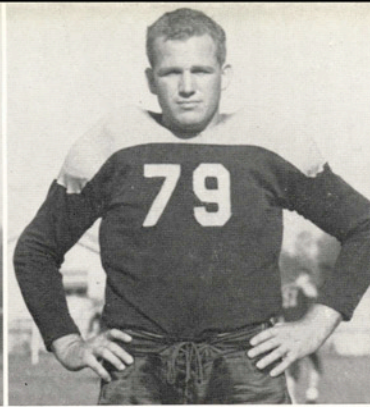

MORRIS REESE
Guard

JACK RUCKER
Center

EVERETT STEPHENS
Tackle

GILBERT STEINKE
Back

shot both barrels as they marched from their own 30-yard line down to the Buffs' 21-yard stripe. Here the Buffaloes tightened up their defense and sent the Javelinas begging.

Taking the ball over on their own 21-yard line, the Buffs, with Watkins in the starring role, passed their way to the A&I 10-yard line before a 15-yard penalty ended their scoring threat. Mattingly turned loose a terrific boot that carried 100 yards with the roll, going over the Buff goal line for an automatic touchback.

Again in the second period, the passing of Watkins carried the Buffs deep into Javelina territory. With the ball resting on the 2-yard line, the West Texans were penalized 15 yards to end their second scoring threat.

In the last half, the Buffaloes trampled down into pay territory once more, but saw their scoring threat evaporate as Kenny Grimes intercepted one of Watkins' short passes.

First downs stood 8 to 4 in favor of the West Texans. Watkins tossed 57 passes during the game, completing 22 of them for a total of 147 yards.

Hogs Held to Scoreless Tie by Jacks

Playing on a muddy field in a downpour of rain, the Hogs were held to a scoreless tie by the Lumberjacks of Stephen F. Austin, November 10, in a game played at Nacogdoches, Texas.

The game, marred by the rain, gave neither team a chance to turn on their running attack, making the affair a punting duel between Mattingly of A&I and Roquemore of the Jacks.

The only real scoring threat of the Javelinas came in the first quarter after Grimes had recovered Yates' fumble on the Axemen's 29-yard line. Mattingly and Dugger plunged the ball to the Lumberjacks' 19-yard line, from which point Dugger's attempt for a field goal fell short.

The Axemen started an aerial attack in the second period which proved effective, carrying the ball to the Javelina 15-yard stripe before Jones intercepted one of McGraw's passes to end the threat. Mattingly punted the Hogs out of danger from that point.

Austin received another scoring chance late in the final period when Hopson, Lumberjack end, recovered an attempted lateral pass from Steinke to Grimes on the Javelina 15-yard line. The powerful Hog forward wall held and at the end of four downs the Axemen found themselves holding a four-yard loss.

First downs stood 9 to 4 in favor of the Javelinas. The Hogs also had the best of things in total yardage gained, rolling up some 137 yards to 41 for Stephen F. Austin.

THE HOGS ON ANOTHER MARCH

A FIRST DOWN FOR THE PIGGIES

Javelinas Crush Crusaders, 26-6

Fresh from their victory over St. Mary's, the Javelinas skipped up Austin way, November 24, to clash with the Crusaders of St. Edward's University in a non-conference affair.

Favored over the Hogs, the Saints appeared to have the situation well in hand as they grabbed an early lead in the opening minutes of play when Phil "Goon" Reynolds tore off 77 yards in a spectacular dash for a Crusader touchdown. The Saints held their 6-point lead until late in the second quarter.

Kenny Grimes started the Hogs' scoring spree against the Crusaders when he intercepted a St. Edwards pass deep in Crusader territory in the second quarter and crossed the double stripes standing up. Dugger converted extra point to give the Javelinas a lead they never lost.

The third quarter saw Steinke almost single-handedly stage a drive that resulted in the Hogs' second score. Mattingly climaxed the 43-yard drive by plunging over for the marker.

