# foreword. . .

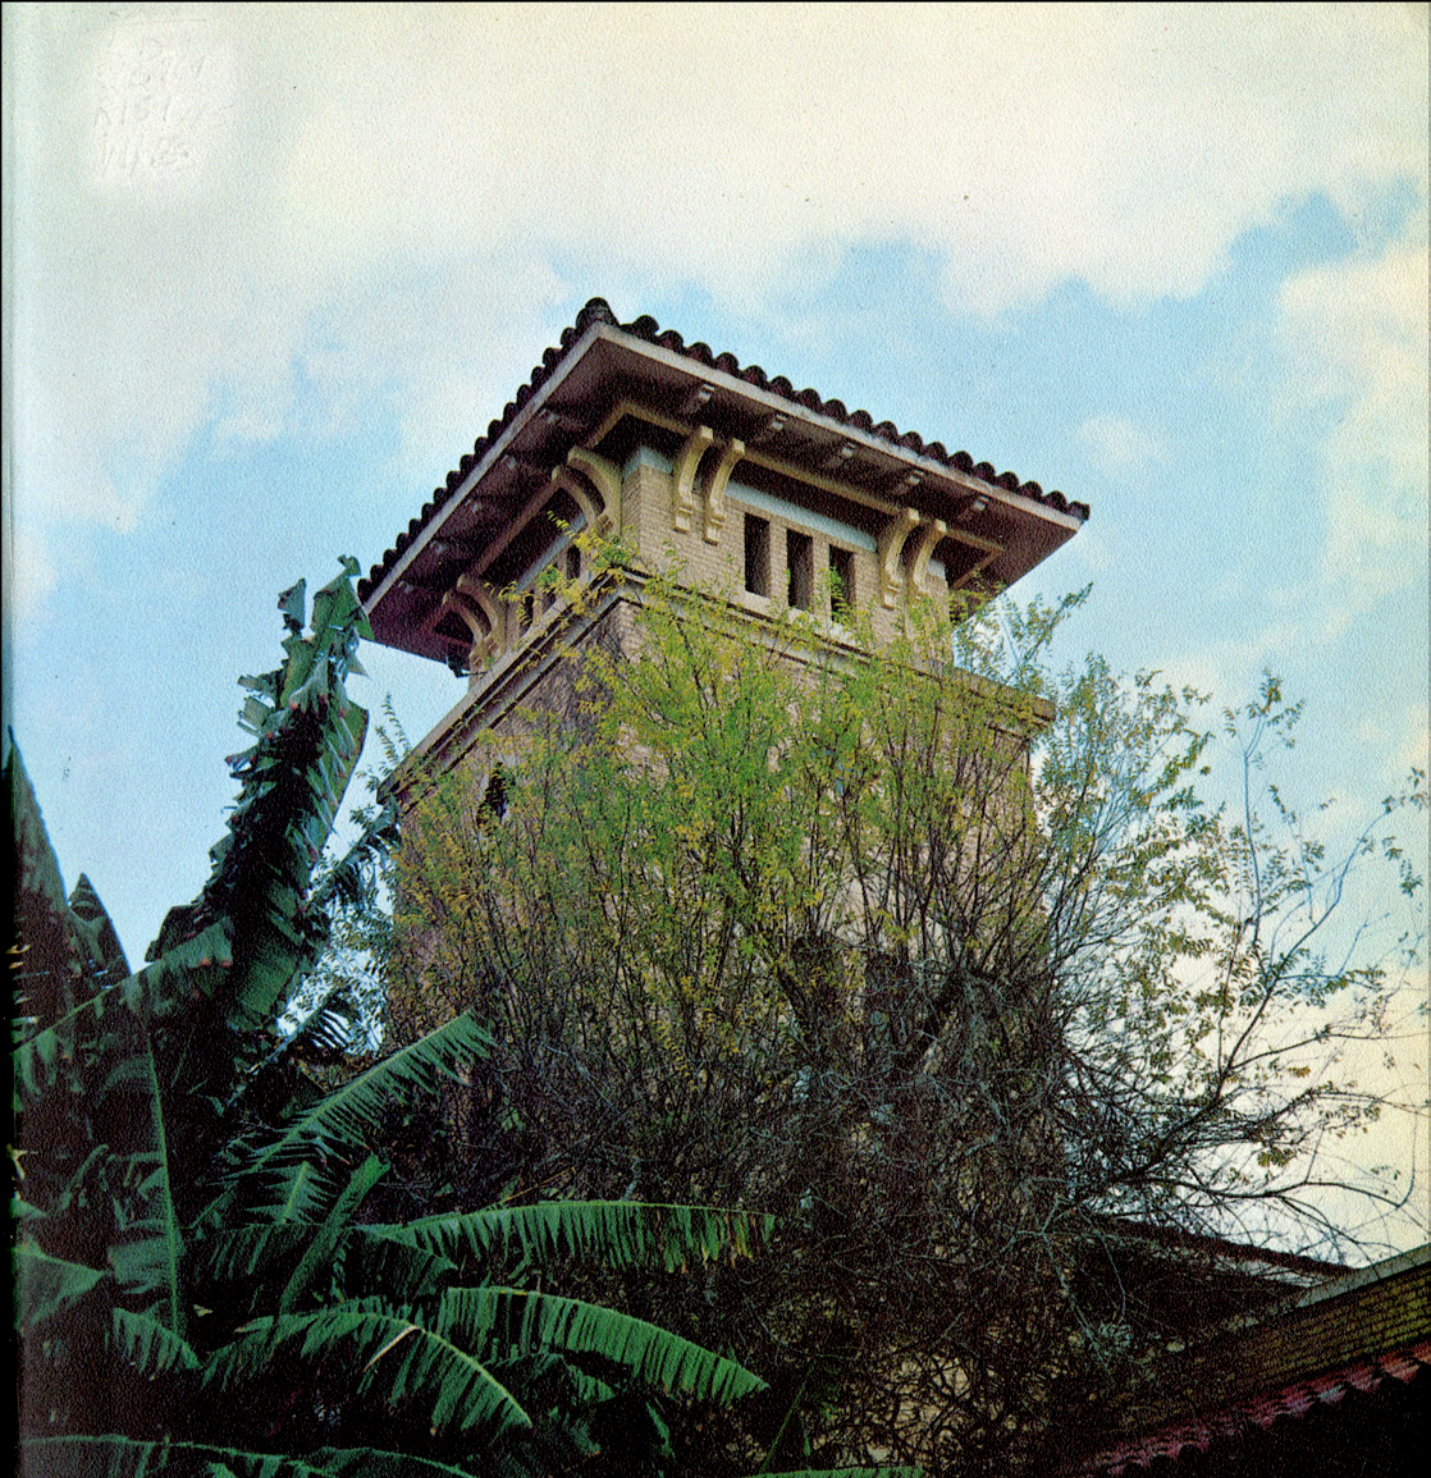

*As day and night are continuous, so is Texas A & I. With its students, activities and purpose of learning, A & I is vibrant around the clock. From the initial splash of sunlight, heralding the beginning of day, until the final splendor of the setting sun reveals the coming of night, eventually to evolve into the quiet stillness of the pre-dawn hours, a perpetually revolving cycle is presented. And so, with the dawning of a new day, the previous one becomes part of our college memories.*

## The Inauguration of President James C. Jernigan

Thousands attended the March 25 inauguration of Dr. James C. Jernigan as sixth president of Texas A&I College. Gov. John Connally was featured speaker during the all-day program. An academic procession preceded the inaugural ceremony in Jones Auditorium.

## Queen Wanda

Reigning over the 1963 Lantana was Queen Wanda Waddell. Her third-place float featured two large orchids and a staircase leading to her throne. Her float was built by the Aggie Club.

