# The Campus

Texas A&I's campus provides a home away from home for students. Here are the classrooms where a student listens to lectures, takes tests and occasionally sleeps. Here is the library where he studies, day dreams and writes research papers. Here is the SUB where he meets friends. And here is the dorm where any night the fragrance of popcorn and the sound of folk music fill the halls.

# The Student

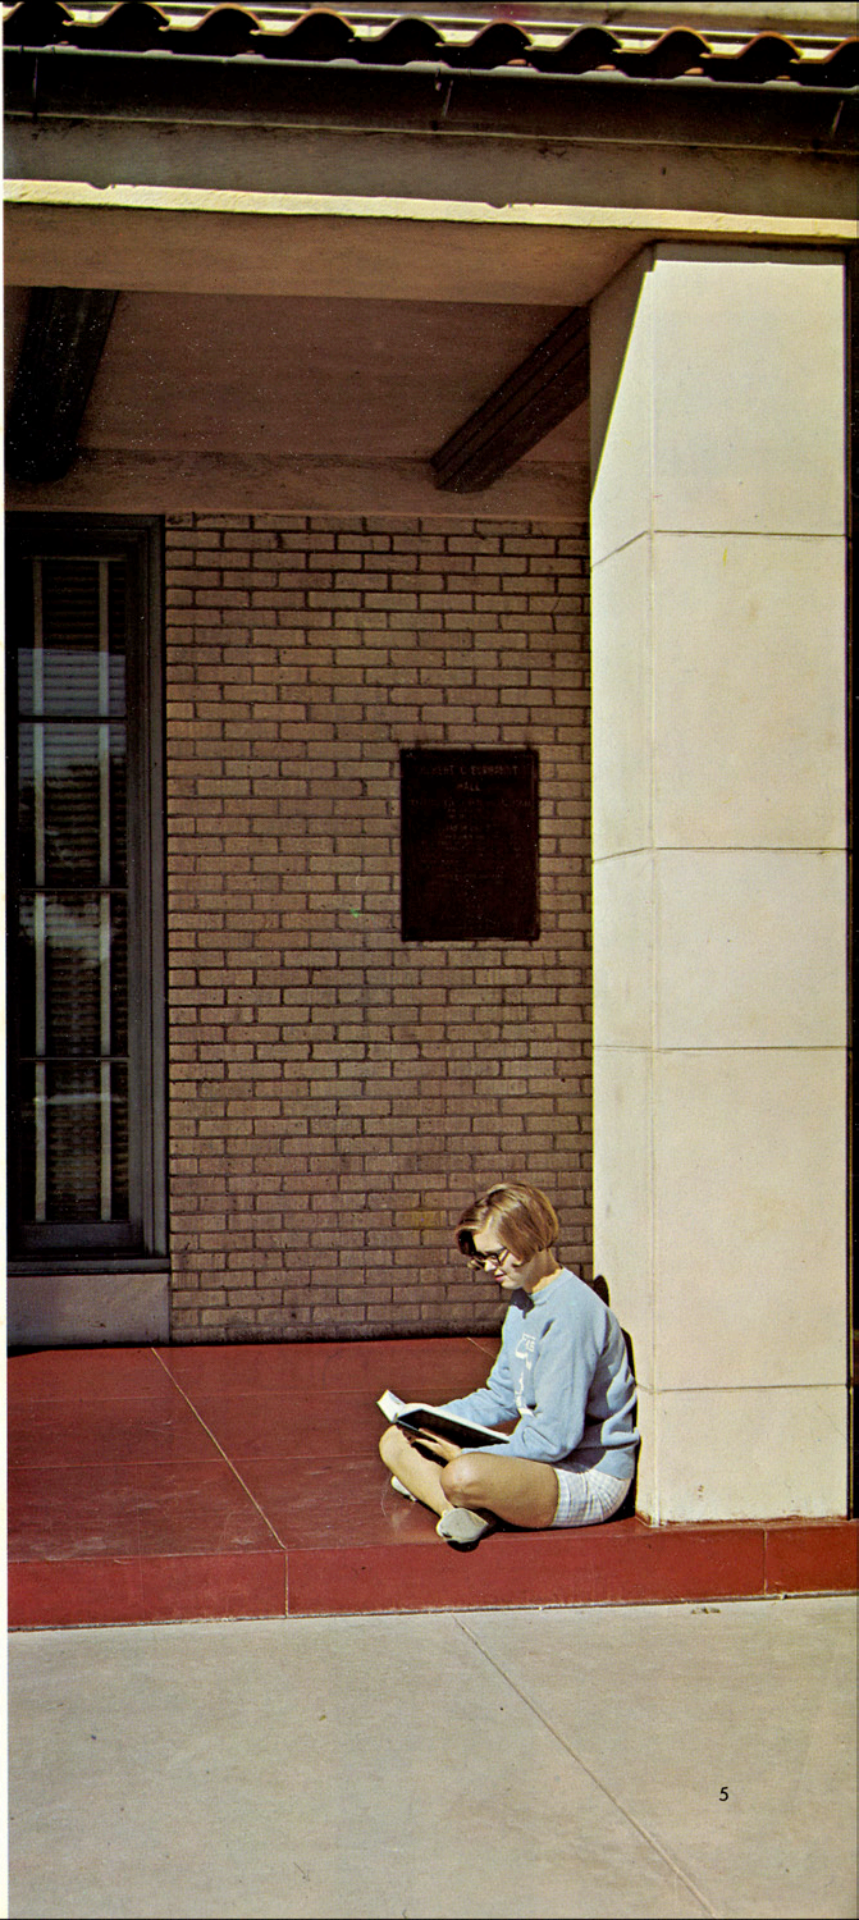

To be a complete being, every man must have a fourfold way of life. The student in search of completeness recognizes academic, social, physical and spiritual needs. These four make up the man, and man can not reach complete fulfillment of his potentialities if he lacks in any of these areas of life.