A 26-yard run early in the fourth quarter started the Piggies goalward again. A penalty set the Crusaders back to their 12-yard line, from where Hall and Mattingly combined to score another Hog counter with Mattingly again in the scoring role.

A brilliant 59-yard run by Hall to the Saints' 21-yard line, set the stage for the final Javelina score. Mattingly and Hall again combined to cover the remaining distance to the goal line with Mattingly again successfully plunging across.

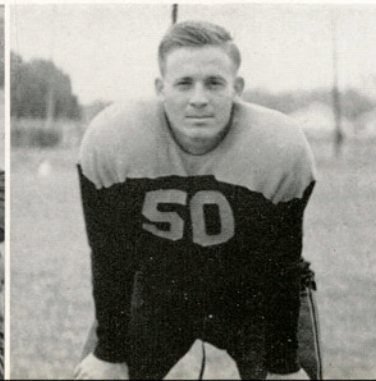

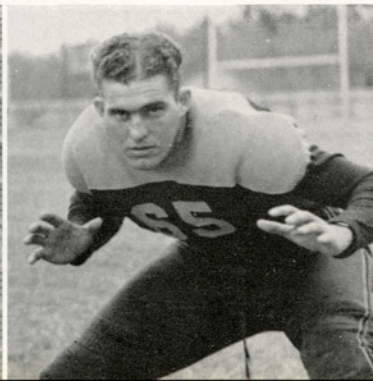

The Piggies missed a scoring chance early in the game when they marched to the St. Edward 4-yard line only to lose possession of the ball on a fumble. First downs stood 17 to 7 in favor of the Javelinas.

GILBERT STEINKE

With only four lettermen returning for the 1940 season, the Hogs opened their basketball schedule with a comparatively green team. The remainder of the team was composed entirely of newcomers who were playing their first season on the hardwood for A&I.

Out of a thirteen-game schedule, the Hogs managed to win four while they were dropping nine. The Javelinas played six Alamo Conference games, winning one and losing five. Three of their losses were suffered at the hands of the St. Mary Rattlers and the other two to West Texas State.

Although the season was a failure as far as victories are concerned, it did give needed experience to those who will return next year. Prospects for a winning team next year are very bright with all but two of this year's team returning.

JACK THOMPSON

BILL TERRY

Basketball

January 4 saw the Hogs open their basketball season against the Mexico City Y.M.C.A. cagers. The Javelinas lost no time in getting things going and at the end of 40 minutes of play had bagged their first victory by a score of 32 to 31. The lads from Mexico, smarting under the loss, came back the following night to down the Javelinas 48 to 42 and cut the Hog victory march short.

The unhumble Humble Oilers invaded the A&I gym after dark on January 12, and did not leave until they had trimmed the Hogs with a barrage of field goals and foul shots. Then, with a 51-to-29 victory safely under their belts, they retired, leaving a grieved A&I student body behind.

The Sinton Independents proved to be no match for the Javelinas, who stopped enroute to San Marcos to play them. The Hogs were getting up steam for the Bobcats and easily bowled the Independents, 38 to 28.

The Javelinas used all their steam at Sinton and didn't have much left when they arrived at San Marcos. The Bobcats were in excellent form and didn't have much trouble in downing the Hogs, 47 to 29.

Basketball

January 29 and 30 saw the Javelinas take a double dose on the chin when they engaged the St. Mary Rattlers in a two-game series. The Rattlers took the first game in easy fashion, 49 to 29. The second game found the Hogs still on their heels and the San Antonians walked off with a 43-to-32 win.

The West Texas State Buffaloes, billed as the "World's Tallest Basketball Team," lived up to advance publicity when they met the Javelinas on the nights of February 5 and 6. With their advantage in height plus their skill in handling the ball, the Buffs had little trouble in subduing the Hogs in both games, 67-20 and 62-28.

The San Marcos Bobcats decided to give the Javelinas a second chance to defeat them on February 16, but it was "no soap." The Hogs were still in their slump and the Cats took them into camp with an easy 38-to-17 victory.

