The measure of a university is its students

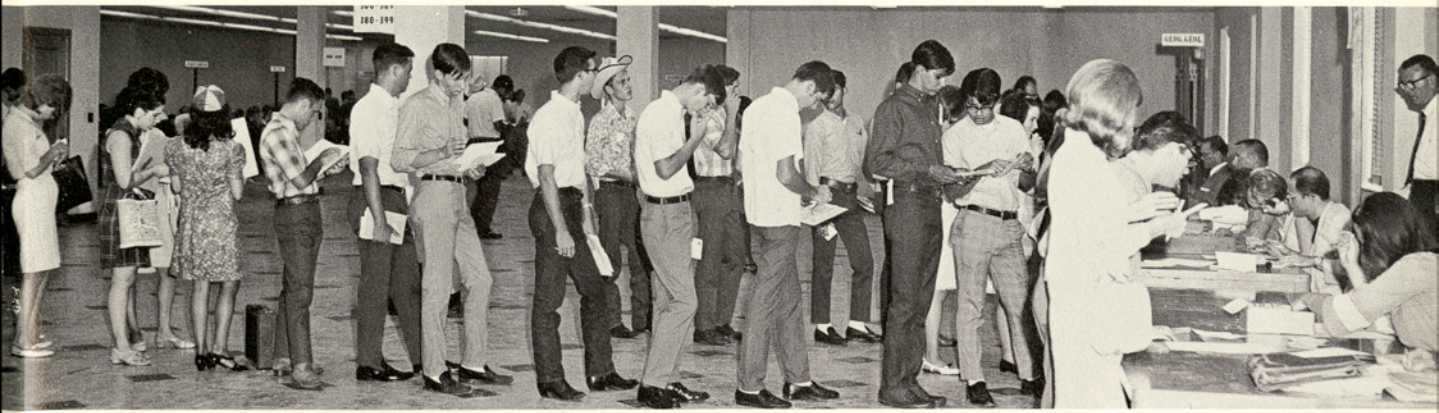

In their academic work they  
are the very pulse  
of the fundamental meaning  
of a university.

In sports the student brings the enthusiasm, vitality and spirit that makes the pulse beat faster.

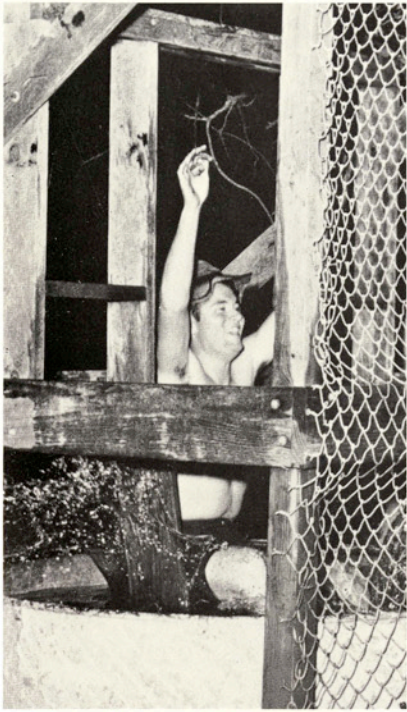

In activities they  
make the purpose  
and meaning of a  
university grow  
beyond the  
boundaries  
of book knowledge.

In pursuing their own 'thing'  
they add flavor and  
dimension to the university.

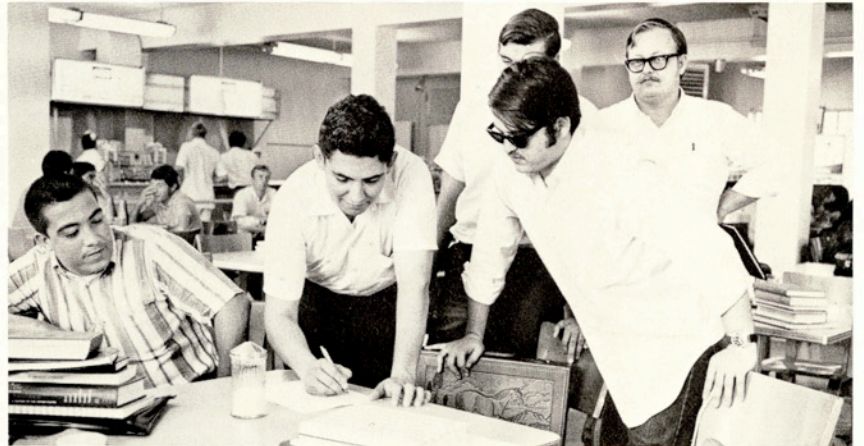

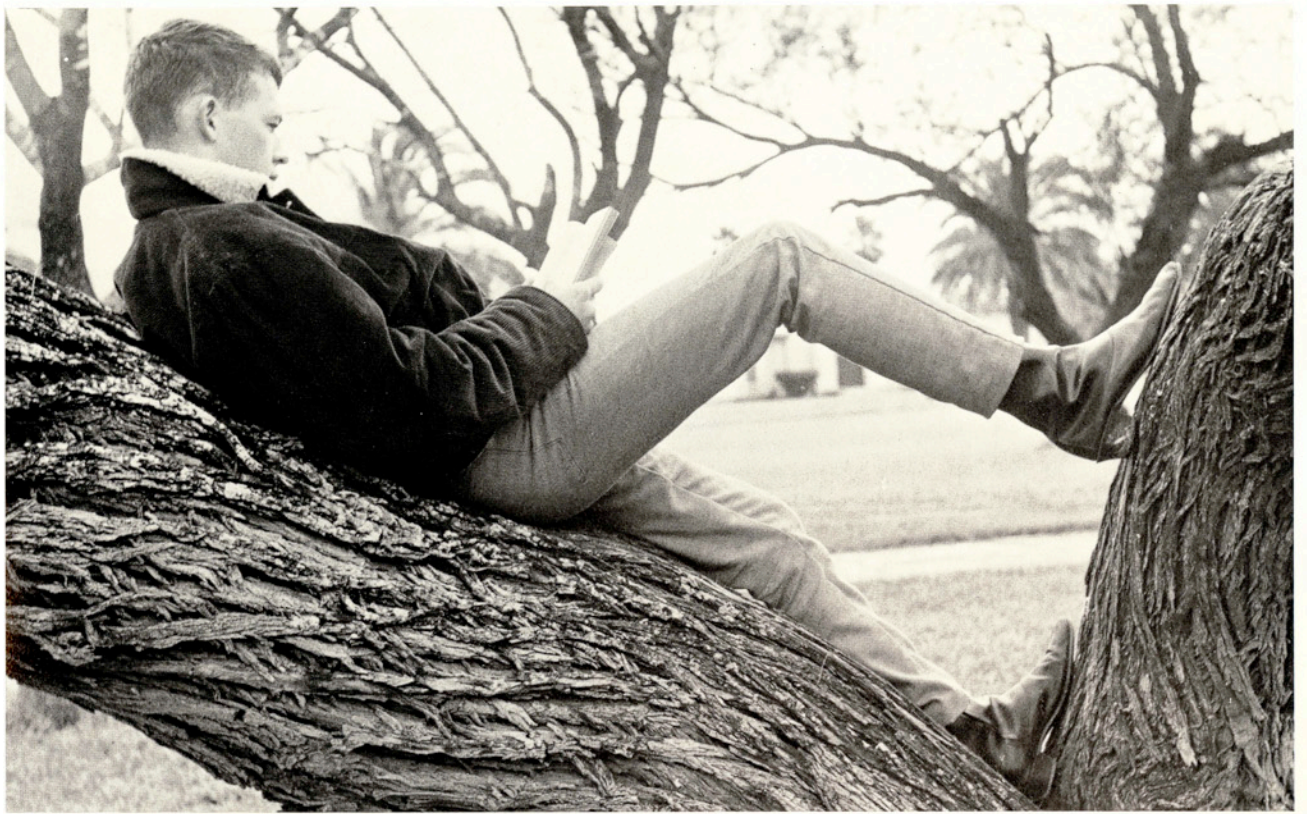

In their everyday lives, they bring  
the breath of life itself . . .  
their own individual personalities.

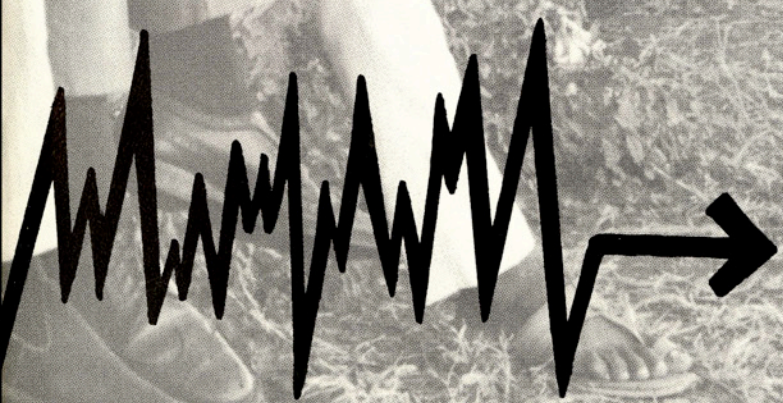

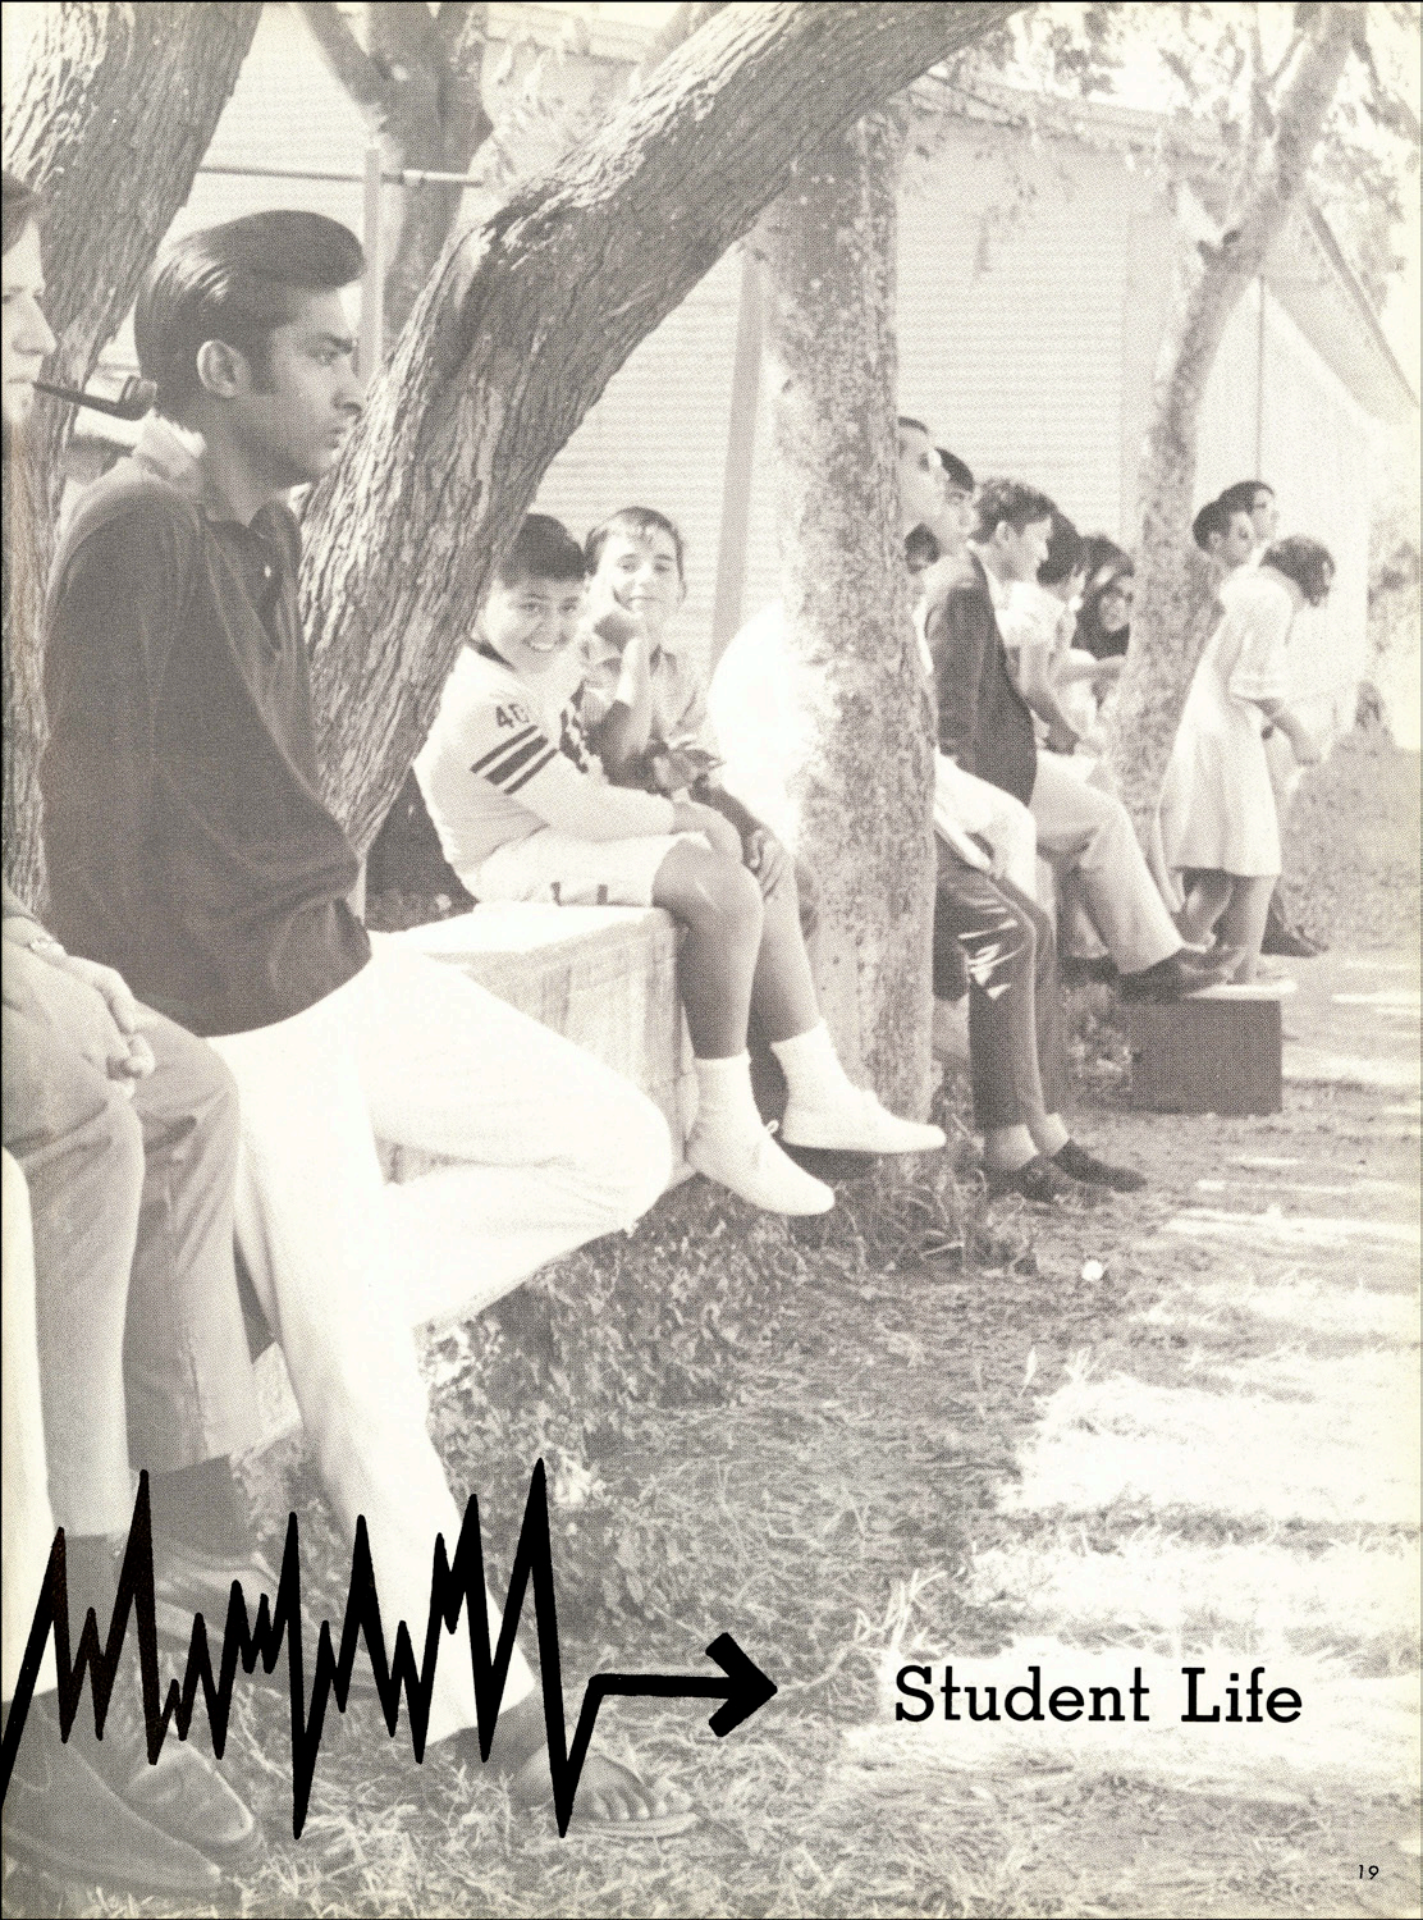

The measure of a university is its students for it is only out of the presence and mingling of many different minds, personalities, and backgrounds that a university can evolve.

It is the students who make the university what it is. It is their desire for knowledge that establishes its educational standards; their enthusiasm which gives it spirit; their interests which broadens its scope beyond the classroom; their activities which give it life, and their conflicting ideas and causes that prevent stagnation. Without them the university is robbed of the very essence of its existence. It is merely a collection of empty buildings and dreams never to be fulfilled.

Since a university exists because of and for its students, it is only through them that it can assume life — life created of many different individuals, each with his own personality, ideas and ideals, aspirations, and talents — yet all coming together to share their lives in attaining the ultimate goals of higher learning and human understanding.

The A&I Farm Cottage, built in 1934, will give way to the new as a dorm is erected on the ground where it now stands. The cottage, south of Martin Hall, has housed four faculty families in its 35-year history. Now empty, the cottage awaits its eventual destruction or removal.

One of the most attractive aspects of the farm cottage is the old Mexican tile on the front porch which welcomes visitors.

The Texas A&I University Alumni Association got its first executive director this year, Joe Bishop. Bishop awarded Johnny McNabb the President's Cup as winner of the alumni's Homecoming Golf Tournament.

This year a bilingual program was established which offers undergraduate studies in agriculture, business administration, and engineering. The graduate receives a bachelor's degree and a bilingual certificate which guarantees he can function in both English and Spanish. Dr. Mario Benitez, program director, discusses it with student Adolfo Vasquez and Dr. Robert D. Rhode, who conceived the program.

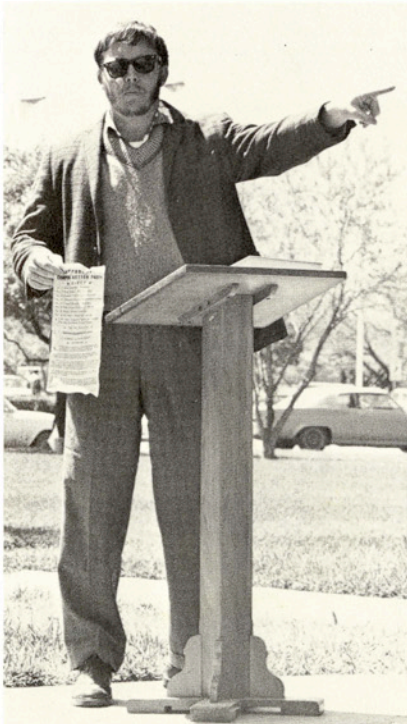

# A Year of Campus Change — 1968-69

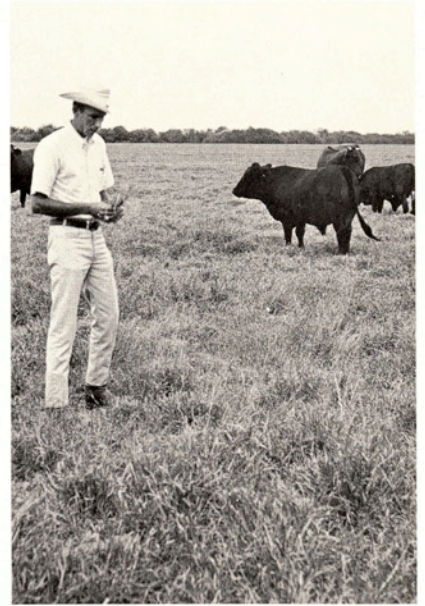

With a 20 per cent enrollment increase, eight new buildings are in various stages of planning for A&I. An Industrial Arts building, costing approximately \$346,193, was started this year. At the groundbreaking ceremonies were Dean Robert Rhode; A. F. Gross, IA department chairman; Dr. John W. Glock, Dean of Teacher Education; and President James C. Jernigan.

A student voices his opinion on the spring elections at the Speaker's Corner.

New to A&I this year was the Speaker's Corner, co-sponsored by Press Club and the Forensics Club. Students could voice their opinions on subjects ranging from campus problems to the Vietnam issue. The sessions, started in March, were held every Wednesday from noon to 1 p.m.

## Each and Every One An Integral Part

In any expanding college or university there are those students and those aspects of college life which are seen every day, and others not seen by the average student. They live in the memory only for a fleeting moment and then are gone.

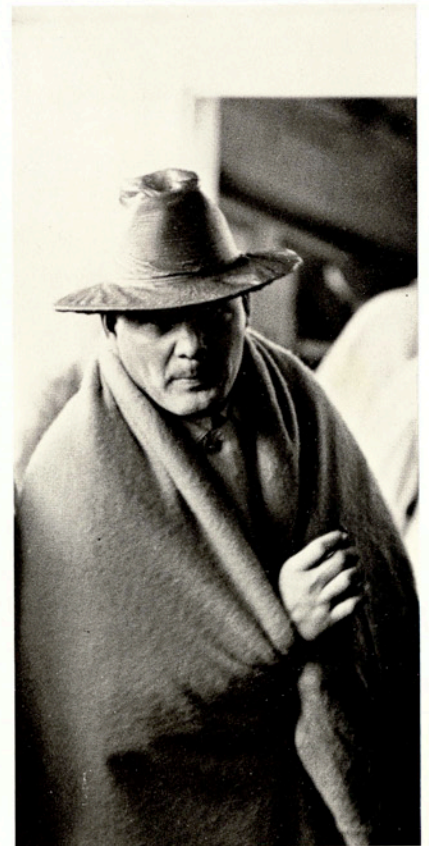

These students represent the quieter, more solitary aspects of the university. The office worker, the cowboy, the student in the library, a musician, and a worker behind the scenes of a production — all are an integral part of the life of the university.

## Graduate Biology Students Study Ways of Marine Life

As one of Mark Twain's characters might say, "Let's play hooky and go fishing!" However, for two A&I biology students, fishing is a necessary part of their graduate research.

Last summer, Texas A&I graduates Roger Zimmerman and James Seagle began making monthly trips to Ransom Island, located in Redfish Bay.

Gathering finned and shelled marine life, the biologists study the effect of shallow-water turtle grass on the living habits of sea creatures.

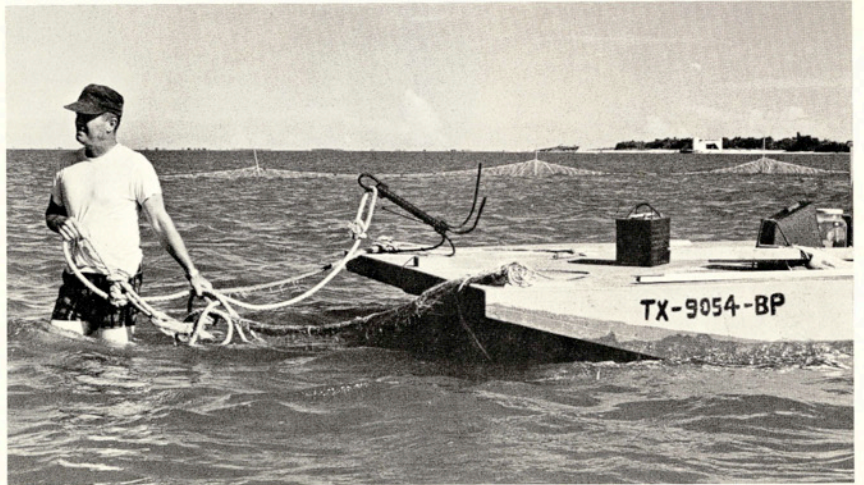

The marine animals are trapped with a large trammel net which is set diagonally out into the bay.

During each trip, the students make frequent checks of different net quadrants to capture trapped specimens. These animals are then put into plastic barrels and later are preserved in formaldehyde.

After such fishing trips, the specimens' stomachs are studied in the university biology lab. The contents of their stomachs tell the feeding habits of the fish and invertebrates.

Examining the stomachs of their catch are Roger Zimmerman, James Seagle, and biology professor Dr. Allan H. Chaney.

# Off-Campus

Most students, even those with congenial roommates, find a private telephone is almost a necessity.

When roommates are gone, an apartment is a lonely place.

With eight girls sharing the same house, there is a line for everything.

# Living Is Fun, Cooking, Dishwashing, Work

Clothes washing isn't so dreaded a job when you have company.

Grocery shopping is an adventure when no one is quite sure of what they are doing.

Between talking, combing hair, cooking, studying, dating, going to classes — still there is time for TV.

# Dorm Living Experiences Offer Variety

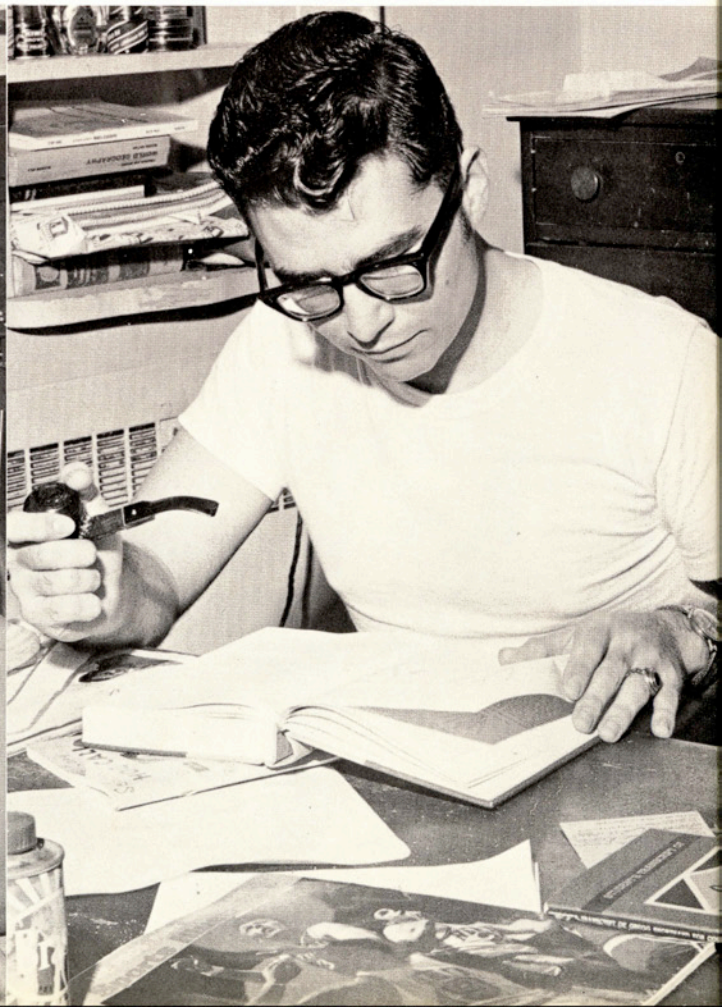

Once in a while a man runs low on money. Then the telephone calls go to Dad rather than a cute brunette from Hist. 201.

With all the worries of studying and money, a student has to take a break once in a while.

Studying can be a pleasure or a pain, depending on your choice of great American literature.

## A & I Javelinas Retain Lone Star Conference Crown; Advance to NAIA's Semifinal, Final Play-off Games

The 1968 football season has gone into the record books as one of the Javelinas' banner years.

It all began on a hot, balmy August afternoon when the Texas A&I Javelinas reported for pre-season drills in Javelina Stadium.

It ended some 18 weeks later on a cold, windy December afternoon in Montgomery, Ala., with the Red Wave of Troy State in the NAIA's Champion Bowl finals.

Between these two afternoons, the Javelinas compiled an impressive 10-won, 2-loss season record with surprises, thrills, and some of the greatest games in A&I history.

Posting a 9-1 regular season mark and a second straight consecutive Lone Star Conference championship, the Javelinas posted their fifth title in 10 seasons.

The team got off to a bruising start against Trinity University. For four periods, the Javelinas and the Tigers matched defenses. The final score in the defensive battle gave A&I a 6-0 win.

A&I went on to win the first two conference games, but the winning streak was suddenly pulled from the Javelinas' hands as East Texas State's powerful Lions handed the Hogs a 35-27 loss—the first in 13 games.

However, this didn't stop the tough Javelinas from getting back into the conference race; they defeated Sam Houston State, 54-21, three weeks later. Sam Houston, ironically, had defeated East Texas State before the A&I-Sam Houston game. A&I again took the conference lead.

The final game with arch-rival Southwest Texas State saw the Javelinas hand the Bobcats a 39-0 shutout. Approximately 6,000 Javelina fans traveled to San Marcos to witness the Hogs close the regular season.

