ANNUAL PUBLICATION BY THE STUDENTS

Foreword

in this edition of el rancho the memories of the 1950-51 year at a & i are partially preserved. although it was a year in which many of our fellow students had to leave college to defend that principle to which this institution is dedicated—freedom through education—it was still a year that had many pleasant and beautiful memories which we shall never forget.

Dedication

The self-effacing service rendered to our college by Dr. John L. Nierman cannot be reviewed without our feeling the force and originality of his character. His scholarship, leadership, and human understanding were recognized throughout his twenty-five years of faithful work as administrator and teacher of the thousands of students who loved and revered him. He will be remembered for his poise in the classroom, for his penetrating sense of humor, and for the inspiration of his honesty and hard work.

REGISTRATION . . . A period of fun for many and otherwise for some

College would not be college if it were not for the Registration rigors that must be struggled with. It is a time when many students wonder what will be in the grade books—sometimes it is a happy surprise—sometimes not. But anyway, it'll be something to tell the kids about when they start off to college.

BELOW—

The English Department is always one of the busiest.

Trying to find out who teaches what where.

Getting all fixed up—let's hope.

PEP RALLIES . . . A gay time—cheering for a fighting Javelina team that won second place in the Texas Conference

Go, you Javelinas, fight for A&I—Got a team by golly, got a team—Gonna win by golly, gonna win—Give 'em hell by golly, give 'em hell—Yea, Blue, Yea Gold, Yea Javelinas, let's go—

These were some of the most popular yells of the student body that led the Javelina team to a second place in the Texas Conference last fall. A cheering student body saw the Javelinas win two great games in particular—against McMurry and against Sul Ross at Homecoming.

BELOW—The Cheerleaders lead a cheering student body Friday night before the victory against the Daniel Baker Hillbillies.

FRESHMAN SHIRT-TAIL PARADE . . .

Annual presentation of a gala array of shorts

A Beauty Contest was never like this, thank Heavens!

To start the Freshmen off on the right track, the upper-classmen make them observe the annual shirt-tail parade, with all its shortcomings. It's a time which Freshmen never forget and in which upper-classmen have their last chance to really get at the Freshmen.

LEFT—Creative imagination.

BELOW LEFT—Just like Grandma's.

BELOW RIGHT—Which is louder, the horn or the shorts?

FRESHMEN ATE ON FLOOR AT LOFTIN . . .

A privilege that comes once in a lifetime

It was a heck of a lot of fun for most.

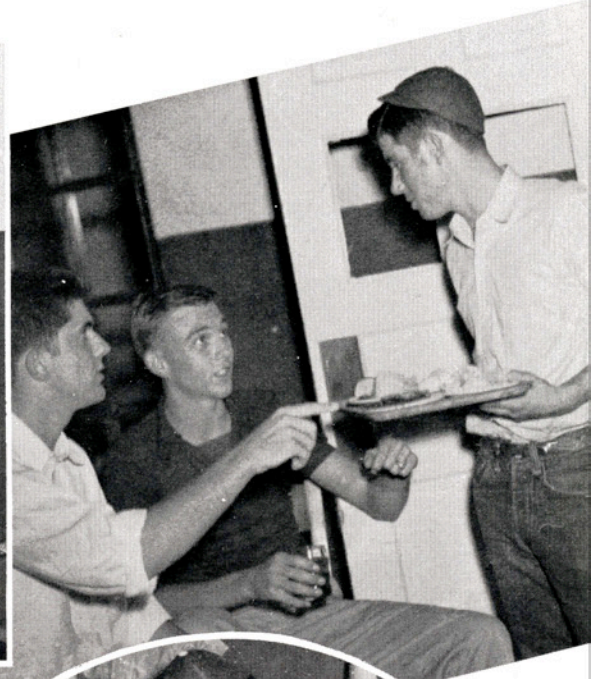

ABOVE RIGHT—On the floor, Fish, on the floor!

Eating on the floor—what won't they think of next to make the poor Freshmen do! Think of those who are Freshmen twice. At least it may foster initiative to study some. Seems that nothing else does.

RIGHT—Such a dainty way to eat a meal!

BELOW RIGHT—Some Freshmen thought this was a very foolish idea.

The poor kids that had no beanie got no weinie.

HOMECOMING . . .

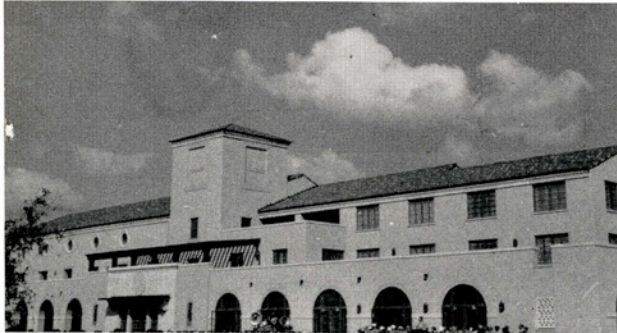

Bonfire, Student Union dedication, first homecoming victory in four years and first dance in the new Student Union Ballroom.

Students carefully guarded the pile of wood for the Homecoming Bonfire . . . and then

The New Student Union was dedicated—

Frank C. Smith,
President of the
Board of Directors, and
President
Poteet

thanked Howard Butt
for his contribution,
which greatly helped
in building the
Union.

... it was set and made a huge blaze.

The Freshman-Sophomore tug-of-war resulted in a Freshman victory, as these Sophomores seem to indicate.

The squad stood at attention during "Alma Mater" before the game and the first dance in the new Student Union Ballroom was held after the Homecoming victory.

Jeannine McDow was presented as Homecoming Queen and Sweetheart of the "T" Association by President Harold Menke.

SOUTH TEXAS FAIR and INTERCOLLEGIATE RODEO . . .