*The hub of A & I's activity wheel is the organizational structure on the campus. At dusk the members of the various organizations gather and participate in the numerous activities planned throughout the year. During the day, these same students correlate the kaleidoscope of responsibilities to make these events possible.*

The A&I Singers, a versatile group composed of 17 members and directed by Dr. Lawrence H. McQuerrey, performs music which ranges from Bach cantatas to works by moderns such as Paul Hindemith and from Sixteenth Century madrigals to numbers from Broadway musicals. A typical A&I Singers show begins with the group in formal dress performing more serious works in a candlelight setting and ends with the group in informal sweaters singing numbers such as "Lullaby of Birdland" or "Jalisco."

The Singers have been popular with high school, service club and community concert audiences throughout the state. Touring American Army installations throughout Europe in the summer of 1960, the group was an instantaneous hit with both the soldiers and the European audiences. Their singing, enthusiasm and showmanship have captivated all their audiences.

The Texas A&I Brass Choir, well known throughout South Texas for its classical renditions, has become a welcome feature of A&I's musical cavalcade.

The brass ensemble has received much recognition for its varied concerts, including a one-day tour through the Rio Grande Valley and numerous performances in the college area.

Directed by Ronald Apperson, a native of Illinois, the majestic group has concentrated mostly on offerings of familiar classicists including Bach and Beethoven.

When Texas A&I's football equipment was put away in December, the 1962 Javelinas stamped "Finis" on the finest season in A&I's history. For the first time since the Javs began pigskin competition, a Blue and Gold eleven finished an entire season without a defeat.

Highlights of the season were many. The opening win over powerhouse Southern Illinois, the Homecoming festivities culminating with the triumph over Sam Houston State, the second-half devastation of Lamar Tech and, of course, the final victory over Southwest Texas State will be talked about for years to come. In addition, the offensive antics of the "Fearsome Four plus One," the ferociousness of the "Defenders," and the wild helter-skelter play of the "Fearless Frosh," are actions and nicknames that stir fond memories.

The players on the 1962 football squad were given belt buckles as a memento of their championship season.

The season was not, however, without blemish. A questionable tie with East Texas State and the insulting bypass of A&I in the national playoffs dimmed somewhat the sparkling luster of the undefeated season. The deluge of individual and collective post-season honors, however, wiped out most traces of ill feeling.

In the final analysis, it might be said that the 1962 season firmly cemented A&I's position as one of the nation's preennial small-college grid powers. As President J. C. Jernigan said, "You've stood tall and we're proud of you." One fan put it another way when he stated, "They were a team of pride." It was, indeed, a proud year for the Texas A&I Javelinas.

Student Trainers: Jerry Hill and Ronnie Hunt

Coaching is sometimes a thankless job. When the team wins, the players receive the credit; but let a team lose and the burden of the loss falls squarely on the shoulders of the coaching staff. Gil Steinke, Gene Greene and Bill Purser bore no losing burden at all this year.

Steinke has gained the reputation of being one of the finest small-college football coaches in the nation. The past four seasons have seen the former professional star post a spectacular 35-4-2 record and garner three Lone Star Conference championships.

Greene and Purser have been little less impressive in their efforts. Since 1959, Greene has molded the most explosive backfields ever witnessed in the LSC. Purser, who joined the Jav coaching ranks this season, wasted little time in proving his ability as attested to by the fact that A&I gave up fewer points per game than any league team.

## Hoggies Shine in Season Opener

TEXAS A&I 14

SOUTHERN ILLINOIS 10

Over 8,000 fans poured into Javelina Stadium to witness A&I's clash with its toughest opening opponent in the school's history, and it can safely be said that no one left before the game's climax.

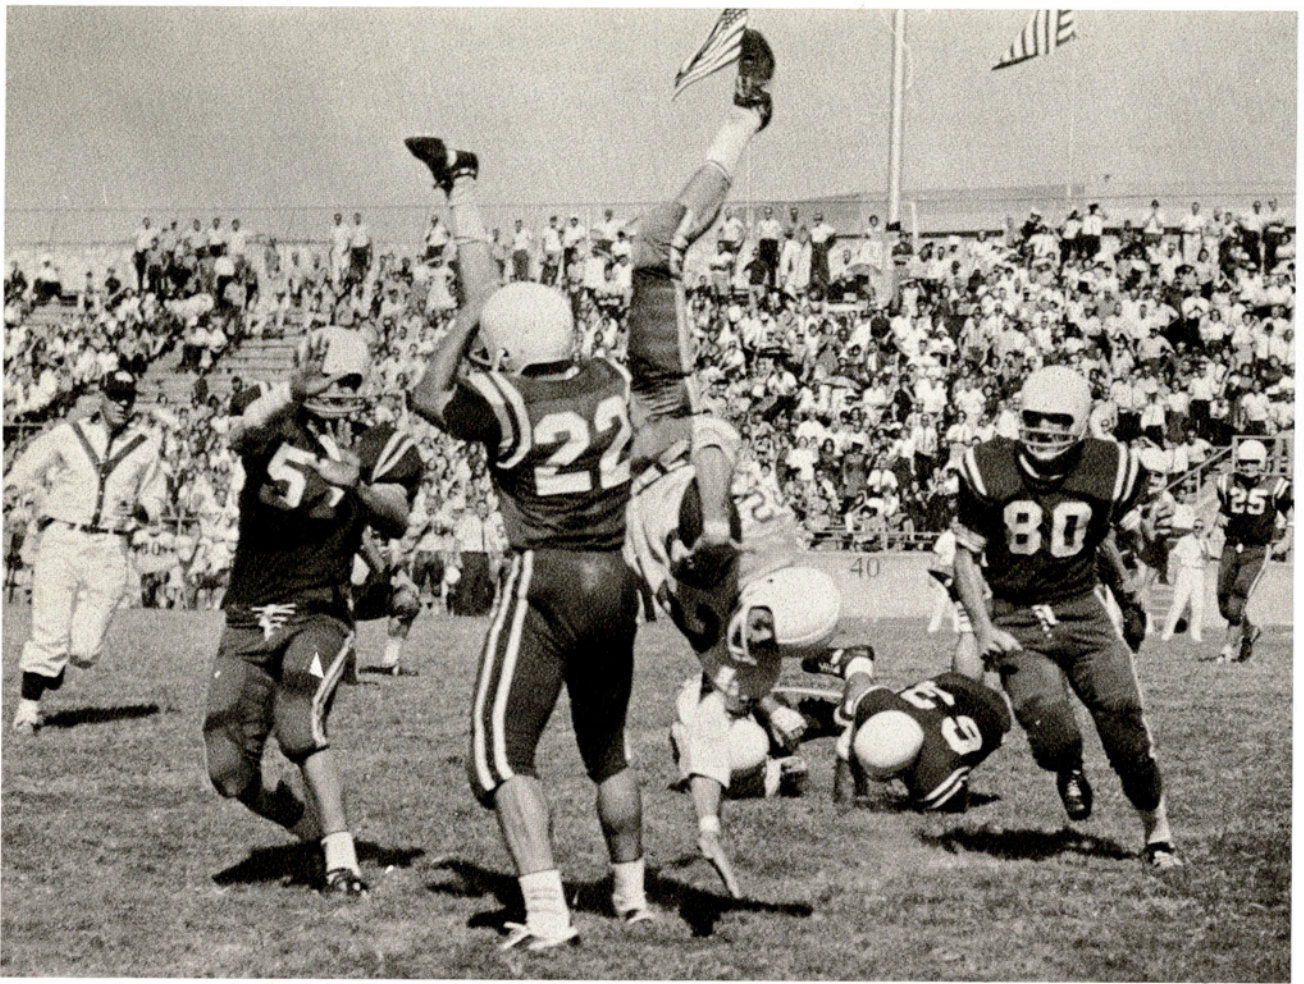

The Hoggies drew first blood on a seven-yard touchdown dash by Barry Copenhaver. Mario Mena kicked the first of two extra points. The Salukis took advantage of a 65 yard kickoff return by Dennis Harmon to get on the scoreboard via a one-yard plunge by Vern Pollock. Bob Hight, a one-armed place kicker, converted. In the second quarter, Hight sent the visitors into intermission holding a 10-7 lead with a 35-yard field goal.