By this time the Javelinas were billed as the No. 1 team in the final NAIA poll, and achieved a rating among the top six in each of the small college listings. The team was No. 3 in the Harman and Dunkel polls, No. 5 in the United Press International tabula-

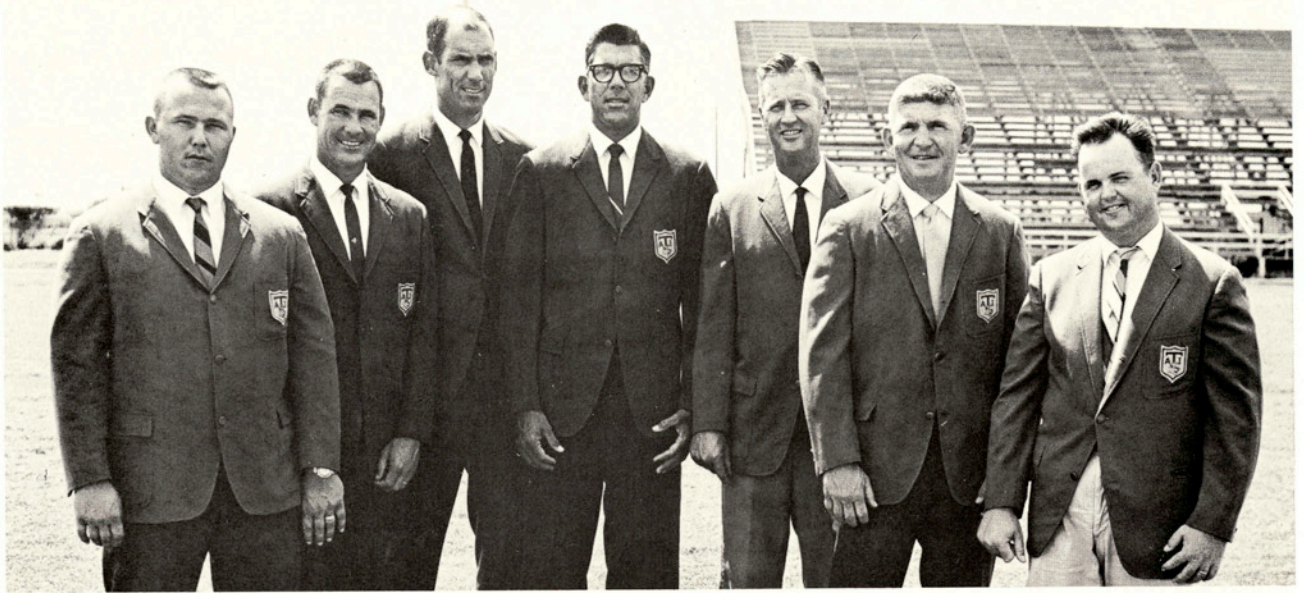

tion, and No. 6 in the Associated Press rating.

Following their LSC championship game, the Javelinas were pitted against Northern State, S.D., in the playoff game. Nine thousand Javelina fans braved 40 degree weather, a blistering north wind, and a steady, driving rain to see A&I pave its way to the finals with a 20-0 win over Northern State.

Finally, the Javelinas met bitter defeat at the hands of Troy State in the Champion Bowl. The Hogs started with a rough opener and ended with a rough closing game.

However, the Javelinas had won their second consecutive LSC crown—something not too many teams do very often.

The end of the season left the Hogs with a number of slots open for next year. Greats such as three-time Little-All-America Dwayne Nix, All-American Ray Hickl, Butch Riley, Carlos Saldana, Quintin Holtz, Larry Pullin, John Kardow, and Bill Pettijohn have vacated their blue uniforms.

Frank Kelly, student assistant; Fred Jonas, defensive coach; Pete Murray, line coach; Ken Kelley, head track coach and end coach; Gil Steinke, athletic director and head football coach; Don McDonald, head basketball coach and assistant defensive coach; Ron Hunt, trainer.

## A & I Coaching Has Many Aspects; Produces Championship Javelinas

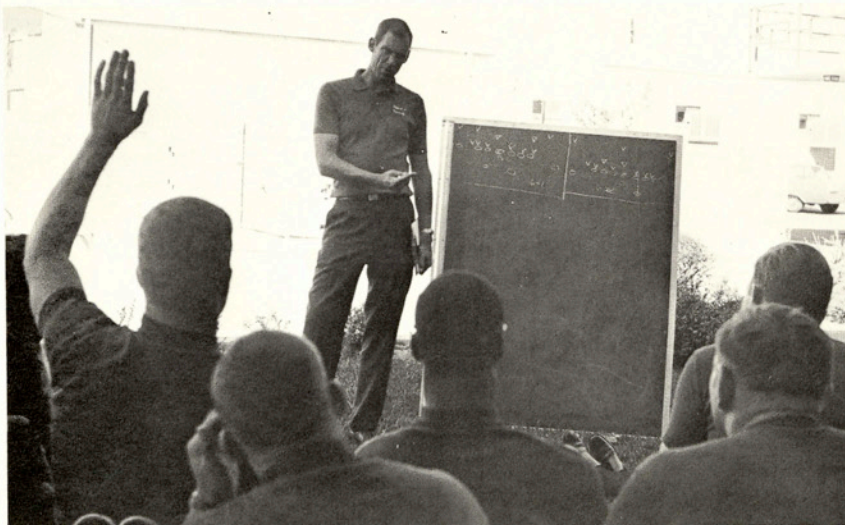

The diagramming of a play on the blackboard, a last minute decision in a crucial game, a pep talk at a rally—these are just a few aspects of coaching.

Between a training session and a championship game, before a star can be born, there is a coach to lead the way or give advice.

At A&I the Javelina coaching staff

has led its team to two consecutive LSC crowns, having tied or won five in the last ten years. Another proud distinction is that within those ten years, 20 of their players have been named to All-America squads.

As for producing players for the pro ranks, currently there are six ex-A&I stars in the professional football leagues.

# Javelinas Win Rough Defensive Battle, 6 - 0, In Season Opener Against Trinity Tigers

Fourth Period TD

Gives A & I Victory

A stubborn Trinity University Tiger team tested the '67 LSC champion Javelinas as a tough defensive battle opened the 1968 football campaign.

A&I came into the game with a 9-0 record adding their 10th consecutive victory with a 6-0 win over the Tigers.

It wasn't until the fourth period that the Javelinas could get on the scoreboard in the bruising defensive battle.

After eight plays and an 80-yard drive, quarterback Karl Douglas and Dwight Harrison teamed up on a 35-yard touchdown pass with 11:42 left in the game.

A tough Javelina defense led by guard Carlos Saldana gave up only four first downs and held the Tigers to 28 yards rushing.

Quarterback Karl Douglas unleashes a 35-yard touchdown pass to wingback Dwight Harrison.

# Hogs Stomp Highly Ranked Long Beach State, 35 - 7; Victory Runs Winning Streak to 11 Straight Games

Texas A&I surprised a highly ranked Long Beach State in their second game of the season on the Californians' home turf, 35-7.

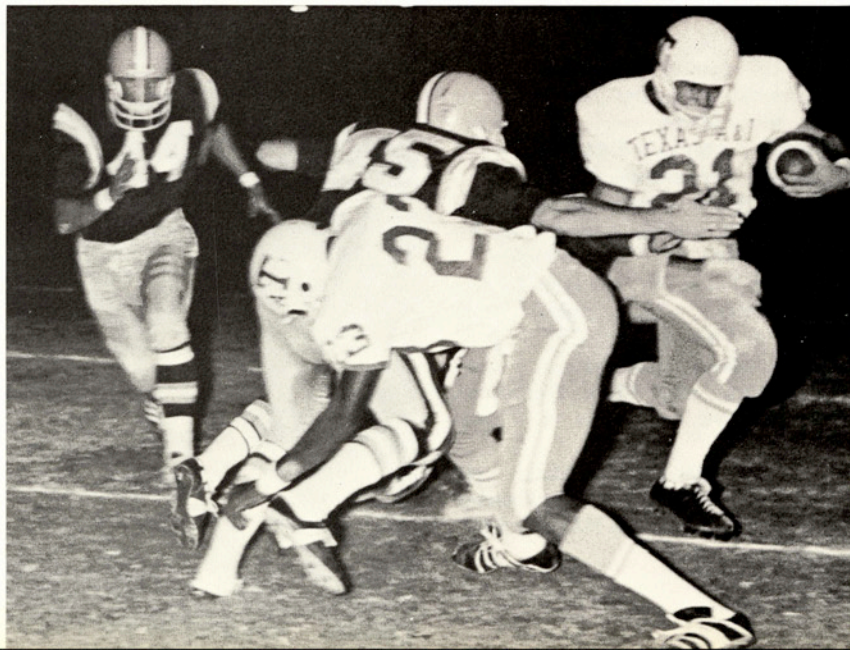

The Javelina offense took charge early in the game and created enough fireworks to celebrate the 4th of July in September.

A&I scored twice in the first quarter when Phelan Allee carried over from the two-yard line and Jim Respondek took a 57-yard pass from Karl Douglas.

In the second period, Dwayne Nix made it 21-0 after taking a 49-yard pass from Douglas. A one-yard plunge by quarterback Pat Walker and a 71-yard pass from Douglas to wingback Dwight Harrison added the final points.

Texas A&I ran its winning streak to 11 straight victories with the win over Long Beach.

Halfback Guile Vela sets up the first score as he breaks loose for 43 yards. Dwight Harrison throws key block.

# Javelina Offense Routes Angelo State, 44-0

Javelina Head Coach Gil Steinke wears 'Century Club' blanket which he received after getting 100th victory during his coaching career.

## Head Coach Steinke Joins 'Century Club'

A&I's talented offensive unit unleashed another lethal barrage of touchdowns as they routed Angelo State 44-0, for their 12th straight victory and the 100th win in Coach Gil Steinke's career.

The swift A&I backfield scored almost at will and gained yardage totaling 438 yards. An additional 270 yards on 15 completed passes gave the Hogs 708 yards total offense, a school record.

The game was highlighted with the reappearance of quarterback Gene Walkoviak, who dropped out of football early in the season because of migraine headaches.

Walkoviak led the Hogs in rushing with 109 yards in 11 carries.

# Stephen F. Austin Bows to Hoggies As A & I Defends Conference Crown

Little All-American Dwayne Nix catches one of two touchdown passes which made him the game's leading receiver.

## Javelinas Win, 34-0 Over Lumberjacks

The Javelinas opened defense of their Lone Star Conference crown with a surprising 34-0 win over Stephen F. Austin in Javelina Stadium.

Quarterback Karl Douglas passed for three touchdowns while linebacker Butch Riley intercepted three passes to set up two more scores.

Dwight Harrison got the Hogs on the scoreboard in the first period when he took a 34-yard pass from Douglas.

Dwayne Nix scored twice in the second quarter, taking passes from Douglas of 5 and 37 yards. In the third period Walkoviak scored on a one-yard plunge and Mike Williamson scored the last touchdown on a two-yard dive.

The win extended the Hogs' two-year win streak to 13 as they protected their No. 2 rating in the NAIA and No. 3 rating in the UPI.

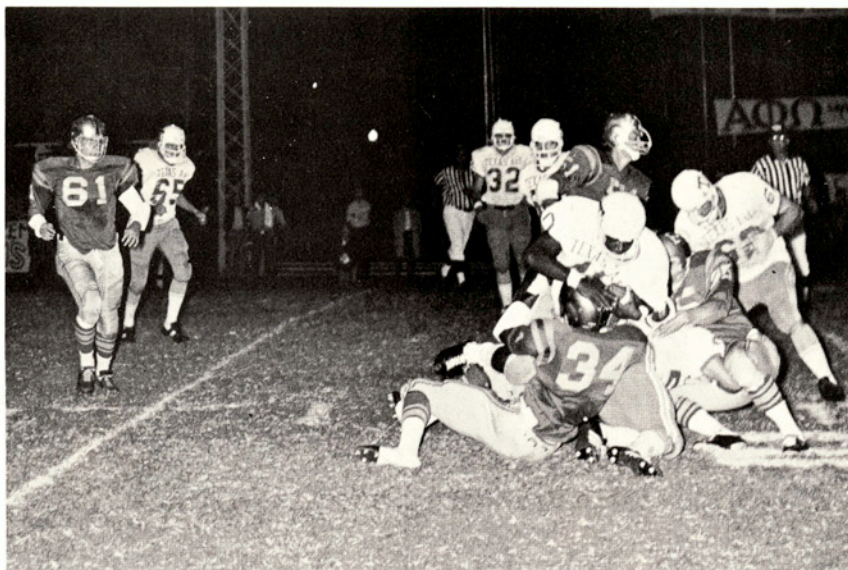

## ETS Upsets Hoggies

### With 35-27 Victory

East Texas State put together the right combination to hand the Hogs their only loss of the season, 35-27, in a wild offensive battle.

A&I was ranked No. 1 by the NAIA before the game and had put together a perfect string of 13 victories, including a perfect 9-0 season in 1967, when the Lions upset the Hogs.

"When you win for a long time," commented Head Coach Gil Steinke after the game, "there comes a day when the pressure of winning gets to you and you don't play good enough even though you know what you're up against."

The Javelinas faced a tough defensive ETS team.

Ray Hickl (69), and Carlos Saldana (63) move in to assist in tackling an Indian.

Henry Glenn sweeps around right end to gain yardage against McMurry Indians.

## Javelinas Defeat Stubborn Indians

The Javelinas got back on the winning side by sneaking by the tough McMurry Indians 14-9 before a Homecoming crowd of 13,000.

The Hogs had to come from behind to win the game as a safety put the Indians ahead 2-0.

A&I finally got on the board with 40 seconds left in the third frame when Karl Douglas went over from the one-yard line. Two minutes later, Larry Pullin returned a punt 90 yards and A&I held a 14-2 lead.

McMurry's final score came with a minute left in the contest.

# Javelinas Remain in League Race By Crushing Sul Ross Lobos, 43 - 0

Butch Riley (61), Jerry Hajovsky (76), and Charles Matula (83) block running space against Sul Ross Lobos.

Javs 6-1 in Season;  
3-1 in Conference

Texas A&I kept its Lone Star Conference title hopes alive with a smashing 43-0 win over Sul Ross.

The Hogs scored five of the first seven times they possessed the ball in the first half. Henry Glenn scored in the first quarter on a 15-yard run.

In the second period John Kardow kicked a 41-yard field goal, Gene Walkoviak scored on a one-yard run and Kardow converted; Dwight Harrison took a 36-yard pass from Karl Douglas, and Mike Williamson went over from the five.

A 65-yard run by Walkoviak and a 15-yard pass play from Douglas to Guile Vela provided the other scores.

# Javelinas No. 1 in Lone Star Conference; Step Over Howard Payne 'Jackets', 20 - 14

The Javelinas suffered a loss in safety Larry Pullin when he was injured during the Sul Ross game.

## Victory Boosts Hogs To Conference Lead

A&I moved back into first place in the LSC with a 20-14 win over Howard Payne.

The "Border Bandits" set up both A&I touchdowns with their play and helped the Hogs gain field position for one of two field goals.

The actual margin of victory was two field goals by linebacker John Kardow, who first got A&I on the scoreboard with a 27-yard boot then added one from 33 yards out in the second quarter.

Dwight Harrison scored both A&I touchdowns. The first came on a controversial 27-yard pass from quarterback Karl Douglas, and the second on a 44-yard punt return.

# Sam Houston Falls to Javelinas, 54 - 21

Freshman Henry Glenn proved to be too much against Sam Houston as he rushed for 177 yards in 19 carries.

## Texas A & I Retains 5-1 Conference Lead

The Javelinas protected their No. 1 spot in the LSC by thrashing upset-minded Sam Houston, 54-21.

Sam Houston had come into the game straight from a 24-21 upset victory over East Texas which sent Texas A&I back into the league lead.

The Hogs scored five of the first seven times they had the ball in the first half while rolling up a 34-0 half-time lead.

Freshman Henry Glenn was the game's leading rusher with 177 yards in 19 carries. He scored touchdowns on an 80-yard gallop and a three-yard blast.

# Javelinas Stomp Arch-Rival Southwest Texas, 39-0, To Gain LSC Crown, NAIA Semifinal Play-off Berth

Texas A&I lived up to its NAIA No. 1 billing by stomping arch-rival Southwest Texas, 39-0, clinching its second consecutive LSC Crown and an NAIA playoff berth.

Six thousand loyal A&I fans followed the Javelinas to San Marcos and saw an explosive A&I offense run the Bobcats ragged.

The victory marked the fifth LSC

crown A&I has won or tied for in the last ten years, and the first time the Hogs have been invited to the NAIA play-offs since winning the National Championship in 1959.

A&I got on the scoreboard in the first period when Phelan Allee smashed over from the one-yard line, capping a 98-yard drive.

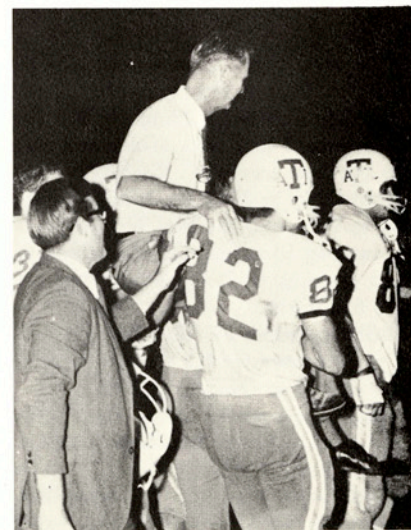

Dwight Harrison haunted the Bobcats again this year as he scored three

TDs in the game. His first came in the second period when he took a 15-yard pass from Karl Douglas.

In the third quarter the Hoggies scored 19 points to wrap-up the victory. Harrison first took a five-yard pass from Douglas and then a 54-yard toss from the Javelina quarterback.

Mike Williamson ended the night's scoring with a 66-yard ramble late in the third period.

Dwight Harrison again haunts SWT as he pulls in one of three touchdown passes.

Head Coach Gil Steinke gets a victory ride after shutting out SWT.

# Javelinas Capture NAIA's Semifinal Title By Defeating Northern State, S. D., 20 - 0

Border Bandit defense stops Northern State's back in NAIA's semifinal playoff game.

The Texas A&I Javelinas romped to a 20-0 victory over Northern State, S.D., in the NAIA's semifinal playoff game.

The Hogs, ranked No. 1 in the NAIA poll, thrilled a chilled crowd of 9,000 with a bruising running game and a brutal defense during the long, cold, windy and rainy afternoon.

It was the third win in as many tries for the Javelinas in NAIA playoff competition. A&I won both the semifinal and championship game in 1959.

With both offenses stifled, A&I's Border Bandit defense took the upper hand in the heated defensive battle.

The Wolves were held to 63 yards total offense and six first downs, while Gene Walkoviak and Mike Williamson developed a running game for A&I.

Henry Glenn concluded a 50-yard drive as he swept around right end for the first six points. The next two scores came with a run by Phelan Allee and an 11-yard touchdown pass to James Respondek.

## Freak Safety, Troy's Aerial Fantasy, and Receivers Outdistance Hogs, 43 - 35, in NAIA's Champion Bowl

A freak safety on the opening kick-off of the second half and the aerial fantasy of Sim Byrd and his receivers put Texas A&I into a "hole" from which it never recovered as Troy State outscored the Javelinas, 43-35, in the NAIA's Champion Bowl in Montgomery, Ala.

The point play occurred when A&I receivers Dwight Harrison and Gene Walkoviak collided fielding the ball on the one-yard line and Walkoviak fell into the end zone with the ball.

That broke a 21-21 tie, forced a free kick to Troy, and the Red Wave quickly marched 50 yards in nine plays with Byrd passing to Doug Taylor for the final five yards.

A&I's quarterback Karl Douglas hit 14 of 30 passes for 213 yards, and two touchdowns to Dwight Harrison.

A&I's other scores came with a 24-yard pass to James Respondek, and a one yard run by Phelan Allee. Douglas scored twice from the one-yard line with John Kardow kicking the extra five points.

Gene Walkoviak, Javelina quarterback, looks for a receiver as Bill Pettijohn (64) blocks him.

# Dwayne Nix Named Little All-American Third Time; One of Three in Football History to Receive Honor

Dwayne Nix is now a living legend of Texas A&I football. The senior split end from Kingsville was named to the Associated Press Little All-America team for the third consecutive year.

Nix and Carl Garrett of New Mexico Highlands, also named for the third year, now share the honor with former Dallas Cowboy star Eddie Lebaron, the first to accomplish the feat while playing at the University of the Pacific.

The Javelina star came to Texas A&I with two strikes against him — he was slow and small. Injuries to players in front of Nix gave him the chance to play. It was found that Nix had an uncanny ability to find open spaces and he was well on his way to rewriting A&I's pass receiving marks.

Nix finished his regular season career by extending two of his career reception records. He closed his four years of competition with 121 catches and 1,613 yards.

A&I Head Coach Gil Steinke remembers Nix as a scrawny end who came out of high school with anything but glittering credentials. "I only weighed 158 pounds during my freshman year," recalls Nix, "and as I look back on it now, it's hard to imagine how I broke into the starting lineup. I was anything but a bluechip prospect."

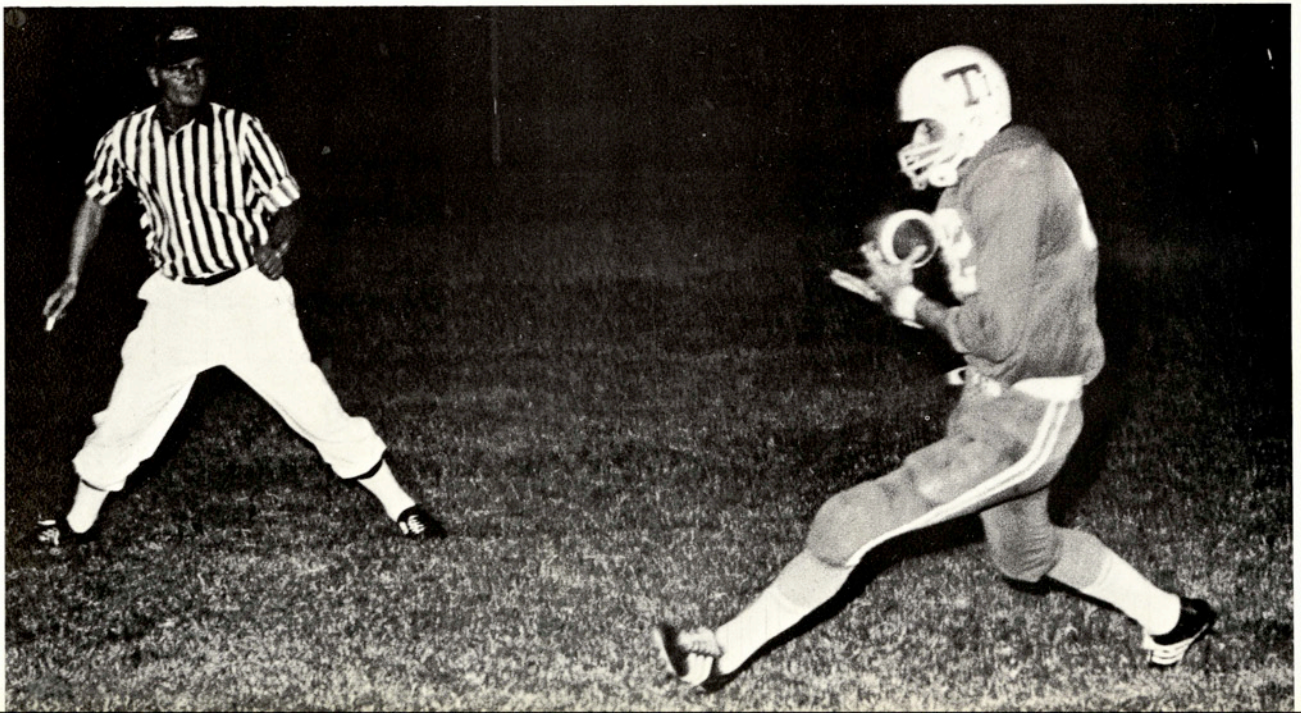

Pep was part of the game.

# Javelinas Dominate All-LSC Honor Team; Place Four on Offense, Four on Defense

The Lone Star Conference Champion Javelinas dominated the coaches' all-conference football team by placing eight players on the honor team.

The Javelinas placed four players both on the offensive and defensive first teams.

Karl Douglas and Dwight Harrison, A&I's dynamic pass combination, headed the list in the offensive team. Tackle Ron Fielding and guard Bill Pettijohn filled out line positions in the offensive honor team.

Defensively the Hogs placed tackle Ray Hickl, linebacker Butch Riley, half-back Ed Scott, and safety Larry Pullin.

Sophomore wingback Dwight Harrison was a big record breaker for the Hogs during the regular 10 game season, setting four new records.

Harrison set two single game records against Trinity in the opener, taking 10 passes for 148 yards. He

also set season records in the same category, catching 42 passes for 833 yards. Harrison was named to the United Press International's All-Texas College Team.

Quarterback Karl Douglas continued his tremendous drive into the A&I record books by finishing the regular season with a total offense of 1,546 yards. He set two new records against Long Beach as he passed for 321 yards and ended the game with a total offense of 315 yards.

Bill Pettijohn and Ron Fielding were two of the big reasons why A&I's running game had become a substantial threat along with the proven passing attack.

Pettijohn and Fielding are two of the unseen linemen in the Javelina camp who open the holes for the A&I backs to swish through and then hold back the enemy defense.

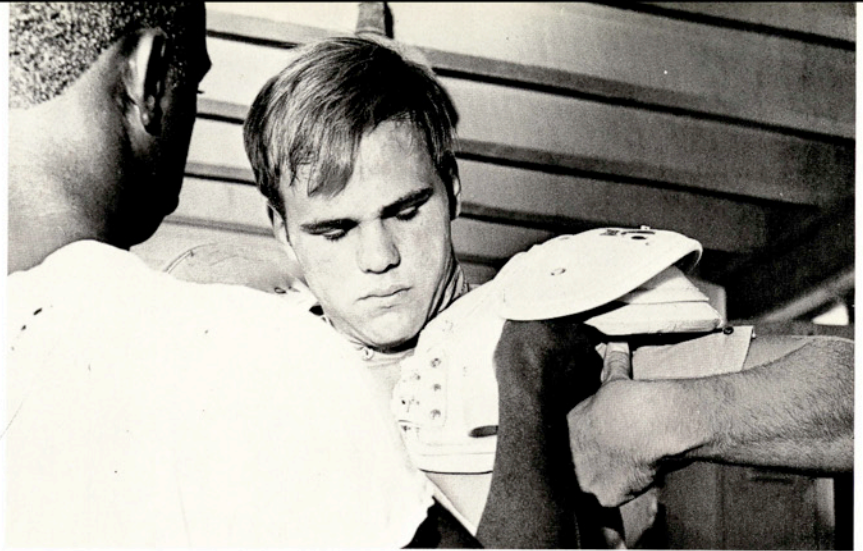

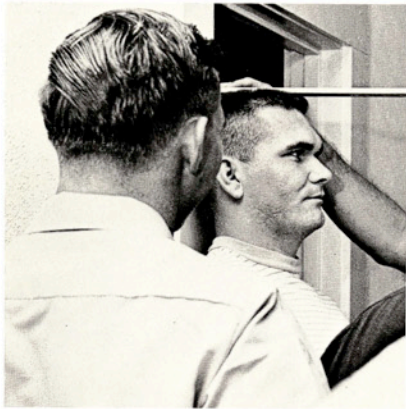

Defensively Ray Hickl and Butch Riley, two of the Hogs' top potential draft choices, led the All-LSC team. Hickl, known for his tremendous pursuit, is one of the Javelinas' top men on defense. He was named most valuable defensive player in the NAIA's semi-final game against Northern State of South Dakota. He was also named to UPI's All-Texas College Team.

Riley, one of the best linebackers to come out of A&I, is known for his vicious play which gave him 72 tackles last year. He was also named to UPI's All-Texas College team.

Ed Scott, leader of the Javelina "Border Bandits" defense, is another member of the honor team. Last season he set an individual mark with seven interceptions.

Rounding out the Javelina members in the All-LSC squad is Larry Pullin. He, also, was named to UPI's All-Texas College team.

... heights are taken.

... shoulder pads are tried.

## Fighting Javelinas Lose 10 Seniors; Have Rough Spring Training Session

With ten seniors ending their college football careers, Head Coach Gil Steinke has to prepare his team for next season. The A&I Javelinas, after winning the Lone Star Conference crown two years in a row and an NAIA playoff berth, have to get back into the shape of things — and spring training is the way.

... and helmets are fitted.

Spring training is an integral part of A&I sports that produces great teams like those of the past decade.

Once again this spring the Javelina Stadium locker rooms are filled with all the noise and life that comes from enthusiastic minds. Pre-season excitement fills the air.

The first job on hand is equipping

the new players — fitting them with helmets, shoulder pads — and weighing them, getting their height, and issuing them uniforms.

The veteran players have to make the fresh recruits feel at home, make them feel the thrill of donning a blue and gold Javelina uniform.

The ten uniforms vacated by such greats as Dwayne Nix, Ray Hickl, Carlos Saldana and the rest of last year's greats, have to be filled. And it's going to be rough.

With all the preliminaries taken care of, the men are then ready to go out into the practice field to be put to the test.

It is here, on the practice field, that endless hours are put into workouts that can run the best physically fit to the ground. It is here that they learn to get up and stand their ground — this is their ultimate test.

Spring training is no place for the unfit. Here the athlete is stressed to the point where he has to earn his uniform and wants to keep it.

New plays have to be learned and old ones have to be perfected. These players get to feel what it is to get hit hard and they learn to hit harder as the popping of shoulder pads is heard throughout the vacant stadium bleachers. This training is hard and tough, but it is what makes a team.

All this toil and sweat are part of spring training. And this training is the roots for a Javelina team which thrills thousands of their fans throughout the season. And this training makes a winning team.

... they feel what it is to get hit hard.