An annual occasion which draws thousands to Kingsville and is a time when the A & I rodeo team is

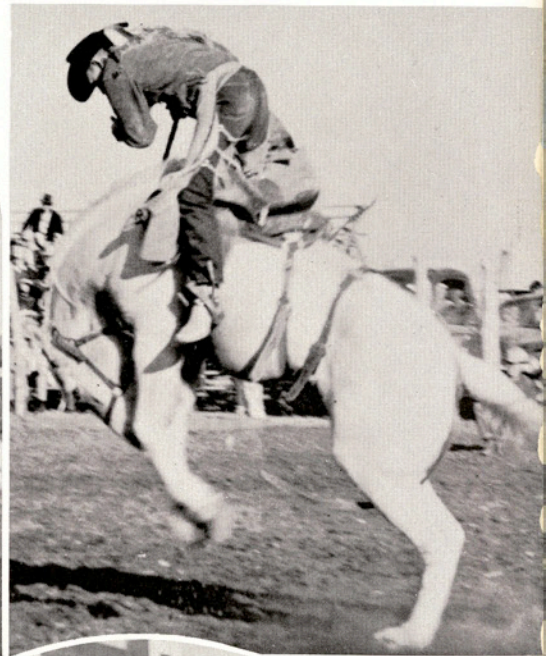

host to other college rodeo teams.

LEFT—The parade scenery was excellent.

BELOW LEFT—They came out a-riding, and . . .

BELOW—Some kept a-riding.

CORNER LEFT—Some floats were very original, and (CIRCLE) some were really dolled up.

Lovely rushees at the Alpha Sigma tea during Rush Week.

SORORITIES AND FRATERNITIES . . .

RIGHT—Delta Sigs were so poor that Mrs. Sutton wouldn't let them eat in Loftin Hall.

LEFT—Mary Nan Koen, most outstanding Beta Gamma pledge, being presented a gift by Joyce DeSpain, spring president.

BELOW RIGHT—Some people like to roll peanuts down the sidewalk with their noses.

LEFT—Beta Gammas had a Mexican supper and got full and just sat after finishing.

AGGIE INITIATION . . .

This is what makes an Aggie an Aggie.

ABOVE—Aggie initiates listen to what they'll go through next from Aggie Club President Johnnie Schmidt.

LEFT—Sex received no favors.

BELOW LEFT—That's one way to get rid of Aggies.

BELOW—Branded!

FFA BARN DANCE ...

Strictly informal—a time to show how countrified you are.

RIGHT—FFA Club Sweetheart Joyce Bell being presented a bouquet by FFA President Byron Speckels.

FAR RIGHT — President Poteet, a contest judge, really enjoyed the affair.

BELOW—Resting after a vigorous square dance.

BOTTOM—Everyone was really Western—even the orchestra.

ARTIST COURSE SERIES . . .

The Longines Symphonette and Austrian Dancers provided wonderful entertainment for the students.

LEFT — The Longines Symphonette played beautiful arrangements of classical and semi-classical music.

BELOW — The Austrian Dancers, known as "The Visitors from Vienna," thrilled the audience with their sparkling gaiety and wit.

RIGHT—The Dancers performing one of the folk dances which delighted the audience.

LILA BAUGH HALL PAJAMA PARTY ...

If this were a Debutante coming-out party, it would not serve the purpose it was intended to.

Polka-dot pajamee Pat performs for the pajamees with her pretty panda.

The girls drink and eat and cut up and act like a bunch of idiots and have a really wonderful time.

INTER-SORORITY PRESENTATION DANCE . . .

Formal presentation of the lovely pledges from each sorority

NICK BENNACK . . . LEE DISMUKES . . . and the DANCE BAND provided entertainment for the dance.

BELOW—
Pledges to be
presented pa-
tiently wait
with dates.

ALPHA PHI OMEGA PRESENTATION DANCE . . .

RIGHT — President Dewey Mays presents Sweetheart Barbara Davis with a bouquet of roses.

LEFT—Ralph Brown takes his turn at dancing with Sweetheart Barbara.

KAPPA SIGMA NU PRESENTATION DANCE . . .

RIGHT—Sweetheart Ruth Ann King poses under the Kappa Sigma Nu banner with President Glenn Jones after being presented.

BELOW—The Dance Band gave a good performance at this dance, as it did at all it played for.

BELOW RIGHT—Ruth Ann being escorted by Vice-President Heywood Smith.

DELTA SIGMA CHI PRESENTATION DANCE . . .

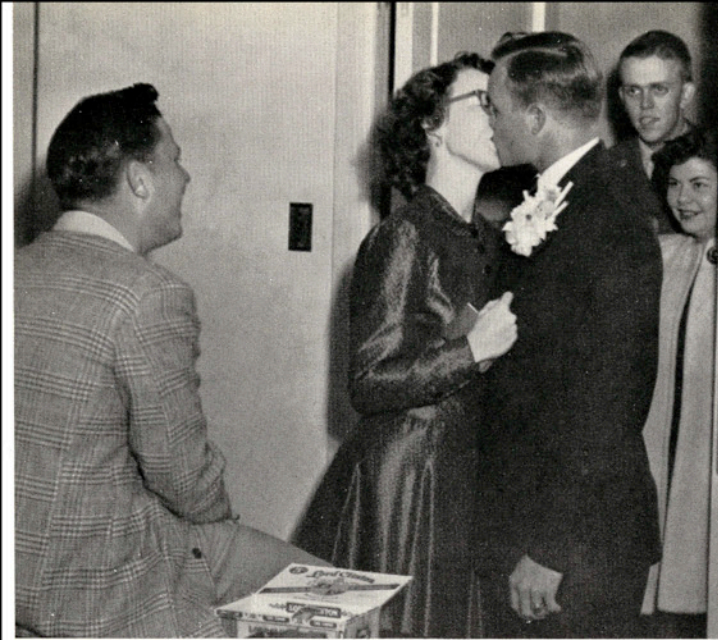

Sweetheart Jeannine Beck is presented by President Ken Gilbreath as date Dennis Hickey beams admiringly.

Sweetheart Jeannine and date Dennis Hickey

Members—
Orville Jordan and date Shirley Stone and Bob Moore and date Doris Dreyer

The boys could have given the girls twenty-five cents to prevent this, but it looks like they would not have taken it.

PRESS CLUB BACKWARD DANCE . . .

The tables turn and the gent gets all the advantages

LEFT BELOW LEFT—The boys were the weaker sex for a change.

RIGHT—Martin Ray, Press Club President, presents a bouquet to Sweetheart Sylvia Wofford.