The Javelinas sprang a mild surprise in their final series of the year with St. Mary's, when they downed the Rattlers in their first game, 39-30. The Rattlers came back the following night, however, to even things up as they defeated the Hogs 34 to 29.

Probably the most interesting game played by the Javelinas during the season took place when they met the Whiskered Wizards, a professional team. The Wizards spent the majority of their time entertaining the fans with their trick shots and tomfoolery instead of watching the clock and ringing up tallies. The Hogs managed to come out on the long end of the score, however, 46 to 38.

Intramural

Engineers Cop Intramural Grid Crown . . .

Repeating their performance of previous years, the Engineers Club again led the field to capture the Intramural Football championship.

Sweeping through their six-game schedule without a loss, the Engineers had little trouble in keeping their record clean.

The Engineers defeated the Aggies 12 to 0, the B.B.A. Club on penetrations, Seale Hall 18 to 0, Spanish Club 26 to 0, and held the Flato House to a scoreless deadlock.

The N.Y.A. Club forfeited their game to the Engineers to give the Slide Rule boys a perfect season.

Intramural Basketball Crown Taken By Engineers . . .

With the Intramural Football crown tucked safely in their trophy room, the Engineers hung up their football togs and brought out their basketball uniforms for the hardboard season.

The close of the first half of the basketball race found the Engineers perched safely on the top of the roost, with a perfect record.

The second half, however, found the Engineers' luck changed, as they ended in a four-way tie with the Aggies, Freshmen, and Flato House, for the loop lead.

Engineers' Winning Football Team

Sports

The Engineers proved their metal, however, winning the playoff to cop the crown.

Mainstays of the Engineers' team were Frank Jones, Elgin Bowers, Truett Hollis, John Huffman, and Bryan Mullens.

Other Intramural Sports . . .

As this annual goes to press, winners of the Baseball, Track, Tennis, Golf, and Swimming divisions of the Intramural Sport program have not been decided. Keen competition is foreseen in all the events and it is with regret that we close these brief pages picturing the Intramural sport life of our college.

Intramural Basketball Game

Track

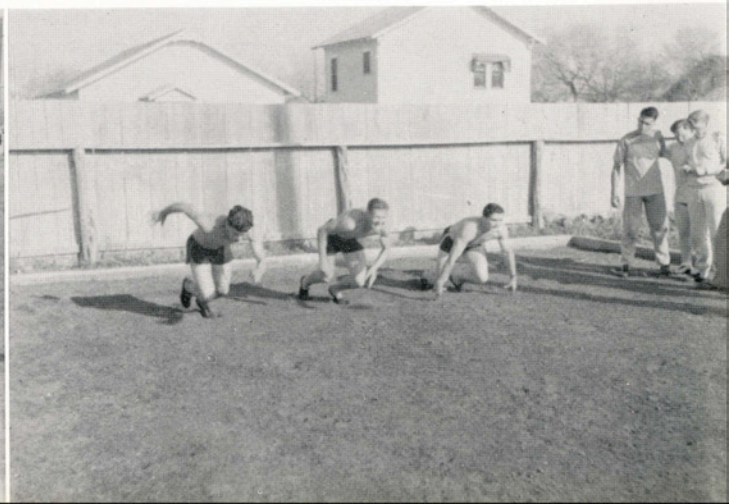

Unable to hold up publication until after all track meets have been held, El Rancho is able to give only a preview to a sport that is rapidly gaining favor throughout the Southwest.

This year finds more interest in track and field events at A&I than has ever been shown before.

The Javelinas journeyed up to Fort Worth, March 16, to enter the Fat Stock Show's 18th Annual Exposition Field and Track Meet, held there. Although they did not set the sport world on fire with their feats, the Hogs did crash the headlines when they defeated all Southwestern Conference entrants in the Football Shuttle relay.