# Academic

College is a struggle for a better education. The student comes here to learn, to study, to grow in wisdom, to make a place for himself in the future. Here the narrow world of his childhood is expanded by new teachers, new books, new friends and new ideas. At college the student re-evaluates himself and his world.

The 1967 El Rancho was composed with the student in mind. The student is the school; without him there would be no Texas College of Arts and Industries.

Each of you is an individual with individual needs and wants. Each of you, by the fact that you are attending college, shows that there is a search within you for the complete man.

It is the desire of this annual staff that in years to come you can look at this yearbook and see within its pages the reflection of toil, disappointments and fulfillments that were yours in 1966-67 as you searched for that complete man.

# Social

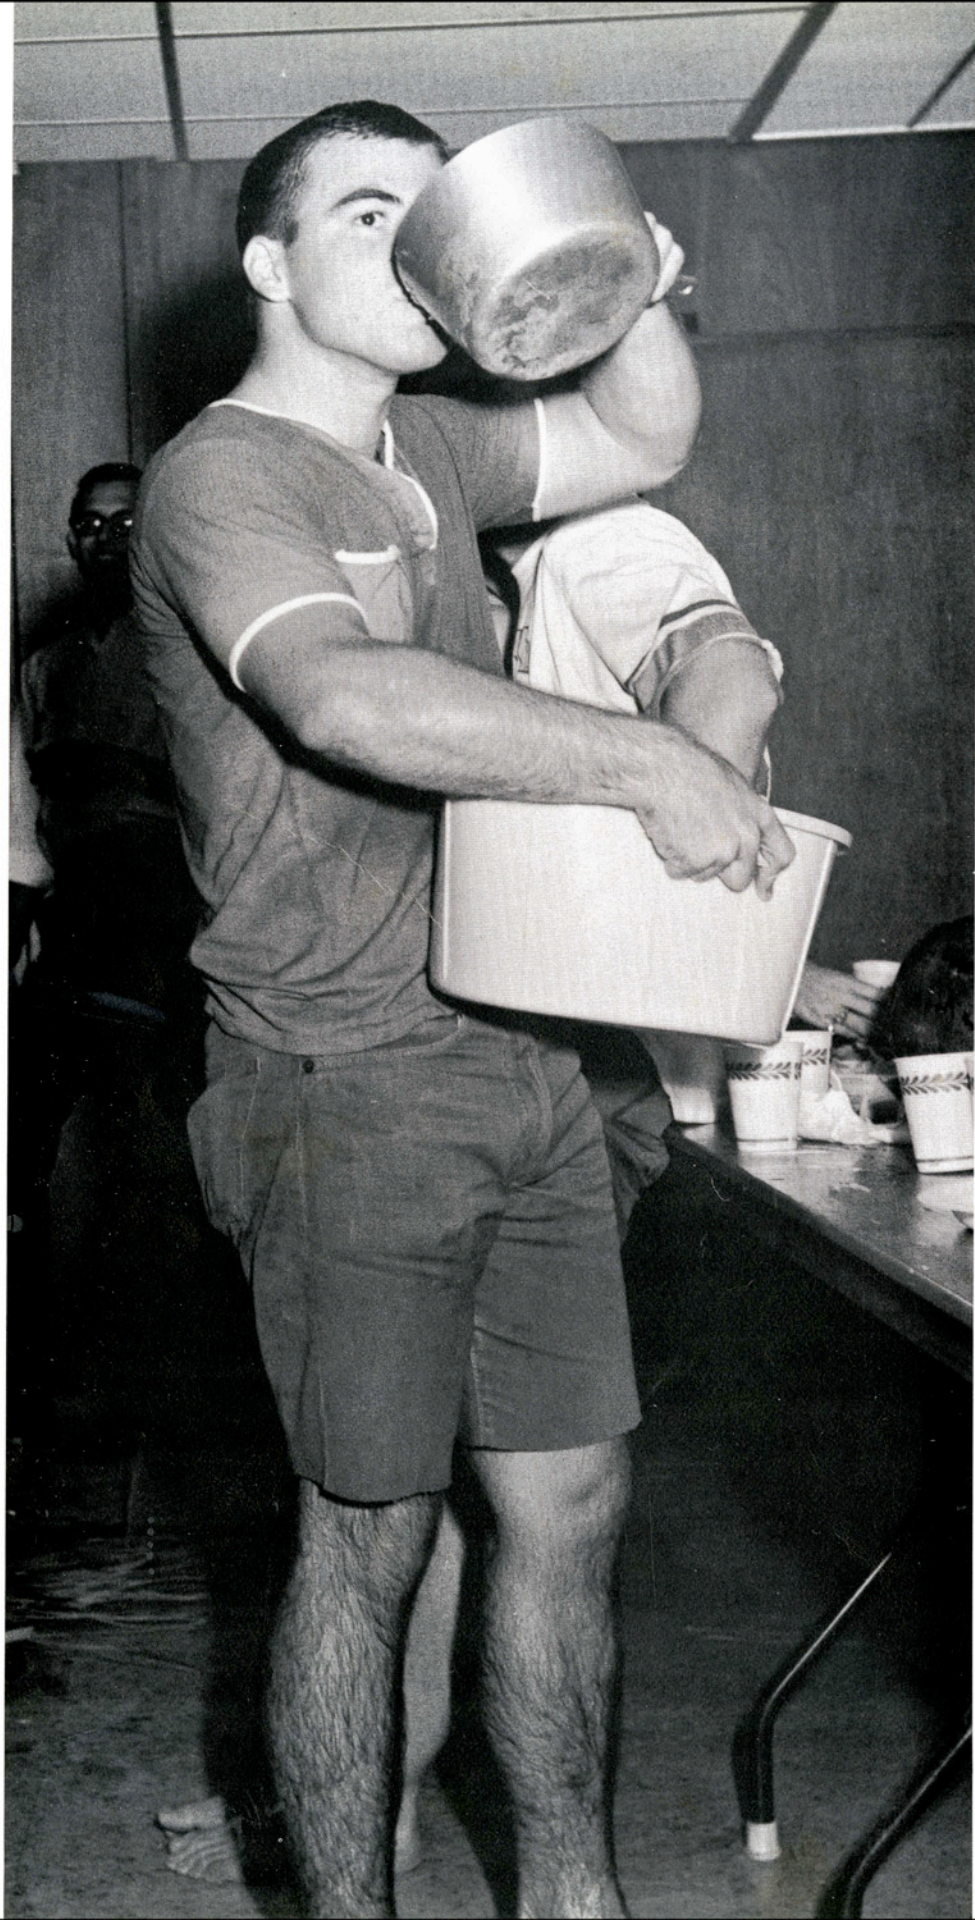

Social life serves as a relief from the everyday grind of the academic. Barbecues and dances are favorite types of casual entertainment, while plays, operas and recitals give students an opportunity to enjoy cultural entertainment.

## Social

Parties given by clubs, fraternities and sororities are a major source of social activity at A&I. Also, the Student Union Building offers entertainment and fun through dances, coffee sessions in the Tejas Room and competition in the Game Room. In the SUB good friends meet over a Coke or game of chess.

# Physical

The physical body must be strengthened just as the mind must be. Only when together can these two aspects of man be of real value. Without physical strength the mind is destitute, and without mental alertness the body is deficient.

President  
James C. Jernigan

SPRING, 1967:

Dear Students:

We are living in an age when words, thoughts, and ideas are transmitted so freely and in such volume that most are melted into oblivion like yesterday's type. This annual, however, through its pictures and words will enable the reader to recapture some of the associations, joys, and experiences at this college for years to come.

This is a year of political change, international unrest, and national prosperity. We continue in our search for a "better way of life."

I yearn for each of you the fulfillment of your fondest dreams. At the same time, I challenge you to utilize to the fullest extent the opportunities that are yours here at this college and in the years ahead to develop yourself as a whole person. You are reminded of the fourfold way of life: academic, social, physical and spiritual. To be an informed and educated man is rather empty unless one has learned to live with others, and unless one is concerned about other human beings. To have a great mind and a love of fellowman in an uncared for physical body, is a tragedy. Finally, the individual who recognizes and depends upon God will receive a power that will enable him more easily to live with and adjust to the daily problems of life.

Sincerely yours,

A handwritten signature in cursive script that reads "James C. Jernigan". The signature is written in black ink and is positioned above the printed name.