As the minutes ticked away in the second half, the three-point lead loomed larger and larger. With barely three minutes left to play, Copenhaver fielded a punt and raced 51 yards deep into SIU territory. The Hogs moved the ball to the one-yard line from which fullback Butch Pressley dove over with the winning score. The second half comeback was the first of many produced by the Javs this season.

## A&I Slips by Trinity Tigers

TEXAS A&I 33

TRINITY UNIVERSITY 27

A&I's first journey away from the friendly confines of Javelina Stadium was very nearly a disastrous one. Playing before a sparse crowd of 2,918 fans, over half from Kingsville, the Hogs finally emerged on top of the see-saw battle and took their second victory of the year. It was the first A&I triumph in San Antonio since the series began in 1938.

Tommy Janik gave some indication of the wide-open play to come when, on A&I's first series of downs, he scampered 41 yards to paydirt in the opening minutes of play. The Tigers came battling back and, despite another TD by Janik and a six-pointer by Butch Pressley, the hometowners took a 20-19 lead into half-time.

In the second half, however, Trinity was able to tally only once while A&I's Sid Blanks and Barry Copenhaver were each scoring to provide the winning margin. The Javs gratefully returned to Kingsville with a 33-27 victory.

The Javelinas opened their quest for the 1962 Lone Star Conference title with a convincing 22-0 win over Howard Payne. While A&I's able defense contained the Paynemen's razzle-dazzle offense, the Hogs' swift set of backs roamed at will in the LSC opener.

No time was wasted in setting the trend of the game. On the Javelinas' first offensive play, Sid Blanks shocked the Yellow-Jackets with a 44-yard touchdown blast. This was soon followed by Mario Mena's 33-yard field goal and Butch Pressley's three-yard plunge for a score. A&I led at halftime, 16-0. In the second half, Tommy Janik put the frosting on the cake with a 35-yard run to paydirt, and the Javs' Fearless Frosh finished out the game. Some 8,000 fans witnessed the contest.

## Hoggies and Lions Tie in Commerce

TEXAS A&I 3

EAST TEXAS STATE 3

A hotly-protested call by a substitute referee enabled the East Texas State Lions to mar the perfect A&I record with a 3-3 tie. The only bright spot of an otherwise dismal evening was Randy Johnson's fine passing. The freshman's aerial antics clearly established him as one of the loop's top quarterbacks.

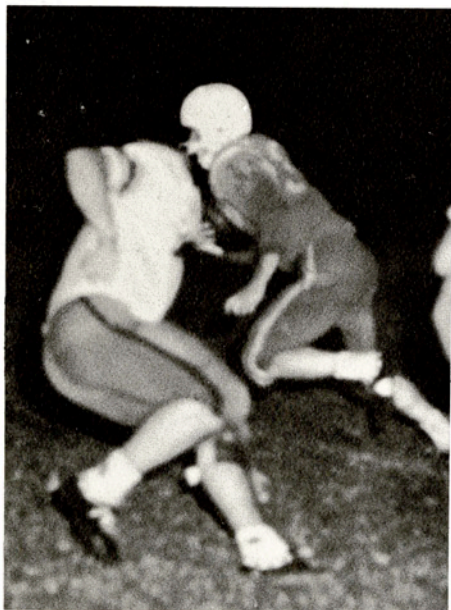

A 31-yard field goal in the second quarter by the Lions' Marion Turner marked the only scoring for three and a half quarters. In the waning minutes of play, the Hogs moved inside the East Texans' 10-yard stripe on the strength of a screen pass from Johnson to Tommy Janik. On a third down and goal situation, Butch Pressley dove over for an apparent score. The officials, however, ruled that the "Butcher" had touched the ground before scoring. On the fourth down play, Barry Copenhaver feinted into the line, then suddenly lateraled the ball to Sid Blanks who went around left end untouched.

A&I's victory cries were shortlived, however, as an official, who had been chosen a few days earlier to fill in for an ill counterpart, ruled that Copenhaver had made an illegal pass. With a few seconds left on the clock, Mario Mena split the uprights with a 22-yard field goal to insure the deadlock.

UNIVERSITY OF CORPUS CHRISTI 6

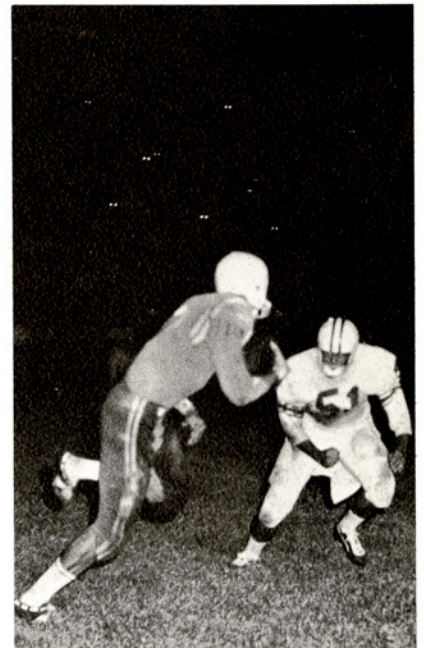

The Javelinas closed out their non-conference schedule with a 27-6 win over area rival University of Corpus Christi. A&I tallied in every quarter of play with three of the scores coming as a result of Randy Johnson's passing arm.

Johnson opened the aerial fireworks with a 43-yard heave to Sid Blanks in the first quarter. In the third quarter, he tossed a three-yarder to former high school teammate, Wesley Robinson, and closed out the scoring with a fourth-quarter pass to Tommy Janik that covered 14 yards. Louis Landry accounted for the rest of A&I's points with a one-yard plunge in the second quarter.

UCC's only score came in the fourth quarter when Leonard Gallagher passed seven yards to Bill Guthrie. The victory marked the eighth win in nine outings against the Tarpons.

TEXAS A&I 27      SAM HOUSTON STATE 3

Nine thousand fans, the largest crowd in A&I history, looked on as A&I's powerful Javelinas ended the Homecoming festivities on a happy note with a 27-3 victory over the Bearkats of Sam Houston State. After a relatively close first half, the Hoggies shattered the visitors with a 20-point splurge in the final 30 minutes.

Leading 7-3 at halftime by virtue of Barry Copenhaver's 35-yard aerial to Sid Blanks, the Javs roared out following intermission and notched up three TDs on runs by Randy Johnson, Butch Pressley and a pass from Johnson to L. J. Rolf. The Bearkats were able to crack the A&I forward wall for only 68 yards total offense the second half and spent most of the closing minutes in vain attempts to hold the speed-laden Jav offense in check. The win was A&I's 12th homecoming triumph in the past 13 years.

Texas A&I's steamrolling Hoggies, scoring in every period of play, trampled the spirited, but outclassed, Stephen F. Austin Lumberjacks, 31-8, and upped their season record to 6-0-1. Hemmed in by Barry Copenhaver's deadly accurate punting, the Axmen were never able to get on the scoreboard until the second half.

Sid Blanks opened the scoring parade with a 2-yard TD plunge, followed by a team safety and an 8-yard pass from Randy Johnson to Ted Unbehagen. Mario Mena converted both times to give the Hoggies a 16-0 halftime edge. In the second half, Butch Pressley dashed 33 yards for a score and Barry Copenhaver pushed through six more points on a 15 yard run. SFA's only tally came on a two-yard dive by Wayne Corley.

TEXAS A&I 7      LAMAR TECH 0

The Hoggies continued to pick up speed as they crushed Lamar Tech's title hopes in a contest not nearly as close as the 7-0 score might indicate. In bitter Beaumont cold, the magnificent Javelina defense completely stifled the vaunted Cardinal offense as A&I continued its mastery over the Redbirds.

No scoring occurred during the first three quarters of play, although Sid Blanks had one TD called back because of a penalty and Lamar Tech's Windell Hebert was stopped on the one-yard line in Tech's only threat of the evening. Late in the fourth quarter, however, A&I, largely on the running of Butch Pressley, moved to the four-yard line from which Tommy Janik turned right end for the TD. So completely did the A&I forward wall blanket Tech's offensive attempts that the hometowners were unable to secure a first down the second half, and ended up with a minus six yards rushing for the final 30 minutes of play.