April 13 will find the Javelinas entered in the important Texas Relays. April 26 will find them engaged in a triangular meet at San Marcos, involving San Marcos, East Texas State, and Texas A&I. Rivalry with St. Mary's and West Texas State will be resumed May 10 in San Antonio for the championship of the Alamo Conference.

Tennis

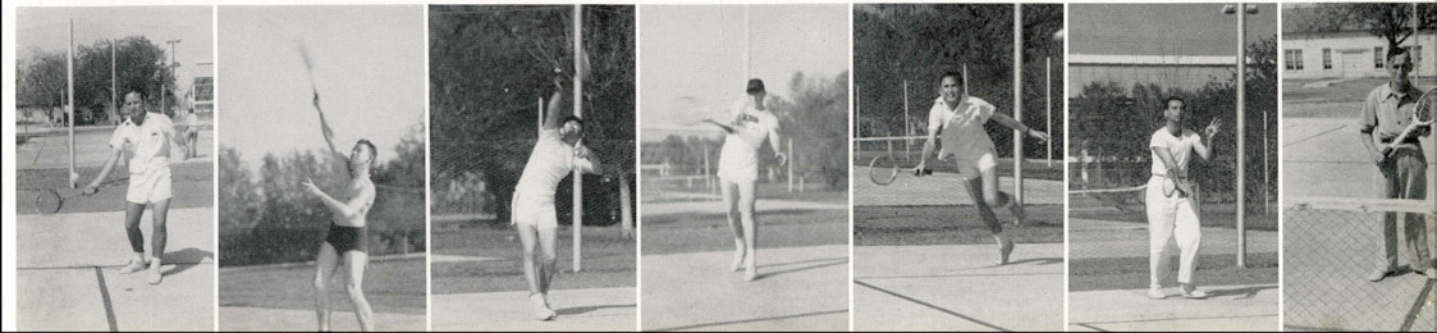

With six lettermen returning from last year's championship squad, the Javelina netmen are conceded an excellent chance of retaining their title again this year.

As El Rancho was prepared and written before the tennis season got under way, it is impossible to give the results of their schedule.

Included in the list of lettermen are Bill Johnson, Bob Griffiths, Robert Bost, Franklin Whitson, Curtis Lawrence, and Roy Doughty. Other men who are making strong bids for a berth on the team as El Rancho goes to press are Stokes Holmes, Elmo Wright, Jack Cook, Bill Kennedy, and Bobby Dietz.

Matches have been booked with San Marcos for the latter part of March and tentative matches have been scheduled with Alamo Conference teams later in the spring.

Golf

With only one letterman lost from last year's team, the Javelinas are bearing down in their practice sessions as El Rancho prepares to go to press, with high hopes of capturing the Alamo Conference title.