BELOW—Editor Martin Ray and Associate Editor Leonard Buntrock of THE SOUTH TEXAN were quite observant.

ENGINEERS' CHRISTMAS BALL . . .

RIGHT—Jack Brown and Sweetheart Bobbie Jo Murphey of the Engineers' Club beam with pride on the balcony of the Student Union during the dance.

The Dance Band performed —

AND

the students had a wonderful time.

DRAMATICS . . .

"Mrs. Moonlight" was a production of good comedy and drama combined into one.

Marjorie Bennett, in her last A&I performance, held the audience spellbound with her fine acting.

ABOVE—All three were about the same age.

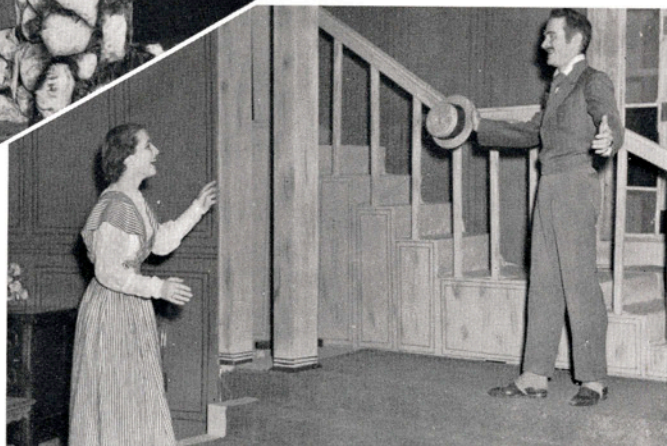

RIGHT—Minnie was a wise old gal.

ABOVE—Courting was a nervous business during the gay nineties.

Willie tried awfully hard to smooch.

Willie is back!

Sisterly affection was not very strong between these two—both loved the same man.

Percy was not one of Willie's most ardent fans.

"Beggar on Horseback" and "Arsenic and Old Lace" were two delightful comedies filled with murders.

RIGHT—All butlers are very dignified.

Up, down.
Up, down.
Up, down.
Up, down.

The press got the story of the murder off the press in about thirty seconds.

The light kept going on and off.

All tied up!

The male cast sighs relief as a production is finished.

SENIOR CARNIVAL . . .

There was a cake-walk and plenty of cheese to go with it.

BELOW—The "Greasy Spoon Saloon" was most shocking—the males all got a charge.

BELOW RIGHT—Terry Key was all wet.

BOTTOM LEFT—Looping legs was one nice way to spend money, especially for the reward.

BOTTOM RIGHT—There is no better way to make men buy cigarettes.

STUDENT UNION BENEFIT SHOW . . .

A wonderful program was provided and profits went into the Union Recreational Fund.

RIGHT—They stood at the door to lure casual passers-by in. They entered.

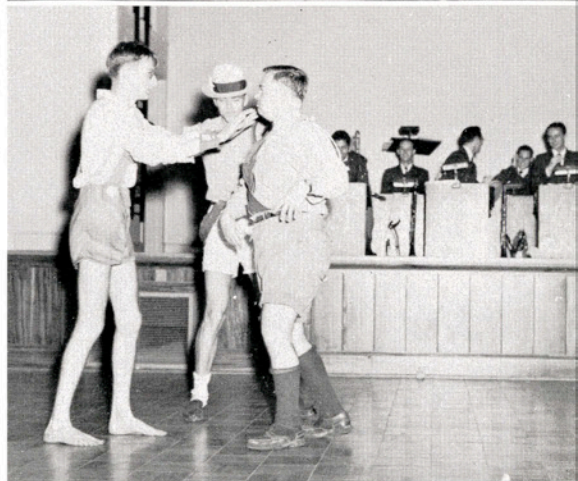

LEFT—Lee Dismukes gave one of her tap dance performances.

RIGHT—An old-fashioned Charleston.

LEFT—Nick Bennack, in one of his gayer moods, returned for several encores.

RIGHT—The Travelers from Transylvania.

LEFT—Jean Granberry, Shirley Stone, and Pat Brown delighted the audience with "Nevertheless."

RIGHT—The faculty band presented quite a variety of musical numbers, including some unusual arrangements.

STUDENT UNION BUILDING . . .

The "Home Away from Home" for students, where student activities flourish.

RIGHT—A Saturday night dance in the ballroom.

BELOW—The attractive private dining room is the scene of many banquets.

RIGHT—Paul Hesler, bookstore employee, chats with Mrs. Christine Sutton, Loftin Hall dietitian, while Otis Burroughs and Bill Jamison listen.

LEFT—Coffee time in the "Tejas" Room.

Alton Brieger, Director of the Student Union, stays busy with this position and that of Student Council President.

Mrs. Bess "Mom" White, Hostess of the Student Union, makes visitors feel at home in the Union with her pleasing personality.

C. A. Harwood, Manager of the Bookstore, is responsible for seeing that books and supplies are always ready for student needs.

Miss Dorothy White, Union Cafeteria dietitian, receives a silver tea service set from the boys at Dorm 5, East Campus.

Students enjoy dancing, records, and just loafing in the Union.

MARTIN RAY, Editor, Spring Semester

PLEDGER "SPARKY" CATE, Editor,
Fall Semester

LEONARD BUNTROCK, Associate
Editor

The voice of the Texas A&I student body is THE SOUTH TEXAN, the student newspaper, published weekly by the students. News is gathered by students in journalism classes and is turned over to the editors for make-up. Profitable criticism is given to each issue of THE SOUTH TEXAN so that students may better understand typography, make-up, headline writing, copy editing, etc.

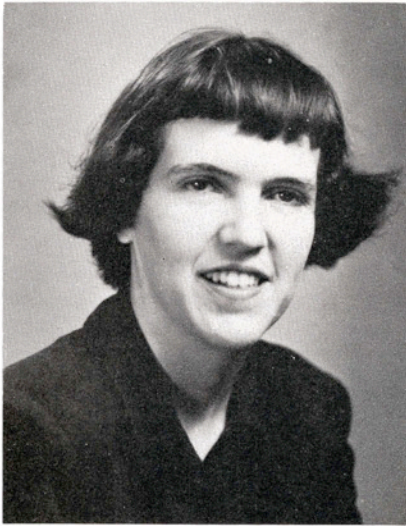

Pledger "Sparky" Cate was elected editor in the 1950 spring elections and began editing in September but resigned after Christmas to join the Air Force. For three issues, until the spring semester began, Leonard Buntrock acted as editor. The Student Council then appointed Martin Ray as spring editor.