The lopsided victory, which set up the championship match with Southwest Texas State, saw the Hogs hammer out five touchdowns in the second half as they marched toward this largest single game total of the season.

Tommy Janik, Butch Pressley, Frank Bain and Louis Landry all rushed for short-yardage scores while Barry Copenhaver completed a 23-yard touchdown pass to Gerald Pargamann and Randy Johnson tossed a 25-yarder to Janik. In addition, Mario Mena booted a 33-yard field goal and two extra points. The Lobos, hindered all evening by the hard-charging Javelina defense, were never able to threaten and managed only two first downs the first half.

## Javelinas Win Big One

TEXAS A&I 28

SOUTHWEST TEXAS STATE 7

This was the game of games. It was the whole season centered into one 60-minute period. Trailing Southwest Texas State by one-half games, the Javelinas journeyed to San Marcos knowing they had to win in order to capture the Lone Star Conference trophy. Eleven thousand fans, the largest crowd to ever witness an LSC contest, crammed into Evan's Field to see the classic clash of two football powers. For 30 minutes, the two clubs battled it out on even terms and the halftime score stood at 7-7. Came then the memorable final half as the spectators sat in bitter cold and watched in disbelief as the Javelinas crushed all remnants of Bobcat resistance with a patented second half onslaught.

Two touchdown passes by Randy Johnson, one to Bobby Pysen, the other to Ted Unbehagen, coupled with scoring plunges by Louis Landry and Butch

Runs like this one by Sid Blanks kept Southwest Texas off balance all night.

## Over Southwest Texas State

Pressley left no doubt as to A&I's right to the conference throne. A&I's offensive antics were matched by the awesome display of defensive might which completely snuffed out all San Marcos threats in the second half.

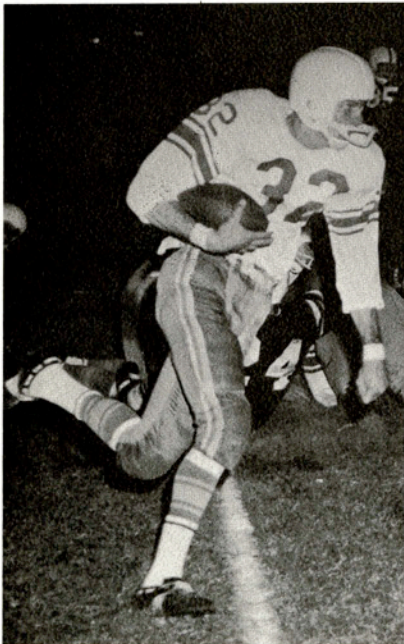

In essence, it was simply a good team meeting a magnificent team. Individual heroics were many. Doug Harvey played the finest game of his career; Tommy Janik's running kept the Bobcats off balance all evening and the defensive play of L. J. Rolf and Bobby Pyszen was superb. It was, however, the most complete total team effort of the season. It was a fitting end to the finest football year in A&I history. The Texas A&I Javelinas were 1962 Lone Star Conference champions.

The personal duel between Doug Harvey and Dee White proved to be one of the highlights of the game.

Tommy Janik was in his most brilliant form, rushing the ball for 109 yards, mostly in the second half.

## 1962-'63 Javelina Cagers

Ted Carley  
 Head Coach

The 1962-63 cage season might paradoxically be termed one of optimistic frustration. Frustration, because of what might have been had the injury bug not bitten; optimism, because when the chips were down, the Javelinas stood strong.

Off to the finest start in the school's history, the Hogs had moved to a sparkling 13-4 record when All-American Phil Shirk joined lettermen Gus Laemmrich and Charles Cothran on the sick list, critically weakening the already depth-starved roundballers.

Although the Javs lost their remaining eight games, it was by no means a foldup. Three of the losses were by two points or less, including two overtimes, and only one of the scores showed the Hogs behind by more than ten points.

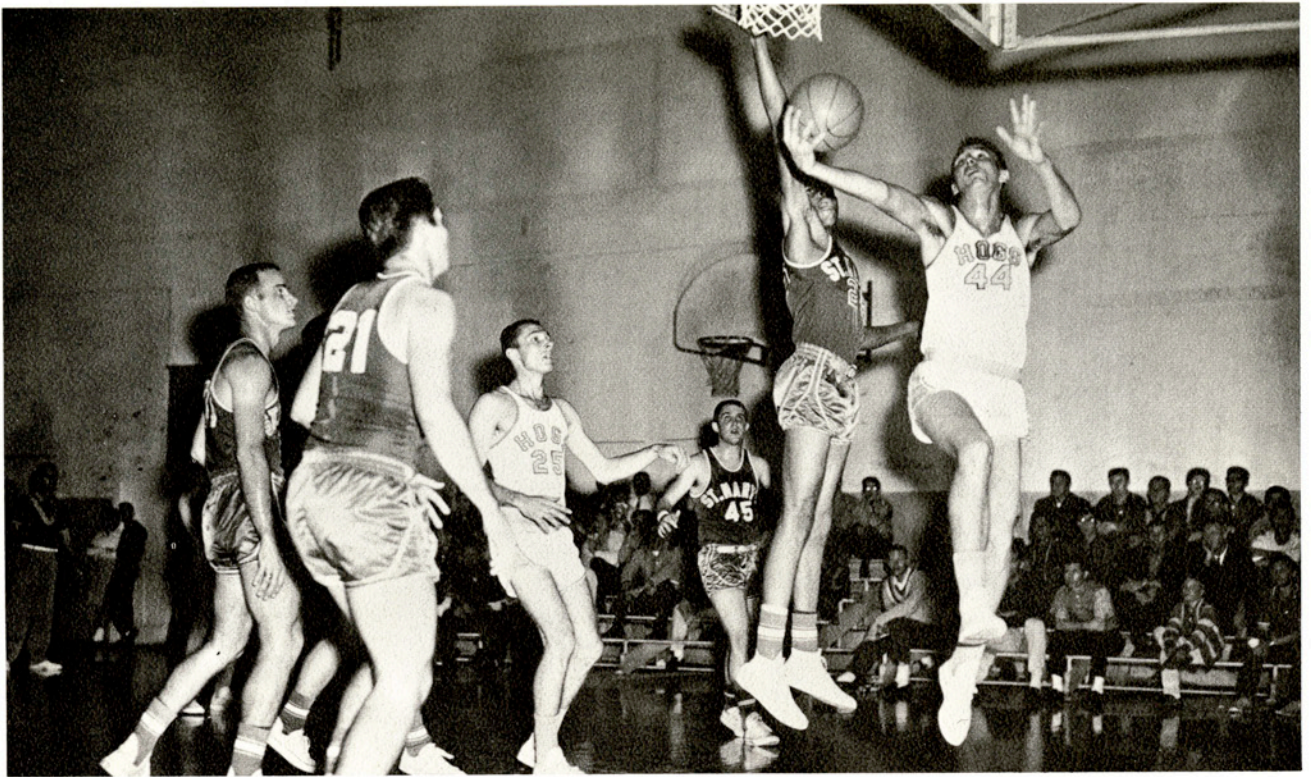

Coach Ted Carley summed it up when he told the squad, "You may not have won many games in the latter part of the season, but you did win a lot of respect." There may be, after all, some substitute for victory.

JIM KOERNER  
6-1, Sophomore  
Menasha, Wisconsin

For the second consecutive year, an A&I sophomore was named to the 1st Team All-Conference squad. Jim Koerner, second-year man from Wisconsin, took his place as one of the league's premier backcourt performers and served notice of what is to come in the future.

The 6-1 slender athlete ended the season with a 16.8 scoring mark and, even more remarkable, shot a sizzling .551 percentage from the field, leaving no doubt as to his qualifications for the LSC dream team.

PHIL SHIRK  
6-3, Junior  
Middlefork, Indiana

Phil Shirk's value to the Javelinas can be measured by one simple fact. For the past three seasons, the Hoggies have never won a game in which Shirk was absent from the lineup. His reputation around the conference is such that, despite having missed more than half of A&I's loop contests, he was still accorded a berth on the 2nd Team All-Conference.