# Religion

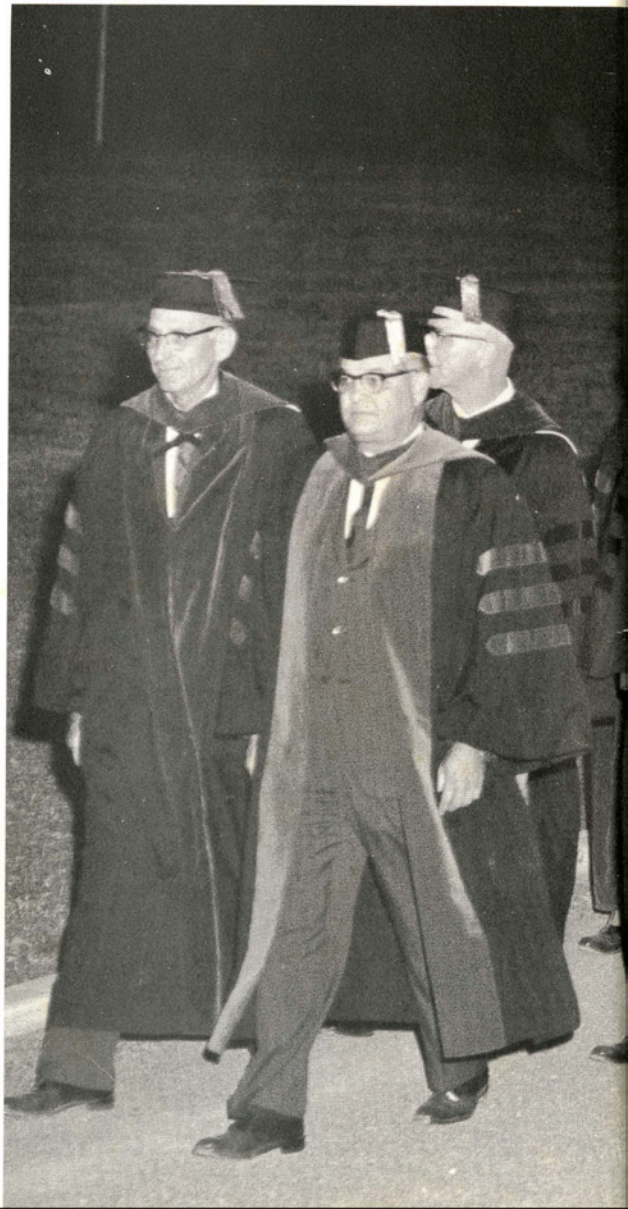

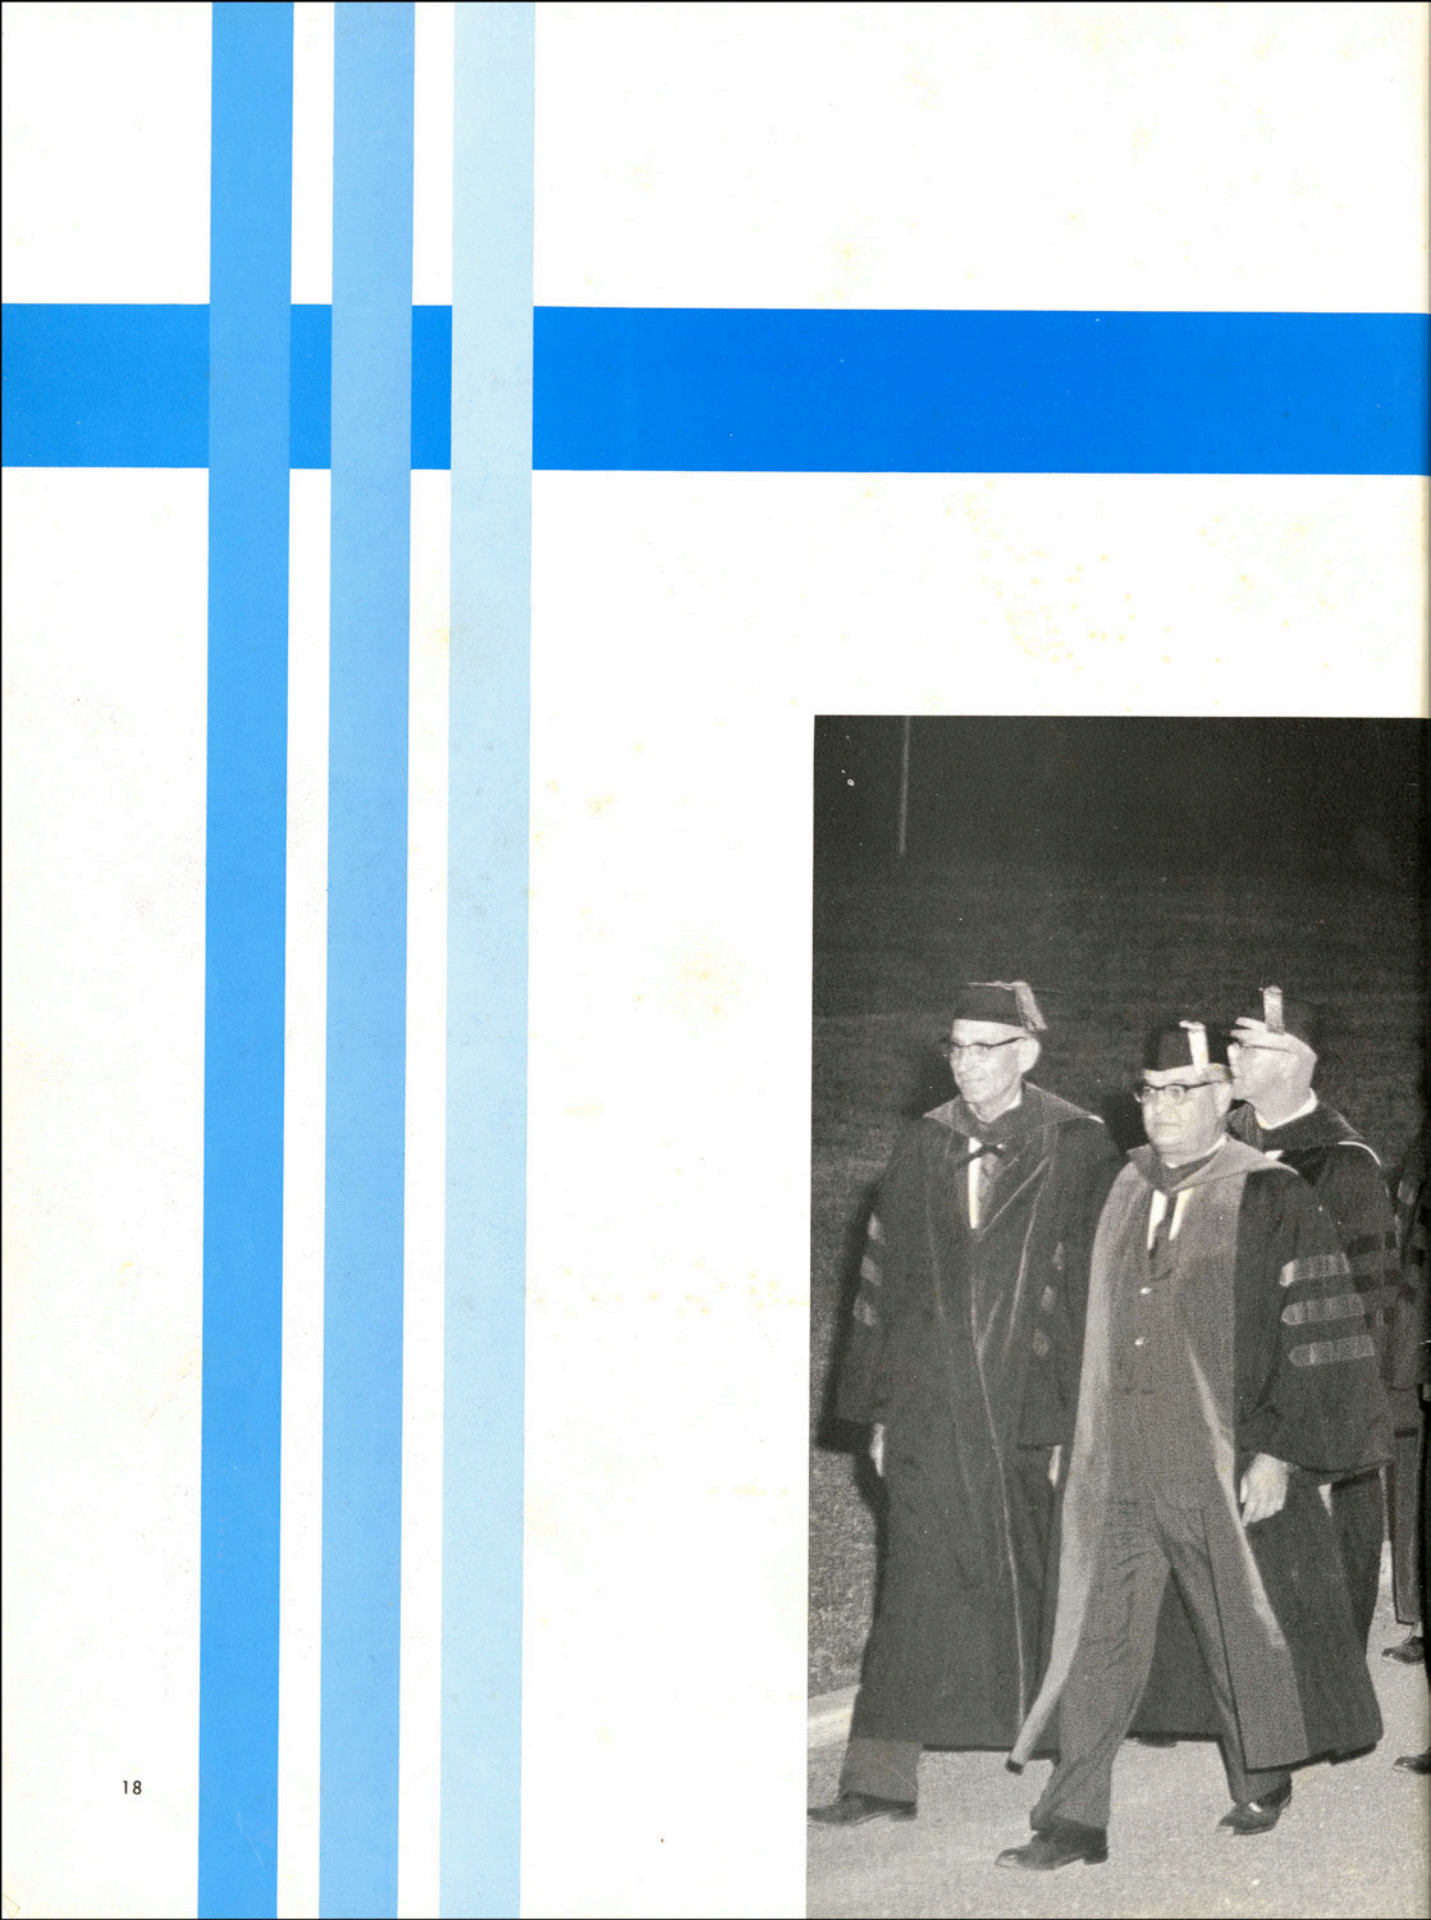

Religion can have many faces, but it is always there. It is the remaining quadrant that makes up the complete man. With religion there is unity, a satisfaction of being whole.

## Library

The A&I Library is one of the most frequently visited buildings on campus. Commuting students come here to study during their spare time between carpool rides. All students come here to check out books for research papers and to write reports.

Another busy spot on campus is the College Store. The first thing every Freshman buys here besides books is a Hoggie sweatshirt. Other items in demand are A&I charms, stuffed animals, megaphones, and pennants.