Ann Williams was appointed business manager for the spring semester after Patti Andrews resigned in January. Also new to the spring staff was Bob Kerr, who was appointed circulation manager, the position held by Editor Ray during the fall semester.

Charles Holmes was sports editor both semesters and gave a very thorough coverage of all sporting events.

Your 1951 EL RANCHO covers most college functions from September through the mid-March deadline. In its two hundred and forty-eight pages, my staff and I have endeavored to represent one of A&I's greatest years.

It was hard work to get this edition to you, and to a staff that gave much time and personal sacrifice, I extend my most sincere appreciation. I wish to thank especially J. P. Crowe of Newsfoto Publishing Company for his help in the art designs and his advice, and also Bill Crockett of Wallace Studios, who took, besides the class and organization pictures, many other shots about the campus.

It is left for you, the student, to decide whether this 1951 EL RANCHO merits your approval. If it does, the long hours the staff has spent in bringing it to you will be a fond memory.

Lantana
Royalty

Lantana Queen

Poise, grace, charm—these are only a few of the outstanding qualities possessed by Queen Mary Ann Palmer, who reigns over the Lantana Court of 1950-51.

A senior Business Administration major from Falfurrias, she entered A&I as a sophomore, coming here from Texas State College for Women.

In 1949 she was a Lantana Lady, and she has been Senior Class Secretary-Treasurer, BBA Club Secretary and a member of Alpha Sigma Sorority, for which she was Rush-Captain.

To culminate these honors, she was chosen this year for Who's Who Among Students in American Universities and Colleges.

Mary Ann Palmer

Lantana Lady

The Delta Sigma Chi Fraternity usually selects a sweetheart who possesses beauty, charm, and personality, and these qualities were the basis of their choice of Jeannine Beck as their sweetheart this year.

Jeannine is a sophomore majoring in Home Economics. She is a member of Delta Theta Sorority and the Home Economics Club.

A&I is proud of her because in so few years of college she has shown with her personality and popularity that she is a college favorite.

Jeannine Beck

Lantana Lady

Her sparkling eyes and a quick, friendly smile for everyone have made this freshman from Robstown one of A&I's most popular students.

Entering A&I in September, Goldia got off to a good start as one of the band twirlers, and in the Lantana election she polled more votes than any other candidate.

With her beauty and personality, Goldia has indeed been a choice pick for the Lantana Court of 1950-51. A&I students, especially the Freshman Class, are very proud of her.

Goldia Ann Burroughs

Lantana Lady

To "Bobbie," everyone is just alike, and it is because of this that she has won the heart of every A&I student who knows her. A senior, she transferred here from Howard Payne in her sophomore year.

She is Secretary-Treasurer of the Student Council for 1950-51 and has been devotional Vice-President of the Baptist Student Union, a member of the Footlights Club, English Club, and Alpha Chi.

Besides these honors, she was chosen for Who's Who Among Students in American Universities and Colleges for 1950-51.

Barbara Laine French

Lantana Lady

Her friendliness and an active college career have made this senior from Kingsville one of A&I's best known students.

For three years Ruth Ann has led the Javelina band as drum major and twirler.

She was a Lantana Lady and sweetheart of the band last year and is sweetheart of Kappa Sigma Nu this year. She is also a representative of the Inter-Sorority Council, Rush-Captain of her sorority, Delta Theta, and a member of the WRA and the HPE Club.

She was named this year to Who's Who Among Students in American Universities and Colleges.

Ruth Ann King

Lantana Lady

A Lantana Lady with a quiet and lovely personality is this year's band sweetheart, Alice Meehan.

She has twirled for bands the past six years—three with the Kingsville High School band and three here at A&I.

A Secondary Education major, Alice has been very active in college. Last fall she was President of Beta Gamma Sorority, and she is a member of the Newman Club and the Industrial Arts Club.

Because of her kindness and consideration of others, Alice is loved by all who know her.

Alice Claire Meehan

Lantana Lady

Lovely Bobbie Jo Murphey of Lyford has captured the admiration of A&I students since she entered college.

A sophomore, Bobbie Jo was chosen sweetheart of the Engineers Club this year. She is also a cheerleader, Vice-President of the Alpha Sigma Pledges, Secretary of the Wesley Foundation, and Reporter of the Women's Recreational Association.

With this list of activities behind her, Bobbie Jo is bound to be an A&I favorite for the rest of her college days. Her personal qualities insure this.

BASKETBALL . . . 1950-51

The Javelinas won three and lost seven conference games to finish fifth in the Texas Conference. During the season A&I could manage to win only six, while dropping 16. The loss of Co-captain Allan Pearce to the Navy and the withdrawal from school of four reserves just before the start of conference play hurt the Javelinas immeasurably. Although their season record was not too good, the Javelinas set some new scoring marks.

Harlan Huibregtse, the Javelinas' captain, was chosen to the All-Texas Conference team for the second year. The two-year letterman led all scorers in the conference for the season and was thirty-ninth in the nation among small college scorers with an average of 17.6 points per game.

He was first in the nation in most personal fouls committed. As a team, the Javelinas rated third in the country in personal fouls.

Ragan Collinworth, playing his first year for A&I, was named to second team in the All-Conference selections.

Only one of the seven basketball lettermen finished his cage career this year. Floyd Olson, who earned his second letter this season, played his last with A&I. Harlan Huibregtse, a junior, was the only other player to earn his second letter. Others who lettered were Bill Butler and Jack Buckle, juniors; Bob Brandt and Ragan Collinworth, sophomores; and Dick Primc, a freshman.

ROW 1—Cooper (coach), Brown, Buckle, Pearce, Primc, Huibregtse, Schneider (manager). ROW 2—Brandt, Klein, Carter, Olson, Garcia. ROW 3—Collinsworth, Butler, Brookshire, Holmes, O'Brien. ROW 4—Tibbett, Allen, Jarrett, Vakey.