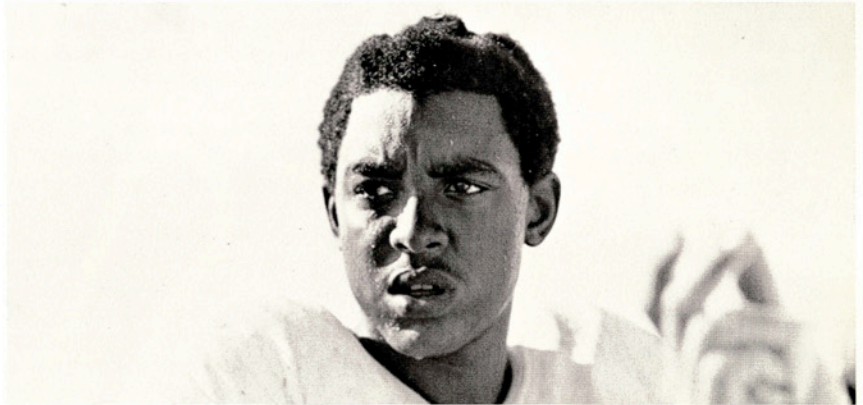

... they are worked to the ground and learn to stand their ground.

... rests are well-earned.

... a man sweats enough to wet the ground he stands on.

... new plays are learned and old ones perfected.

## Texas A & I Javelinas End 1968-69 Season As No. 2 Defensive LSC Basketball Team

The 1968-69 Texas A&I basketball team finished the season with an 11-17 over-all record and a 3-11 mark in conference standings. In the final Lone Star Conference standings, A&I tied for sixth place.

The scoringest team in A&I history, the Javelinas finished as the No. 2 defensive team in the LSC with 2,098 points. The squad hit 816 field goals in 1,860 attempts, both new marks.

Another record set was the 102-91 victory against the Bearkats, which marks the first time an A&I team has gone over the century standard in an LSC game since the Javelinas joined the league in 1954.

Ending a 28 game season, the Javelinas allowed an average of 75.5 points per game.

A&I ranked high in the final statistics released by the LSC. In the final rebounding averages, the Javelinas ranked fifth with an average of 44.2 points per game.

Greg Akromis, 6-8 sophomore center from San Antonio Lee, finished as the 10th leading rebounder with an 8.7 per game average.

Akromis came close to the single game record with 22 rebounds against Stephen F. Austin, missing it by three.

A&I has the fifth leading scorer in the conference in 6-8 senior center

Chuck Meyer with a 20.2 average. Meyer scored 546 points in 27 games, establishing the fourth best point total in the league.

Meyer's 546 points make him the second leading scorer in a single season, ranking behind Phil Shirk, who hit 561 points in 1962.

Fred Clayton, transfer from Ranger Junior College, ended his first season with the Javelinas with 380 points. This ranked him as the 14th leading scorer for a single season in Javelina history. Only six individuals have ever scored 380 points or more during a campaign.

# Meyer Ends Basketball Career; Charts Seven Individual Records

Chuck Meyer, twice named to the All-Lone Star Conference second team and to the All-LSC first team this season, has donned the Javelina uniform for the last time, but during his four-year career with the Texas A&I University basketball team, Meyer has set records that won't be scratched from the A&I cage charts for years to come.

In four years with the Blue and Gold Meyer has established seven individual records, and has come within a few points or percentages of five others.

Of these records, two were set during the 1968-69 season. Meyer established a new game mark when he attempted 19 free throws against Trinity. He hit 176 of 251 free throws for the season also establishing a new record in free throws made.

Among his single game records are most free throws made in a single game, 17 against Sam Houston in 1968

and St. Edward's in 1967, and best free throw average, 94.4 hit against Sam Houston in 1968.

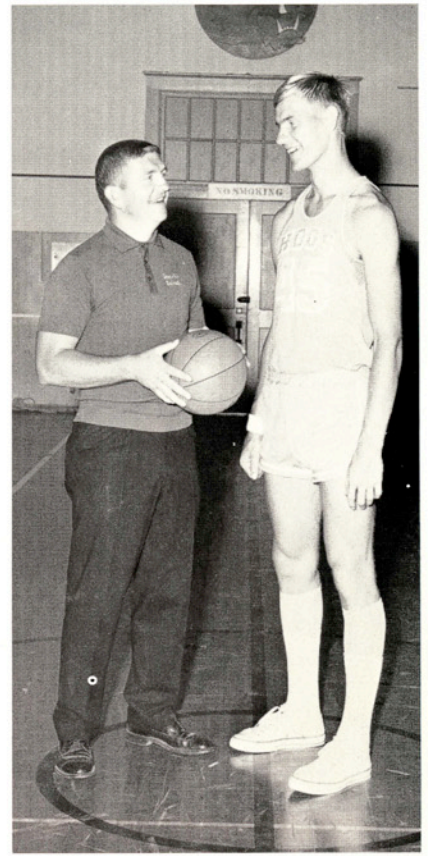

Other single season records include most free throws attempted. Meyer attempted 252 in 1967. He missed resetting it in the '68-'69 campaign by one point.

Meyer came close to becoming the top scorer in history for a single season by 15 points. He also missed the one-season rebound record by 15.

While a junior, Meyer established both the free throws attempted and free throws completed records, ending up with 567 completions in 850 attempts.

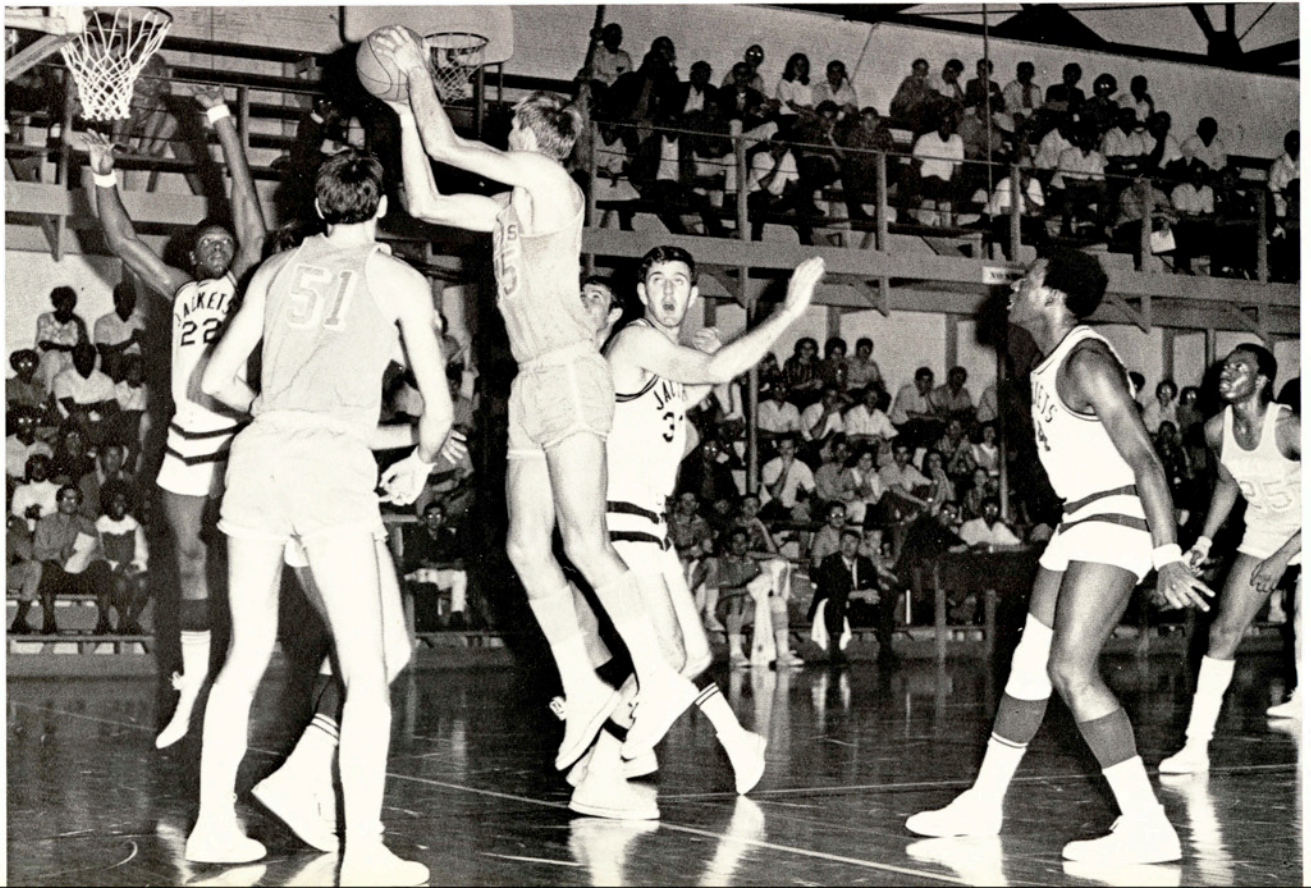

Meyer's 546 points make him the second leading scorer in a single season, ranking behind Phil Shirk, who hit 561 points in 1962.

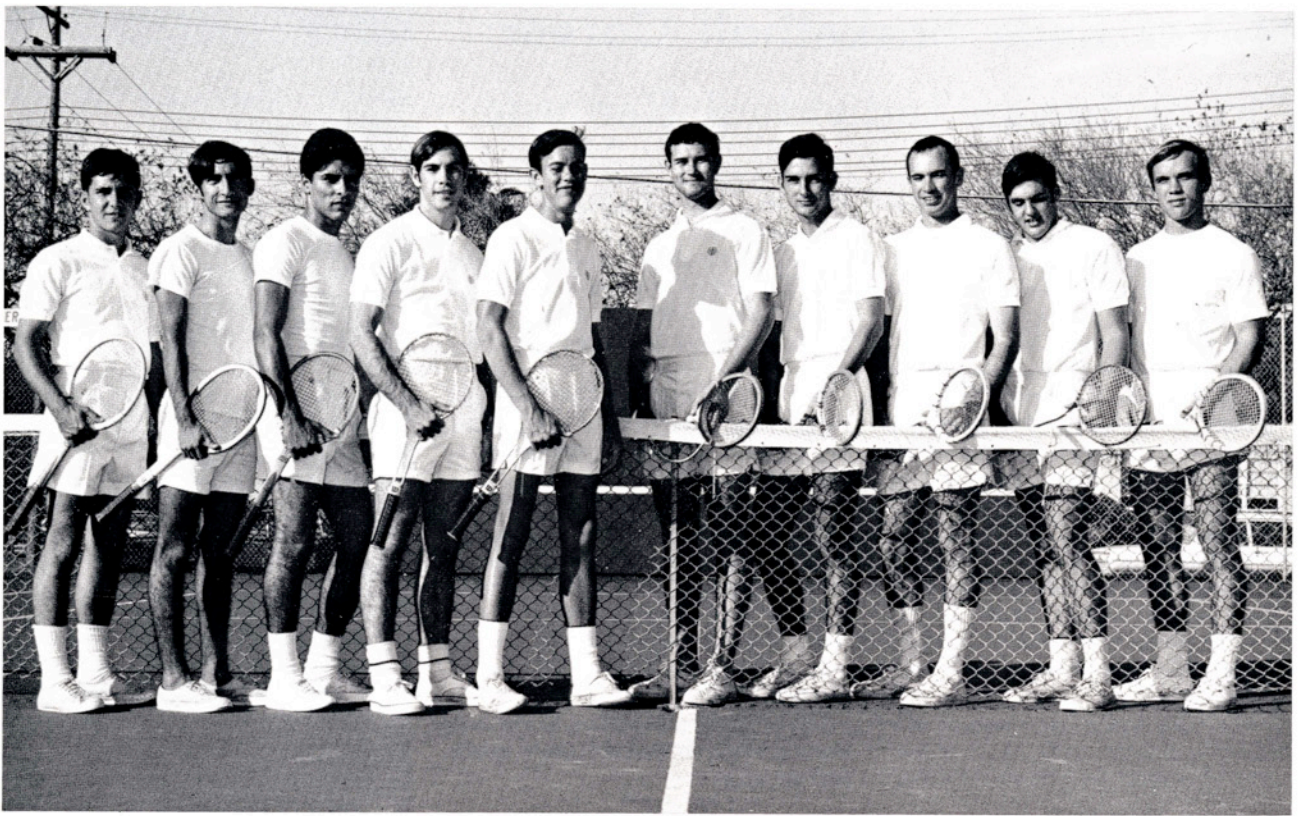

Meyer ended the season as the fifth leading scorer in the conference with a 20.2 average.

## Newcomers, Three Lettermen Compose A & I Netters; Javelinas Host 1969 Conference Tennis Tournament

A young and talented tennis squad was streaking its way to the Lone Star Conference tennis tournament with two victories, one loss, and one tie in early spring.

The Javelinas, who finished second in last year's event, will host the 1969 LSC tennis tournament on the Javelina courts, May 9-10.

A crop of promising newcomers and three lettermen compose this year's squad, and, according to Coach Ron Hunt, the Hogs will have to depend heavily on newcomers to live up to last year's form.

The three returning lettermen are John Mathews, Edinburg junior; Vernon

Williams, Kingsville sophomore; and Dwain Fuller, Flour Bluff junior.

Mathews is a two-year letterman while the other two lettered for the first time last spring.

Among the freshmen who are expected to bolster the Javelina roster are David Griesenbeck and Gary Rauschuber from San Antonio East Central. They helped guide their high school team to a Class AAA state championship.

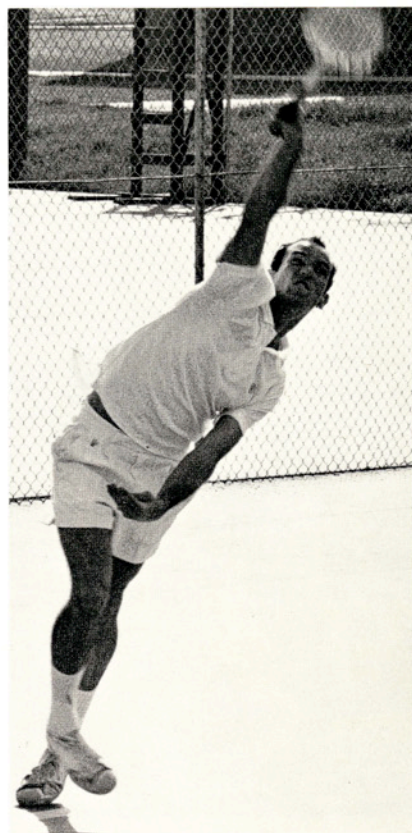

Others on the A&I roster are Martin Hall, sophomore squadsman from San Benito; Ricky Henderson, freshman from Kingsville; and Gaylord Lewis, senior from La Feria.

# Texas A & I Tracksters Indicate Bright Future

Track meets in early spring and December clearly indicated that the 1969 Texas A&I track squad was one of the strongest ever assembled by the University.

In their first three meets the Javelinas displayed an awesome amount of power which clearly ranked them as one of the top teams in the state.

The Hogs presented one of the better showings in the Astrodome-Federation National Championship meet, winning six medals and setting three national records.

Sophomore Bob Daniels set a national collegiate record for the 120-yard hurdles with a time of 13.9 seconds. Freshman David Weathersby set his record on the 120-yard high hurdles

with a 14.2 clocking. A third record was equaled by Ernest Haynes with a 6.0 clocking in the 60-yard dash.

Other Javelina standouts are distance runners Robert Gonzalez and Homer Martinez. The duo will participate in the mile and three-mile events.

Dwight Harrison is expected to give the Hogs a strong push in the field events. Harrison competes in the high and broad jumps.

Also in top notch shape are the sprint and mile relay teams.

The 440-yard relay team is composed of Daniels, Harrison, Haynes, and David Hinojosa. The mile relay squad is made up of Daniels, Haynes, Hinojosa and Jay James.

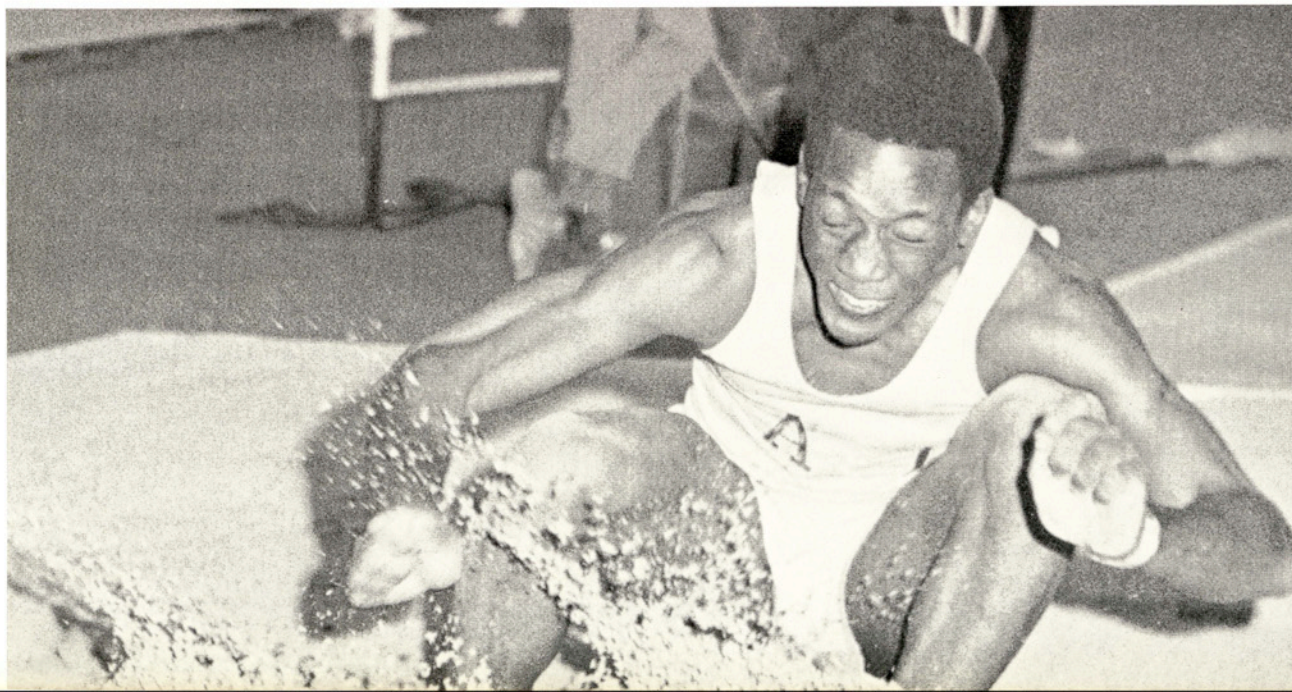

Sophomore Bob Daniels set a national collegiate record for the 120-yard high hurdles with a time of 13.9 seconds at the Astrodome Federation relays.

Roberto Gonzalez, one of the top milers in Texas, comes in with a 4:09.2 mile for a second place medal, but is nipped at the tape by Robert Scire of Tennessee.

Dwight Harrison marks off a second place leap in the long jump at 24 feet 10 inches.

Robert Gonzalez establishes a 4:08.9 timing in the mile run bettering Homer Martinez' 1967 time of 4:12.4. The new school record came in the University of Houston Invitational track and field meet in Butler Stadium.

David Hinojosa, A&I dashman, dons spikes during a workout.

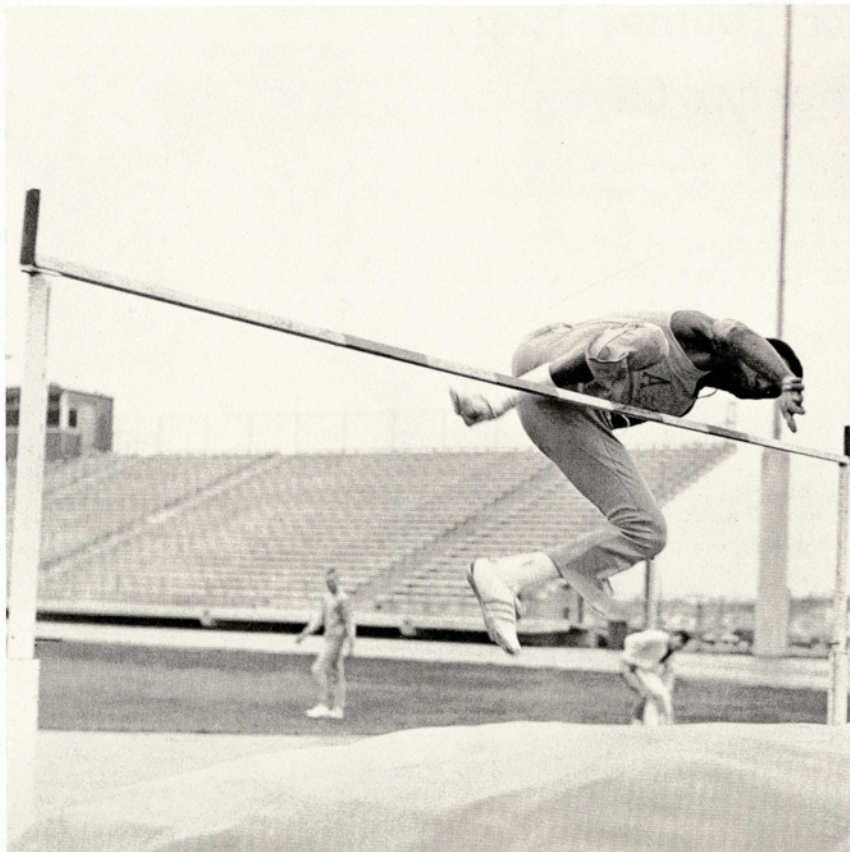

Freshman Earnest Haynes (center) steps off a 9.4 in the 100-yard dash to equal the A&I mark set in 1960 by Tony Garza.

Bob Daniels takes baton from Dwight Harrison in a 440-yard relay run.

Harrison participates in high jump events giving the Javelinas a strong push in the field events.

Earnest Haynes lives up to his previous 21.4 time in the 220-yard dash as he comes in first to break the tape.

Bruno Andrade, Randy Hahn, Chris Hill, Bill Evans, Freddie Hoey, Tom Miller, Jim Miller, David Houston.

## Golf Team Hopes for Tourney High; Ranked Ninth in Border Olympics

Coach Pete Murray

Hopes for a strong finish in this Spring's Lone Star Conference golf tournament May 9-10 in the Kingsville Country Club are pretty high for the 1969 Texas A&I golf squad.

The Hogs returned five lettermen from last year's third place LSC team and Coach Pete Murray feels optimistic about this year's results.

Lettermen returning are Bill Evans, Odem senior; Jim Miller, Edna senior; Randy Hahn, San Antonio junior; Tom Miller, Edna junior; and Freddie Hoey, San Antonio junior.

Newcomers to the team this season are Chris Hill, New Braunfels sophomore; Chris Delcambre, San Antonio freshman; Russell Cain, Port Lavaca freshman; and Larry Lahtinen, San Antonio junior.

The Javelina golf team made one of its best showings ever in the Border Olympics as it finished as the top college division team in the meet.

The Javelinas ranked ninth among 20 teams entered in the final tabulation.

Each of the teams ahead of the Javelinas was NCCA university division in classification.

A&I had a 54-hole total of 1206. Baylor had 1204 and Wichita State 1202 to edge past the Javelinas for seventh and eighth spots.

Winning the team title was the University of Houston with 1128 while the University of Texas had 1145.

Bill Evans, low man for the Javelinas with 291, ranked 10th among the 120 individuals entered in competition. He was eight strokes behind the runner-up medalist.

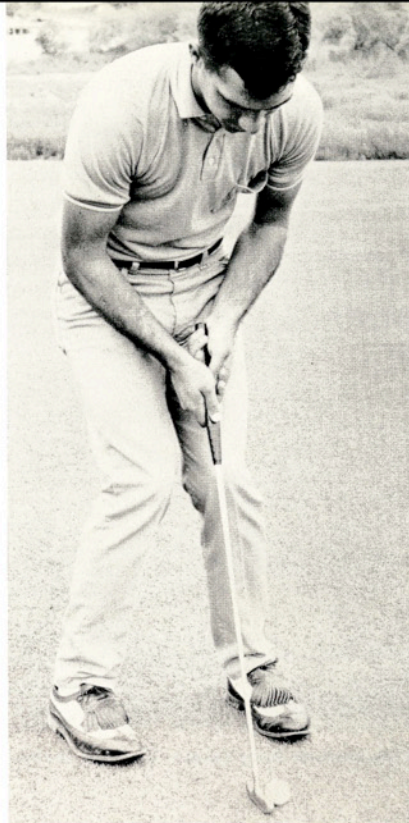

Evans's best round came when he fired a three-under-par 69. He defeated Rick Massengale of Texas by three strokes in early play. Massengale was one of the low men in the tournament, and one of the favorites.

Other scores for the Javelinas were Jim Miller, 304; Chris Hill, 305; Randy Hahn, 306; Fred Hoey, 307; and Tom Miller, 319.

**Cheerleaders:** Betty Dorsey, Eli Solis, Barbara Remmers, Larry Lynch, Barbie Rosse and Leo Aguilar

## A & I Cheerleaders Are Everywhere Building Spirit

... they are sure to be found at a victory line.

Javelina Stadium is filled to capacity, the blue and gold uniformed Javelinas are out on the field, but the air is filled with silence — then over a loud speaker comes a voice urging "Go Hoggies, go Hoggies," and the stadium comes alive with the roar of "Give 'em Hell Hogs, give 'em Hell Hogs," as students let school spirit take over their emotions.

The voice coming over the loud speaker is that of head cheerleader Larry Lynch, and yelling alongside him are Eli Solis, Betty Dorsey, Barbara Remmers, Barbie Rosse, and Leo Aguilar.

These cheerleaders, usually taken for granted, practice their yells for hours a day, then come before the student body as "spirit builders."

Elected by the student body, they are responsible for getting student support for the Javelinas during football and basketball seasons.

Wearing their colorful blue and gold uniforms these six individuals can be found leading a parade down the campus avenue or leading cheers against the background of bright bonfire flames at a pep rally.

Always eager to encourage school spirit at its best they are sure to be found running out of a victory line with the Javelinas right behind them.

Braving driving rain, gusting winds, and cold weather, our cheerleaders cheer until their tonsils give in and their throats run dry, but still excite the student body.

... are found leading a parade down the campus avenue.

... or silhouetted against the bright flames of a bonfire.

... practicing their routines.

... and always eager to encourage school spirit at its best.

# Students Work, Sweat, Groan to Build Superman Muscles in Weight-lifting Class

One aspirant to the muscle bound crowd works on his bench presses.

Summer school found A&I's HPE department offering a weight training course under Javelina Coach Fred Jonas.

Each day there was an 80-minute workout for the purpose of developing the bodies of the students. The 19 students enrolled for the class followed a different workout pattern every day of the week and on Friday they topped everything off with a weight lifting contest.

The purpose of the course was to build strength in six weeks time. This was to be done by lifting heavy weights or by overloading.

## A & I HPE Department Undertakes Plans for Women's Athletic Team

Plans for a women's athletic team were undertaken this year by the Health and Physical Education Department.

The team would be divided into four areas consisting of a basketball team, a volleyball team, a tennis team, and a badminton team.

A&I had not had a women's team for the past three years. The team will be sponsored by Betty Brewer, physical education instructor and women's coach.

The women's volleyball team, the first in the project, got off to a successful start.

At the time the Texas A&I Javelinas were shooting for national honors, the women's volleyball team was going for state honors in the Texas Recreation Federation of College Women (TRFCW) playoff tournament in Houston.

In their first year in federation competition, this was the inaugural trip to state playoffs by an A&I volleyball team.

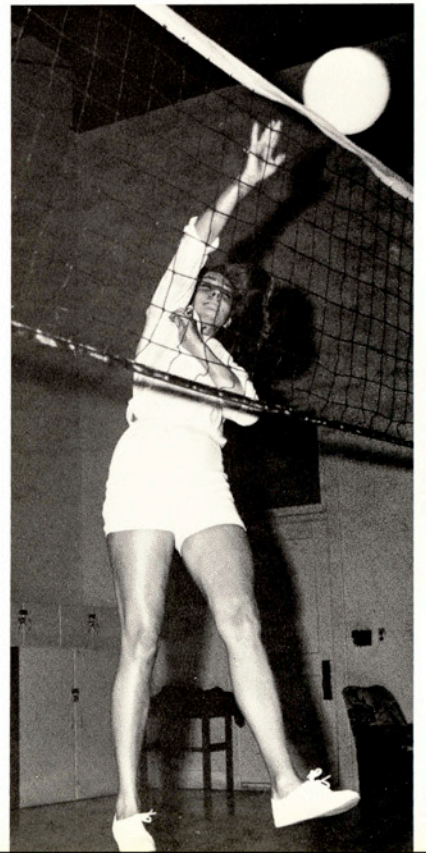

The women earned the right to the playoffs by surprising members of District VII. A&I romped by experienced teams from Del Mar, Bee County Junior College, and Pan American to win the district crown and advance to the state meet.