## What's New At A&I

A&I news is broadcast twice a week by KINE radio as part of a new journalism course, radio and television news.

The newest dining hall on campus is in Martin Hall, which opened in November. Chatting with friends over a meal is one of the highlights of the day.

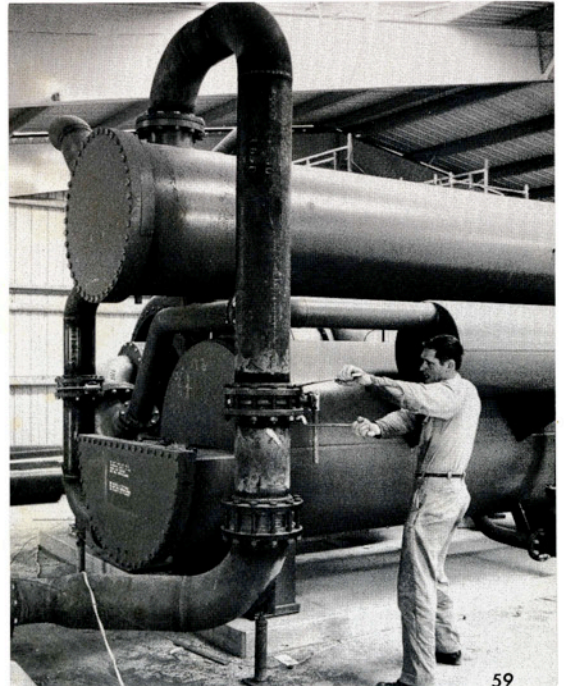

A&I's first ichthyology class was highlighted by a field trip to the Edward's Plateau.

The new Earth Sciences Building is expected to be complete by the first summer session.

This new boiler plant is responsible for heating three A&I buildings.

# "Picnic"

"Picnic", by William Inge, is the story of a small mid-western town and the old-fashioned people who live there. One day a stranger enters the town, then leaves as suddenly as he came. Although he leaves, his mark is imprinted in the minds of all who met him.

Rosemary Sidney (Donna Vogt) and Howard (Bo Reeves) discuss the possibilities of marriage.

Flo (Sandy Bel) and Mrs. Potts (Marsha Lowe) comfort each other after Madge's departure.

Pooh-Bah (C. H. Hill) and Ko-Ko (Raymond Allen) rejoice because they have found someone to execute.

Nanki-Poo (Josue Bustos) and Yum-Yum (Maureen O'Brien) slip away to tell of their love for each other.

## "The Mikado"

The Department of Music presented "The Mikado" for its first fall semester production. It is a heart-warming story of a boy named Nanki-Poo (Josue Bustos) who is in love with a girl named Yum-Yum (Maureen O'Brien). The couple are finally united in marriage and Nanki-Poo is reunited with his father, the Mikado.

Well-known throughout the state and overseas is the group of young musicians called the A&I Singers. This year the Singers started their season under a new director. The veteran director and founder of the Singers, Dr. Lawrence McQuerrey, left Texas A&I and many of the student vocalists departed by transfer or graduation. This necessitated not only finding a new director, but also locating enough developed vocalists to fill the vacancies.

The result was a new director, Alfred E. Tellinghuisen from Louisiana Polytechnic Institute. He has had considerable experience in the music world and has gained acclaim for his musical productions.

Membership in the Singers is by tryout only and is usually limited to music majors. This year eight new vocalists were added to the group. During the 1966-67 season the musicians made trips to Houston, Corpus Christi, the surrounding Kingsville area and also appeared on television at Christmas.

Membership in the A&I Choir is open to any student in the college, and everyone enrolled in music is encouraged to participate fully in its program. During the year they give concerts and take a tour through a predetermined area. At Christmas this year, the choir, in conjunction with the Brass Choir and Civic Symphony, presented a choral concert and performed Bach's "Magnificat".

Band students did the jerk to the music of the Stage Band at the Christmas dance in the SUB Ballroom.

Highlight of the band year is the annual tour. Larry Ottmers, and Randy Dietel helped with the tour schedule for this year's three-day trip.

# The A&I "Marching 100"

The Texas A&I College Band has grown from a small group to one now numbering 150 musicians.

Each year the band conducts a three-day tour to various schools and areas in Texas. This year the band was absent from February 20-22 in order to make visits to Fredericksburg, San Antonio, Beeville, and Weslaco—giving both formal and informal concerts.

The past year saw the A&I Band making many changes in its format. The organization was enlivened by the addition of a program of football games, dances, parties, and other activities designed to bring the students together.

When concert season arrived there was no longer one large band. All students signed for band played in the Symphonic Band. Then, on the basis of tryouts to determine playing ability, some students were asked to also play in the Symphonic Wind Ensemble. This was an entirely new concept in performing groups at A&I. The Symphonic Wind Ensemble was a small group, challenged with one of the hardest repertoires available.

Membership in the A&I Band is open to any student at A&I. Students enrolled are entitled to make all trips with the band and participate in all events sponsored by the organization.

Heading the A&I Band and its activities this year were: David Smith, manager; Joe Lee Edmonson, reporter; Terry Brown, president; Karen Corcoran, secretary-treasurer; Larry Ottmers, vice president; and Lane Scott, drum major (not pictured).