**STEWART E. COOPER
BASKETBALL COACH**

Mr. Cooper, with the end of the 1950-51 season, finished his first year as basketball coach at A&I. Only 27 years old, Mr. Cooper coached his first collegiate team this year. He received his master's degree at Kent State University in Kent, Ohio, and served three years in the Navy as chief athletic specialist. He played basketball, baseball, and football in college and high school. For four summers he played professional baseball as the property of the Cleveland Indians in the Central Association, the Georgia-Florida League, and the Eastern League.

Forward, Two Letters
Sheboygan, Wisconsin

The Javelinas started the season in grand style as they downed St. Mary's University of San Antonio 79-64. The 79 points the Hogs scored set an all-time record for an A&I team. Harlan Huibregtse fell one point short of his scoring record as he tallied 32 points to lead the A&I attack.

At Seguin, the Javelinas downed Texas Lutheran 63-47 for their second victory. The Hogs then lost two games on consecutive nights in San Antonio. St. Mary's got revenge for their defeat as they downed A&I 67-59. The Brooke Army Medical Center, led by the All-Army players and an All-American center, ran over the Hogs 100-64. Against Brooke, Huibregtse again scored 32 points.

New A & I Scoring Record Set in Collegiate Competition

The Southwest Texas State Bobcats, Lone Star Conference champs, took the Javelinas 93-55 in San Marcos. The Javelinas returned to Kingsville to out-score Cabaniss Field 82-62, but lost to the Bobcats here a few days later 68-46.

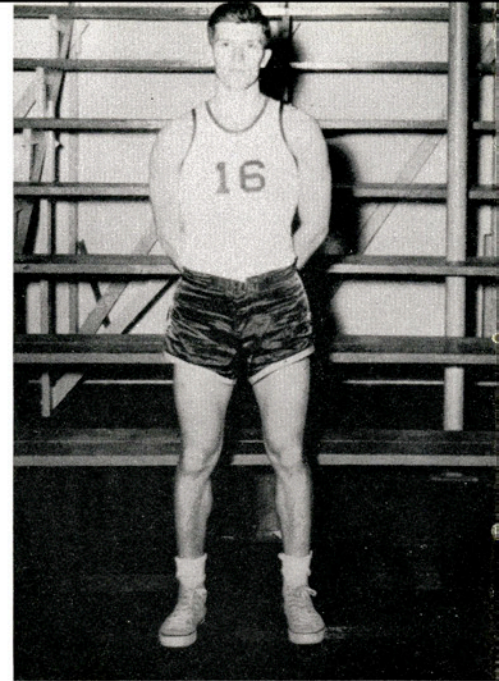

After a two-week lay-off for the Christmas holidays, the Javelinas dropped a game to Trinity University in San Antonio 78-64.

A&I got off to a good start in conference play as it edged Abilene Christian 81-80 in an overtime game. It was another new all-time scoring record against collegiate competition. The next night, however, ACC took the Hogs 74-48.

Two non-conference games were then dropped to St. Edward's University 65-48 and 70-60.

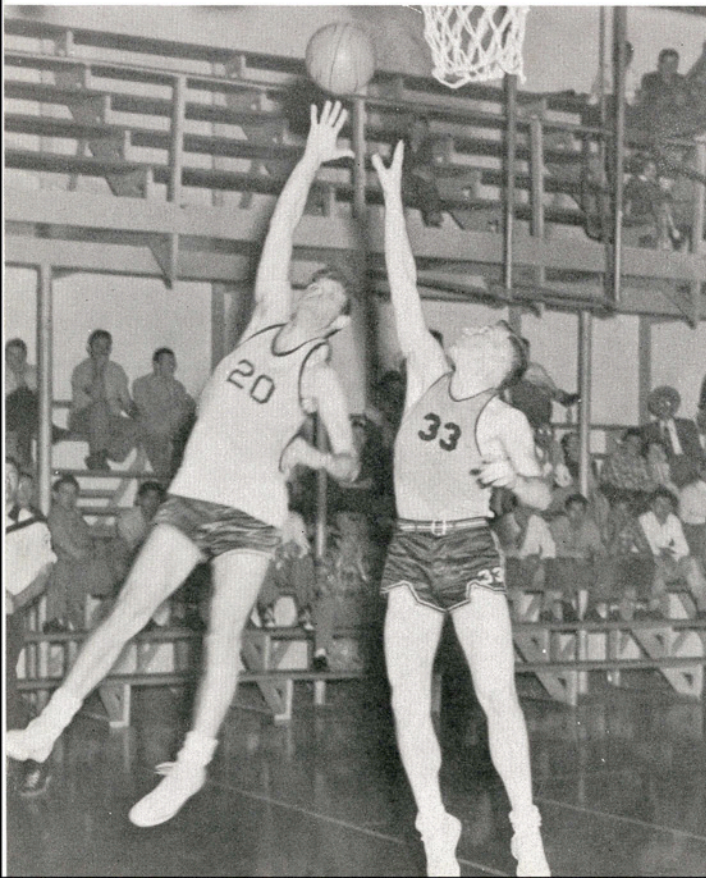

The Javelinas were just as ineffective in the return game with Brooke as they were in the first. The Medics downed A&I 91-69 in their second meeting.

Trinity took its second game from the Javelinas 67-60 after a three-week lay-off when exams, registration, and cold weather interfered with the A&I schedule.

The cagers returned to conference competition with a 68-49 trouncing of Howard Payne. The next night Howard Payne came back strong to win 65-63.

In the first of four games played in as many nights on the road, the Javelinas lost an overtime game to McMurry 75-72. The next night McMurry won 84-54. The Javelinas then played Southwestern, whom they beat 51-50 and lost to 69-66.

The season was closed in Sherman against the Conference champs, Austin College. The Kangaroos downed the Hogs 80-53 and 79-64.