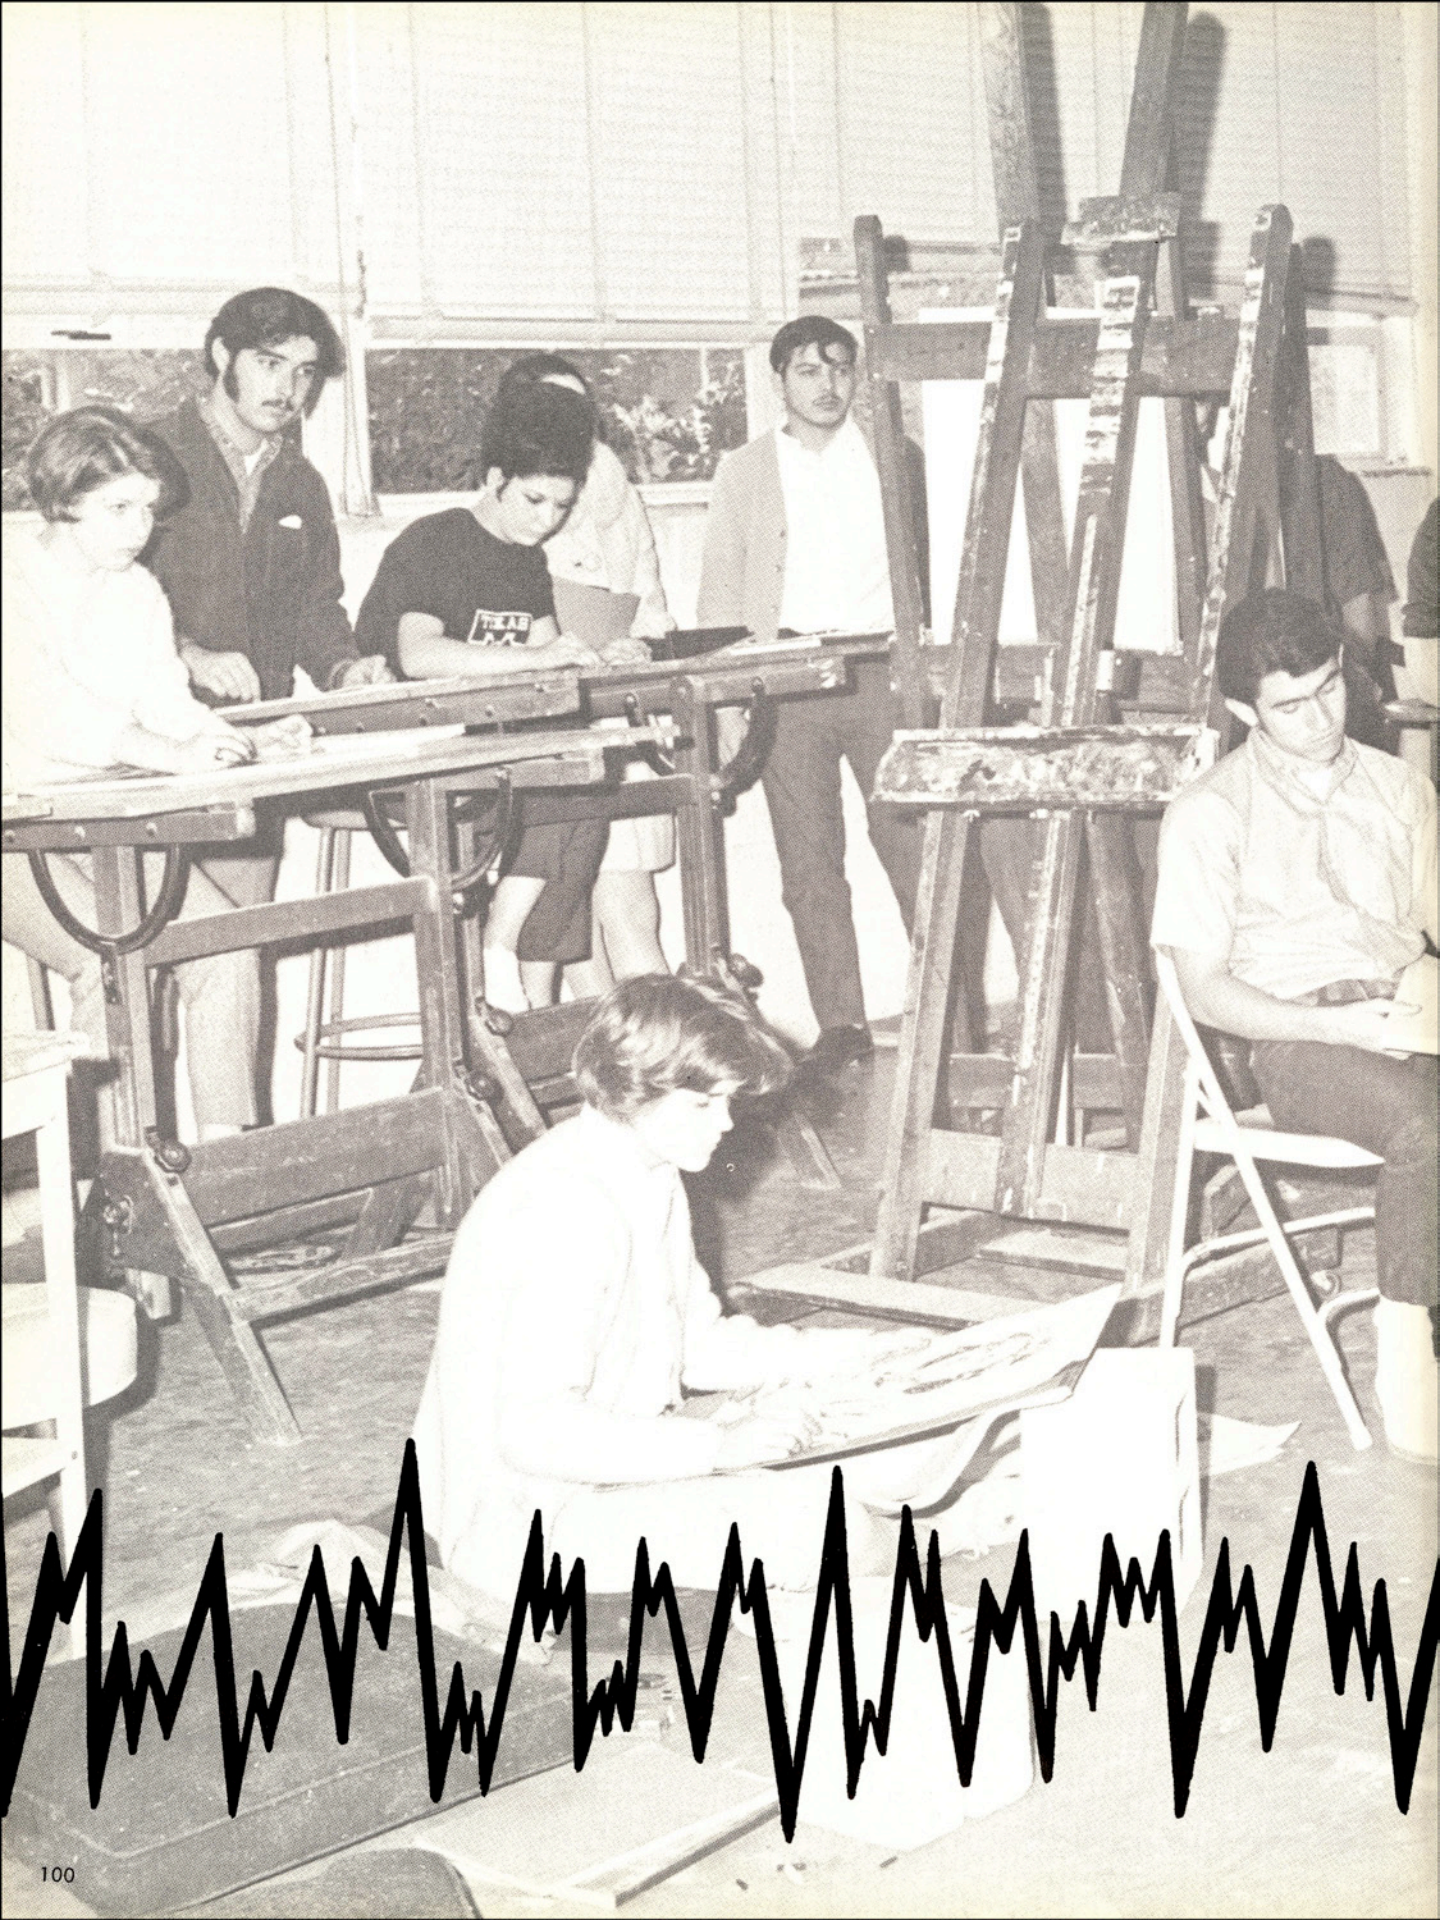

Although the team failed in its first attempt for state championship honors, the women were eager to get organized into a women's basketball team.

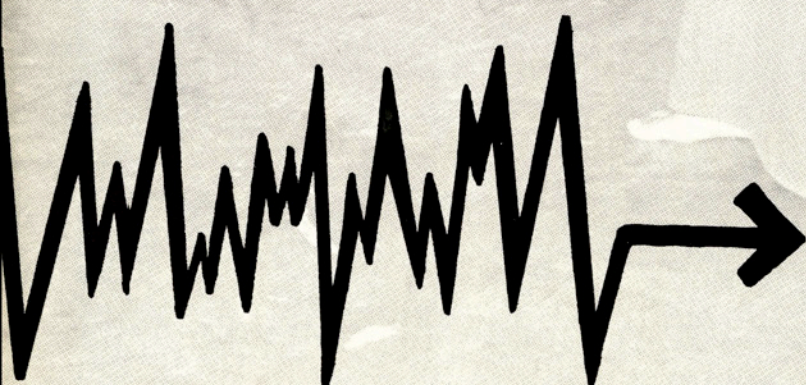

Members of the A&I Women's volleyball team include: Clara Aguilar, Sandia junior; Carmen Gonzalez, Corpus Christi junior; Oralia Hernandez, Sinton junior; Betty Krnavek, Corpus Christi junior; Terri King, San Antonio freshman, and Shirley McDermand, Nome freshman.

Other members include Debie Arbuckle, George West freshman; Virginia Miller, Jourdanton freshman; Lulu Sparkman, Roxanne Norris, Freer freshmen; and Lupe Ureste, Brackettville sophomore.

Debi Arbuckle served as an excellent spiker for the team.

# Art of Sculpture Unique Challenge

Sculpture provides the student with a unique experience. He is challenged to relate to his three dimensional environment.

The sculptor uses mass, voids, textures, planes, and movement as his basic elements. He can then choose the best material to express his idea — plaster, clay, limestone, wood or welded metals. Each material has definite characteristics that influence the shape and feeling of the final product.

Sculpture is physically involving and can be quite a thrill to the person that enjoys working with his hands.

A head mounted on a base is what Rosario Azios decided on as one of her class projects.

Carving away at plaster paris is Dennis Deville.

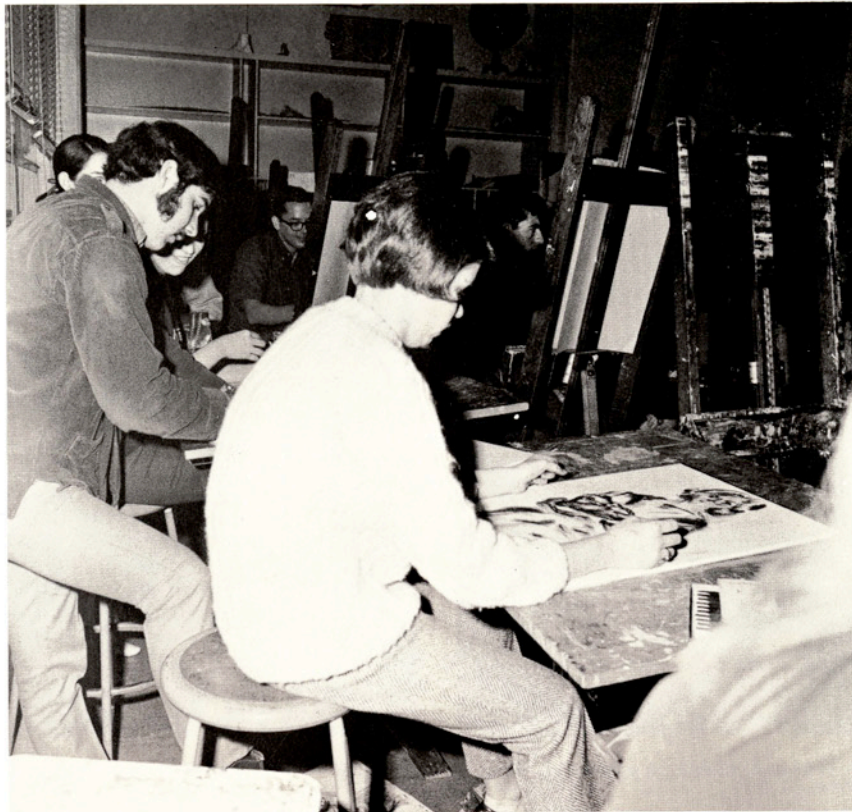

Benny Ornelas adds the finishing touches to his terra-cotta figure.

An A&I coed studies the model carefully before drawing.

Two art students are busy drawing the class model.

This is what an art 211 classroom looks like for three hours.

## Drawing Includes Two Categories

Drawing is to the visual artist what the piano is to the musician. It is the primary means of thinking-out or developing a visual concept for final execution in stone or paint. It is also a medium in itself, capable of revealing a fully developed idea. Anything from the most complex expression to the slightest or most spontaneous is all fair game for the drawing.

The intimacy of chamber music or the basic ideas outlining powerful visual orchestrations are perhaps what we prize most in drawing. More than anything else, it is drawings which allow us to grasp the workings of an artist's mind — to see just how he develops his ideas.

A two-faced woman is painted by Karen White.

Art major Sylvia Lopez paints an abstract as her first inside class painting.

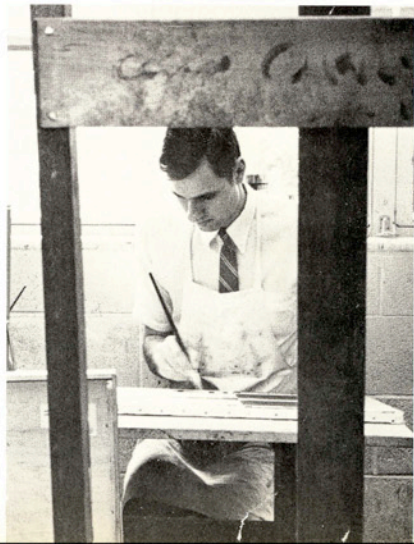

Bill Renfrow lectures to his advanced painting class.

## Artist Expresses Self in Painting

Painting is just one method by which an artist expresses his self image to others. He transmits his feelings and thoughts through the selection and the application of colors that best go together to create an expressive and, yet, usually exciting work of art.

Doyle Cook concentrates on a measured stroke.

# Station KTAI Opens at A & I

Texas A&I University joined the electronics media this year with the establishment of KTAI, the only campus radio station, when it began broadcasting January 31.

KTAI, produced and staffed by the speech department, broadcasted over a closed circuit system Mondays through Fridays from noon until 4:30 p.m.

"Easy listening" music and campus news was broadcasted into the speech classrooms, backstage of the Little Theatre, costume room, and the speech offices.

Broadcasting was in connection with a speech course in radio and television production, Speech 217.

"To train students and to prepare for eventual educational FM broadcasting," is the primary purpose of KTAI according to speech instructor Ray Carroll.

A 10-watt FM station for A&I has been proposed which will broadcast in the Kingsville area.

KTAI staff members included: Skip Wood, Pleasanton junior, news director; Mike Zavesky, Bishop freshman, program director; and Riley Hollingsworth, San Antonio senior, promotion director.

Members of the speech department staffed KTAI.

## A & I Singers Perform Wide Range of Music Styles

Over the years the Texas A&I Singers have won recognition for their program versatility and interpretation of a wide range of vocal literature. They perform any style of music, but especially popular with everyone is their

rendition of the unofficial school song "Jalisco."

This past year found the Singers busy giving concerts for community organizations and at the Kingsville Naval Air Station. At Christmas they presented a

concert with the choir and also sang for the Christmas Tree Lighting in front of the SUB.

The Singers made their annual tour, this year to various places in Central and West Texas, and presented a Spring concert.

Membership is open to any student enrolled in the university with selection by audition.

The Singers performed at the dedication of the new James C. Jernigan Library.

Director of the Singers, A. E. Tellinghuisen, joined the faculty in 1966 as Associate Professor of music.

# Concert Choir Boasts Large Repertoire

Officers for the Texas A&I Concert Choir are Mike Gilbert, vice president; Melody Chorn, secretary-treasurer; and Tom Estes, president.

Any student of Texas A&I University interested in choral singing is welcome to audition for membership in the Concert Choir.

The choir performs music from all style periods — Renaissance to Contemporary. Major works performed have included: the "Magnificat" by J. S. Bach; "Mass in G Minor" by Ralph von Williams; portions of the "Lord Nelson Mass" by Haydn; and excerpts from the "Magnificat" by Jean Berger.

Periodically the choir features soloists. This year students performing were Ben M. and Leesa Todd, Tony Gonzalez, and Margaret Mote.

Every year the choir makes a tour, spending two nights and three days visiting high schools throughout the area. This year they plan to visit Pleasanton, Austin and possibly San Antonio. While they are away they stay in the homes of members sponsoring choral groups.

Every year the Concert Choir has been invited to perform with the Corpus Christi Symphony. This year they will be performing selections from Wagner's "Tristan and Isolde".

Many hours of painstaking labor, practice, and rehearsal go into preparing for a band tour or a concert.

Ernest Muzquiz was featured as soloist in Dr. Bellamah's arrangements of "The Flight of the Bumblebee" for xylophone.

The big day arrives and the product of many long weeks of work is presented in concert.

# Symphonic Band Makes World Premier Of Award Winning Composer's New Work

The Texas A&I University Band, under the direction of Dr. Joseph L. Bellamah, had one of its busiest years during the 1968-69 term.

During football season the "Marching Hundred" performed at half-times of home games and helped to keep spirit up with their playing and cheers from the stands. Even the blowing torrents of rain which accompanied the NAIA Playoff did not dampen the spirit

of the bandmen; they held their posts to the final victory. The band also played for pep rallies, the bonfire, and their own impromptu rallies on the balcony of the music building.

The band went to San Marcos for that game and proved to everyone that it's not where you sit that counts, but how loud you yell.

When the Javelinas won the playoff bandmen worked long hours soliciting

the necessary money to pay their way to Montgomery for the championship game.

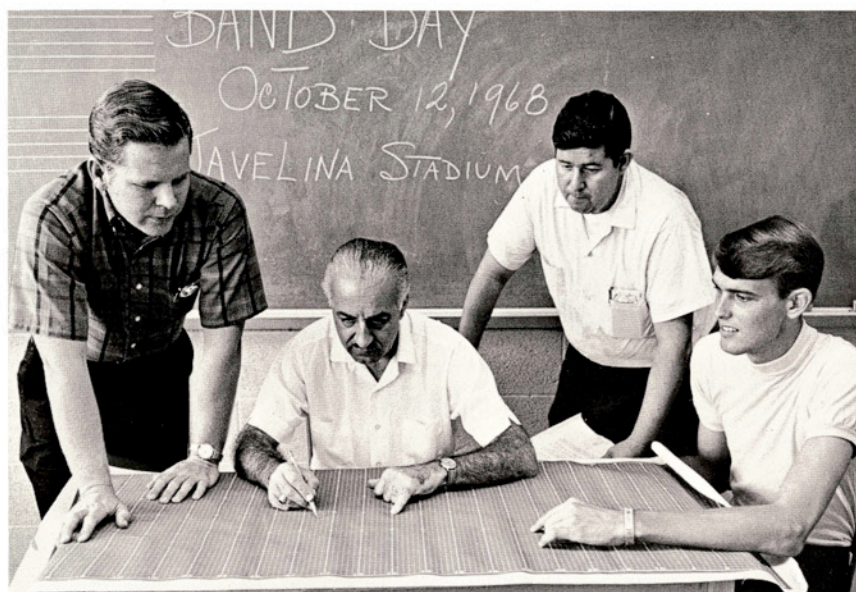

Also during the Fall the band presented its first annual Dad's Day Concert and celebrated Halloween with a costume party.

Second semester found the Symphonic Band busy in preparation for its annual tour. This year the three-day trip was made to Navasota, the Houston area, Fredericksburg, and San Antonio.

After tour the band presented a home concert which featured two arrangements by Dr. Bellamah, "The Flight of the Bumble Bee" and "Vira da Beira." It performed the world premier of a composition entitled "Variations for Band," dedicated to Joseph L. Bellamah, by Lawrence Weiner, a member of the music faculty. Last year Weiner won the Ostwald Award for Outstanding Band Compositions as sponsored by the American Bandmasters Association.

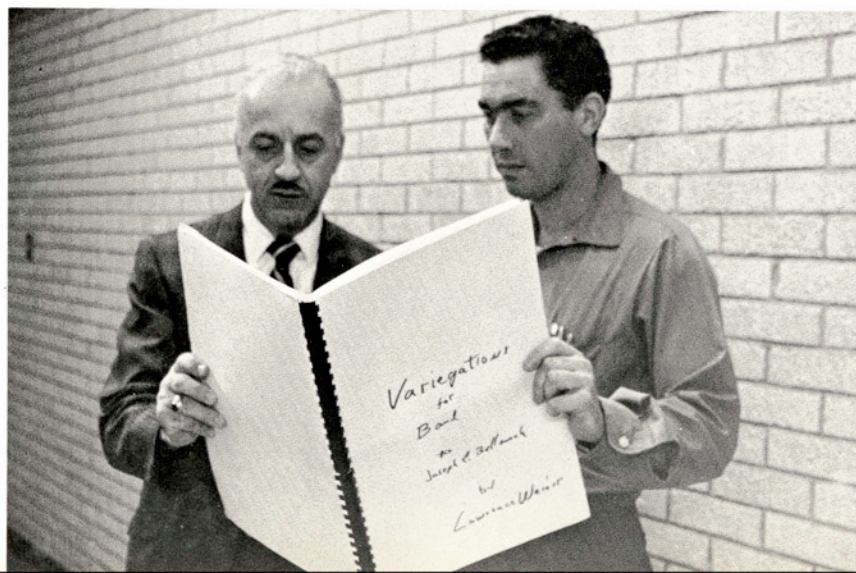

After their concert the band spent two weeks preparing two numbers for recording onto records to be sent across the country.

Membership of the Symphonic Band is by tryout with members being chosen on attitude and musicianship.

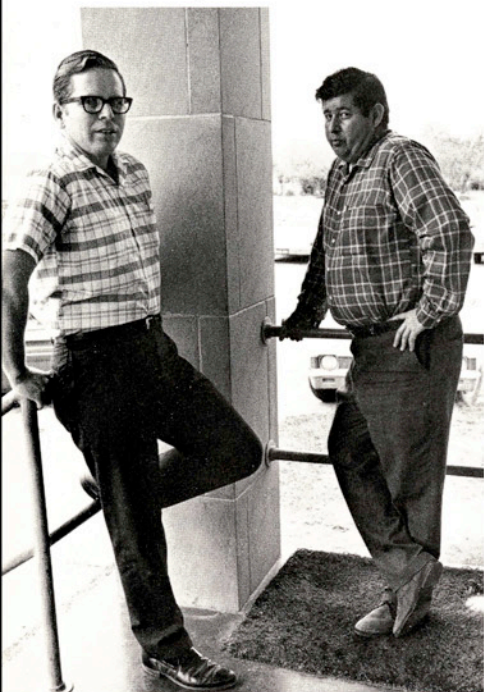

Each fall Dr. Bellamah and the members of Kappa Kappa Psi band fraternity spend hours planning and hosting the Band Day activities. In this event area high school bands are invited to come and participate in a parade and a mass marching drill of all the bands during the half-time of the game that evening.

Dr. Bellamah, director of the band, and Lawrence Weiner, assistant professor of music, discuss some of the intricacies of Weiner's composition which the A&I Symphonic Band premiered on its tour and post-tour concert.

After its presentation Dr. Bellamah congratulates the composer.

Responsible for a considerable amount of the labor in planning activities and half-time shows for the band are the student assistant, Morris Atkins, and the graduate assistant, Don McDaniel.

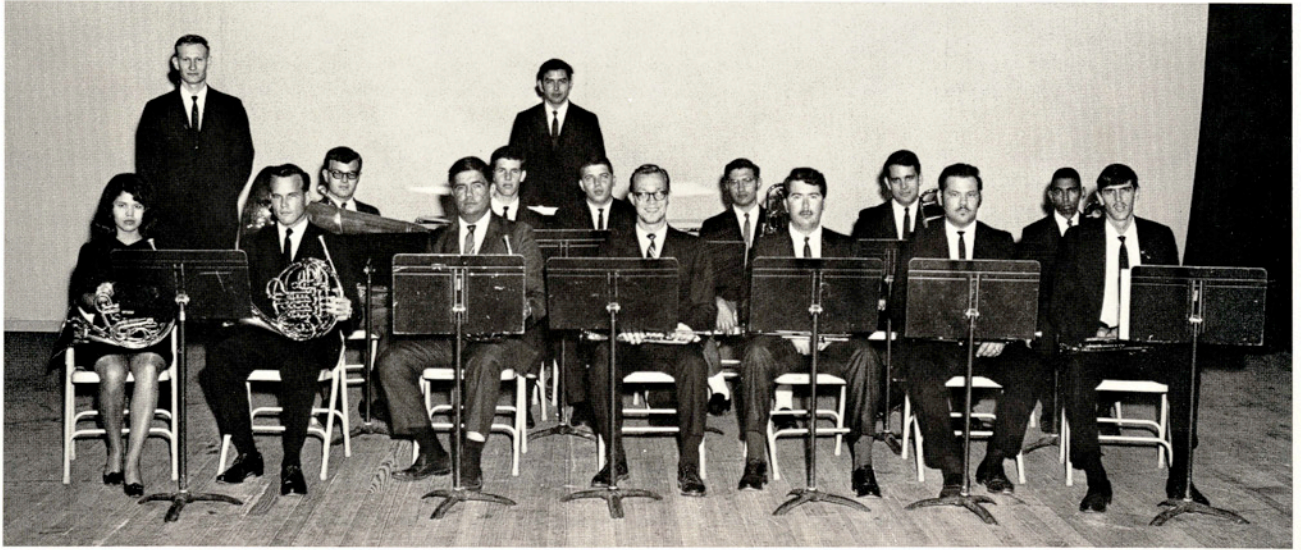

Officers elected to lead the band in its activities for the year are (seated) Linda Weiss, secretary-treasurer and Deanna Gillaspay, reporter; (standing) Ronnie Stokes, vice president; Richard Roper, drum major; and Ernest Muzquiz, president.

The average football fan sitting in the stands often does not realize the tremendous amount of painstaking work and planning that it takes to make up a half-time show. Here, part of the band executes a difficult maneuver which took long hours on the practice field.

# Musicians Gain Added Experience from Ensembles

Students participating in the Brass Choir are front row: Mary Rodriguez, Mack Burditt, Rene Guzman, Scott Holbert, Joe Cadena, Homer Yzaguirre, and Larry Pavel. Row 2: James Plunkett, Gerald Henke, Mike Robinson, David Wilburn, Tom Estes, and Fernando Ornelas. Standing: James Siber, director, and Hector Ponce.

Students in this Sax Quartet are: Lupe Garcia, Jesse Pena, Ernesto Guajardo and Jose Maldonado.

Members of this Quartet are: James Stockwell, Alfred Cortinas, Don Higginbotham and Humberto Gonzalez.

At the concert held November 10, Mary Lois Summers, instructor in voice and opera at A&I, was the featured soloist.

## Merton Johnson Leads A & I Civic Symphony

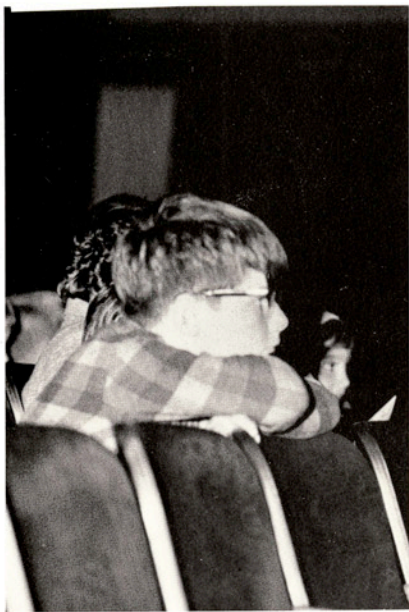

Dr. Merton B. Johnson, director of the A&I Civic Symphony, is an Associate Professor in the Music Department. His doctoral work in French horn and conducting was done at the Eastman School of Music; his Master's, emphasizing voice and choral conducting, was earned at Illinois Wesleyan under Lloyd Pfautsch, and his Bachelor's degree work in French horn was completed at the Curtis Institute of Music.

As a horn player, he has performed in the Denver Symphony, Rochester Philharmonic, Wichita Symphony, Wichita University Brass Quintet, Texas A&I Faculty Woodwind Quintet, and currently is solo horn in the Corpus Christi Symphony.

Prior to coming to A&I, Dr. Johnson had organized and conducted a college-community orchestra in Wichita, Kansas.

# Civic Symphony Gives Children's Concert

This young man is completely absorbed in what he is hearing.

The A&I Civic Symphony, directed by Dr. Merton Johnson, is unique among Texas A&I University's musical ensembles in the diversity of its membership. Wind and percussion sections are primarily staffed by music majors, with string players coming from the general student body, from the community and from as far away as Corpus Christi and the Valley.

A typical year's activities include three major concerts, one of which is usually a children's concert, plus performance of an opera and two summer musicals.

Faculty artists regularly appear as soloists with the symphony. During the 1968-69 season, Mary Lois Summers, soprano, performed the Mozart motet "Exsultate Jubilate" in the fall concert, and in May Robert Brooks performed the solo piano part of Vaughan Wil-

liams' "Fantasia on the 'Old 104th' Psalm Tune." The A&I Concert Choir, under the direction of Frank Roberts, performed the difficult choral sections of the "Fantasia."

Other outstanding works performed included Debussy, "Prelude to the Afternoon of a Faun"; Martinu, "Intermezzo"; Brahms, "Serenade in D Major"; and Dittersdorf "String Bass Concerto in E Major" with Edmundo Garcia, a former A&I student, as guest artist.

In addition to being a performance outlet in its own right, the A&I Civic Symphony also serves as an unofficial training orchestra for the Corpus Christi Symphony. Several student members perform regularly or as extras in Corpus, adding still further to their experience.

Children find enjoyment in a well-presented and illustrated program of good music during the Children's Concert.