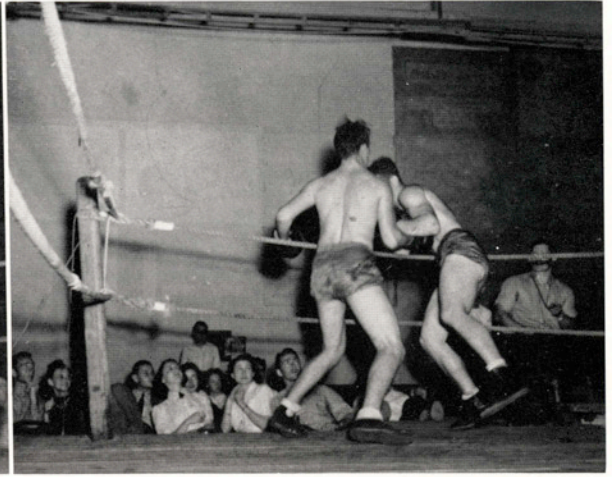

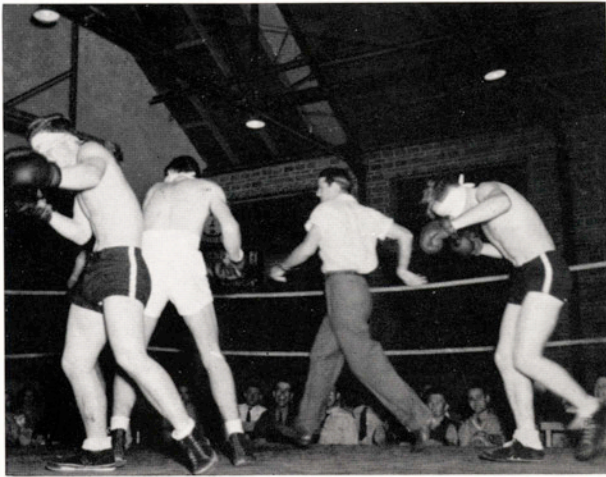

Matches have been scheduled with Schreiner Institute, St. Mary's, West Texas State, and other Alamo Conference teams. Tentative matches have been scheduled with several Southwestern Conference teams.

Members of the team include Max Smith, Gerald Weisman, Rufus Chote, Maurice Williams, William Cousins, and Edward Eads.

Golf being another sport whose outcome is not known until late in the spring, it is impossible for El Rancho to give the final results of the scheduled matches.

Boxing

Organization of a glove team was attempted this year for the first time in the history of A&I.

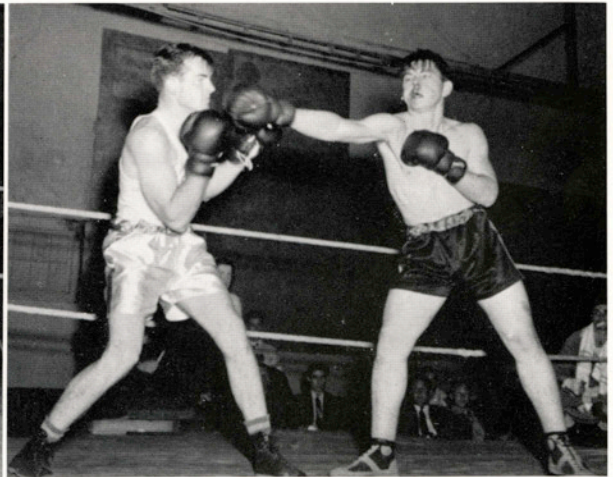

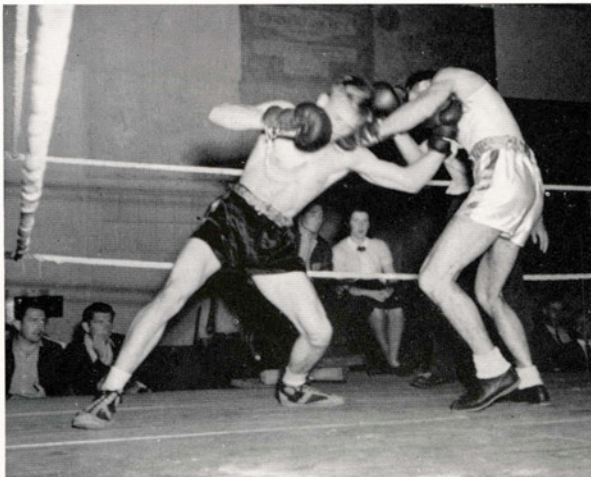

Following the enthusiasm that greeted the annual "T" Association bouts, it became more or less imperative that a boxing team be organized.

Williard Brown, former third ranking welterweight of the world, offered his services as a coach and the mitt team had its beginning.

Unfortunately, however, the Javelinas entered their first matches with the Texas University Longhorns before they were in the best of form and consequently did not fare so well, losing every bout. In a return engagement, the Hogs won two of their six bouts, fought in the A&I gym.

Interest in the sport is rapidly increasing and from all indications, it appears certain to occupy a definite place on the A&I sports program.

