# DEDICATION

To the ex-students of A&I who have carried the cause of democracy so deeply in their hearts, that they gladly put aside the world of books and study until a peaceful time, we dedicate the 1945 El Rancho.

We who are fortunate enough to be able to continue our education, wish to dedicate our yearbook to the memory of the gallant young men who have sacrificed their lives on the far flung battle fronts.

Not all of the ex-students are performing their duties in the armed forces. The ranks of industry are full of technicians and skilled workers who are doing their share to bring total victory and are thinking, working, and praying for a universal and lasting peace.

To the ex-students of the Texas College of Arts and Industries, in every branch of the services, to those engaged in industry, and to those who have given their lives for their country, we dedicate this annual.

## Board of Directors

Members of the Board of Directors of the Texas College of Arts and Industries are, (seated) Frank C. Smith, president; Mrs. Frank M. Lewis, vice-president; Sam Fore, Jr., W. M. Griffith, and Judge James M. Daugherty; (standing) A. L. Cramer, Holman Cartwright, H. E. Butt, R. C. Eckhardt, secretary, and Dr. E. N. Jones.

DR. EDWARD NEWLON JONES was named president of the Texas College of Arts and Industries in March, 1942. Prior to coming to A&I, Dr. Jones was dean of Baylor University and a widely known faculty member of that institution for 17 years. He received his B.S. degree in 1921 from Ottawa University of Kansas; graduate assistant and fellow in botany at the State University of Iowa from 1922-25, and was granted the Ph.D. by that institution in 1925. In 1940 the LL.D. degree was conferred on him by his alma mater, Ottawa University. He has done post graduate study in Columbia University, as well as the University of Chicago.

### A Message for the 1945 El Rancho

In the 1944 El Rancho I wrote of the A&I campus to be. We can record with pleasure a few steps along the path of realization—such important ones as our consulting architects' preparation of the Master Plan for campus expansion.

This year, however, I wish to write of something even more important. An editorial in a recent issue of *The South Texan* spoke of it—The Spirit of A&I. During the past year it has seemed imperative that I think about things more than about people. Plans for new buildings are indeed exciting, but I have not derived from them a satisfaction in kind and depth as gratifying as that which comes from working closely with faculty and students.

The Spirit of A&I, which new students say is friendly, must ever be even more conspicuous on the campus than the tower of the proposed Administration-Library Building and the music of college friendships sweeter than that of the chimes which will crown that tower.

All of us—students, faculty, and ex-students—will live and write together a glorious answer to the editorial writer's question, "Will the Spirit of A&I keep step with its campus and buildings?"

That answer must be, "Yes, it will!"

E. N. JONES

DR. OTTO R. NIELSEN, who was appointed dean of A&I in 1942, received his B.A., B.D., and M.A. degrees from Texas Christian University, and his Ph.D. degree from the University of Texas. He has done graduate work at the University of Chicago and the University of Minnesota. Dr. Nielsen was formerly assistant to the Dean of the College of Arts and Sciences at the University of Texas, and before that Dean of Men at Texas Christian University.

R. E. MAY, Business Manager and another of the original faculty members of the college, is better known to students and faculty alike as "Pop." He attended the University of Texas, and was formerly head accountant of the Rice Hotel in Houston.

GEORGE M. SIMONS received his B.S. from A&I in 1935, and was appointed Assistant Business Manager the same year. In 1941 he was also named as Purchasing Agent for the college.

DR. GEORGE W. McCULLEY, registrar of the college and a professor of business administration, received his B.A. degree from Daniel Baker College, and his M.A. from the University of Texas. Dr. McCulley came to A&I in 1930 as registrar and head of the department of accounting.

ALICE Y. McCONNELL, a graduate of Meridian Junior College and Baylor University, has been Counsellor of Women at A&I since September, 1943. She did graduate study at the University of Texas and at East Texas State Teachers College. An interesting and versatile speaker, Mrs. McConnell has become well-known throughout South Texas for her appearances on Hogg Foundation programs, sponsored by the University of Texas.

JOHN L. BEARD, assistant to the president, came to A&I in September, 1944. Previous to his present position, he was vice president and business manager at Oklahoma University. He received his A.B. degree from Howard Payne College, his B.S. from Daniel Baker College, his M.A. from Hardin Simmons University, and is completing work on his Ph.D. from the University of Texas.