## Accounting Society Cultivates Interest in Profession; Recognizes Best Students with Yearly Fall Banquet

Guiding the Accounting Society are Vincent L. Visosky, parliamentarian; Floyd Burnside, vice-president; Mark Henry, president; Barbara Krafa, secretary; and Meliton M. Sanchez Jr., treasurer.

The purpose of the Accounting Society is to further the interest and understanding of accounting among its members and to promote a more cordial relationship among practicing accountants, accounting instructors and students of accounting.

Any student who has completed or is at the present time taking elementary or advanced courses in accounting with the intention of majoring in the field is eligible for membership in the club.

The Accounting Society sponsors a banquet honoring all outstanding accounting students each year. They also hold a banquet in May where members bring guests.

At regular meetings speakers from public accounting firms or other fields of accounting speak to students and explain opportunities available in the accounting field.

## Afro-American Society Debutes On A&I Campus

New on campus this year is the Afro-American Society. The group was organized to increase university students' awareness of problems faced by black students and to promote friendship among black students.

The only requirement for membership in the society is that a person be a student of the university and have an interest in the organization.

A series of lectures was held at meetings. Planned were a series of plays by Negro writers.

Sponsors for this first year were Dr. Ward Albro and Jefferson Bishop.

# Aggie Club Promotes Friends, Leaders

Friendship among agriculture students is one of the basic aims of the Aggie Club. The organization also tries to encourage club members to adopt professional improvements and to develop leadership abilities while in college in order to make them more effective when they graduate.

Among the activities sponsored by the Aggies are two of the largest dances during the year — the Back-to-School and Christmas Dances. During the spring the campus community looks forward to Round-up week with its big barbeque.

One of the continuing projects which the club is proudest of is Mesquite Grove, a picnic area at the edge of the campus. Aggie Club members built the picnic tables, fireplaces and stage, but all campus groups are welcome to use the Grove.

Students majoring in any field of agriculture are eligible for Aggie Club membership.

Aggie Club officers are (front) Randy Lynch, parliamentarian; Candy Jones, reporter; Pat Moczygomba, treasurer; (back) Delbert Fuchs, vice-president; Larry Busby, president; and Bob McKinney, secretary.

Aggies get practical experience in landscaping the Kleberg Agricultural building.

## Top Scholars Are Members Of Alpha Chi

The top scholarship fraternity on campus is Alpha Chi. In order to become a member a student must be of junior or senior standing with a grade point average of 3.5.

Members must be taking a minimum of 12 semester hours of course work and have attended Texas A&I full time for at least two semesters. There were 37 members this year.

The object of Alpha Chi is the promotion and recognition of scholarship. Even more important is the encouragement of those elements of character which make scholarship effective for good. Motto of the society is "Ye shall know the truth and the truth shall make you free."

Initiation ceremonies and a banquet are held in the fall semester. There are national and regional council meetings.

The organization began in 1922 as Scholarship Societies of Texas. In 1927 the name was changed to The Scholarship Societies of the South. A new constitution was adopted and the name changed to Alpha Chi in 1934.

## High GPA Is Must For Alpha Lambda's Freshman Members

Boasting a membership of 24, the Alpha Lambda Society tries "to promote intelligent living and a high standard of learning and to encourage superior scholastic attainment among women in their first year of study."

Membership requirements are a cumulative grade point average of 3.5 for at least 15 semester hours but not more than 60 hours.

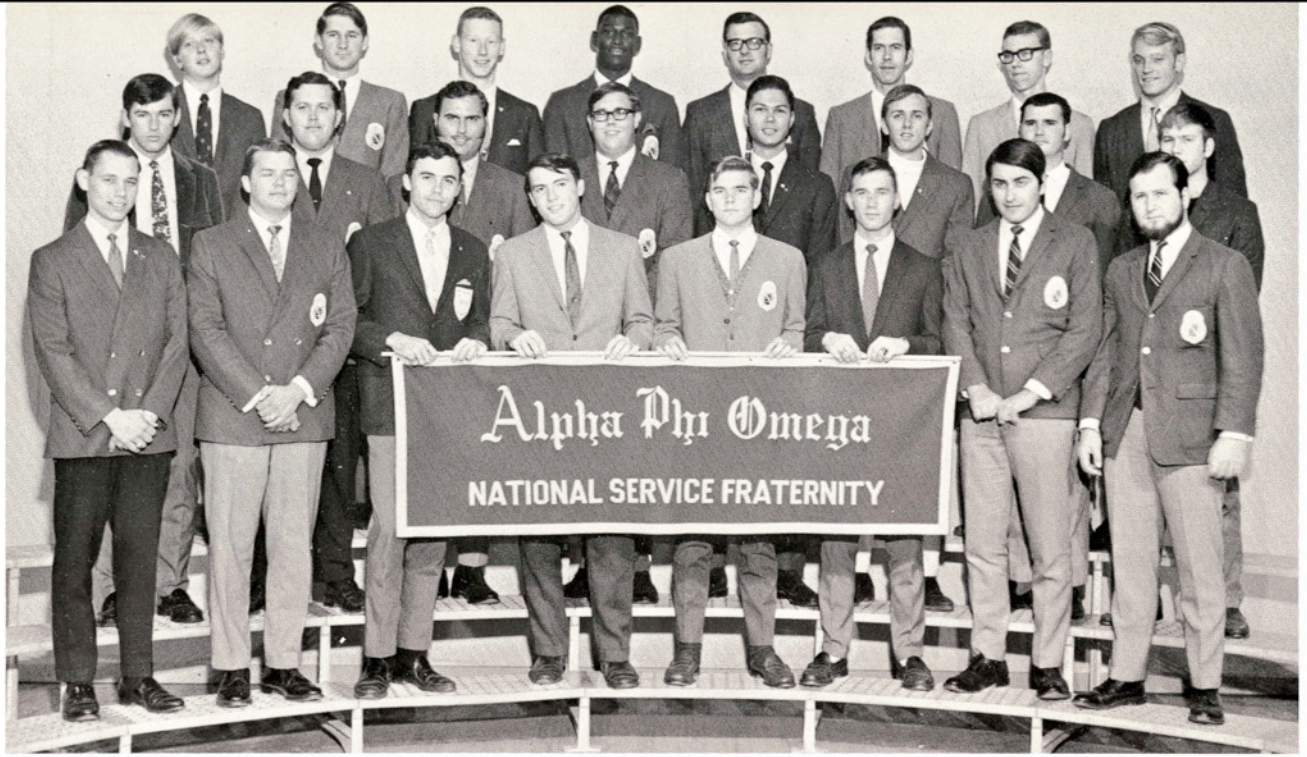

The Alpha Lambda Society was first organized at Texas A&I in 1967. Being a scholarly organization, there are no social or service projects. At least four scholarly programs and two initiations are held each academic year.

In the forefront for Alpha Lambda is Joanna Hoover, vice president; Carolyn Stiles, president; Diane Unterbrink, historian; Barbara Koehler, treasurer; and Marilyn Boomgaarden, secretary.

**Row 3:** John D. Sciantarelli, Gary D. Simpson, Roger O. Jarvis, Henry E. Hodge, Richard K. Tinnin, Maurice J. Gooch, B. Dean Fisher, John Rankin.

Members of Alpha Phi Omega had a busy year serving the university. The list of their activities is impressive: they held car washes, sold brooms for the blind, conducted book sales at the beginning of each semester, and manned the voting stations during campus elections.

They made an unsuccessful attempt to bring the Texas A&I vs. Troy (Ala.) State College game to Corpus Christi on closed circuit television.

On the fun side, the fraternity sponsored after game parties and a Roman Orgy.

The purposes of this fraternity are to develop leadership, promote friendship, provide service to humanity, and to further the freedom that is our national, educational and intellectual heritage.

During the 1968-69 year there were 28 members, an increase of 18 over the previous year. For college men pledging Alpha Phi Omega there is an extensive pledgship program which requires 40 work hours and a thorough knowledge of the fraternity.

Representatives of the local chapter attended the sectional convention held in Dallas and the national convention in Washington, D. C. Alpha Phi Omega was first started at Lafayette College, Easton, Pa., in 1925.

## Alpha Phi Omega Gives Busy Year of Service to Campus, Community

Heading the Alpha Phi Omegas in their activities are Vincent Visosky, treasurer; Frank Estringel, first vice president; Gus Cannon, parliamentarian; and Craig Cosgrove, president.

## Alpha Psi Omega Volunteers Work Hours on Dramas

Alpha Psi Omega is led by George Rivera, treasurer; Donna Vogt, reporter; and Phil Mitchell, president.

Membership in Alpha Psi Omega is based on hard work. This honorary organization, whose doors open by invitation only, sets high goals: students must earn 50 points to be eligible for membership.

The points are awarded for volunteer work backstage during drama productions and for on-stage performances. A student must gather his points from both sides of the footlights. The advisor of Alpha Psi Omega, V. A. Smith, estimates that it takes at least 10 hours of volunteer work to earn 1 point. Students cannot count the work on play productions that is required in the speech and drama classes they are taking.

Alpha Psi Omega is a national honorary drama fraternity which promotes better theatre activity on the A&I campus. The members strive for proficiency in the field of dramatic activities.

This year one of their projects was sponsoring special performances of "A Man for All Seasons" for high school audiences. The March production was held in the Little Theatre.

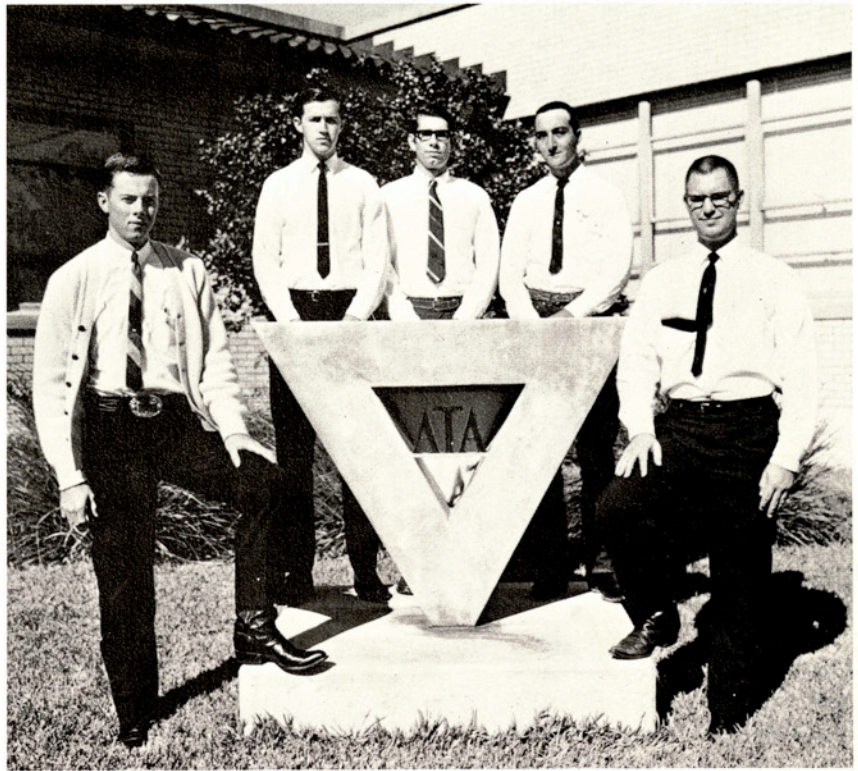

# Alpha Tau Alpha Prepares Men For Ag Careers

The Mu Chapter of Alpha Tau Alpha helps to prepare young men for leadership activities in the different areas of agriculture.

This organization tries to create interest in agriculture and agriculture education by helping with Future Farmers of America and Four-H contests in the South Texas area and by sponsoring programs of interest for agriculture students.

Alpha Tau Alpha holds two banquets a year, one each semester, which feature guest speakers. Each year the fraternity's president is sent to the national ATA conclave in Kansas City, Mo.

Agriculture or agriculture education majors with at least 30 semester hours and a grade point average of at least 2.5 are invited to join ATA. This year the organization had a 12-member increase over last year.

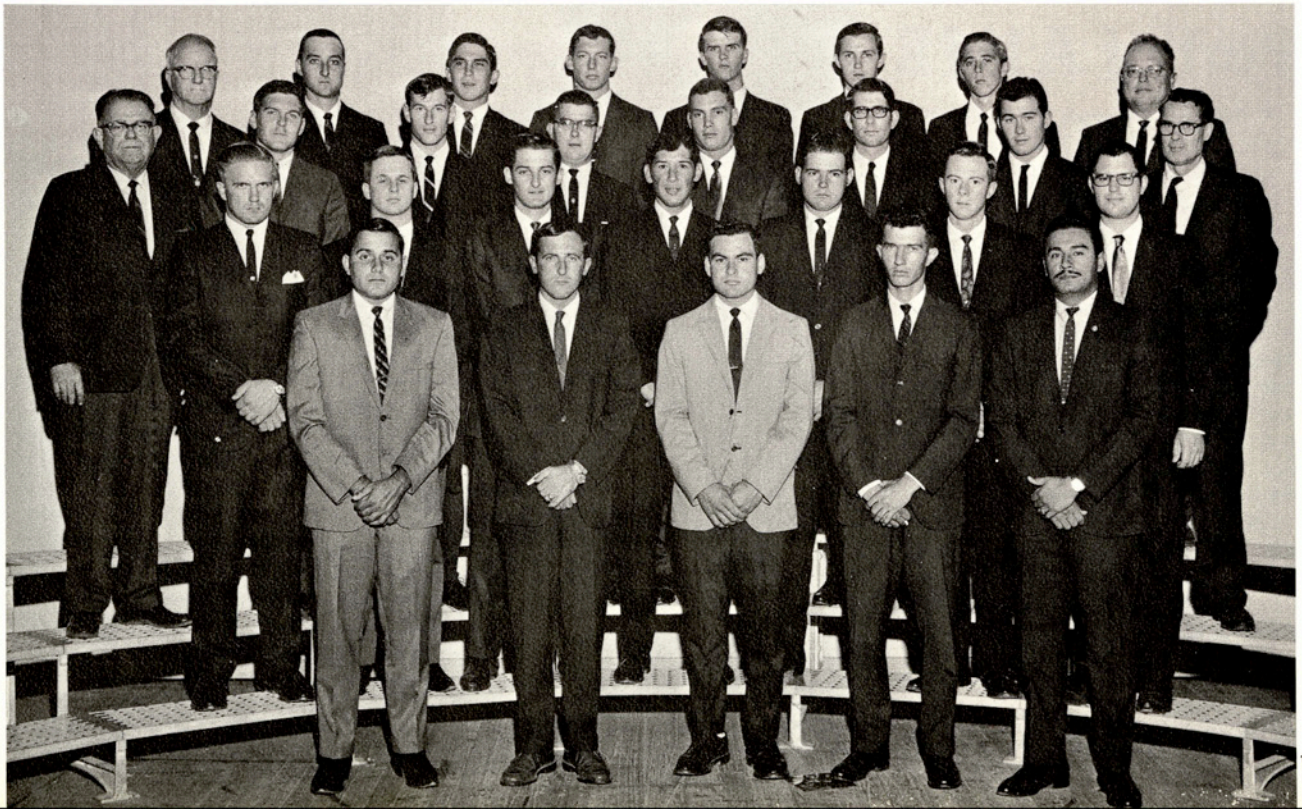

Leading ATA are Jerry Leon Young, president; Robert Huff, treasurer; Ben Dincans, vice president; James Kosub, reporter; and Thomas Haner, secretary.

**Row 3:** Clifford Macomber Jr., Robert E. Fleming Sr., Mike Riley Jr., David Konvicka, Lloyd N. Johnson (sponsor).

AIME members elected Bob Devine, vice-president; G. Lynn Smith, treasurer; and Chuck Pyle, president.

## Field Trips Are Major Part of AIME

A field trip to study off-shore drilling in Corpus Christi Bay was held in the spring and a trip to see Humble's recovery operations for gas and oil at the King Ranch was held in November by the American Institute of Mining and Metallurgical Engineers.

To bring the natural gas engineer in closer contact with industry and to introduce him to new developments in that industry is the purpose of AIME. Any interested engineering student may join the organization. A membership fee each semester is required by the National Association.

Speakers from companies like Humble, Mobil, and Atlantic-Richfield addressed AIME meetings. The group also helped sponsor an engineers barbeque in the spring.

# Headstart Gets Help from ACE

Voluntary service to children is the mark that distinguishes the Association for Childhood Education. The 25 members work with many different groups serving children, but have been particularly active in Kingsville's Headstart classes operated by the Economic Opportunities division of the Community Action Program.

At their monthly meetings members have been addressed by speakers on HPE programs for young children, the psychological and emotional growth of children, and the needs of kindergartens. During the year the group visits schools and child care centers.

The main project of the year was making Christmas toys to be distributed to needy children through St. Martin's nursery and kindergarten.

The Mamie E. Brown Chapter of ACE was organized in 1964. It was named after a professor of elementary education who taught at Texas A&I for 27 years. To become a member a student must be an elementary education major or have a strong interest in working with children.

The group works for the education and well-being of children by promoting desirable conditions, programs and practices in nursery through elementary schools.

Planning activities for ACE were (on left going upward) Claudia Housley, nursery vice president; Dianna Drury, secretary; Kay Waddell, reporter; (center) Violet Herbolt, primary vice president; (on right going downward) Mary Montgomery, intermediate vice president; Ethel Howerton, treasurer; and Linda Burris, president.

Guiding the AWS are Joy Huntington, reporter; Vicki Greenlee, vice president; Flo Youngblood, president; and Diana Drury, treasurer.

## AWS Plans Rules Which Govern Women's Dorms

The Association of Women Students is a group of young women who make the rules and regulations for the girls' residences. The association's primary objectives are to develop cooperation, friendliness, and leadership among coeds. Each year the AWS helps introduce freshman girls to the campus in Freshman Orientation.

This organization is growing as shown by the increase of 6 members over last year's membership. The members join the Association when they are elected to represent the four women's dormitories by dorm residents. The 19 members this year sponsored the Big Sister-Little Sister Picnic.

# Baptist Students Enjoy Fellowship, Service

BSU students gave a Thanksgiving dinner for needy children in Operation Love at the Central Baptist Church.

The Baptist Student Union conserves and helps train Baptist students for effective Christian discipleship—reminding each student of his responsibility to Christ and of his obligation as a Christian citizen to the world in which he lives.

There are approximately one hundred members of the organization. Any member of a Baptist Church in the community, a commuter who is a member of a Baptist Church in his home community, anyone who has expressed an interest in joining a unit organization of a Baptist Church or the Baptist Student Union can become a member.

This year the BSU has held Vesper programs twice a week, and Christian service projects every Friday. They also attended the State Convention in Fort Worth in October and an Evangelism clinic in January. Their mid-winter retreat was in Zapata in January and the Campus Encounter in March. Abilene was the scene of the Leadership Training Conference in April. In the spring, the group presented "Good News."

## Biology Club Boasts 50 Members

### Sponsors Fish Fry, Wildlife Meal To Be Best-fed on Campus

Creating and furthering interest in the field of biology is the aim of the Biology Club of Texas A&I.

Approximately 50 members joined this year. Any student interested in any phase of the biological sciences is eligible for membership providing he maintains an over-all grade point average of at least "C".

Club members helped present the yearly wildlife show. A fish fry and a wildlife supper made the club one of the best-fed on campus.

At their monthly meetings invited speakers dealt with different phases of the biological sciences. Films, slides and displays were frequently used in the presentations. The choice of programs and speakers is made by volunteer committees of members.

Biology Club officers are Louis Williams, parliamentarian; Thomas Shirley, president; Kathy L. Tunnell, treasurer; Patrick Kelly, reporter; and Jack A. Rickner, vice president.

# Campus Forum, Community Work Served by CCF

Helping to provide guidance for the Campus Christian Fellowship this year are: Ignacio Sotolongo, chairman of campus forum; Barbara Schmidt, secretary; David Berry, publicity; (standing) Frank Lovvorn, Sunday morning program chairman; and Margaret Butts, president.

The Campus Christian Fellowship seeks to represent the Church on the A&I campus. Realizing a Christian is never a finished product, opportunity is provided for continuing the process of relating the Christian Faith to the present and possible future. The only prerequisite to membership is that one express a desire and interest to participate in its activities.

The present Campus Christian Fellowship had its origin in the immediate pre-World War II years as a Methodist Institution and entered into a cooperative ministry in 1957. It is now supported by the Disciples of Christ, United Methodists, and Presbyterians.

The members of the CCF participate in the campus forum, Operation Uplift, covenant groups, conferences, and retreats in addition to their regular Sunday morning worship services. The sponsoring of the D. A. Barber Lecture-ship each spring is also one of their activities.

## Chemical Engineers, Advance Members Professional Growth

The Campus Society of Chemical Engineers is a professional society. Its purpose is to promote the professional development of its members by its programs and its relations with other engineering organizations. It also contributes to the development of chemical engineering at Texas A&I through activities involving the faculty and student members.

This year the group had a membership of 20, an increase of 5 members over the 1967-68 academic year. To become a member a student must be enrolled in chemical or natural gas engineering.

During the Fall Carnival the engineers sponsored a dance. The group also took a field trip to Southwest Oil Refinery.

The Chemical Engineers are led by Robert E. Fleming, president; Terry Smith, secretary; Chester L. Ingersoll Jr., treasurer; Glenn F. Krall, vice president; and Dr. J. Browning Finley, sponsor.

## High Scholarship Level Is Standard Set For Women Members of Cap and Gown

Leading the members of Cap and Gown are Nancy Miele, treasurer; Margaret Mote, president; Glynda Wilkins, secretary; and Judy Carr Pagano, vice president.

Cap and Gown members strive to promote university loyalty and high standards of scholarship among the university's women. The organization seeks to recognize and encourage leadership among coeds, and to advance the spirit of service and fellowship so necessary in a college.

One of the interesting highlights of campus life is the recognition of coeds invited to join Cap and Gown. Cloaked in the traditional scholar's garb, members invade the classrooms to give their invitation to women eligible to join the organization.

Requirements for membership are 70 semester hours of work (of which 30 hours have been in residence at Texas A&I) and at least a 3.5 grade point average.

Cap and Gown members serve as hostesses at the Faculty Lecture Series. They hold an annual Top Ten Tea where the club's choice of top ten faculty members are honored. An initiation banquet is held each semester.

# Catholic Students Take New Name

Leaders for the CSA for the past year are (front row) Eddie Garcia, external vice president; Mary Doucet, corresponding secretary; Yolanda Gonzalez, recording secretary; Lupe Ureste, internal vice president, (back row) Jan Zengler, treasurer; Lenord Burns, president; and Casimir Jarzombek, chaplain.

## Known Previously As Newman Club

Fulfilling many of the spiritual, intellectual, and social development needs of the Catholic Students at Texas A&I is the Catholic Student Association.

All undergraduate and graduate Catholic students of the university can become members of the organization.

This is the first year for the Catholic Student Association to exist with this name. It was formerly known as the Newman Club.

The CSA sponsors car washes, sings, marshmallow roasts, dances, and a beach party. This year they toured the Kenedy Ranch in Sarita. During a discussion and devotional period CSA students had Bishop Thomas Drury as one of their guest speakers. The films "Run" and "The Unattached American" were also sponsored by the association.

# Delta Omicron Presents Coed Musicans in Concert

The original purpose of Delta Omicron is to inspire close friendship among women music students, encourage high scholarship, develop character and leadership, and stimulate greater growth in the performance and appreciation of good music.

Membership consists of twelve women having a 2.0 overall grade average, a 3.0 point in music, and showing an interest in music.

Delta Omicron was founded on September 6, 1909, at the Cincinnati Conservatory of Music, Cincinnati, Ohio. It is the only professional music fraternity founded by undergraduate students. Delta Omicron became an international fraternity when the first collegiate chapter to be established abroad was chartered in Ewha Woman's University, Seoul, Korea.

A cotton candy booth at the annual fall carnival is sponsored by Delta Omicron.

They held an Annual Founder's Day recital in December. Mrs. Milton H. Petzhold, the president of Delta Omicron Foundation, spoke at the reception after the Annual Founder's Day recital. She was also the honored guest at a Delta Omicron luncheon.

Delta Omicron had Dr. Marion Morrey Richter as a guest this April. Dr. Richter is a composer, pianist and lecturer, and is presently holding the office of Chairman of American Music for the National Federation of Music Clubs.

This year Delta Omicron is led by Karen Tate, 1st vice-president; Faye Maddox, secretary; Melody Chorn, president; Linda Weiss, treasurer; and Janet Hartnell, 2nd vice-president.

# Delta Sigma Pi Tutors, Has Songfest

Lawrence Kieschnick, senior vice president; Hugh Morrison, president; Frank Lovvorn, secretary; Ed Kellam, vice president; and Mark Henry, treasurer, lead Delta Sigma Pi activities this year.

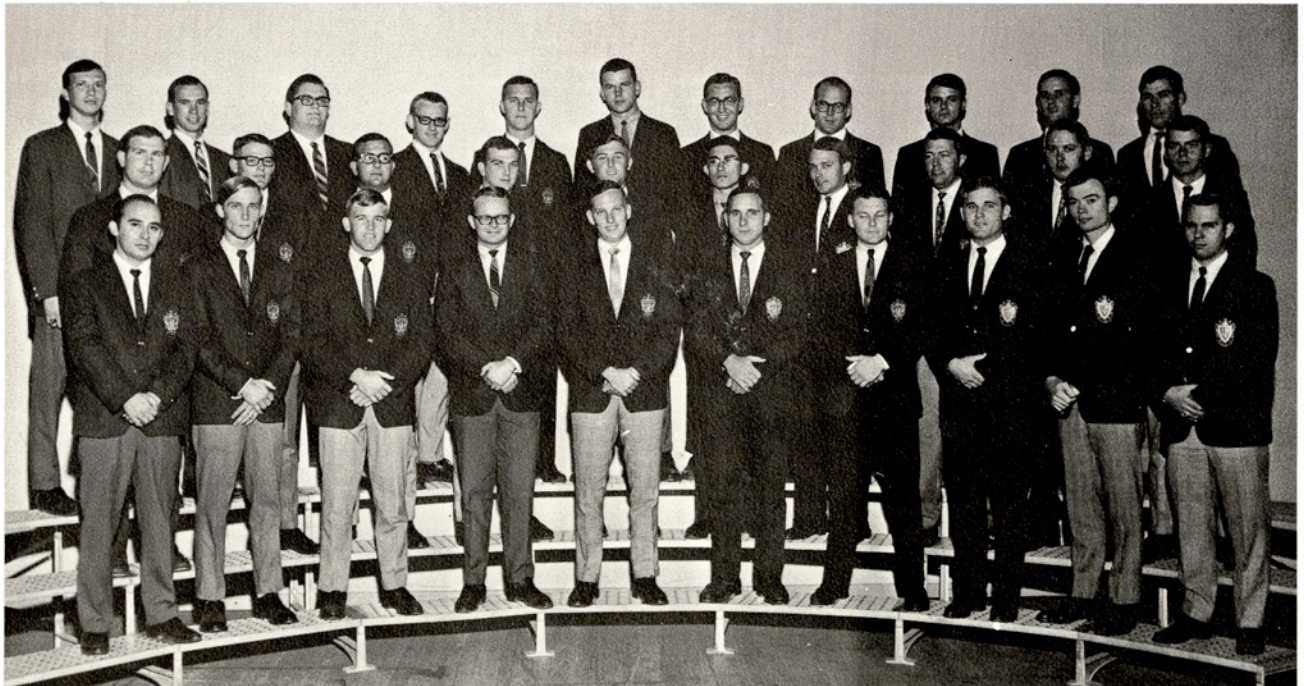

Men majoring in Business Administration make up the Zeta Nu chapter of Delta Sigma Pi. Membership in this professional fraternity is by invitation only. Qualifications used in selecting members are that the student have a grade point average of at least 2.0 and must not be a member of any other national professional commerce or business administration fraternity. There were 36 members in the fraternity, an increase of five over 1967-68.

This year the fraternity's members aided in tutoring at the Coastal Bend Youth City in Driscoll, held their yearly Songfest and the annual Rose Ball which honored their chapter sweetheart, Carmen Evans. At meetings speakers from the business world addressed the students.

Delta Sigma Pi was created in 1907 at the School of Commerce, Accounts and Finance of New York University. The Zeta Nu chapter was founded at Texas A&I May 16, 1965.

The fraternity fosters the study of business in universities, promotes closer affiliation between the commercial world and students of commerce, and tries to encourage a high standard of commercial ethics.

## Footlighters Work Hard at A & I Theatres

In the limelight for the Footlights Club this year are Eliseo Solis, vice president; Bonnie Holt, secretary; Raymond Lozano, president; and Kathy Klein, treasurer.

Thirty-two members of the Footlights Club endeavor to serve as the moving force for the betterment and welfare of drama and the theatre in the university. They try to raise the standards of dramatics by recognizing the most worthy individual and group efforts in the creative arts of theatre.

The Footlights Club is one of the oldest organizations on campus. It sponsors the one-act plays, an annual banquet, and gives awards to recognize quality acting and technical abilities of university students.

To be a member a student must be regularly enrolled at Texas A&I and must have a pursuing interest in theatre.

# Future Farmers Work With Area High School FFA's

Working with high schools in the South Texas area is the main concern of the A&I Collegiate Chapter of the Future Farmers of America.

Composed of students planning to go into agricultural education, the chapter works closely with high school FFA groups by sponsoring the Area X FFA leadership contest in the fall in which 35 high schools participate. The spring judging contest has entries from approximately 75 high schools. The Area X FFA convention, held each spring on the A&I campus, is attended by representatives of 80 high schools.

This year the FFA had 72 members, as compared to 64 last year. The requirements for membership are that a person be a former member of a high school FFA chapter and that they be majoring in agricultural education.