Those included on the team include Frances Mattingly, Dick Reese, Pat Shoemate, Roy Miller, Leo Brown, and "Heavy" Moody.

The ball game is over, but from the look on Stokes' face it was not won . . . Fred Howard, the Buffaloes' tallest, and Fred Stokes, one of our shortest but scrappiest . . . Let's not be late for practice boys . . . Don't be a sissy, go on and dive . . . Nugent giving that well remembered "Let's go Hawgs!" . . . Form without a rival . . . A part of the swell crowds that turned out for the basketball games this year . . . How is this for an all-star quintet? Loftin, Fraser, Burks, Cook, and Francis caught off guard between halves.

The Texas A&I Engineers Club was organized shortly after the inauguration of the engineering department and immediately became one of the leading and outstanding clubs on the college campus. Showing a steady increase in membership since the original twenty students signed the charter, the organization's membership is now approximately one hundred and fifty.

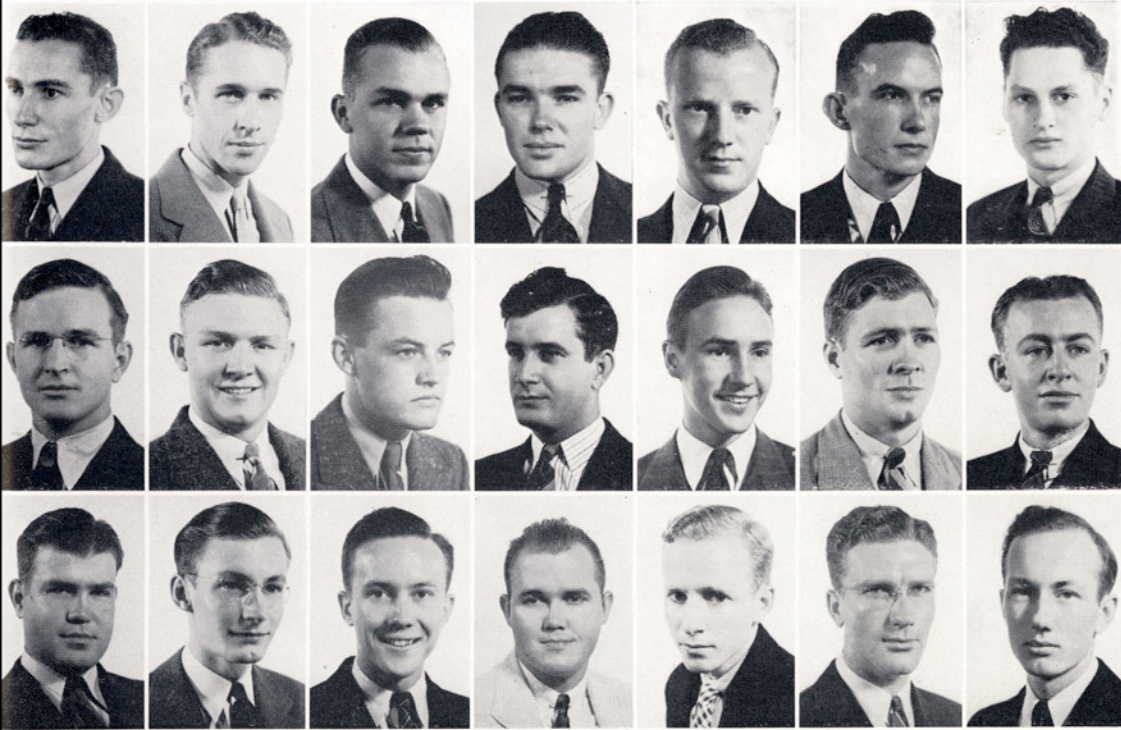

Toward the accomplishment of its primary purpose of promoting good will and fellowship among the engineering students, the club has a varied social program. Every odd Thursday during the scholastic year the Engineers hold a business meeting which usually includes in its program some prominent and successful figure in the engineering field, or motion pictures showing the latest developments in some phase of engineering.