TRACK 1951

Only two lettermen greeted Coaches Dewey Mayhew and Bob Stevens at the start of the 1951 track season. Bob Regan, who earned his first letter last year, was back to run on the mile relay team. Charlie Simmons will be getting his fourth letter this year. The three-year man runs the 440 and is on the mile relay team. Simmons has been one of the top point getters on the Javelina track teams of the last three years.

A group of new boys gives promise of giv-

ing the team new strength. Bob Wright placed third in discus at the Border Olympics, the first meet of the year. Bob Brandt qualified for the finals in the shot-put at the same meet.

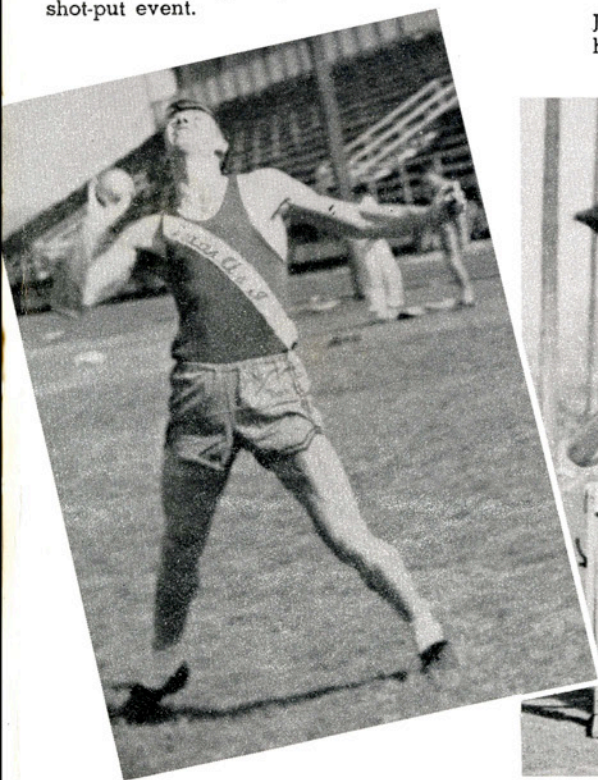

Other track meets the Javelinas were scheduled to enter this year included the Southwest Texas State Relays, the Texas Relays, the Trinity Relays, their own triangular meet, and the Texas Conference meet. A&I placed fourth in the conference meet in the spring of 1950.

Charlie Simmons, A. J. Boese, David Dutschmann, Bob Regan, Willie Wilkinson. Dutschmann ran the 220 and the others ran the mile relay at the Border Olympics.

The men on this page represented A&I at the Border Olympics in Laredo, the first track event of the year.

JELLY BOWL GAME . . .

Fabulous Faculty Five Defeated By Intramural All Stars 46-42

Everything from Hadacol for "Legs" Badillo, to football, wrestling, and roping went into this exciting thing they called a basketball game.

LEFT—"Pajamas" Richards would have made any circus a good clown.

BELOW—They wrestled, too, when they thought things got dull.

BOTTOM—"Legs" (they're there) Badillo was a peppy player, thanks to Hadacol.

OUTLINE—Mr. Richards finally decided the pajamas were a little too warm.

"T" FIGHTS

In this year's annual "T" fights, decisions fell to—

- Alton Sanders over Bob Holloway
- Roland Beckworth over A. J. Boese
- Bob Regan and Ragan Collinsworth (no decision)
- Truman Donahoo over Dick Primc
- Gene Rogers over Tommy Sanford
- Bill Butler over Bob Brandt
- Bobby Smith over Don Newcomb
- Benny Triplett over Jack Sportsman

BELOW RIGHT—The free-for-all was a knock-down, drag-out affair.

INTRAMURAL FOOTBALL WINNERS—ENGINEERS CLUB—
 ROW 1—Guinn, Lipe, Brown, Schutz, Withers, Hansen, Torgerson, Wind.
 ROW 2—Heller, Boeck, Mays, Tucker, Adair, Richards, Martin, Kohutek, Loring.

Men's Intramurals

With eleven teams divided into two leagues, Keith Myers took over as manager of the 1950-51 intramural program.

In the Organizational League, the Engineers, Kappa Sigs, Alpha Phi Omega, Delta Sigs, Newman Club, and Aggies entered teams.

The Laredo Club, May Hall, Javelina Hall, Harper House, and Baptist Student Union were the teams in the Independent League.

SOFTBALL was the first sport of the intramural year. After a round robin schedule in

both leagues, the first division teams in each league were put in League A and the second division teams into League B.

Harper House, BSU, Laredo Club, Newman Club, Aggies, and Engineers made up League A. APO, Kappa Sigs, Delta Sigs, Javelina Hall, and May Hall were in League B.

The Laredo Club, by winning League A, won the All-College softball championship. The Engineers were second and Harper House third. Javelina Hall won League B, with APO finishing second and Delta Sigs third.

INTRAMURAL FOOTBALL RUNNER-UPS—MAY HALL—
ROW 1—Younts, Riggins, Lytle, O. Brookshire, Brown, Nevill, Galyan.
ROW 2—Alton, Reed, E. Brookshire, Kirkpatrick, Schendel, Martin, Miller.

.....

FOOTBALL, of the nine man touch variety, was the second major sport taken up. The Engineers, winners of the Organizational League, downed May Hall, Independent League champions, for the All-College title.