The chapter was organized on the A&I campus in September, 1934. The first sponsor was R. J. Cook, retired professor of agriculture. Motto of the FFA is "Learning to do, Doing to learn, Earning to live, Living to serve."

The Texas A&I Chapter of the Future Farmers of America is led by (kneeling) Jerome M. Tymrak, president; Clemente R. Gutierrez, secretary; (on fence) Calvin Zamzow, reporter; Timmy Prochaska, vice president, and (standing) Gene Brown, treasurer.

Gold Jackets have chosen as their officers Marion Hellman, chaplain; Shirley Self, president; Sandy St. Clair, vice-president; Barbara Rosse, secretary; and Pat Hoag, treasurer.

## Gold Jackets Serve Campus

One of the most helping groups on campus is the Gold Jackets, a service-oriented organization for women.

Gold Jackets help conduct all campus-wide elections; they assist with all Artist Course Committee presentations. This year they helped plan and execute the dedication of the new James C. Jernigan Library and registered visitors and ex-students at Homecoming. The group's service activities are concentrated on the non-academic functions of the university.

Members of the Gold Jackets have as their primary goal service to the university. They try to promote the welfare of the student body by being sensitive to the attitudes and feelings of student groups. The organization tries to stir intellectual curiosity and scholastic integrity and seeks to provide a sounding board for social issues.

Membership requirements are a 2.5 grade point average and a sophomore, junior or senior standing. Coeds are also chosen on basis of leadership ability, creativeness, sense of responsibility and dedication to Texas A&I.

## Awakening Interest In Good Health, Fun Goal of HPE Club

Membership to the HPE Club is open to all health and physical education majors, minors, and anyone else interested in health, physical education and recreation.

The 45 member group tries to awaken a wide and intelligent interest in health, physical education, and recreation. They sponsor one activity each month.

The club endeavors to promote social and professional cooperation among its members, faculty, and alumni through informative meetings, socials, and participation in university and community affairs. Members attend professional meetings and take an active part in them. They also help with university and high school athletic meets held at A&I.

The HPE Club is led this year by Rick Larsen, president; Raymond T. Harris, treasurer; Allan Gregorcyk, vice-president; and Gloria P. Garza, secretary.

## Hispanoamericanos Learn of Cultures, Spanish Language

Club Hispanoamericano is a scholastic organization which strives to promote and encourage better relationship between the American countries. It seeks to promote and practice the Spanish language and Spanish culture.

Club Hispanoamericano has a membership of 100, an increase of 30 over last year's total. It is one of the most active and well-known organizations on campus.

The club sponsors an annual turkey trot before the Thanksgiving holidays and a Christmas Posada. They present a drama production in Spanish in the spring. But the best-known activity of the club is the annual trip to Mexico which gives club members an opportunity to put their Spanish to the test.

# Home Ec Members Help Welfare Drives

One of the most active groups at Texas A&I this year was the Home Economics Club, which had 50 members.

Members helped with local welfare drives, went caroling at Christmas time to entertain resident's of Kingsville's nursing home, held a style show and Christmas party.

Among the speakers from the home economics profession to address the group this year was Miss Lyn Cameron of the Dairy Council, Inc.

Representatives of the club attended the state THECC workshop held at Stephen F. Austin College in Nacogdoches on Nov. 7 and 8.

Any student interested in home economics may join the club. The purpose of the organization is to encourage professional development in home economics.

Leading the Home Economics Club are (seated) Marion Hellman, president; Carol Post, second vice president; (standing) Donna Scott, first vice president; Charla Wagner, treasurer; and Sandra Nagel, secretary.

Horticulture Club officers for the year were Randy Lynch, reporter; Larry Busby, secretary-treasurer; Delbert Fuchs, president; and Robert McKinney, vice president.

## Campus Beauty Major Concern Of Horticulturists

Campus beautification is the major concern of the Horticulture Club. The group is responsible for many of the plants growing at Texas A&I, especially those in the Kleberg Agriculture Building.

Thirty members of the club this year conducted a plant sale on Dad's Day and the Twelfth Annual Horticultural Show during the fall, which featured speakers, displays and a banquet.

One of the outstanding speakers to address the club was George Madden of the United States Department of Agriculture's pecan research station at Brownwood.

The club, which raises money through a plant sale in the fall and a citrus sale in the spring, bought a turbulator for the university's greenhouse.

Membership in the club is open to anyone interested in horticulture.

## Industrial Arts Club Hosts High Schools At Annual IA Fair

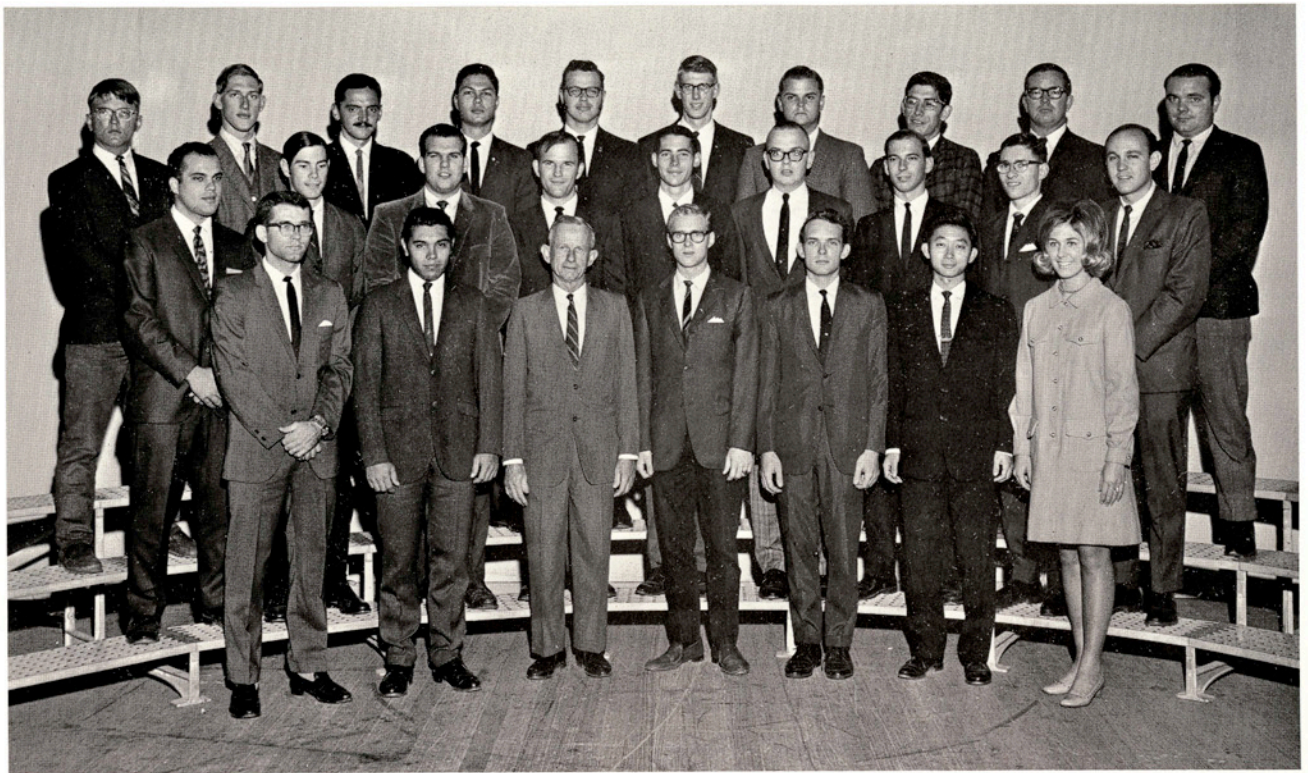

The Industrial Arts Club of Texas A&I is organized to further and foster the aims and objectives of industrial arts, thereby providing a social stimulus for students with an interest in the field.

Membership is open to all students majoring in industrial arts and any others with a sincere interest in the promotion of the field.

During the month of May the Texas A&I Industrial Arts Club hosts the Coastal Bend Industrial Arts Fair, giving all South Texas high school students a chance to display their projects and achievements.

The I.A. Club is affiliated with the Texas College of Industrial Arts Association. A convention is held every year at Texas A&M University during the month of February.

## IEEE's Seniors Present Projects To Professionals

One of the highlights of the year for members of the Institute of Electrical and Electronic Engineers is when seniors in electrical engineering present their senior projects. This is usually done at a combined meeting of the local chapter and the Corpus Christi chapter, which consists of professional engineers.

At their monthly meetings members hear speakers from industries which employ electrical engineers. The group makes field trips each semester to examine industries of an electrical or electronic nature.

Thirty students joined IEEE this year. The organization is open to all engineering students who are interested in broadening their acquaintance with all aspects of electrical engineering and related arts and sciences.

## International Students Bring Foreign Flavor

Officers for the International Student Forum are Alberto Valbuena, treasurer; Ignacio Sotolongo, president; Keota Santiwatana, secretary; and Chih Yung Chi, vice president.

A & I University can boast of attracting students from all over the world to study in its schools.

The international students attending A & I have grouped together to establish a meeting ground among themselves and with other students interested in international affairs. The organization is known as the International Student Forum.

The International Students meet twice monthly. At each meeting a faculty member speaks to them about campus life.

Members are active in campus affairs. Each week a different member writes a column about his own country or an aspect of foreign affairs for the South Texan. At the fall carnival the group operated a rabbit run booth. The Forum members also held an exhibition of Chinese dress one evening in the Student Union Building.

The organization does not lack in athletic talent. They have a soccer team that played against Trinity University.

In the fall the University honored the International Students with an International Understanding Day. The group wore costumes of their respective countries and were presented at an A&I football game.

## Kappa Kappa Psi Plans Band Day For High Schools

Kappa Kappa Psi is an honorary band fraternity whose members must be outstanding musicians with leadership qualities and good musical backgrounds.

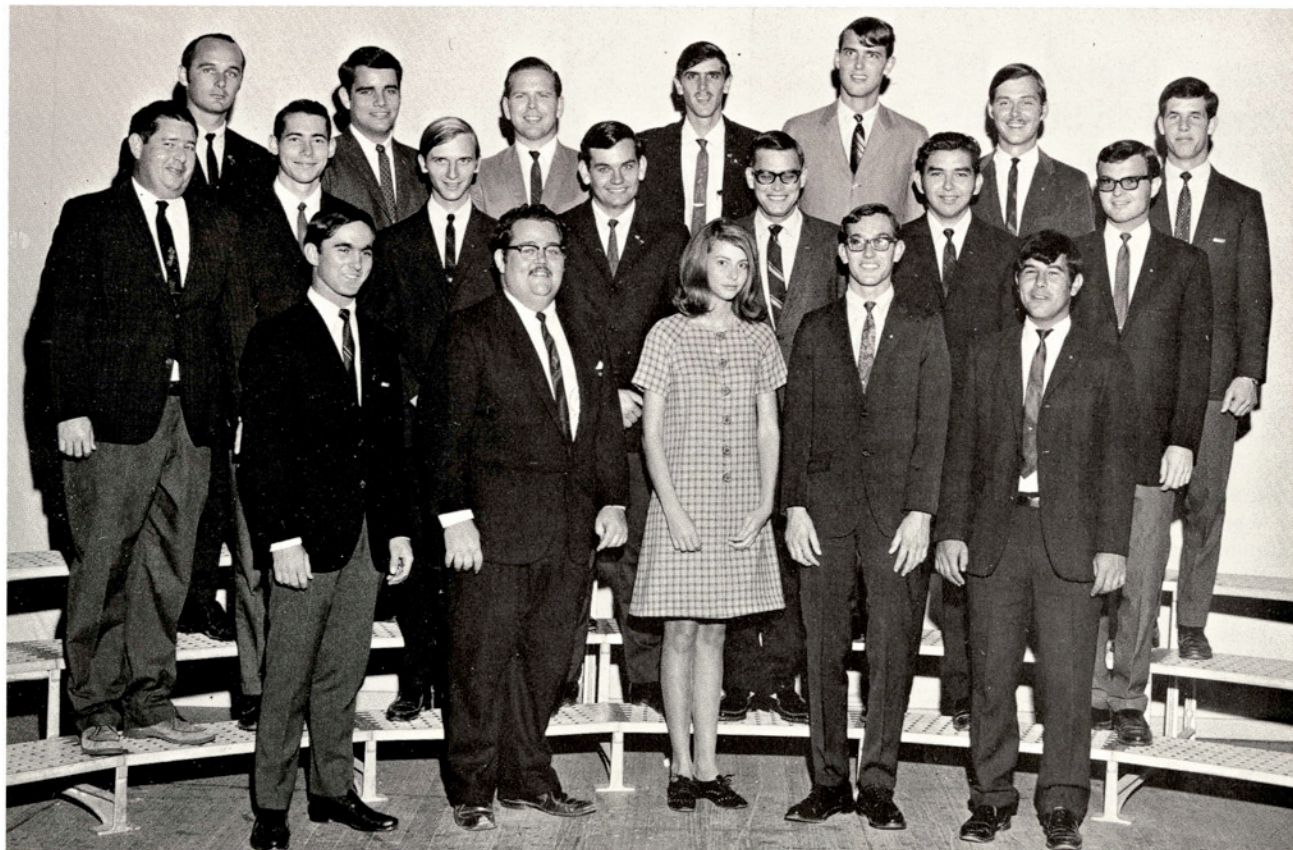

The purpose of this fraternity is to promote the existence and welfare of college and university bands through active participation in band work.

Kappa Kappa Psi handles Band Day, hosting high school bands from the South Texas area. It helps plan tours during the year, and also helps with Javelina band business.

Kappa Kappa Psi officers are Forrester L. Halamicek, pledge trainer; Roy Semar, vice-president; Morris Atkins, president; David Smith, treasurer; and Doyle Peake, secretary.

## Kappa Omicron Phi Honors Top Students In Home Economics

Top scholastic home economics students are members of Kappa Omicron Phi, a national honorary fraternity.

This year 25 women belonged to the fraternity, an increase of 5 over the previous year.

To become a member a student must be a major or minor in home economics with an over-all "B" average in home economics courses and an above average grade in other courses. A member must prove herself a contributing member to the organization and a person of high social and intellectual ideals.

In March the fraternity dedicated the organization's crest which was placed in front of the Home Economics Building.

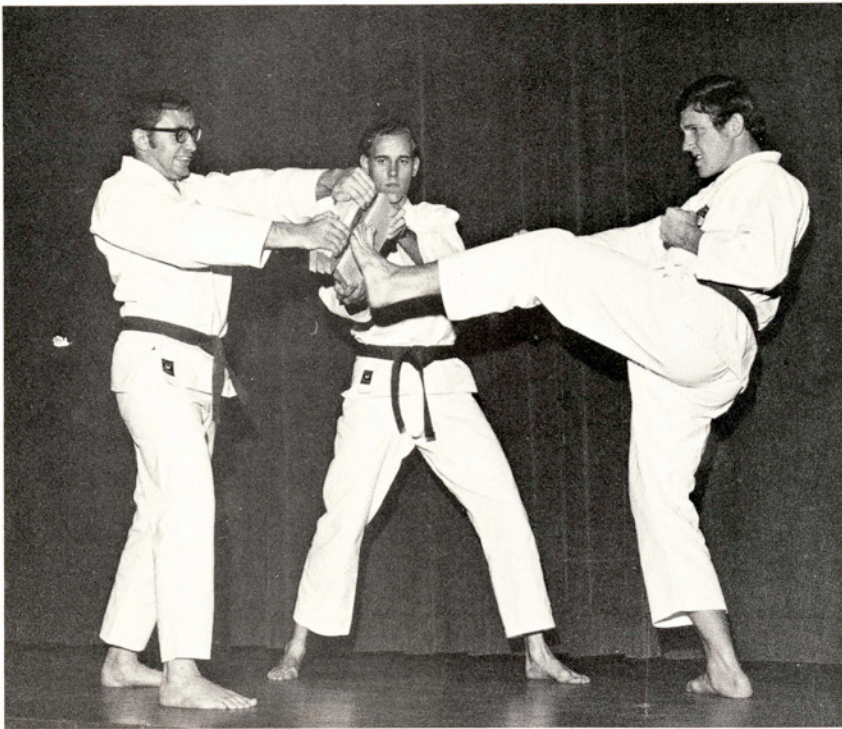

During the year the group raised funds for the crest and for the National Scholarship Fund. They held a Founder's Day Service and a banquet in December.

Members of Kappa Omicron Phi were guided in their endeavors by Karen Cloud, president; Marion Hellman, vice president; Donna Wilson, secretary; and Betty Zapletal, treasurer.

# Karate Club Teaches Sport, Self Defense

Karate Club officers are Buddy Billingsley, instructor; Billy McCoy, instructor; and Jeff Smith, head instructor.

To teach self defense and the sport of karate for the development and protection of their members is the aim of the A&I Karate Club (Tae Kwon Do).

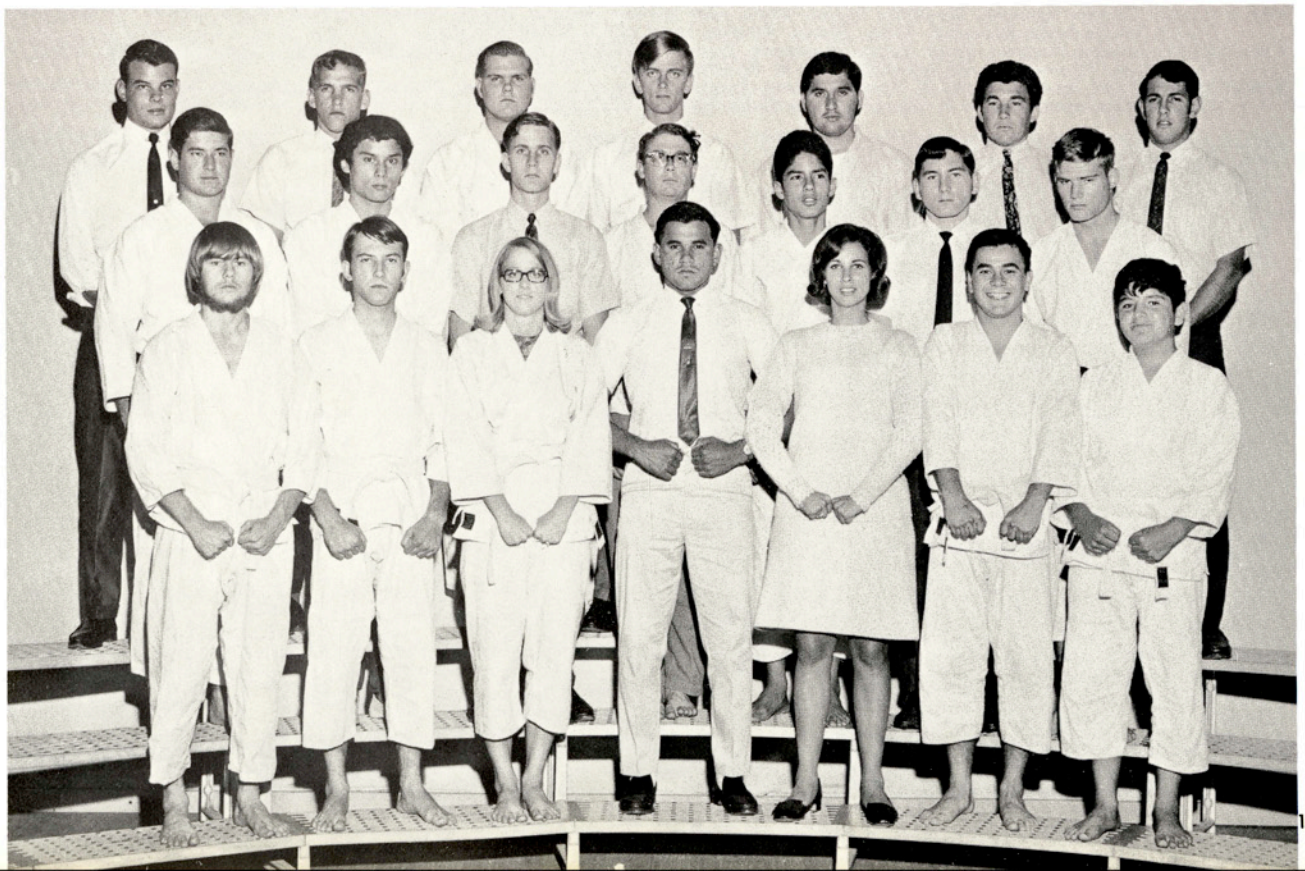

The Karate Club was started in 1962 by Bruce Turner and is associated on a national level with the J. Rhee Institute of Tae Kwon Do.

At the beginning of each semester there is a demonstration of karate for the public, and each year the group sponsors a tournament at A&I.

At the end of each semester J. Rhee of Washington, D.C., a seventh grade black belt, comes to the university to administer a promotional test for the club members.

Membership this year is 51 as compared to 30 last year. The only requirement for membership is interest in karate and regular attendance at all meetings

# Laredo Club Aims for Better Relations, Friendships; Provides Scholarships to Deserving Laredo Students

Officers for the Laredo Club are Frank J. Saenz, president; Carmen Mendez, secretary; Delia Trujillo, reporter; Javier Sergio Moctezuma, treasurer; and Claudio A. Garza, vice president.

The Laredo Club strives to foster better relations among students from Laredo who are attending Texas A&I. It combines cultural aspects in relation to academic life, and raises money for scholarships which are awarded to deserving Laredo students planning to attend Texas A&I.

Any Laredo or non-Laredo student who attends A&I and supports the club's objectives are encouraged to join.

The Laredo Club has been active since 1962 with membership varying throughout the year. This year's membership stands at 50. It sponsors dances, participates in the Fall and Spring Carnivals, and has speakers at regular club meetings.

## Le Cercle Francais Brings French Touch With Cafe at Carnival

This is the second year for Le Cercle Francais to be on the A&I campus. The organization's purpose is to promote the French language and the knowledge of French culture.

Anyone with an interest in French can become a member. This year the club increased by seven new members.

One of the highlights of the club's activities was the sidewalk cafe operated in front of the Student Union Building during the Fall Carnival. In the spring Le Cercle Francais planned to present a French play.

Among the speakers to address the club was James H. Herring, chairman of journalism. Herring spoke on his recent trip to France where he made a study of a group of French newspapers.

## Lutherans Seek To Relate Christ To Campus Living

The Lutheran Students of A&I is a combined organization of the Gamma Delta and Lutheran Students Association, and is comprised of all Lutheran students.

Approximately 25 members strive to relate the Christian life to an academic environment.

Members participate in activities to promote fellowship and programs to relate the Christian life to an academic environment. The organization meets for a program and fellowship once a month.

Special activities during the year include a fall bar-b-que, Christmas caroling, and other opportunities for friendship and the exercise of one's personal faith.

# Marketing Club Fetes Dr. J.R. Manning

At their annual barbeque for students, faculty and business men, the Marketing Club honored Dr. J. R. Manning. Dr. Manning, former Director of the Division of Business Administration, is retiring this year. He has taught at Texas A&I since 1925. For the Marketing Club he has been a source of friendly aid and was the guest speaker at its first barbeque five years ago.

Twenty-five students belong to the club this year. The club seeks to develop sound thinking in marketing theory and more exact knowledge and definition of marketing principles in its members. Any business major is eligible to join the club.

Another purpose of the organization is to strengthen the ties between executives in business and business students.

This year the group attended a sales seminar conducted by Carl Stevens, a sales expert from San Antonio and New York City. A representative of Channel 10 in Corpus Christi spoke to the club on television advertising.

The Marketing Club finances its activities with sales projects. One of the most successful of these is a fruit-cake sale in the fall.

Marketing Club officers are Mariano Garcia III, vice-president membership; Patricia Pennington, secretary; Darrell Hamon, president; Carl R. Ingram, treasurer; Reynolds Tharp, vice-president; Gary Gainan, publicity; and Dr. Virgil Stone, advisor.

## Opportunities Open To Trained Students Study of Math Club

Trying to create a broader interest in and fuller appreciation of mathematics are the principal objectives of the Math Club. Members try to extend mathematical concepts at their meetings.

The club gives students an opportunity to inquire into professional positions which are available to people trained in the field of mathematics.

Membership is open to math majors, math education majors, and interested students who have received credit for or are presently enrolled in analytic geometry.

Faculty advisors are Miss Joyce Slough, Genaro Gonzalez, and Gary Middleton.

Leading the Math Club are Barbara Koehler, secretary; Shirley Pettigrew, treasurer; Mary Layne Finley, president; and James Duron, vice-president.

# MENC Assists UIL Music Events

## A&I Chapter Has Membership of 50

Texas A&I's student chapter of Music Educators National Conference is one of the largest in the state with 50 members, an increase of four over last year.

Local chapter activities this year include programs featuring distinguished speakers and area-interest discussion groups. Each year members assist the music department when it hosts the University Interscholastic League musical events.

MENC affords its members the opportunity for professional orientation, with music education the common objective. While membership is open to any student, music education majors particularly find professional association and identity through affiliation.

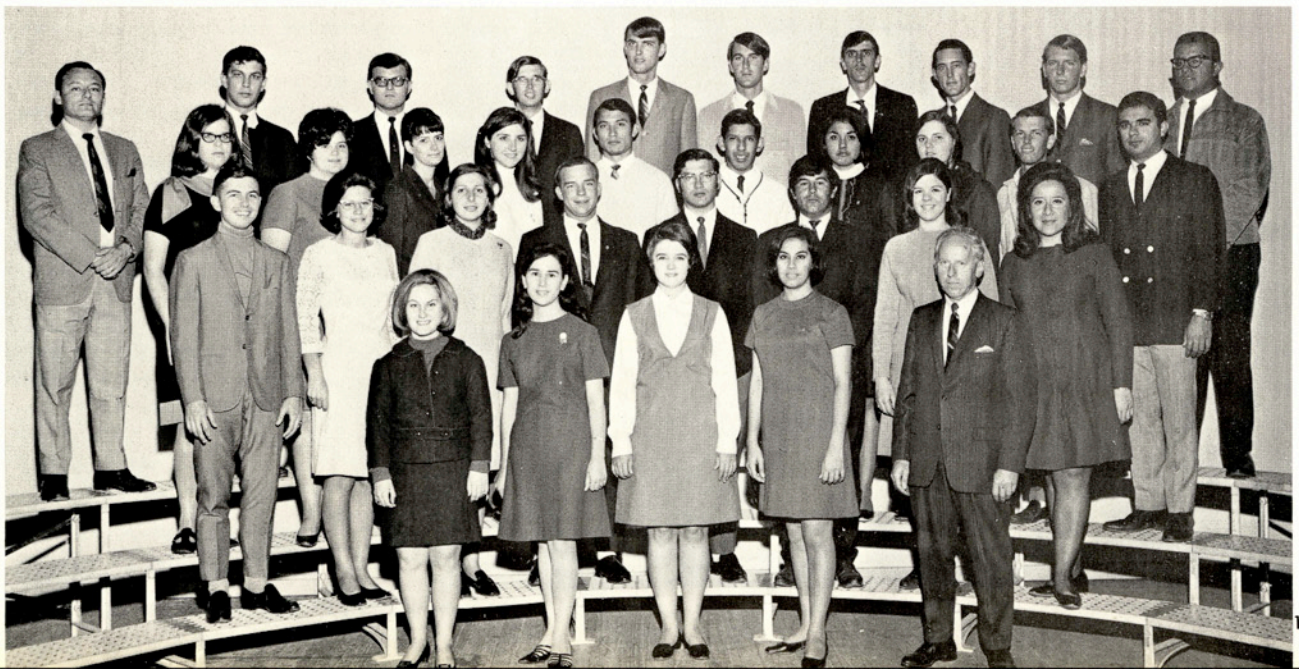

Leading the activities of the Music Educators are Alex Sotelo and Yolanda Garza, social chairmen; Anna Schoener, secretary-treasurer; Mike Gilbert, vice president; and John Schuch, president.

**Front:** Robbie Walker, Petra Puente, Linda Weiss (sweetheart), Vickie Ozuna, A. E. Tellinghuisen (sponsor).

**Row 3:** Alonzo Ramirez, Gary N. Haner, James C. Engelking, Norell D. Schulte, Craig W. Clark, Gilbert G. Hernandez, Bill Truxaw.

Leading the Organization of General Engineers are Tommy Allen, vice-president; Norrel Schulte, president; and Everett Nute Beckett, secretary.

## General Engineers Meet for Films, Lectures Monthly

Any general engineering major is invited to become a member of the Organization of General Engineers. The organization tries to bring engineering students into closer relationship with professional engineering activities. There was an increase of eight members this year.

The group meets monthly to hear lectures and see films. One of the outstanding films presented this year explained the construction of St. Louis's famous arch. Members made a field trip to Reynold's Metals Co.

The organization was started in 1962 under the sponsorship of Marcus Truitt. Sponsors this year have been Fahir Basci and Dr. Fu Chu Lee.

# Panhellenic Plans Rush Activities For Sororities

The Texas A&I University Panhellenic Council aids in maintaining a high level of sorority life and inter-sorority relations within the university.

There are three representatives, a senior and junior delegate and an alumna from each member group. Groups eligible to belong to the Panhellenic Council are those chapters which are members of the National Panhellenic Conference or local groups which have been established for two years and accepted with a three-fourths vote of the local council.

Panhellenic establishes rules and directs the organization of formal rush. The council sponsors a breakfast for Lantana duchesses from area high schools, works with the Inter-Fraternity Council in planning Greek-Weekend, and attends the state-wide Panhellenic Conferences.

Panhellenic officers are Karen White, treasurer; Sharon McMurray, vice president; Vicki Greenlee, president; Janet Carlson, secretary.

# Phi Mu Alpha Sinfonia Doubles In Size

## Fraternity Furthers Music on Campus

A "Men Only" organization which works to advance the cause of music is Phi Mu Alpha Sinfonia. Twenty students joined the fraternity this year, an increase of nine over last year.

The group presents the All American Concert on campus, holds campus dances, and works as a service group for the music department. This year they raised funds by having a refreshment booth at the Fall Carnival. Members attend the annual Province Workshop at San Marcos.