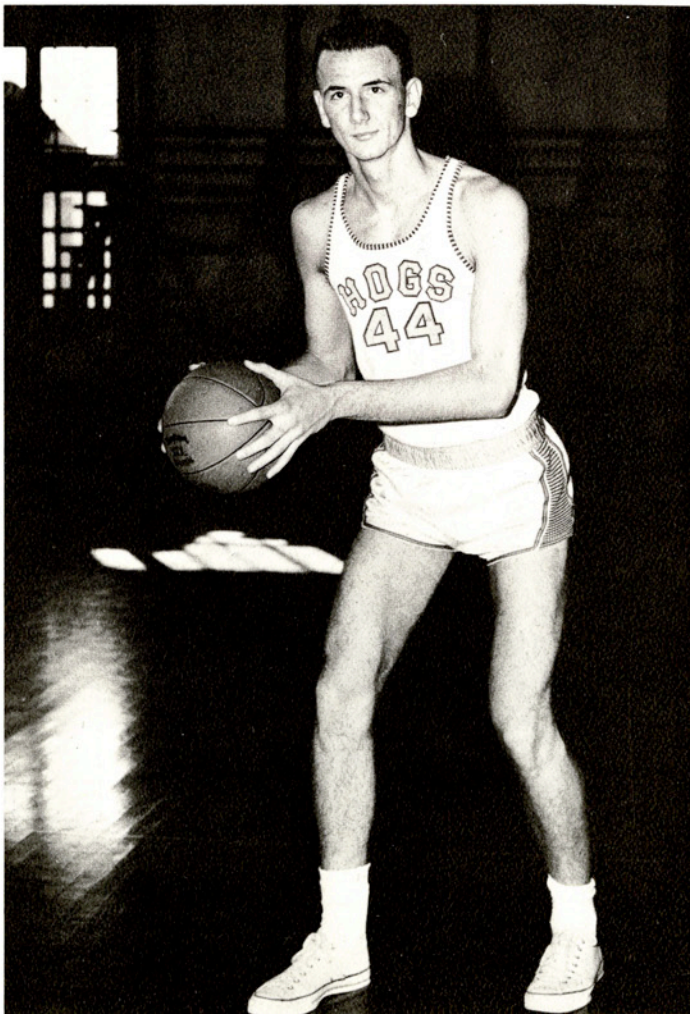

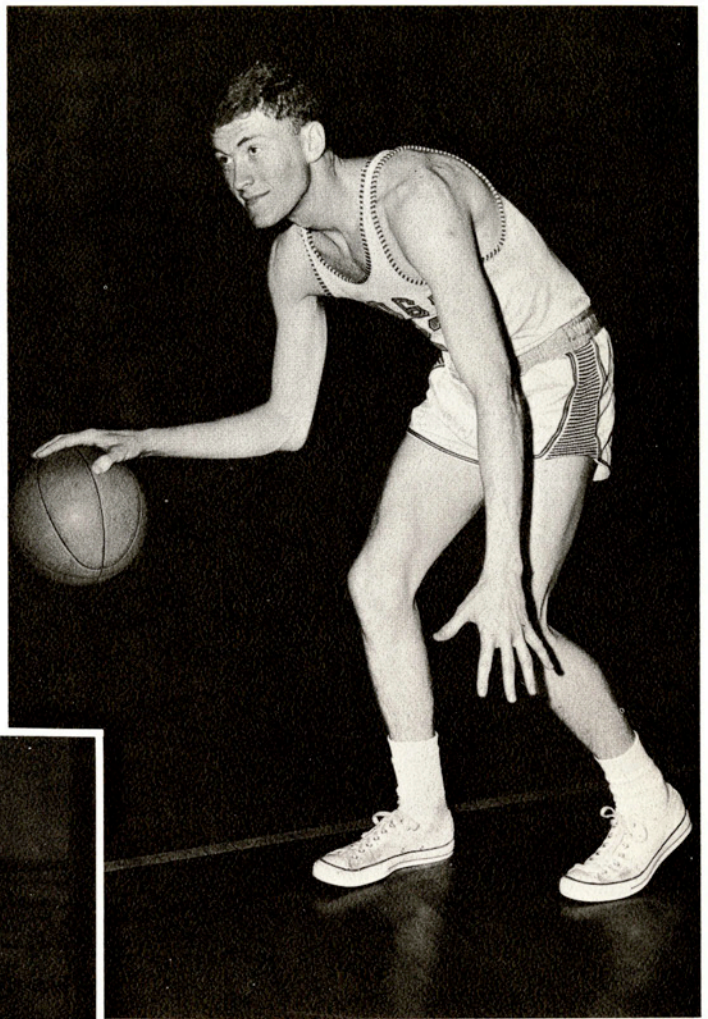

Although ineligible for the conference scoring title, the 1962 Little All-American took the season scoring crown for the second straight year with a 23.3 average. In addition, Shirk brought further honors to the school and conference when he was selected to compete against the Russian All-Stars as a member of the NAIA All-Stars in November.

JERRY DANIEL  
6-1, Junior  
Muncie, Indiana

Elected as this season's team captain, Jerry Daniel occupies the role of playmaker on A&I's smooth-running offense. Jake, a starter since his freshman year, had his best season to date and received honorable-mention recognition on the All-Conference group.

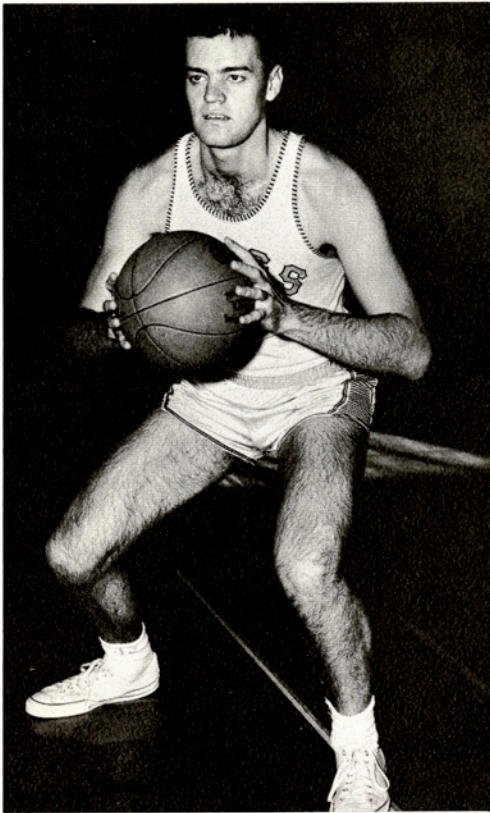

Playing 992 minutes out of a possible 1,000 minutes, Daniel also set a record this season for time spent on the hardwood. A highly accurate shooter as his .494 percentage will testify, the 6-1 junior averaged 11.8 points this year.

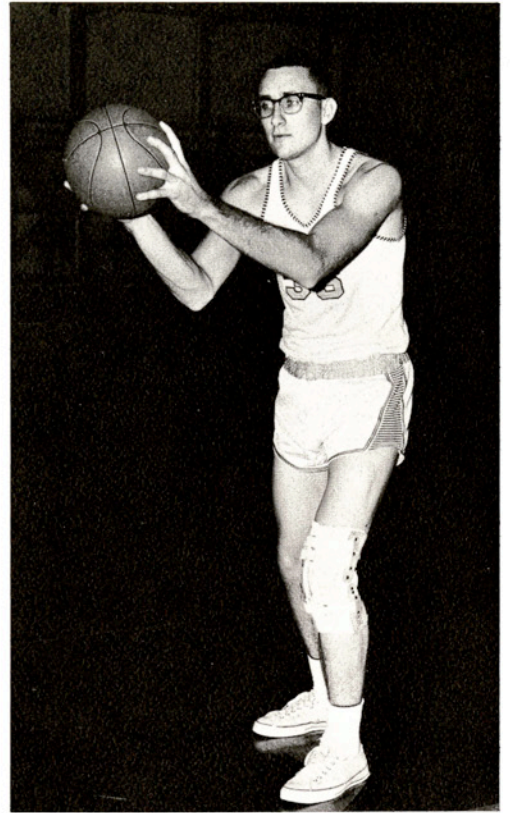

Another honorable-mention All-Conference performer, John Lowe began to realize his potential this season. The tall junior came on strong at the end of the schedule and needs only consistency to become one of the league's finer inside men.