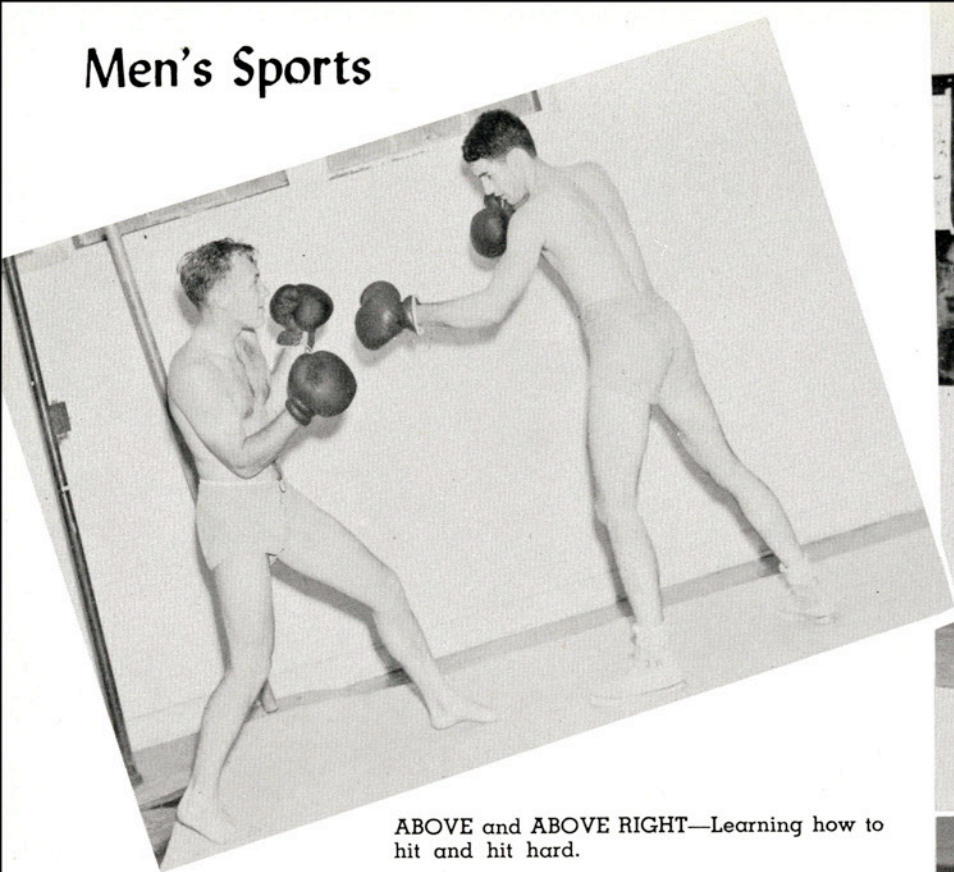

BASKETBALL play was not complete as El Rancho went to press. The Engineers were leading the Organizational League and lacked only one game of winning the title. Unde- feated in all previous games, the Engineers were a cinch to be in the All-College play- offs.

In the Independent League, May Hall was sailing along undefeated until their next-to- last game. The Laredo Club upset the dorm boys, but May Hall didn't fall from first.

A win in the last game of the season would have put May Hall as the Independent League's representative in the play-offs.

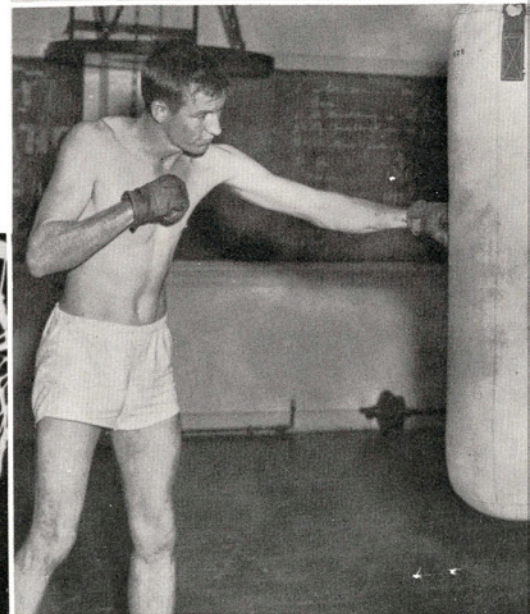

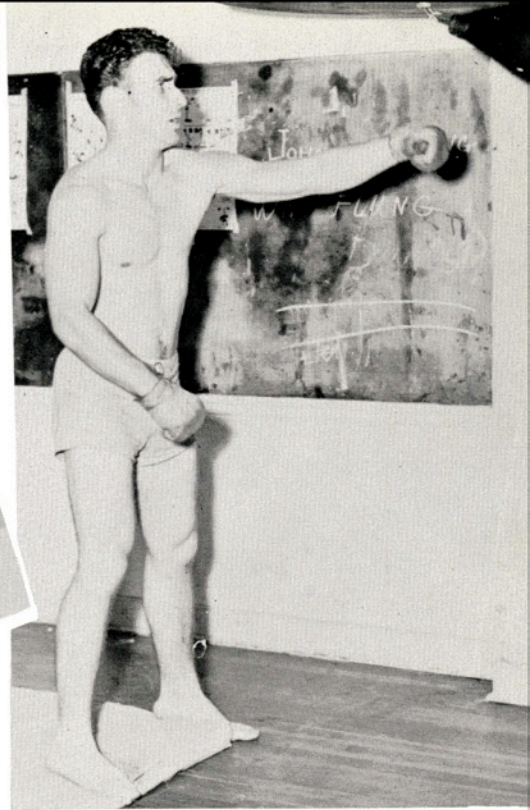

Major sports taken up after El Rancho's press time were volleyball, track and field, and swimming.

Administration

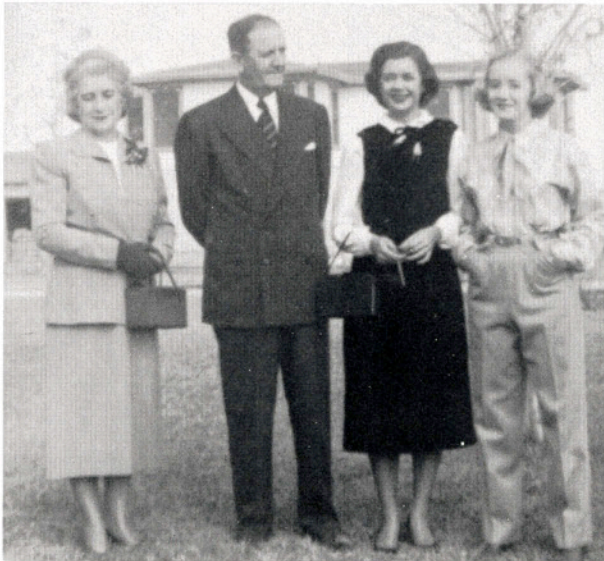

ERNEST H. POTEET, B. A., M. A., LL. D.

PRESIDENT OF TEXAS A & I

A Busy Administrator . . . Working for a Better A & I

Dr. Poteet dictating a letter.