The fraternity was founded at the New England Conservatory of Music in Boston in 1898. The local chapter was installed May 7, 1967. The organization tries to foster the welfare and brotherhood of students of music, develop a fraternal spirit among its members, and encourage loyalty to the Alma Mater.

Leading the Sinfonians this past year were (seated) Mike Gilbert, treasurer; Prissy Rodriguez, sweetheart; (standing) Danny J. Duncan, sponsor; Ronald Stokes, vice president; and Humberto Gonzalez, president.

**Front:** Fernando Silva, Ernest Muzquiz, Prissy Rodriguez (sweetheart), Ernesto Guajardo, Edwin T. Crump.

## Press Club Listens To Series of Speakers Discuss Specialized Communications Fields

Members of the Press Club heard a series of speakers from the mass media at their meetings this year.

Among those who spoke were Mrs. Frances W. Beckman, owner of Ad-Craft Advertising Agency of Corpus Christi; Robert Tice, A&I speech instructor who covered the Democratic Convention in Chicago as part of the Associated Press force; Skip Wood, director of music for KINE, and Joseph H. Coudert, public relations director for the Corpus Christi Chamber of Commerce.

The club conducted a Presidential Preference Poll in the fall before the national elections in conjunction with another club. The journalism division of the Student Activities Day (for high school students) was conducted by club members.

The Press Club holds the annual "Miss Summertime Contest" to raise funds for the Joyce Wilkinson Memorial Scholarship Fund. This year's winner was Sharon Smith of Kingsville.

Press club officers for the 1968-69 term were Thea Hamilton, vice president; Mary Ann Baur, secretary; Manuel Flores, president; and Shirley Self, treasurer.

# Rodeo Club Sponsors Annual NIRA Show

One of the largest organizations on campus this year is the Rodeo Club. Last year the group claimed 55 members; this year it has grown to 135, the largest membership in the club's history. Members must be full-time students, although associate and honorary memberships are recognized.

Club members work to promote rodeoing on the Texas A&I campus. They try to promote good conduct and sportsmanship at all club-related rodeos. Attracting prospective club members and holding the interest of students in rodeos is a major interest of club leaders.

Originally part of the Aggie Club, the Rodeo Club became an independent group because of its specialized interest. In the history of the organization are the names of many regional and national rodeo champions and competitors.

The Rodeo Club sponsors the bucking barrel at the Fall and Spring carnivals, the Dad's Day Open Rodeo, and the annual spring National Intercollegiate Rodeo Association Show.

Members of the 1968-69 Rodeo Team are (front) E. L. Sparks, sponsor; Debbie Waitz; Lisa Rogers; Gina Krause; and Delmar Krenek. In the back are Chico Jacintho, Jack Dudley, Darrell Vanderverter, and Lonnie Rakowitz.

During the summer, 1968, A&I Rodeo Team member Lonnie Rakowitz represented the Southern Region of the NIRA and Texas A&I at the NIRA finals in Sacramento, Calif. Rakowitz, a senior from Pleasanton, placed sixth in saddle

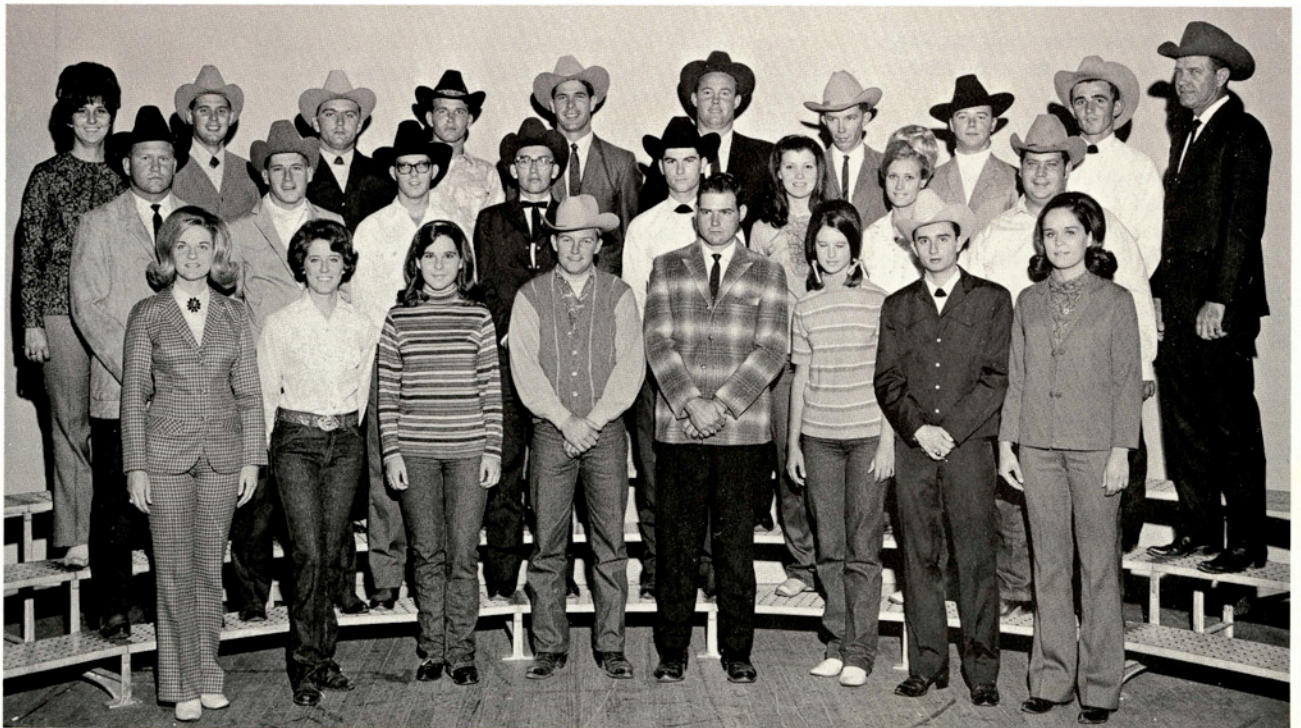

bronc riding. The Rodeo Club presented him a trophy for his representation at the nation-wide event.

Boys and girls from the Coastal Bend Youth City are the club's guests at all club-sponsored rodeos.

## Spanish Scholars Attain Excellence In Sigma Delta Pi

The Gamma Lambda Chapter of Sigma Delta Pi National Honor Society honors those who seek and attain excellence in the study of the Spanish language and in the study of the literature and the culture of the Spanish speaking people. Their motto is: El amor por todo lo noble y bello que haya salido de la venerable Espana.

Membership requirements are three years of college Spanish or equivalent with a B average. They must be in the upper 35% of their class.

Sigma Delta Pi was established in 1919 at the University of California in Berkeley. Sigma Delta Pi has expanded since then to include 175 chapters.

During the year the group sponsors Spanish language movies, Pan-American day activities, and holds banquets when initiating new members.

Guiding Sigma Delta Pi in its second year on campus are Oralia M. Escobar, treasurer; Juanita Alba, secretary; Anastacio Saenz, parliamentarian; and Celia Nora Villarreal, president.

Sigma Tau officers are John Parish, secretary; Mike Gyllenband, vice president; Alonzo Ramirez, treasurer; and Barrett Pierce, president.

## Sigma Tau Members From Top Engineers With High 3.0 GPA

Sigma Tau is an honorary engineering fraternity whose purpose is the recognition of scholarship and promise of attainment in the field of engineering.

The local chapter, Alpha Eta, was chartered in April, 1954. To be eligible for membership one must be enrolled in the school of engineering, have seventy hours or more, and a grade point average of 3.0 or above. A total of two-hundred engineers have graduated with Sigma Tau honors.

Various projects are undertaken each year to improve the school of engineering. In addition scholarships are available from the National Council of Sigma Tau.

## Student Education Association Hosts Area Conclave

Leading the activities of the Student Education Association are Carla Schilling, treasurer; Ethel Howerton, vice president; Monna Evans, recording secretary; Rosario Azios, corresponding secretary; and Shirley Pettigrew, president.

The Student Education Association is a professional organization for all prospective teachers. It boasts a membership of 260 making it the largest professional organization on campus.

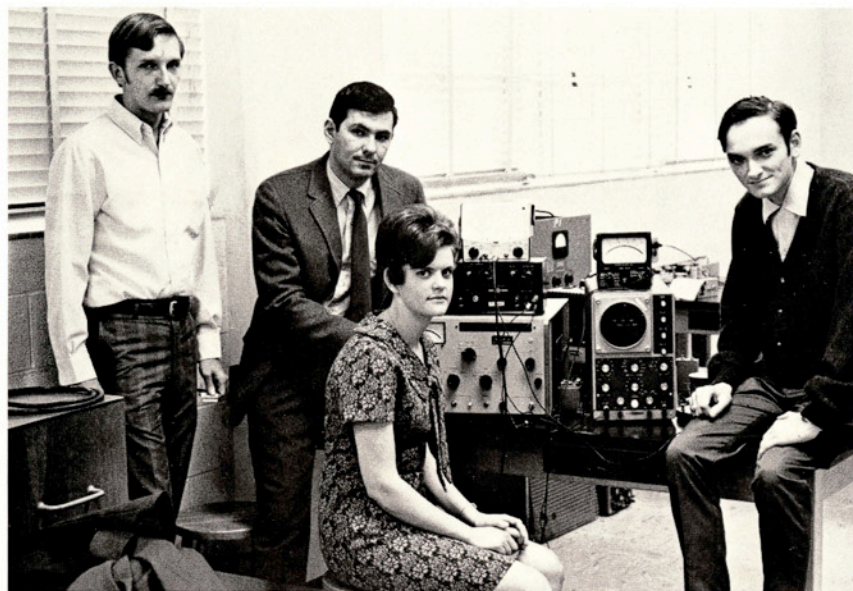

This year on the A&I campus, Pi Kappa Epsilon hosted the Area IX Texas Student Education Association Conference. This conference involved over 100 delegates from various schools in the area. The Conference Coordinator, who was responsible for the activities of the day, was Margaret Ann Henry. Fort Worth was the site of the State Convention to which A&I sent delegates.

S.E.A.'s motto is "Toward Tomorrow's Teaching — Accent on Professionalism, Changing Perspectives".

# Physics Club Conducts Fair, Open House

Physics Club officers are Keith Messer, vice-president; W. D. Dobbs, president; Judy Gibson, secretary; and Joe Stateson, treasurer.

Stimulating an interest in physics is the goal of The Society of Physics Students. The organization tried to do that this year by sponsoring a Physics Fair during the spring. Demonstrations of interesting facts of the physical world were created by society members and Open House was held in the Lon C. Hill Physics Building during the Fair. High School physics classes were invited, along with the general public, to see the physical phenomenon.

The society was started as a subsidiary of the American Institute of Physics in 1956. There was a revival of interest among A&I students two years ago and the society was re-organized. This year there were 14 members.

At their monthly meetings members witnessed a demonstration of the neon-helium laser and heard Dr. H. N. Clarkson, research physicist of Austin representing La Coste and Romberg Gravity Meters. The group made a field trip to Celanese.

# Student Council Guides Campus Life

The Texas A&I University Student Council is a representative body of the Students Association of the University. Its members include 45 students representing different phases of the student body.

Members of the Council must maintain a grade point of 2.0 or above. The people who are responsible for checking on grades and other requirements are the faculty sponsors. The 1968-69 advisers were Dr. Ronald Sommer, Dr. Floyd Elliot, Dr. Stanley Bittinger, Beverly Jones and Manuel Salinas.

All participants must be members of the Students Association who are elected to represent classes, schools, and student groups.

Officers of the Texas A&I Student Council undertook such activities as dedicating the James C. Jernigan Library, and investigating the Book Store's profits.

In December and March members of the Council participated in the Texas Intercollegiate Students Conferences in Houston and Corpus Christi respectively. During the conferences the students learned new techniques in dealing with students' problems.

Leading the Student Council are Anais Hill, treasurer; Mike Campbell, male representative; Hugh Morrison, president; Jo Ann Moss, vice-president; Pat Garcia, South Texan editor; and (seated) Judy Pagano, secretary.

- Front:** Adelaida Martinez, Brenda F. Benjamin, Roger T. Trevino, Florence Youngblood, Vickie Ozuna, Rose Ann Scallan.

# Entertainment Is Goal of SUGB

The Student Union Governing Board is basically concerned with providing A&I students with recreation and entertainment through the Student Union.

Throughout the year the Governing Board puts on such events as the free Friday night movies, dateless dances, the Fall and Spring Carnivals, back-to-school dances, the Howdy Dance, Dad's Day Reception and the Homecoming Coffee and Registration.

Each semester the SUGB publishes an activities calendar. This idea has now been adopted by many schools in the region.

Yearly the Student Union Governing Board travels to the Region XII ACVI Conference to discuss the problems faced by Student Unions and to gather new ideas on how to make college life more enjoyable for students. This year the convention was held in New Orleans.

**Row 2:** Charla Wagner (secretary), James Prewitt (director), Dick Bridgers (vice president), Don Nelson (chairman).

# Intra-faith Council Starts on A & I Campus

A new baby on the A&I campus this year in the Intra-faith Council. The Council is open to representatives of all religious organizations recognized by the Office of Student Affairs. Each religious organization may send three representatives to the Council sessions.

The Intra-faith Council is concerned about the need for a spiritual awakening by most university students. It tries to open channels of communications to promote understanding between different campus groups, and it addresses the social, moral and religious ques-

tions of the day.

In its organizing year the council undertook a planning retreat, a religious preference survey during spring registration, and a religious emphasis week on campus.

Helping to guide the TSPE through a busy year of activities are (seated) Susan Poorman, sweetheart; Mickey Wilkens, reporter; (standing) Mike Gyllenband, president; and Barrett Pierce, vice president.

## TSPE Contributes New Directories To Engineering

The Texas Society of Professional Engineers held their annual bar-b-que and also purchased the directories for the engineering building this year.

This organization, composed of 35 members, was organized on campus in 1960. The group helps in the promotion of professionalism among engineering majors. Membership is open to any engineering student.

At each of their monthly meetings, members gain knowledge and practical information from speakers or films.

# Intercollegiate Meets Attract Forensics Club

The Texas A&I Forensics Club was formed in 1968. It includes Pi Kappa Delta (honorary debate fraternity) members as well as students with a special interest in forensics.

The club's motto is: "The art of persuasion, beautiful and just."

To become a member a student must express an interest in forensic activities, and later must demonstrate proficiency and diligence in speech events. Four of the 13 members of the club belong to the national fraternity, Pi Kappa Delta.

Members of the Texas A&I Forensics Club participated in intercollegiate tournaments in and out of Texas. Among the places where the group competed are the TCU Debate Tournament in Fort Worth, the Bellaire Forensic Tournament in Houston, and the Pi Kappa Delta National Tournament in Tempe, Ariz.

Members of the Forensics Club were guided throughout the year by Jim Scott, vice president; James Smith, president; and Chuck Auld, secretary-treasurer.

## Spelunkers Make Caving Trips to Mexico

A&I caver is lowered into the Devil's Sinkhole near Rocksprings.

One of the most rapidly growing organizations on campus is the Texas A&I Speleological Society. This year's membership of 40 shows an addition of 15 over 1967-68.

To be a member of the Spelunkers, a student must own and demonstrate the ability to safely use certain necessary equipment, go on field trips, and demonstrate the ability to perform certain caving techniques.

The Spelunkers promote the objectives of the Texas Speleological Association, the National Speleological Society, the Association for Mexican Cave Studies and the study of caves and karst regions. And, of course, fun is high on the society's list of purposes.

The Texas A&I Speleological Society was started in the Spring of '67 after several trips to Gruta del Palmito near Bustamante, Nuevo Leon, Mexico, by interested students. Many trips to Texas and Mexican caves have taken place since. One such trip has been to Devil's Sinkhole near Rocksprings.

The Spelunkers are allowed two voting delegates on the Texas Speleological Association Board of Governors and several members make trips to attend these meetings.

# Veterans Association In First Year

## 20 Ex-Servicemen Participate in Politics

Twenty members of the Veterans Association have combined to provide an organization for service and social activities.

Ex-servicemen with over six months active duty with the U. S. Armed Forces and attending Texas A&I are eligible for membership.

The Veterans Association became a campus approved organization on April 1, 1968. They are active in campus politics; their activities have been mainly confined to administrative service to veterans.

The association's sweetheart, Rosemary Rodriguez, won First Princess in the Homecoming Queen contest after an active campaign by the veterans for their candidate.

Heading this new campus organization are Kim Blue, vice president; James Ward, secretary; Ron Edmundson, president; Edwin Lahtinen, social chairman; and Joe Pompa, publicity chairman.

## Campaigns Keep Young Republicans Busy

It was a busy year for the Texas A&I Young Republicans as they encouraged students to take a civic interest in their local, state, and national governments. The group aided and encouraged the development of the Republican Party in Texas and sought to instruct voters in the advantages, benefits, and principles of the Republican Party.

Meetings provided students with opportunities to discuss the affairs and issues facing Republicans in Texas. The organization served as a liaison between the Republican Party of Texas, the Young Republican Federation, and the students of Texas A&I.

Any student, staff or faculty member of Texas A&I can join the organization.

The Young Republicans helped with the 1968 national, state and local campaigns, providing many hours of volunteer service to the Republican Party. In February interested students attended the state convention of the Texas Young Republicans.

Among the speakers heard by Young Republicans were State Representative Chuck Scoggins and Mrs. Ann Armstrong, National Committee Woman from Texas.

Officers for the Young Republicans are Bill Schulz, treasurer; James E. Sutton Jr., president; Sylvia Fulton, recording secretary; Lester D. Mallory Jr., vice president; and Phyllis Swartz, historian.

Republican Commissioner of Agriculture candidate Millard Neptune shows the fourteen amendments to A&I Young Republicans.

Young Republicans inform students of candidates and vital issues during state and national elections.

State Representative Chuck Scoggins, Corpus Christi, explains legislative procedures to James Sutton.

Paul Eggers, candidate for governor, discusses current issues with Sylvia Fulton and Craig Wentreck at a supper at the King Ranch.

## Women's Recreation Association Has Fun

Leadership for the WRA is provided by Judy Stewart, vice president; Karen Urban, president; Cindy Johnston, treasurer; and Delmagene Saunders, sports representative.

### Camp-out, Banquet, Sports Are Activities

Cooperation, sportsmanship, friendliness and goodwill among the women on campus are the goals of members of the Women's Recreation Association.

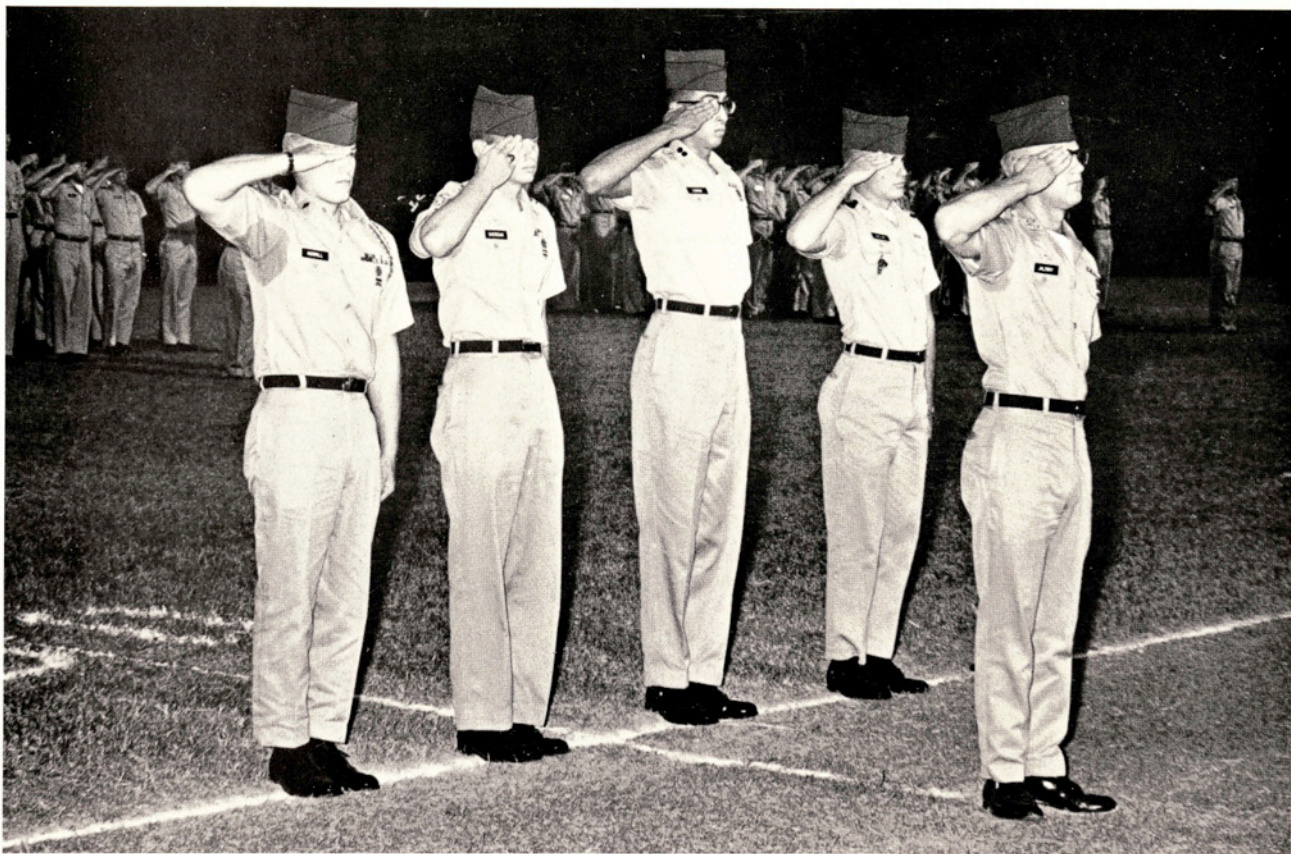

The organization provides intramurals, sports and recreational activities for A&I women. WRA gives awards for high-point winners under their point system.

WRA is open to any woman student, and currently there are 30 club members.

The girls participate in the Fall Carnival, Kollege Kampus Kapers and Lantana. They also coordinate the women's intramural and sponsor girl's basketball and volleyball clinics. In the spring they have a camp-out at Lake Mathis and an annual mother-daughter banquet.

# ROTC

Cadet Lt. Colonel Danny C. Jaloway and his staff command the ROTC group at A&I.

Distinguished Military Students receive their awards from President James C. Jernigan at a special ceremony in the fall.

## ROTC Trains

In 1951 a Reserve Officers' Training Corps was started at Texas College of Arts and Industries. From that time graduates were assigned to the Army Signal Corps. Then in 1965 the curriculum was changed to General Military Science and at the present time graduates of the ROTC branch at Texas A&I University are offered a choice of any branch of the Army.

Texas A&I is a civilian college that offers a senior division ROTC program that includes a two-year basic course and a two-year advanced program.

The purpose of the program is to procure and train selected University students to qualify as commissioned officers in the U. S. Army. A second goal is to provide these cadets with training which will motivate them toward a military career and guide them as to their future responsibilities and duties as American citizens.

Commissions are offered in the Regular Army as well as the Reserves. Regular Army commissions are reserved for Distinguished Military Graduates.

Cadets visit ARADMAC in Corpus Christi to learn more about the different professions available to Army personnel.

## For Careers

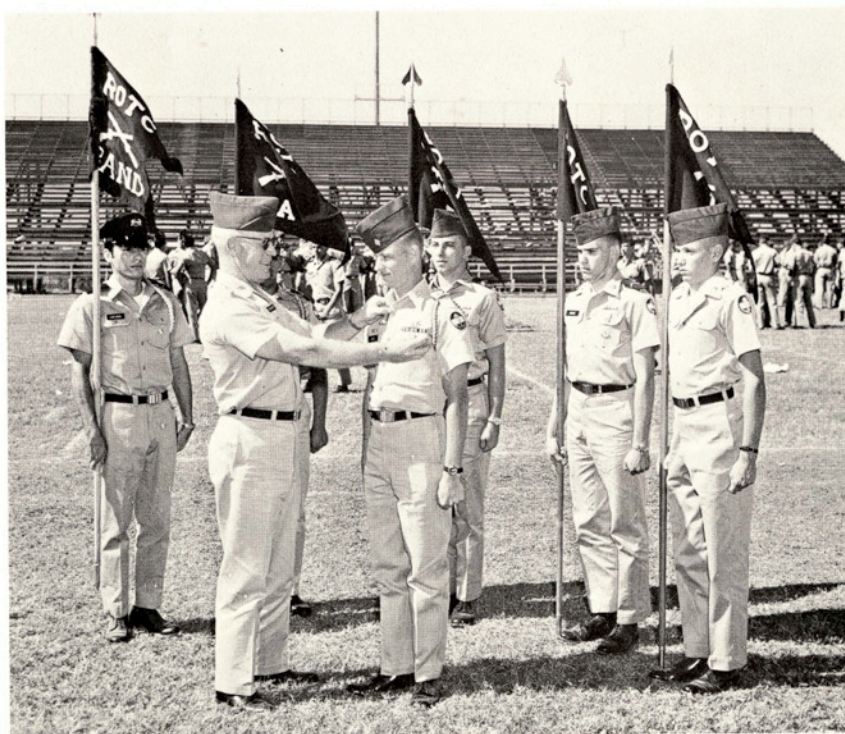

Army ROTC trains and prepares cadets for leadership positions in civilian as well as military careers. This is exemplified by the visit a group of cadets made to ARADMAC operations in Corpus Christi. The company repairs helicopters disabled in Viet Nam as one phase of its service.

Cadets may also take advantage of flight training offered in conjunction with the Kelberg County Airport. Cadet Mike Bell received his wings this fall in special ceremonies to honor the event.

Cadets in the advanced program also spend some time in summer camps as part of their military training. Cadet Lt. Colonel Danny Jaloway was presented the outstanding cadet award and named first in his company at the ROTC advanced camp at Ft. Sill, Oklahoma in the summer of 1968.

After completing the ROTC program here at A&I, seniors are awarded their commissions in university graduation ceremonies.

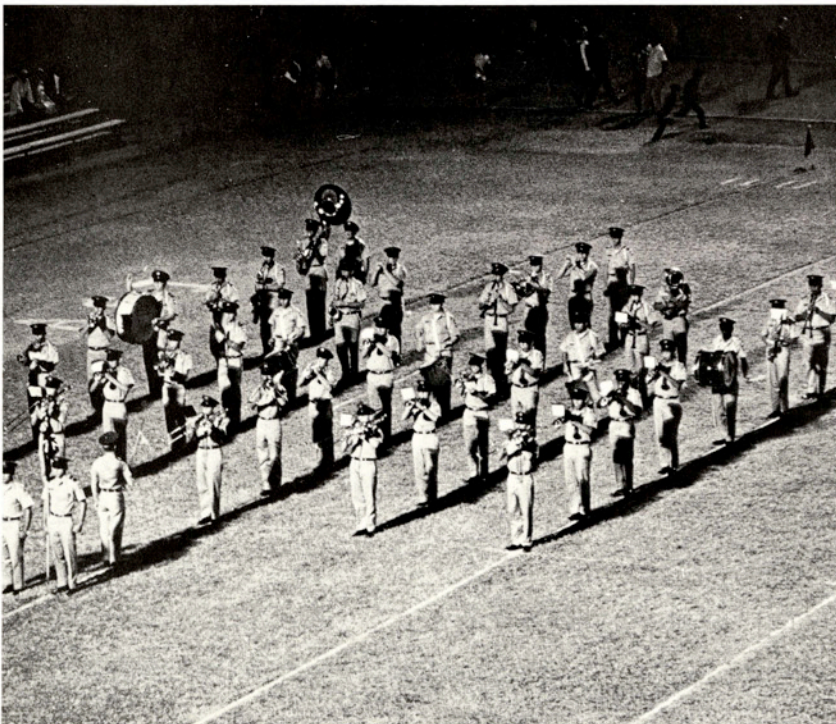

Col. Leonard M. Pederson awards Cadet Major Mike Bell the wings he earned as a result of his participation in the flight training program.

A cadet demonstrates the manual of arms to a group of Dad's Day visitors.

Band company, noted as one of the best in years, proudly displays their new instruments at pre-game ceremonies, Dad's Day.

## Cadets Find Time to Shine

Dad's Day plays an important part in the ROTC department. Cadets polish their brass, shoes, helmets, and band instruments in preparation for visiting parents.

Displays of various aspects of ROTC and the regular Army are set up for open house. Cadets rotate on an all-night watch to guard the displays. Such guard is part of the extra duty activities cadets may volunteer for.