Lowe's 11.4 rebounds per game placed him among the conference's leaders in that department and his 10.8 scoring tally gave A&I its fourth starter in double figures.

## Tennis and Badminton Team

Texas A&I's fledgling tennis and badminton squads are embarking this season on their most ambitious program. In addition to several dual matches with some of the state's better net teams, the racquet schedule also calls for tournament action. Coached by one of the leading amateur badminton players in the country, Mary Lee Belcher, the Jav netters can be expected to gain respect regardless of the outcome of their contests.

## 1963 Track Team

Five lettermen, including two conference champions, formed the nucleus of A&I's track team when the season opened in the Border Olympics in March. While the Blue and Gold thinly-clads were not considered definite title threats, they could be counted on to gain their share of points as the season progressed.

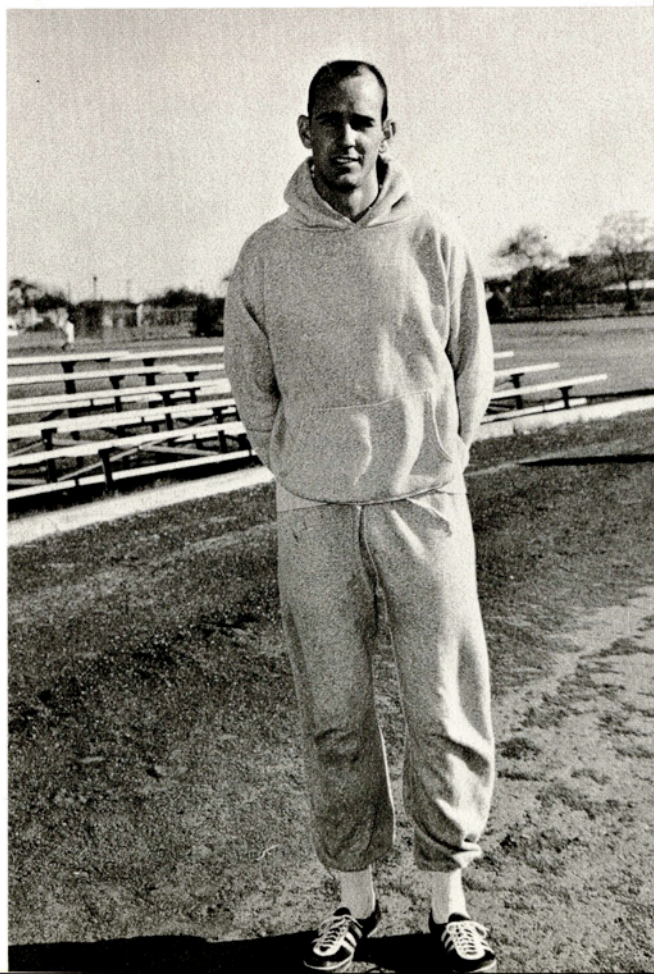

Led by Bob Shirey, defending LSC champ in the broad jump, and Dick Goss, blue-ribbon winner in the league 440-yard dash, the Jav cinderburners were scheduled for a busy season culminating with the conference meet in May.

Shirey and Goss are joined on the lettermen list by Sid Blanks, Wesley Robinson and Gerald Pargamann.

## 1963 Golf Team

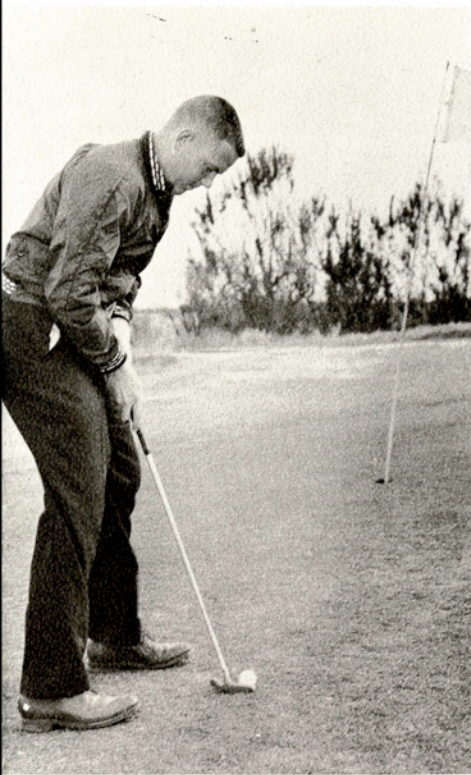

Wilmer Aldrich  
Coach

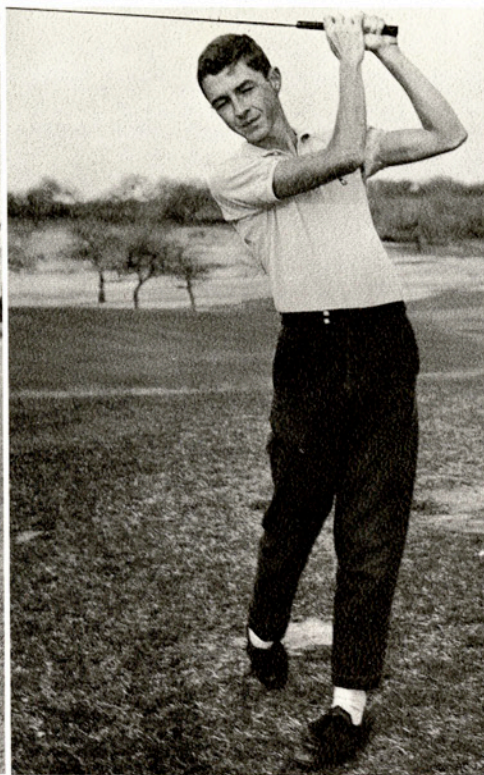

As the 1963 golf season opened, A&I's squad was of uncertain quality. With most of last year's team departed, it was hoped that a busy schedule would provide valuable experience before the conference meet in May.

Coach Wilmer Aldrich is relying on veterans Dick Wilson and Mario Mena to carry a large part of the load. In addition to the Lone Star Conference meet, A&I's linksters are scheduled to participate in the Border Olympics and several meets with area colleges.

## Old Administration Building

The Main Academic Building, better known as the Old Ad Building, is a two-story brick building erected in 1925. It houses the Division of Arts and Sciences, the Division of Business Administration and the Division of Teacher Education.

## Kleberg Hall

The modern Kleberg Hall houses the Division of Agriculture. It contains both the classrooms and the laboratories necessary for the study of technological, efficient agricultural production.