Dr. Joseph L. Bellamah has led the A&I Band for six consecutive years, and under his guidance the band has grown in size and quality. Through him many deserving and talented students have been able to obtain scholarships and assistance which have allowed them to pursue their training in the field of music.

Texas A&I 12

McNeese State 6

Terry Oglesby's first game as a quarterback was a creditable performance as he scored one TD and was the game's top rusher with 42 yards on 15 carries. He added another 85 yards on five passes which included a 49 yard touchdown strike to James Hill for the Hog's first score.

McNeese had a formidable defense which didn't allow A & I a single first down in the second half while limiting the Hogs to a total 33 yards offense.

Dwayne Nix is caught from behind after receiving Oglesby's pass.

Coach John Murray reviews plays before Los Angeles game.

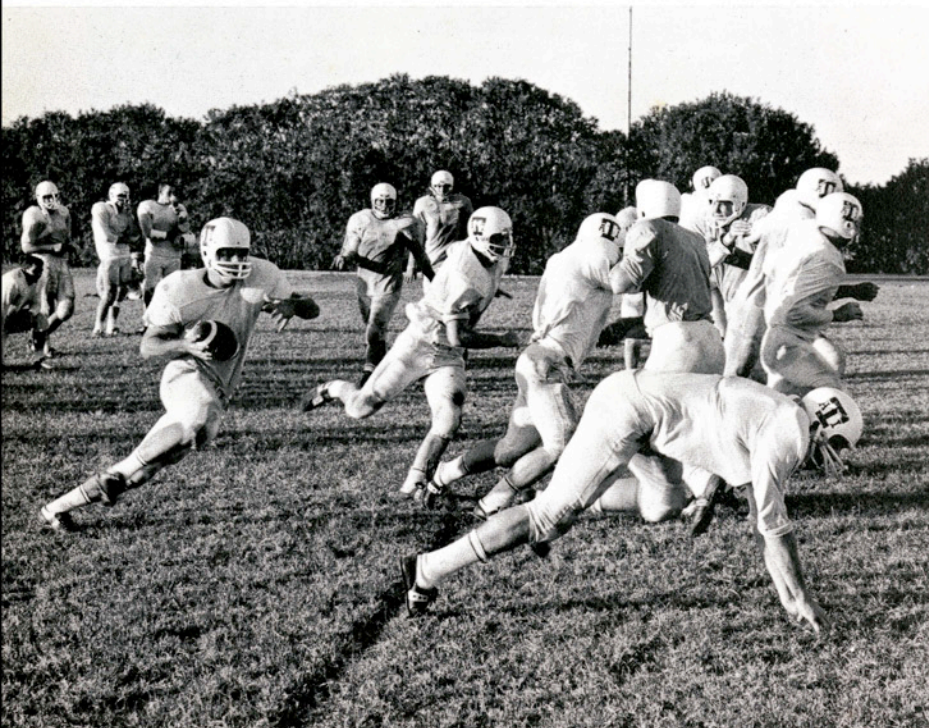

Los Angeles State 10

Texas A&I 9

The one point loss by the Hoggies came after the L.A. State Diablos held them for only 134 yards of net offense and 22 yards rushing.

In the second half after a field goal James Hill caught a 55 yard touchdown pass from Terry Oglesby, and with seconds to go in the game they missed the two point conversion to lose the game.

During a practice drill the first team scrimmages against the second team when preparing to take on Trinity.

Texas A&I 7  
Trinity 6

A tough Trinity defense as anticipated limited A & I to one touchdown with a 9 yard pass from Terry Oglesby to Dwayne Nix.

Trinity was first to score with two field goals in the second quarter, one from 41 yards and the other from 30, both were made by Marvin Upshaw, brother of A & I's Gene Upshaw.

Stephen F. Austin 22 --- Texas A&I 21

An exciting game ended with the second one point defeat for the Hoggies when a bad snap and a fumble both in the fourth quarter by A & I were turned into Stephen F. Austin's scores. The bad snap on the A & I 30 yard line was turned into a Stephen F. Austin's field goal, and a fumble was picked up by a Lumberjack and carried to a touchdown.

Terry Oglesby finds himself face to face with a Stephen F. Austin Lumberjack.

Phelan Allee tries to evade tackle in roll out.

Hoggies work on pass defense just before a game.

The highlight of the game was Terry Oglesby's record breaking performance of the most yards passing in a single game—254 yards. Randy Johnson previously held the record with 250 yards.

Herb Pennick and Phelan Allee each scored a touchdown rushing, and Dwayne Nix and Pat McGill each scored a touchdown from Oglesby's passing.

Head Coach Gil Steinke shows how to be alert on defense.

Phelan Allee scores a touchdown against McMurry.

Texas A&I 28  
McMurry 0

A crushing A & I defense checked McMurry to a net total offense of 23 yards which included a minus five yards rushing.

Tony Langfield was named "Lone Star Conference Lineman of the Week" as a result of his defensive work.

Phelan Allee Receiving

Texas A&I stomped Sul Ross, ranked number three in the NAIA standings, ending the longest winning streak in Texas college football as Sul Ross was going for its 22nd regular season win.