Dr. and Mrs. Poteet with daughters, June and Anne.

A man who understands South Texas and its people is Ernest H. Poteet, president of the college.

For him, a dream has come true . . . a dream of a bigger and better A&I. Shouldering his present position in September, 1948, he was faced with the tremendous expansion of the college. During his short period of administration, many major structures have been added to the physical properties of the campus.

Coming to the college in January, 1948, as Director of the Division of Teacher Training, Dr. Poteet quickly won the respect and admiration of his fellow faculty members and students because of his firm but sincere dealings with others.

An able administrator and leader, Dr. Poteet is very active in local, state, and national educational work.

He has constantly striven for improvement in the academic level of the college, contending that the development of A&I is not to be measured by its physical growth, but by the type of sound education it gives to its students.

Only one with such a broad understanding and love of his fellow man could carry on so successful an administration as that of Dr. Poteet.

BOARD OF DIRECTORS

Members of the Board of Directors, who give freely of their time, are largely responsible for the rapid development of A&I. Many things they once dreamed of have come to pass and many of the things they have planned for the future will undoubtedly do the same. In the picture above, those seated are, from left: Holman Cartwright of Dinero; A. Loy Sims of Sinton; Frank C. Smith of Houston, president; Mrs. Frank Morton Lewis of San Antonio, vice-president; and Robert C. Eckhardt of Kingsville, secretary. Standing are: John C. Jones of La Feria; Lon C. Hill of Corpus Christi; and P. E. Peareson of Richmond. At left is Albert Martin of Laredo, who was unable to be present when the group picture was made.

DEANS

J. C. JERNIGAN, B. S., M. S., Ph. D.
Dean of the College

Appointed Dean of the College last fall, Dr. Jernigan quickly and efficiently assumed the duties of that position. Prior to that appointment, he had developed a broader and more effective counseling program as Director of Student Personnel. Active in many professional organizations, he is widely known, too, for the services he has rendered in the field of education and guidance.

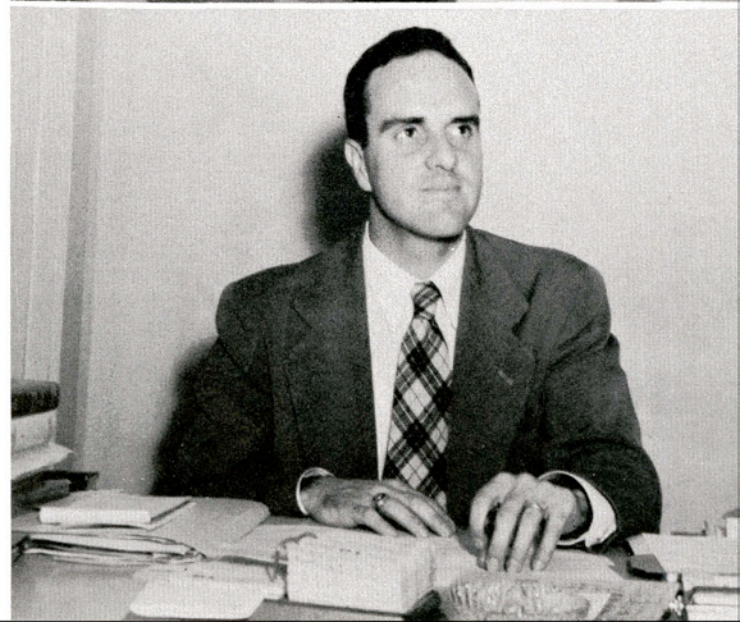

MRS. FANNIE W. WHEAT, B. A., M. A.
Dean of Women

A lady of charm, vitality, wit, and intelligence, is A&I's Dean of Women, Mrs. Wheat. Her thoughtful advice, which is constantly sought by students, is always given freely and sincerely. Besides being a counselor, she serves as hostess to newcomers on the campus and puts them at ease with her friendly and sincere attitude, representative of the true spirit of A&I.

ROGER E. RICHARDS, B. A., M. A.
Dean of Men

A man liked by other men aptly describes Mr. Richards, Dean of Men. Taking over his position in September, 1948, the friendly Dean has been a teacher as well as a counselor. He is also active in men's organizations on the campus. Because of his interest in the problems of students, he is always ready to help them in any way he can.

REGISTRAR

GEORGE W. McCULLEY, B. A., M. B. A., Ph. D.

Registrar of the college since 1930, Dr. McCulley has seen A&I grow from just a few hundred students to an institution serving thousands of persons annually.

Operating in a quiet, efficient manner, he handles a large staff all the year round and supervises admission problems of the students.

BUSINESS MANAGER

JAMES H. COLVIN, B. A., M. S.

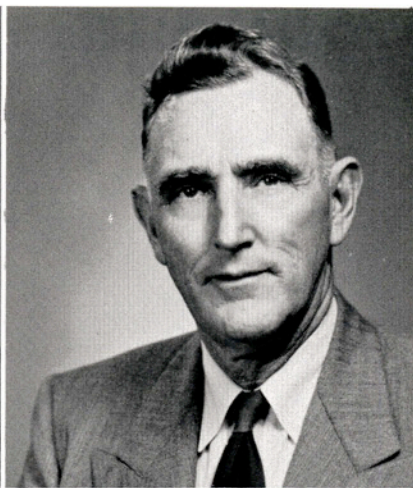

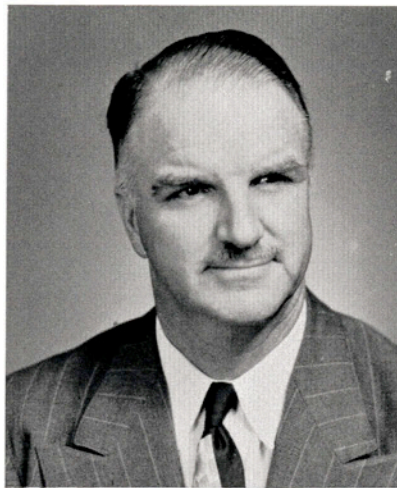

An administrator who has had a big responsibility since he took office in 1947 is Mr. Colvin.

During a major building program and enrollment increase, he has handled the financial affairs of the college in a very effective and business-like way.