DR. JOHN L. NIERMAN, Chairman of the Graduate Council, is one of the original faculty members of A&I. He has three times been acting president of A&I, and for five years was Dean of the College. At present he is head of the science department. Dr. Nierman attended the University of Missouri, receiving his A.B. and B.S. degrees there in 1919, his M.A. degree in 1920, and Ph.D. in 1924. He came to A&I from Sweet Briar College, Virginia.

HAROLD N. WHITE was appointed Assistant to the Dean and Acting Director of Extension in the spring of 1944 following the departure of the Army Specialized Training Unit. While the unit was on the campus, Mr. White instructed the trainees in mathematics, and this year he was a member of the staff of the English department. He received his B.A. and M. A. from the University of Nebraska.

# Press Club

Seated: Collier, L. Armstrong, Cummins, Mortensen, Hawkins, Herndon; standing: Riley, J. Armstrong, Jones, Frank, Eberhardt.

The A&I Press Club is composed of students interested in journalism, and was organized for the exchange of ideas, inspiration, and social life. Each year the Press Club, together with El Rancho, sponsors the Lantana Coronation. Each member of the club serves on a committee for the coronation. Another event sponsored by the Press Club is the annual Valentine Backward Dance. At the dance last February Louise Armstrong was presented as Press Club Sweetheart.

Officers were Norene Cummins, president; Eleanor Mortensen, vice-president; Eva Frank, secretary; Betty Jo Armstrong, treasurer; Margaret Hawkins, reporter; and Louise Armstrong, parliamentarian. Paul M. Eberhardt is sponsor of the group.

# Press Club

The hard-working staff members and reporters of the South Texan are shown discussing a problem in newspaper ethics. At the left is Betty Jo Armstrong, reporter; Doris Fitzgerald, business manager; Harry Riley, photographer; Paul M. Eberhardt, faculty adviser; Alex Conn, circulation manager; Eleanor Mortensen, editor; Nadine Wildberger, reporter; Marjorie Collier, associate editor; and Saraellen Herndon, reporter. Reporters not shown in the picture are Eva Frank, Mayezola Nolan, Jean Russell, Norma Clark, and Norene Cummins.

Two changes in the staff were made at the beginning of the spring semester when Lorraine Schaeffer, fall editor, graduated, and when Robert Meredith, circulation manager, left to enter the armed services.

# El Rancho

The El Rancho staff snapped in a moment of rare good humor in the publications office. Because of wartime restrictions, priorities, and shortages, hair-pulling and the gnashing of teeth were not uncommon occurrences in the "pub" office while members of the El Rancho staff were around. Standing from left to right are Wilma Gullett, who spent a great deal of her time trudging around the campus with a camera in one hand (when the camera was working) and flash bulbs in the other; Eva Frank, who helped with the art work; Jodie Armstrong, copy writer, and Harry Riley, photographer, who, like Wilma, would look more natural carrying a tripod and Speed Graphic. Seated at the desk are Norene Cummins, editor, and Louise Armstrong, business manager. Not shown in the picture are Billye Jones, assistant editor, and Frances Porter, assistant business manager.

# Alpha Sigma Sorority

Seated: Derieg, Reagan, Pollard, Adkins, Adams, Deyo, Littlejohn, Taylor; standing: Parker, East, Atkins, Castleberry, Thomas, Warren.

Oldest sorority on the campus, Alpha Sigma was founded in 1927, with chief aim to contribute to the improvement of the intellectual and social aspect of college life at A&I.

The Alpha Sigmans observed their Founders Day on September 24, and honored their senior members with a barbecue on May 1. They also sponsored an all-college-cadet dance during the spring. Ruth Taylor was representative to the coronation.

# Alpha Sigma Sorority

Beta Gamma sorority was founded in 1932 with the purpose of developing friendship, ethical character, and an increased social consciousness among its members.

For the past two years the Beta Gammas have been hostesses at a garden party for members of the other three sororities. This year they also sponsored an all-college-cadet dance, and celebrated their Founders Day on May 10 with a breakfast. Pat Weikel was representative to the coronation.