The club also takes an active part in intramural sports, and this year the college football and basketball championship was won by the organization.

Active membership in the N.G.E.A. is composed of senior and mid-year junior gas engineering majors. The purpose of the club is to afford a means of contact between the active members and the former members of the club who are now in the employment of various gas companies. On completing the first semester of the senior year, the active members are eligible to wear the N.G.E.A. key.

The aims of this organization are to promote a spirit of friendship among the students and between the business faculty and the students, and to give the students an opportunity to see and hear successful men and women from the different fields of business, and to provide a means of contact between the student, the potential employee, and the business man—the future employer.

Much credit is deservedly given Dr. J. R. Manning and the business faculty for the efficiency with which they work with the students and graduates.

In the fall of 1936, a group of young men saw the need of a local fraternity to provide for a higher type of social life and to serve as an inspiration for a higher scholastic standard. These young men met at the "Smith House" on Sunday afternoon, October 1, at four o'clock. Officers were elected, and the fraternity was organized; the name Delta Sigma Chi was adopted.

The first officers elected were: Walter Doss, Ben F. Wilson, Chester Ellis, Robert Allan, William Walker, and Milton Hausmann. The first sweetheart elected was Miss Kathryn Speaker.

The fraternity has had one formal dance every year since its establishment. The scholastic standards have been maintained, and the fraternity has flourished.

The sponsors of the organization are Dr. J. R. Manning, Mr. George McCulley, and Mr. Fred McIntire.

The Alpha Sigma Sorority, organized in 1927, is the oldest sorority on the campus. Since its foundation with five charter members, the membership of the organization has grown considerably, and the members have endeavored to carry on the ideals upon which the sorority was founded.

The Alpha Sigmas are active in both social and scholastic life, and many of the members have proved themselves to be campus leaders. With the untiring cooperation of its sponsors and patronesses, the sorority has been able to promote many successful social activities.

The Footlight Club was organized in an attempt to stimulate interest in the study of contemporary drama and dramatists and in order to encourage students to participate in dramatic work. Each year the organization sponsors an annual Speech Conference and the regional One-Act Play Contest. In addition to these activities, the club also presents one three-act play each semester and many one-act plays throughout the year.

The Dora K. Cousins English Club, the second oldest organization on the campus, was organized June 25, 1925, to encourage a study of English literature in the interest of culture, education, and enjoyment. The club was named in honor of Mrs. R. B. Cousins, wife of the first president of the college. This year's program included a study of drama, novels, poetry, short-stories, legends, and original material contributed by the students.

Since the opening of the dormitory in 1935, there has always been a governing body known as the House Council. The Council, elected by popular vote, is composed of a President, Vice-President, Secretary-Treasurer, two freshman representatives, and one representative from each of the eight wings of the dormitory. Each member is responsible for the quiet and order in her part of the building, and the Council, at semi-monthly meetings, acts on problems arising within the dormitory.

Kappa Omicron Phi is an organization limited to the outstanding home economics students. Membership, which is extended only by invitation, is based upon intellectual and social attainment. Only members who have a high scholastic average and have a minimum of nine hours of home economics credit may be pledged, and only those who have eighteen hours of home economics credit may be members.

Kappa Omicron Phi is a national professional home economics fraternity which has been active since 1922 when it was founded in Marysville, Missouri. The Iota Chapter was installed in 1928. There are eighteen affiliated chapters represented in fourteen different states in the United States.