## Student Union Building

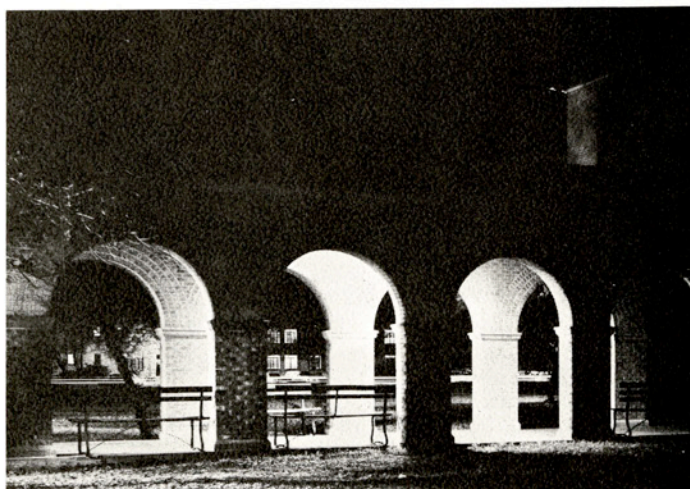

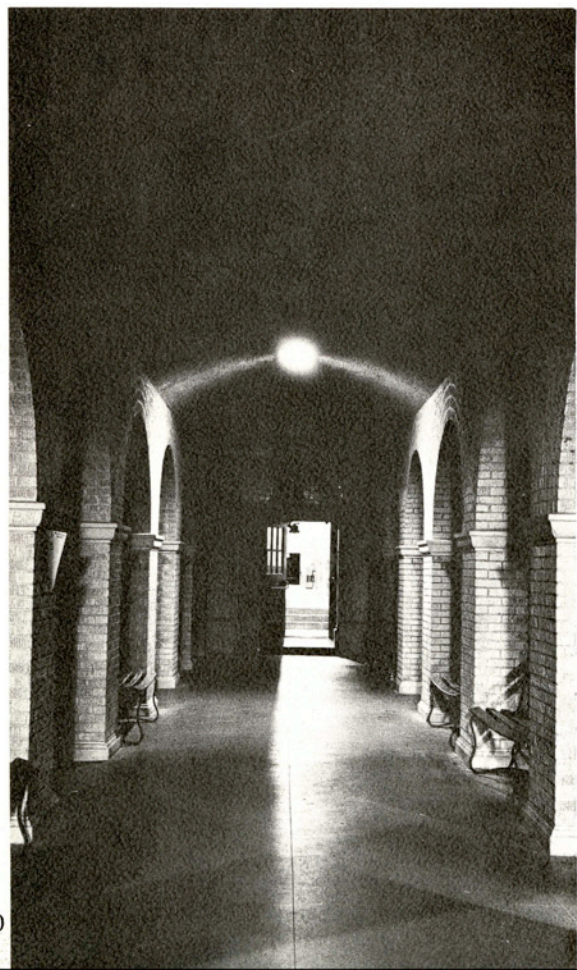

Center of social life on campus is the Student Union Building. The three-story building houses a student lounge, game room and large ball room which are used for study and social functions. Also housed here is a spacious cafeteria, better known to everyone as the Tejas. A branch of the United States Post Office also is quartered within the SUB.

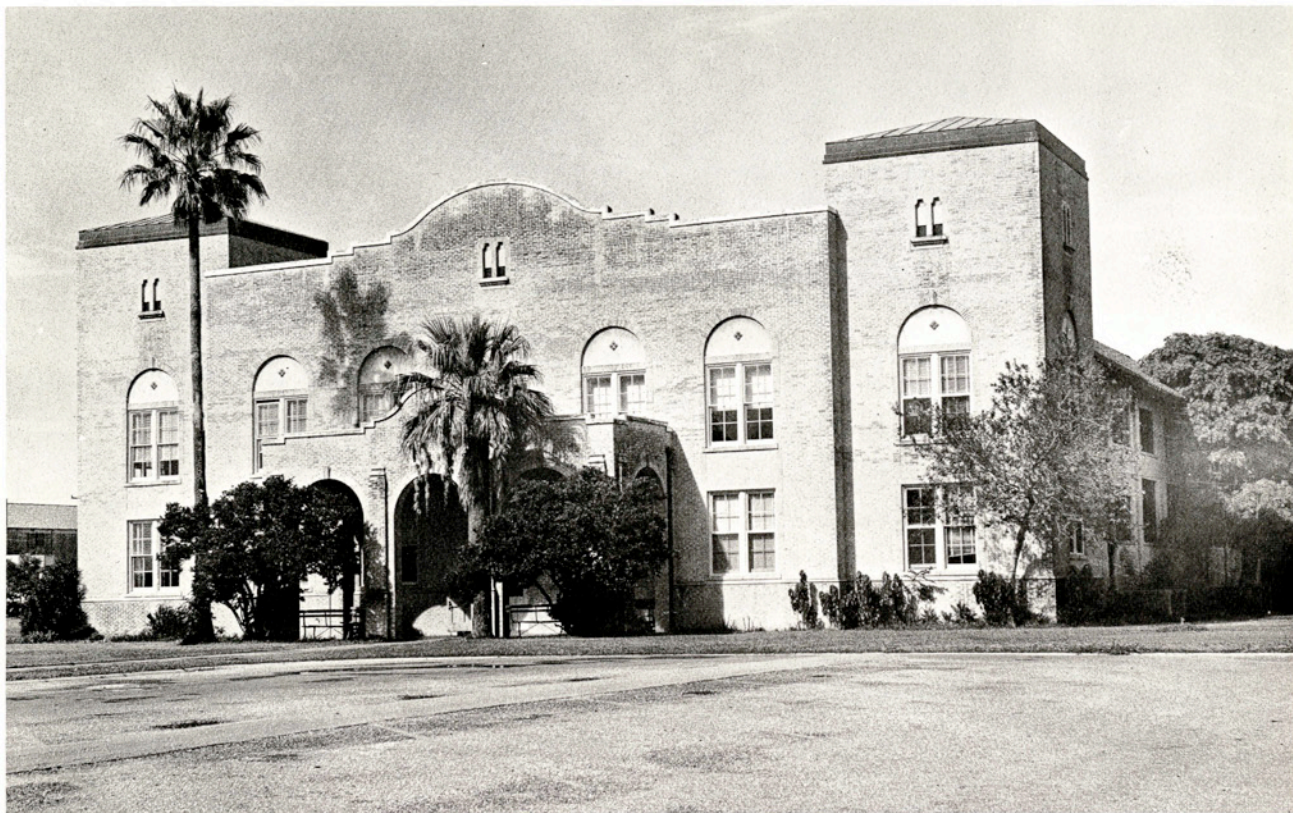

## Nierman Science Hall

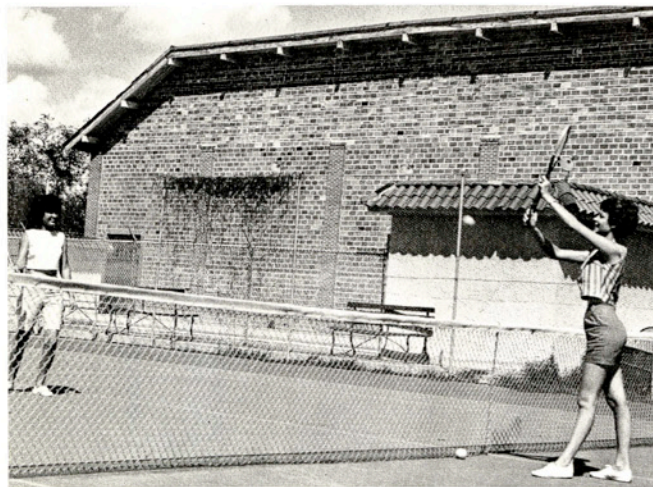

Surrounded by trees and connected to the Physics and Old Administration Buildings by two arched breeze-ways is the J. L. Nierman Science Hall. The building houses the Departments of Biology and Chemistry, providing large, well-equipped laboratories for the use of students.