Delta Theta sorority was organized in 1929 by a group of girls who desired to foster the social and cultural side of college life. Scholarship, leadership, personality, and activity in college activities are standards which have been set by Delta Theta members.

The Delta Theta sponsored the first all-college-cade' dance of the spring, and also sponsored a dance at the U.S.O. In the past the sorority has sponsored such outstanding social events as book reviews by Mrs. Sherwood Avery, nationally known book reviewer, and annual Christmas parties for underprivileged children.

Shirley Richardson represented the Delta Thetas in the 1945 Lantana Coronation.

Organized in 1941, the Kappa Zeta sorority is the youngest sorority on the campus. The group was organized to unite its members in friendship, to raise scholastic standards, and to furnish social life not otherwise provided for. The regular business meetings are supplemented by frequent socials.

Officers for the fall were Dorothy Dahse, president; Lorna Lamon, vice-president; Marie White, secretary and reporter; Eleanor McClaugherty, treasurer; and Helen Cude, representative to the Inter-Sorority Council. Spring officers were Wilma Gullett, president; Myrtle Bell, vice-president; Anita Loop, treasurer; and Wanda Smith, secretary.

Sponsors for the group are Miss Mamie E. Brown, Miss Roberta Bivans, and Miss Elizabeth Ann Oliphant.

# Inter-Sorority Council

First row: Norene Cummins, Mary Alice Adams, Doris Helen Steele, Dorothy Lawson, Dorothy Dahse, and Billie Bingley; second row: Marie White, Miss Roberta Bivans, Miss Aline McKenzie, and Ruth Taylor.

The Inter-Sorority Council forms general sorority policies and offers an opportunity for the exchange of ideas to all sororities on the campus. One of the chief functions of the council during the year is the making and maintaining of Rush Week rules. Each year the council sponsors the All-Sorority Tea and the Presentation Dance.

Officers for the year were Dorothy Lawson, president; Doris Helen Steele, vice-president; Mary Alice Myers, secretary; and Dorothy Dahse, treasurer.

Officers for the year were Aline Adkins, president; Mrs. Viola McKinney, vice-president; Kathryn Moseley, secretary; Marylyn Gandy, treasurer; Lolette Thomas, reporter; and Charlie Janota, parliamentarian.

# It's Up to You!

As an American boy or girl, you have inherited the right to decide what you want to become and become just that, whether a farmer, businessman or woman, nurse, schoolteacher or salesman.

Some people call this inherited right, free enterprise. Some call it democracy or opportunity, but whatever you call it . . . it's just a name for the way America works.

It's a name for the freedom that gives every one of you the opportunity to build for your future, by your own efforts—a future that's yours. It's also one of the freedoms that your brothers and fathers are fighting for today.

Without this freedom of enterprise, America wouldn't be where she is today in a high place among nations. And it's this same freedom of enterprise which has enabled the business-managed electric companies of America to produce more than 80% of this country's power . . . power for war and for peace.

# "This Is It!"

One of the most dramatic, spine-tingling expressions to come out of this war is the simple, three-word phrase, "This Is It!"

The only way to define such a phrase is to point out that it's the moment when a paratrooper makes his first jump . . . when a sailor steps aboard his first ship . . . when a marine storms his first beachhead . . . when a fighter pilot spots his first enemy plane.

In a different sense, it's the moment when a college graduate receives his sheepskin and suddenly becomes a definite part of America's pool of man and woman power—the pool from which is drawn tomorrow's executive and productive personnel.

The Texas Gulf Coast has much to offer its young men and women who have acquired a background of formal education. The importance of the area's natural resources, its accessibility, its friendliness, its growing culture, the alert spirit of its towns and cities, the eagerness of its people to work and get ahead, all have been spotlighted by the war. These same qualities and characteristics will serve in equally good stead in the peaceful years ahead.

It is the obligation of today's college graduates to accept fully the challenge of a new era of social, political and industrial development, for through advanced study in arts and industries they have qualified for active participation in creating a better world—one which must be entirely worthy of the current sacrifices of our valiant armed forces.

It is the proud, confident opinion of the management of this company that such a challenge will not go unheeded.