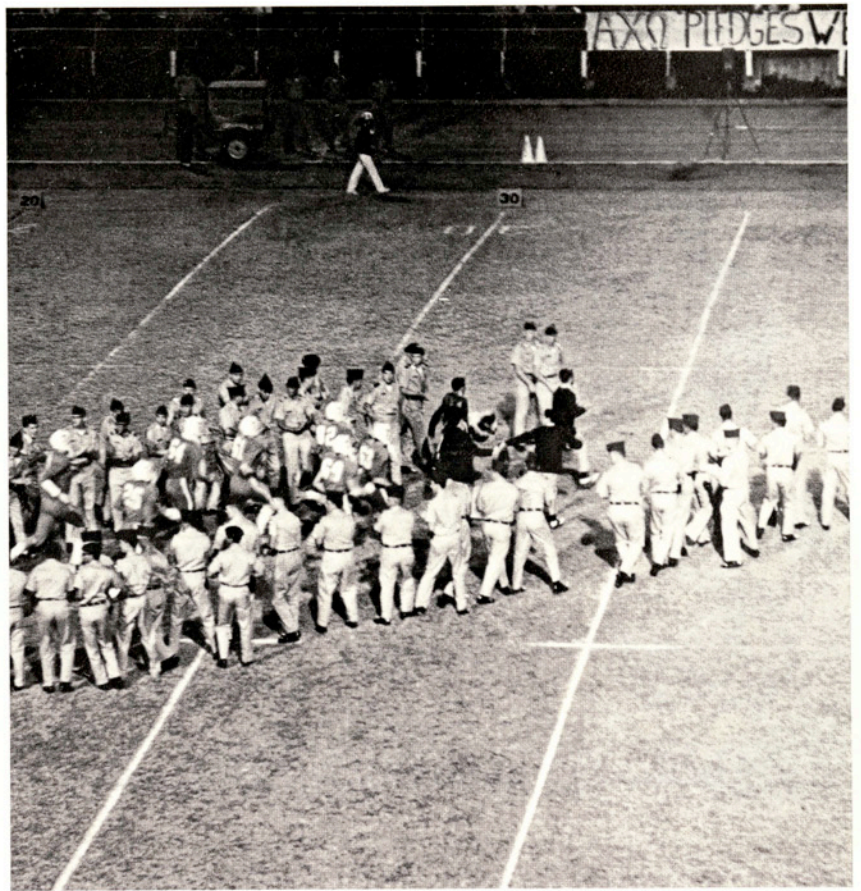

In pre-game activities the ROTC corps of cadets perform. They pass in review before President Jernigan and the audience. After the formalities the cadets break ranks and form a victory line for the Javelinas.

During halftime the famous King's Rifles perform precision drills and maneuvers.

The King's Rifles acts as an honor guard for the corps of cadets.

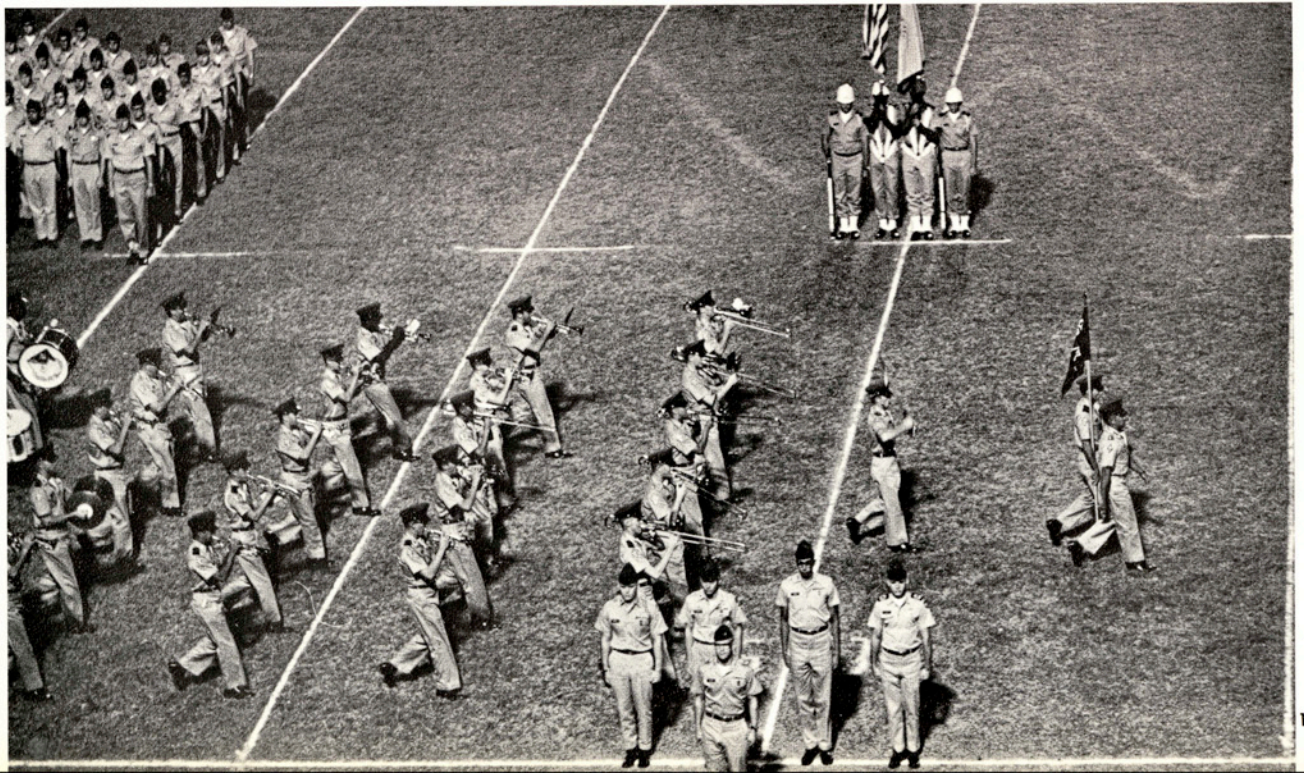

Cadet Robert Robles dishes out a plate of barbeque at the annual ROTC event.

Cadets take time out for fun by making a victory line for the Javelinas.

Each company passes in review before Dr. James C. Jernigan and parents during Dad's Day pre-game ceremonies.

Members of the ROTC Rifle Team are Samuel Mowery, Randall A. Parker, Earl Kronk, Carlton N. Earhart, Frank Mendez, Greg Edelen, Arthur Garcia, Martin Pike Jr., James M. Lewallen, Raymond K. Pekarovic, Roy Wentriek, Ricardo Cuellar Mike Hulsey, Ronald Box, and Owen S. Parker.

## Extra Activities Develop Leaders

### Rangers, Rifle Team Educates Volunteers

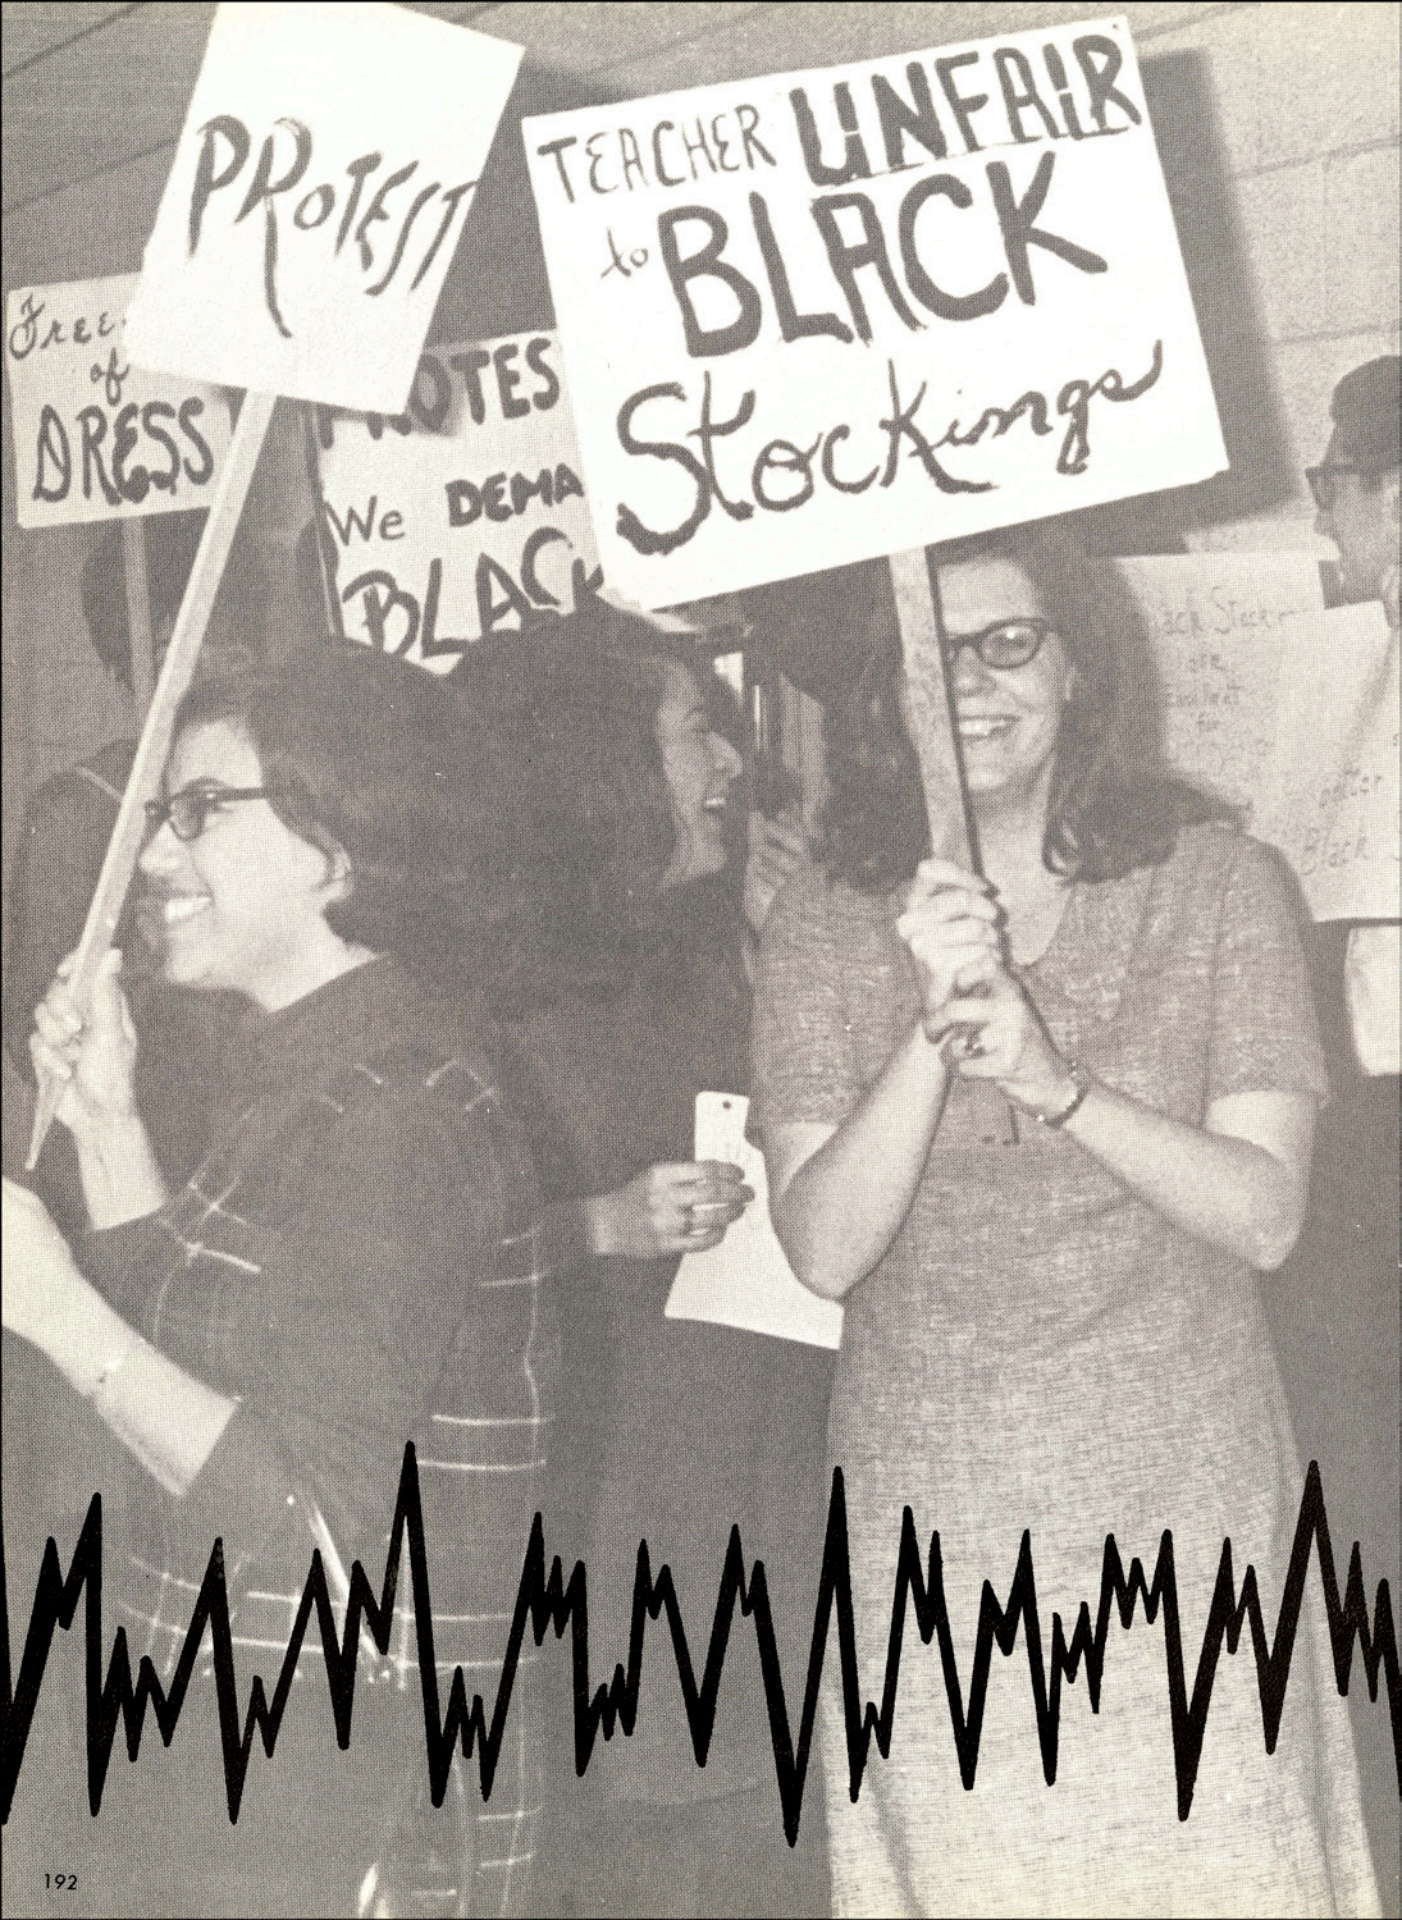

ROTC cadets are entitled to join extra curricular activities sponsored by the department if they are properly qualified.

One activity is the Rifle Team. Cadets train and participate in rifle and pistol contests held at colleges and universities throughout the Southwest.

The Ranger detachment is a second organization that qualified cadets may join. This strictly volunteer organization was started during the academic year of 1965-66.

Ranger activities are completely planned by cadets. The organization gives advanced infantry training in counter-guerrilla tactics as well as striving to develop leadership and physical fitness. Field activities are a major part of the training program.

## President James C. Jernigan Spends Life In Service to Education and Texas A & I

On Friday afternoon, August 31, 1962, Dr. James C. Jernigan succeeded Dr. Ernest H. Poteet as President of Texas A&I. "Assuming the presidency of Texas College of Arts and Industries," he said, "is a high honor, and it presents to me the greatest challenge which I have faced in my total educational career. Serving as dean under President Poteet has been not only a marked privilege but an excellent training experience as well. Building upon the excellent program that has been established under Dr. Poteet's presidency," said Dr. Jernigan, "we look forward to taking our place in the ranks of the leading colleges of the country through top-level instruction and research."

Dr. Jernigan joined the A&I faculty in 1946 as director of men's activities and was named dean of student life the following September. After a two years' leave of absence to complete work on his PhD at the University of Chicago, he returned in 1949 to assume the role of director of student personnel

and associate professor of education. In October of 1950 he became dean of the college and professor of education.

As director of student personnel, he helped to develop a broader counseling program. The first six weeks of the 1950 summer session found him conducting a workshop in counseling and guidance at Southern Methodist University and a similar workshop at A&I in the latter part of the summer.

Born at Van Alstyne, Texas, in 1914, Dr. Jernigan graduated from high school at McKinney in 1932. He earned his B.S. and M.S. degrees at North Texas State University. Following graduation he taught in a Collin County rural school from 1934-36, serving as the only teacher for five grades. From 1936-39 he served as principal at Whitewright, Texas, where he also taught social studies and mathematics. He was superintendent of schools at Pilot Point, Texas, from 1939-41 and deputy state superintendent from 1941-42.

In 1940 he married Frances Williams of Dallas. They have two children.

Jernigan entered the army as a private in the infantry in 1942 and spent 20 months in the European theater as a combat officer; he was discharged with the rank of captain in 1946. He holds the Bronze Star and campaign stars for Normandy, Northern France, the Rhineland, and Central Europe.

In the summer of 1962 President Jernigan and his family made a trip to Thailand on a state department mission to observe and study higher educational systems of that country.

President Jernigan is identified with a number of professional organizations. Among them are the National Education Association, Texas State Teachers Association, American Association of University Professors, American College Personnel Association, Phi Delta Kappa and the Texas Association of College Teachers.

He has served as president of the Kingsville Community Concert Association and as a member of the board of directors of the Kingsville Chamber of Commerce. In addition to these accomplishments he is an Elder of the First Christian Church and a past president of the Kiwanis Club.

President Jernigan and his wife made a happy pair at the dedication of the new library. In honor of his years of service to Texas A&I the building was named the James C. Jernigan Library.

Alpha Chi Omegas were hostesses for an outdoor Halloween mixer with Delta Tau Delta.

## Alpha Chi Omegas Host Outdoor Mixers

Mixers and parties highlighted the year for Alpha Chi Omega. Members were hostesses for several outdoor mixers at Mesquite Grove and a Halloween mixer held in an alumn's yard.

The A Chi O's also gave a luncheon for their dads on Dad's Day and a Founder's Day tea for their alumni. The big sisters honored their little sisters with a homemade dinner in the sorority's chapter room. On "Fun Day" the members took the pledges on an outing to Kleberg Park and afterwards let them hike back to the dorm.

Pledges kept busy with a car wash and a tea given by them for the other sororities on campus. After initiation of the fall pledge class a banquet was given for them at the Emerald Cove in Corpus Christi.

Community service was also among the activities of the sorority. The Alpha Chi Omegas helped the local Lions Club with their annual Halloween Carnival and went Christmas caroling in December.

Alpha Chi Omega aided the Lions Club this year with their carnival.

## Scholarship Trophy Presented by Alumni

Alpha Delta Pi played hostess this year to a variety of mixers. The most unique was a mixer with members of the A&I faculty. The Alpha Delta Pi's presented a skit to their professors and instructors spoofing registration and the products of the multiversity.

The Alpha Delta Pi's gave a Dad's Day tea in the fall and were hostesses for a Homecoming Open House in the sorority's chapter room.

Attending the Alpha Delta Pi national convention was president Paula Jay. The province convention was attended by several members of the local chapter.

Among the honors won by the A D Pi's was a scholarship trophy awarded to them by the San Antonio alumni association. Alpha Delta Pi Carol Bitter Simpson represented the university as Miss A&I this year. This was the third year in a row that an A D Pi received the title.

In order to work for higher grades, the Chi Omegas have a unique system of reward. At each mid-semester point they have a chicken and beans supper. Those making above their previous grade-point may eat chicken. Those not surpassing their previous gpa eat beans. Their grades were given notice at their national convention when the chapter received a scholarship citation.

Major social events of the year include the Carnation Cotillion, at which the fall pledge class is presented, and the Senior Banquet held in the spring at King's Inn.

## Zeta Tau Alphas Carol at Local Home

Zeta Tau Alpha members gave their time to members of the community as part of their sorority project of the year. They visited with the children at Youth City and went caroling at a local retirement home.

Dad's Day and Mother's Day teas as well as mixers and open houses were among the Zeta social functions of the year. Zeta beau, Ronnie Unterbrink, was presented at their Candlelight Ball held in the fall.

Zetas have among their membership several fraternity sweethearts and two members of the A&I cheerleading squad.

## Alpha Gamma Rhos Judge at Ag Shows

Alpha Gamma Rho members worked at several different projects this year. Among them were FFA and 4-H events. During the area 10 FFA contest they helped with various judging events and gave guided tours of the A&I campus to visitors at the contest. They also helped to stage the District 12 4-H Judging contest.

Officers of the local chapter were representatives to the National Alpha Gamma Rho Convention held by the Kappa chapter at the University of Nebraska. Seven members attended the officer training school hosted by Alpha Lambda chapter in Las Cruces, New Mexico.

Alpha Gamma Rho extended their services to the university this spring. They were responsible for landscaping the Kleberg Agriculture building.

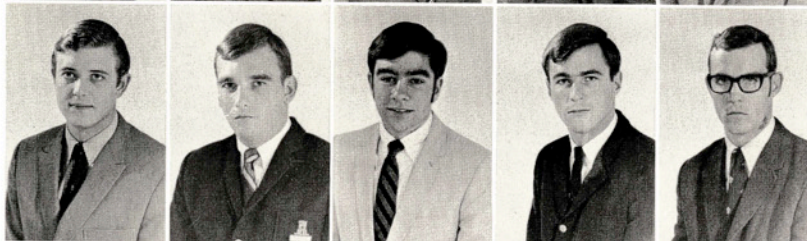

All of the previous activities are the actual putting into practice of what Alpha Gamma Rho members learn in their particular field of study.

Alpha Tau Omegas and their dates exhibit dancing skills at a party held in Corpus Christi.

## ATO Collects Clothes For Goodwill Project

Alpha Tau Omegas had a busy year participating in projects to help the community. They were involved in the collection of clothes for Goodwill as well as helping to paint buses for Kleberg County. ATO's also spent a day at Youth City helping paint and clean up around the center.

The members were active this year with the Corpus Christi Alpha Tau Omega Alumni Chapter. They attended a luncheon given by the alumni and a banquet. Both events took place in Corpus Christi. The chapter puts out a newsletter twice a year to keep the alumni posted on what is happening in the local chapter.

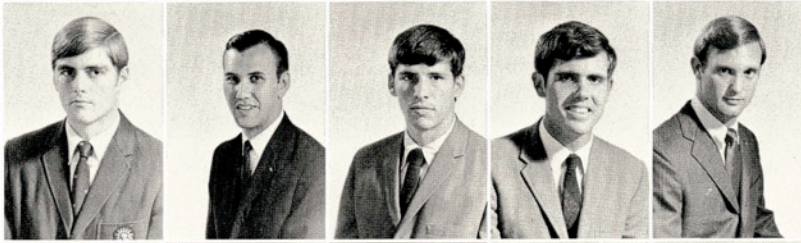

Representatives of the ATO chapter at A&I annually attend the National Fraternity Congress and Chapter Officers Conference held on alternating summers.

On campus they participate in rush and sorority mixers. Alpha Tau Omegas were active in the Inter-Fraternity Council Barbeque for rushees which was held in the spring. The chapter has held the I. F. C. Scholarship trophy for four consecutive semesters.

Delts relax on the porch of their newly acquired fraternity house.

## Fraternity Members Give for Humanity

Delta Tau Delta brought a first to the A&I fraternity system this year with the purchase of a fraternity house. The house is large enough to accommodate most of the members.

Among the highlights of the year was the Delta Tau Delta national convention at the Waldorf-Astoria in New York, New York. Ten members of the local chapter attended the event.

On campus the Delts annually hold the Christmas tree lighting in front of the Student Union Building. Delts are also active in R. O. T. C., Engineering clubs, and class offices. Delt Larry Lynch is head cheerleader for the Javelinas.

Delta Tau Delta has taken an interest in humanity this year, as their list of altruistic projects shows. The members donated forty pints of blood to the Red Cross for Viet Nam. Three of their membership have recently returned from Viet Nam, bringing with them two purple hearts and a bronze star. In another gesture of international aid the Delts support two Greek foster children. Also, they gave their aid to the V. A. Hospital for four Saturdays this year.

## Gamma Delta Chi Seeks Brotherhood

Gamma Delta Chi had its beginning February, 1968 when Charles D. King and Gary McMillan called for a meeting to lay the groundwork for a new type of fraternity on the A&I campus. The local fraternity was organized to give Latin Americans and Negroes an opportunity to participate in the fraternity system.

The first pledge class was started in the summer of 1968; it was the first summer pledge class of any fraternity on campus. In the fall of 1968 Gamma Delta Chi was recognized by the Inter-Fraternity Council, gaining active participation on campus.

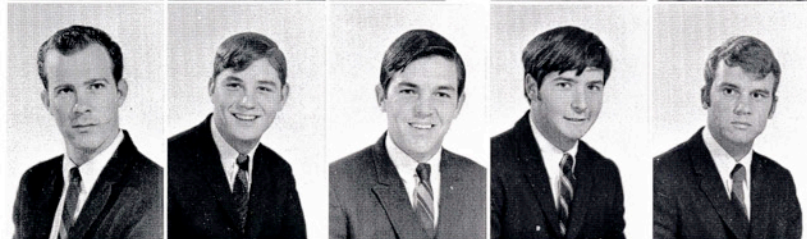

Gamma Delta Chi is created on the principles of equality and brotherhood. Its main goal is to promote this feeling among its entire membership.

The members feel that working with each other on various campus activities furthers their aims. One of their first activities was their car smash booth at the Fall Carnival.

## Kappa Sigmas Sponsor Variety Show

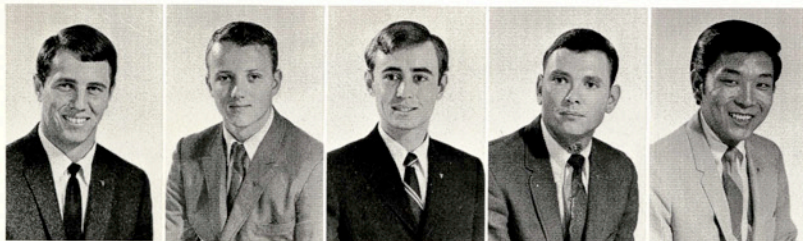

Kappa Sigma is the oldest national fraternity as well as the oldest local fraternity on the A&I campus.

They sponsor many social events. Kappa Sigs look forward to the A&I chapter and Southwest Texas State chapter after-game party at the end of each football season. SWTS was host for the event this year. The A&I Kappa Sigs took a chartered bus to San Marcos for the event. The group also chartered buses for the annual Mexico trip and party held in Reynosa. Numerous beach parties and the Kappa Sig Corpus party rounded out their year of social events.

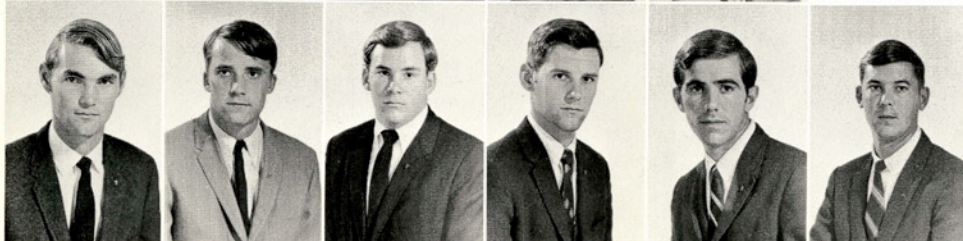

Each spring the fraternity sponsors the Kappa Sigma Variety Show. Individuals take part to display campus talent. A trophy is given to the sorority that presents the best show.

Three Kappa Sigs were honored this year by being chosen beaus of Alpha Chi Omega, Zeta Tau Alpha, and the Chi Omega pledge class. The president and vice-president of the Student Union Governing Board are both Kappa Sigmas.

The members actively participate in picnic outings for the Boys Club and work at Youth City.

## Lambda Chis Have Culture Participants

Lambda Chi Alpha is the newest national social fraternity on the A&I campus, being chartered in the spring of 1968.

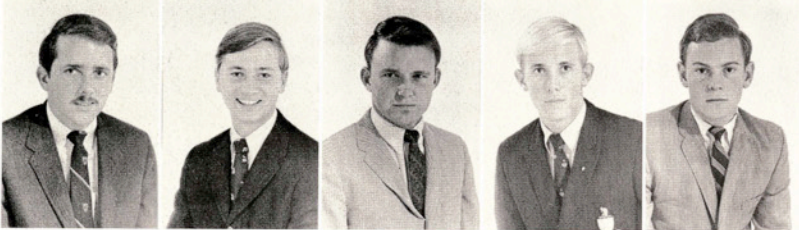

Lambda Chi's actively supported the Javelinas by taking a van to Alabama to see the Hogs play Troy State in the NAIA championship bowl.

Members are involved in diverse activities on campus. In cultural activities Lambda Chi takes an active interest. One member participated in A&I Singers, and was in the opera "La Boheme." Two other members are announcers on the A&I radio station KTAI. Lambda Chis are active in clubs pertaining to the sciences and professional organizations as well as the culturally oriented. A member of the organization is Cadet Captain of the Reserve Officers Association and Commanding Officer of the A&I Ranger Detachment.

## Sigma Chi Fraternity Hosts Social Events

Members of Sigma Chi have taken an active part in campus activities. One member is on the Javelina basketball squad and a member of Alpha Chi academic honor society. Several other members are active on the A&I track team.

At the beginning of each fall semester the fraternity sponsors a street dance for the whole student body. In the spring they host their annual Play-boy Party and the annual wild game dinner is sponsored by the Corpus Christi Sigma Chi Alumni Association. Members of Zeta Pi chapter and their dates were guests of the alumni at this year's dinner. The spring formal is also held by the fraternity in Corpus. The members close out the year's social activities with a beach party.

Another major event of the spring was the province convention hosted by the A&I Sigma Chi chapter. Sigma Chis from the University of Texas, the University of Houston, Lamar Tech, and Sam Houston State attended the convention.

Sigma Chi began a new honorary organization for their fraternity this year. The organization, known as Little Sigmas, is made up of girls who support the fraternity.

Every year freshman football players find that they must subject their heads to the traditional and distinctive haircuts given by the upperclassmen.

Haircuts finished—freshmen model the results of the tonsorial skill of their superiors.

Henrietta, new A&I mascot, was donated to A&I by her owner Robert Harris. She makes her appearance at every home game in her blue and gold cage and remains on the sidelines to watch the action.

Dr. Fred Garland and James Ryland prepare 8mm colored movies of freshman chemistry lab experiments which are to be shown to lab sections. This will lighten the load on lab instructors who usually do the explaining.