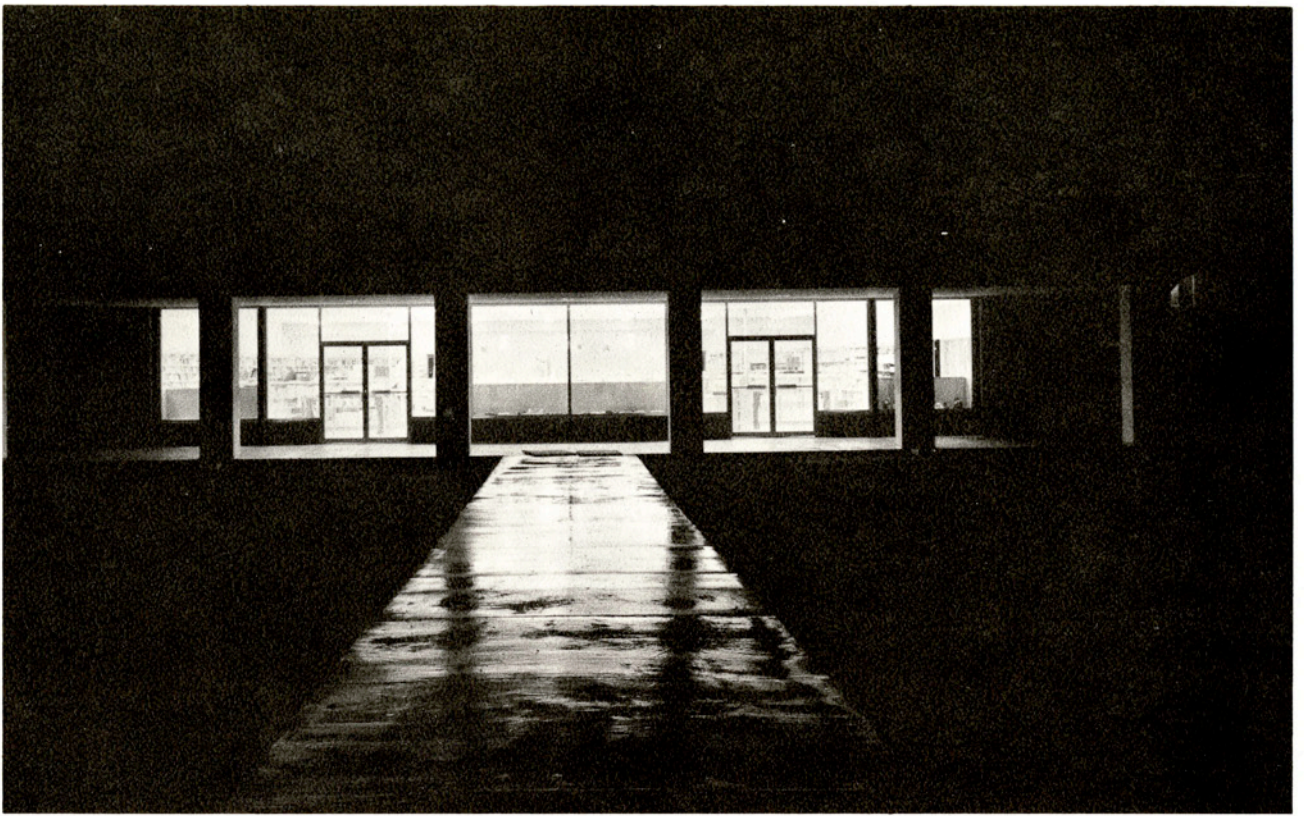

## Javelina Gymnasium

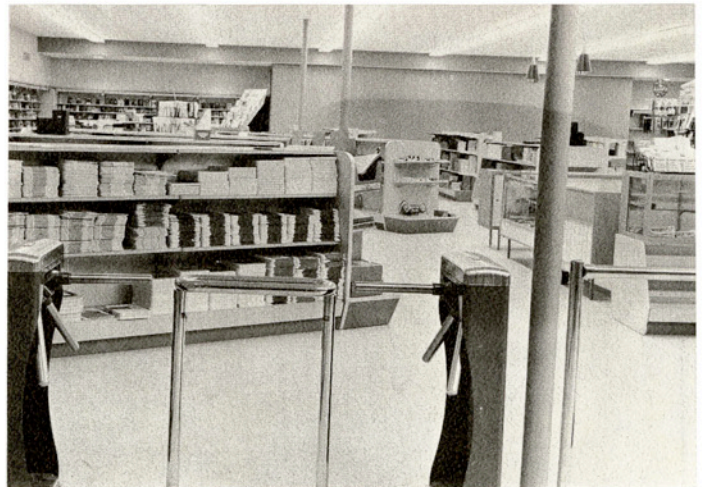

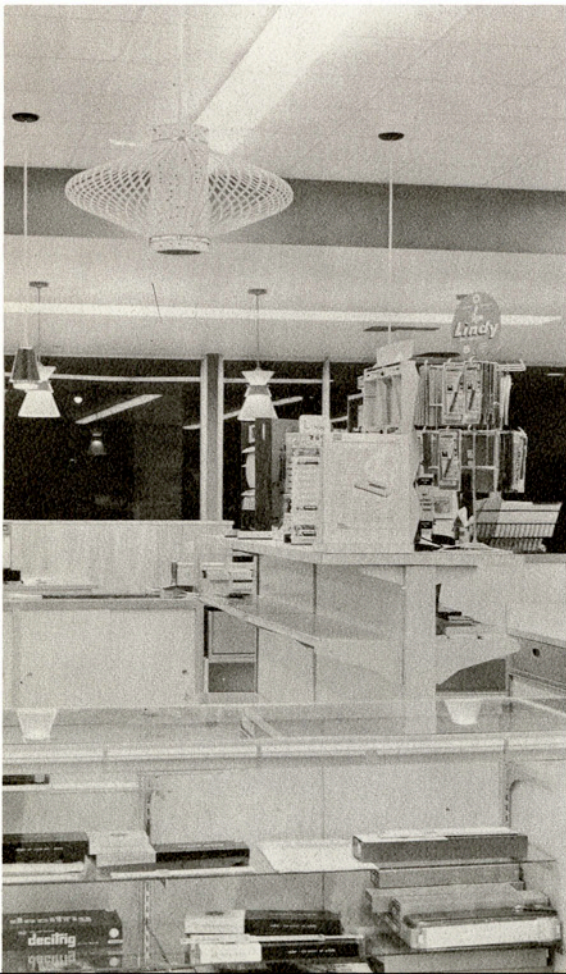

Scene of many Javelina basketball games is the Javelina Gymnasium, with a seating capacity of 700. The gym houses classrooms, offices, training rooms, a basketball court and the "little gym" as well as dressing rooms. Adjoining the building are a swimming pool and four tennis courts.

## College Store

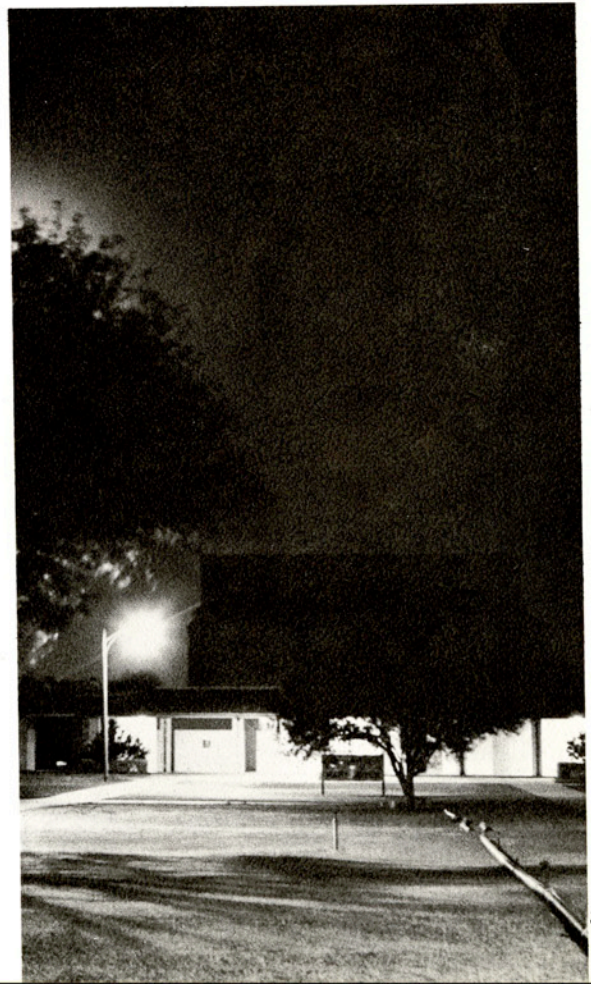

The College Store was opened for the spring semester. The new structure provides more room for easier display of the books and other items, while the "supermarket" mode of operation makes it faster and more comfortable for the students to make their purchases.

## Speech Building

The Speech Building is part of the Frank C. Smith Art Center which also includes the Music Building and the Art Building. It contains the Little Theatre, in which many of the plays given by the Footlights Club are presented, plus classrooms and offices. It is one of the newer buildings on campus, having been constructed in 1959.