John Kardow was cited "Lone Star Conference Lineman of the Week" for his magnificent performance in the game. Kardow kicked three field goals and two extra points, and he also made two key interceptions.

End coach Kenneth Kelley calls signals at A&I practice.

Texas A&I 13  
Howard Payne 8

Terry Oglesby completed 16 of 24 passes for 292 yards and two touchdowns to erase his previous passing mark of 254 yards.

Wing back Pat McGill also broke a record as he caught four of Terry's passes for 123 yards and one touchdown.

The A&I defense held back the Howard Payne Yellow Jackets twice in the 4th period on the 18 and 35 yard lines of A&I to preserve the win.

Gene Upshaw stands tall on the A&I defense ready for the next play.

Sam Houston State 10  
Texas A&I 0

The only bright spot of the game was when A & I's Dwayne Nix caught five passes to surpass Sid Blank's record mark of 30 catches and 388 yards in a single season. Nix's record: 34 passes and 510 yards.

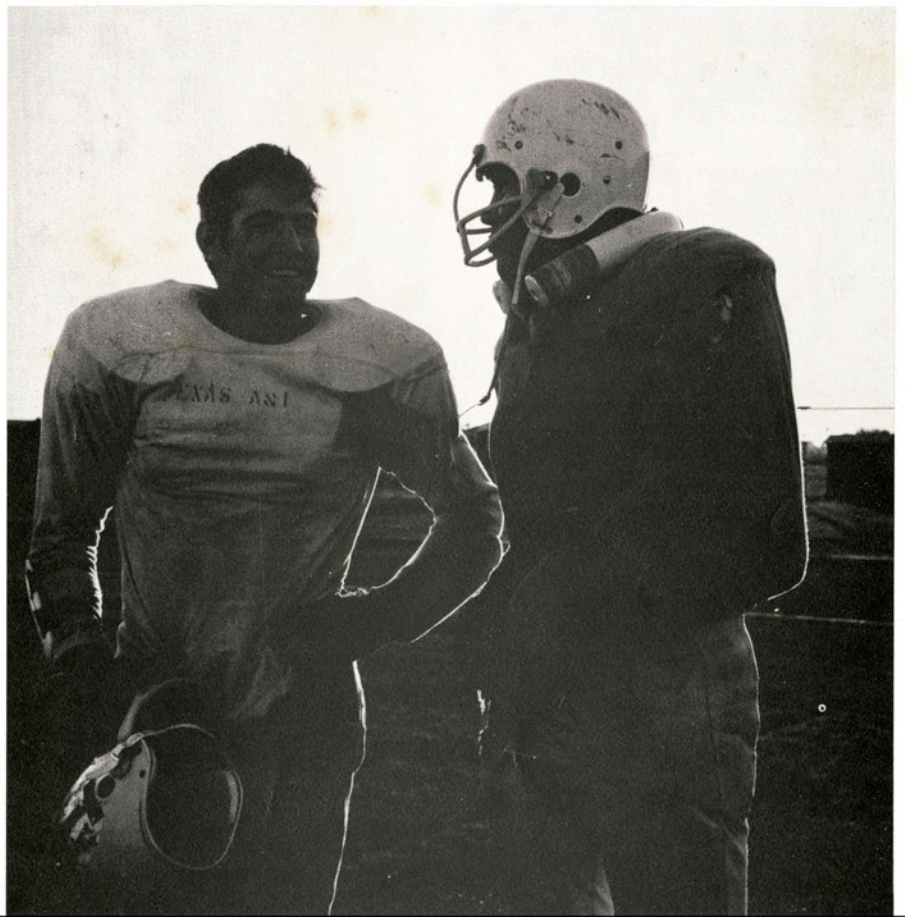

Two fumbles in the second half led to the defeat, one being on the Sam Houston's 3 yard line that led three plays later to Sam Houston's only touchdown. The other fumble was on the A & I's 28 which led to three more points for Sam Houston on a field goal.

A Texas sunset on the back of two A&I players bids them good-bye as they finish their last practice of the year.

Southwest Texas State 9  
Texas A&I 3

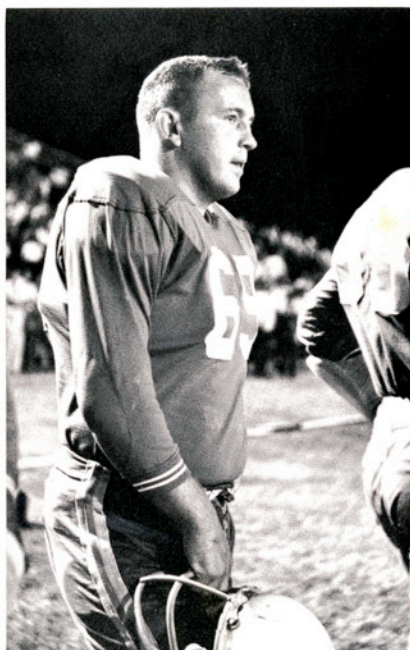

After three scoreless quarter's S.W. Texas kicked a field goal and A & I with 54 seconds remaining in the game also kicked a field goal to tie the game. But with only 12 seconds in the game SWT quarterback Jesse Perkins lofted a 40 yard scoring toss for the win.

And in Coach Gil Steinke's words: "This last game was just the story of the season, we couldn't win the close ones."