The South Texan

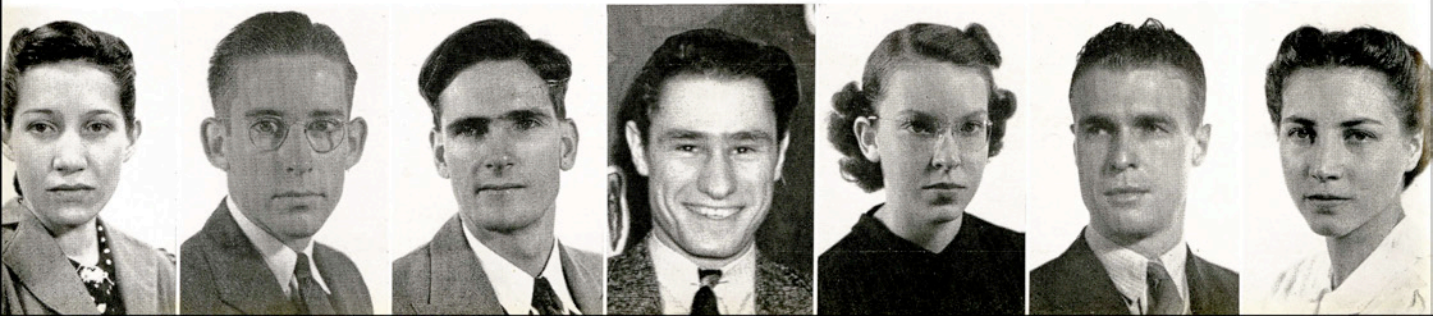

The South Texan, weekly publication representing the voice of the A&I student body, receives a final check-up as Bass, Jean, Porcher, Bludworth, Pryor, and Grasso confer in the publication offices. The South Texan is a journalistic representation of the activities of the college and those students who make up its student body.

EL RANCHO is the yearbook of the Texas College of Arts and Industries. In it is represented the academic and social life of the students and faculty. The editors are elected by student vote in the Student Council election, and the staff members are selected from those students interested primarily in journalism. Practically all work done on this publication represents student efforts.

- HOUSE HEATING

. . . is helping build a greater Southwest, bringing new industries to South Texas to contribute to our industrial prosperity.

In our homes, we are enjoying the services of natural gas for the four big household jobs—cooking, water heating, refrigeration and house heating. Our company is glad to be contributing in some measure to the progress of our State.

We congratulate Texas College of Arts and Industries on its department of Natural Gas Engineering, which is training men for positions of responsibility in the gas industry.

The citizens of Corpus Christi, through their Chamber of Commerce, extend best wishes for success to the members of the 1940 class of A. and I. College.

All Work and No Play

This summer . . . when books have been laid upon the shelf . . . when 8 o'clock classes, lectures and labs are out of the way . . . build new vim and vigor for the Fall term's work by vacationing in Corpus Christi, Texas' favorite summer vacation place. "All work and no play makes Jack a dull boy," you know.

And you who live up-state . . . tell your mother and dad, and friends, about Corpus Christi's summer delights: Swimming, Fishing, Boating. And while here they can look over Corpus Christi's business opportunities . . . if they are thinking about a change. For information address

**A Personal Message
from Reddy Kilowatt**

CENTRAL POWER AND LIGHT COMPANY

Congratulations Graduates!

I wonder if any of you realize how interested I've been in your education ever since your first day in school.

Through my company, I have not only provided good lighting for your studying and performed many other electrical services, but, a goodly portion of my wages have gone to help maintain the institution from which you are graduating this year.

And now, standing on the threshold of the future, your paths of life will no doubt lead in many directions. Whether you enter the business or professional world, or engage in home-making, I'll still be helping you to make life more enjoyable, more profitable.

So, along with congratulations for the successful completion of your school activities, I extend "best wishes for the future" to you all.

Sincerely yours,

Reddy Kilowatt

Your Electrical Servant.

Editor's Last Word

After four years on the A&I campus it is with a certain note of melancholy that we now think of leaving the many friends we have made here. It has been our aim to include in EL RANCHO 1940, reminders of the more outstanding incidents of the year and it is our hope that in the future, as you flick through these pages, you will recall many pleasant memories of the associations you made on the A&I campus.

Because of the splendid cooperation on the part of the students and the faculty, EL RANCHO has been a source of infinite pleasure to the editor. And so as the last word, we hope you like it!

HI KIDDER.
