The Golden Year was a time of many changes in people, habits, the economy, and to the campus itself.

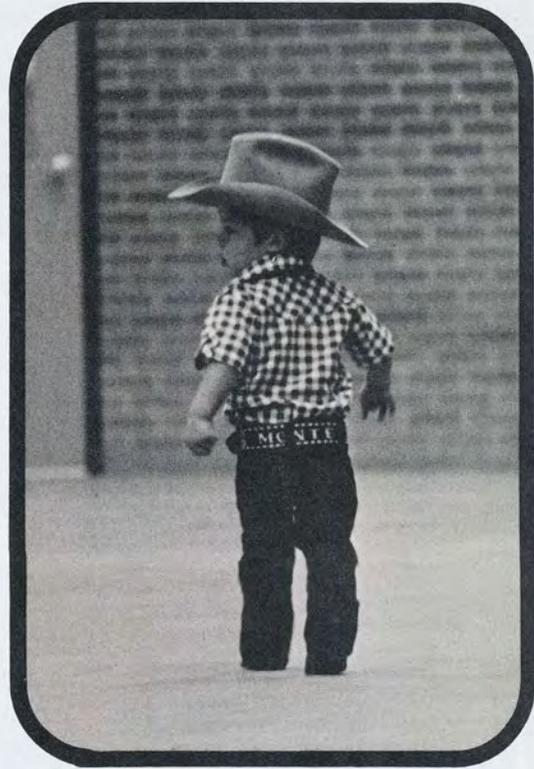

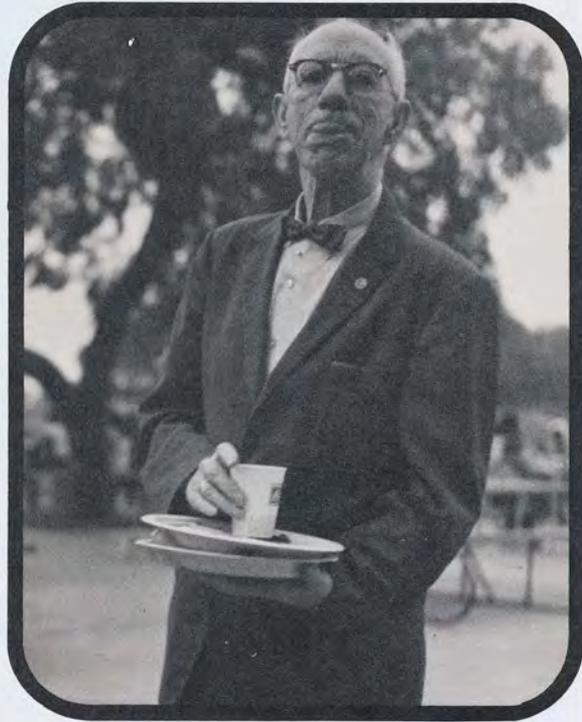

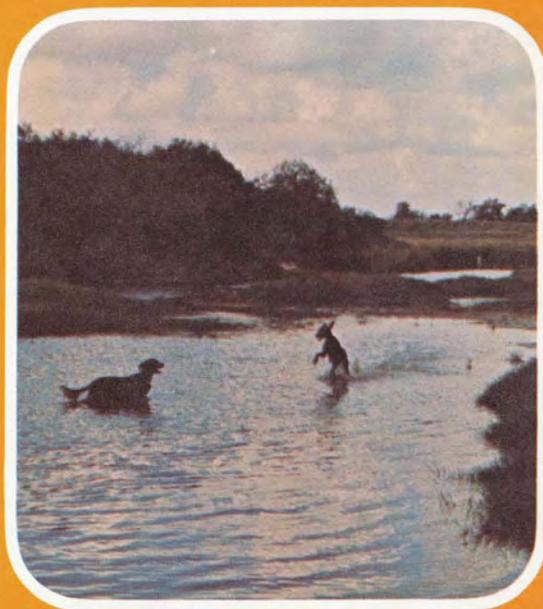

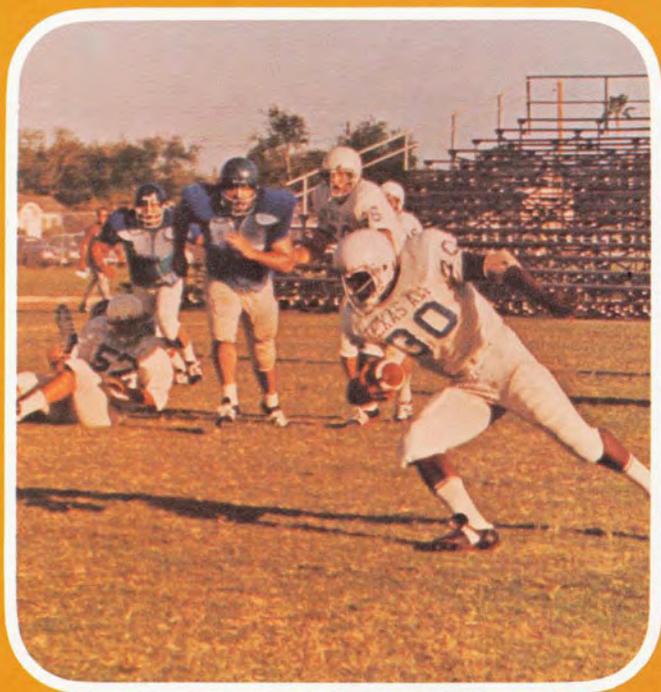

The Golden Year was a time to rest, sit down and figure out what school and life is all about.

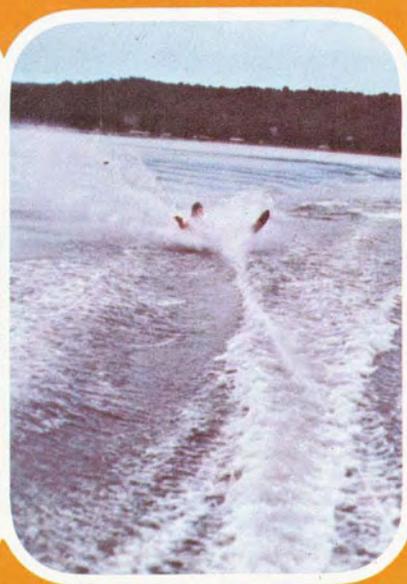

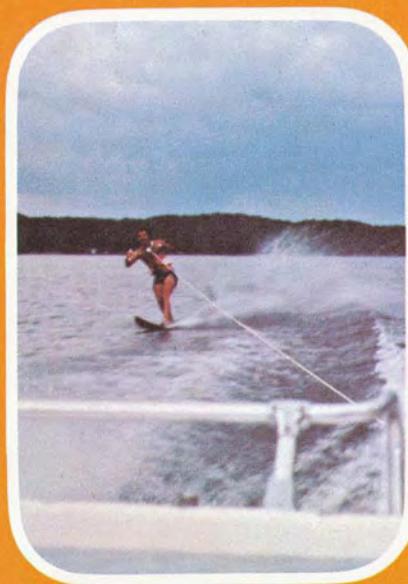

The Golden Year set a more structured pace, yet a liberal attitude.

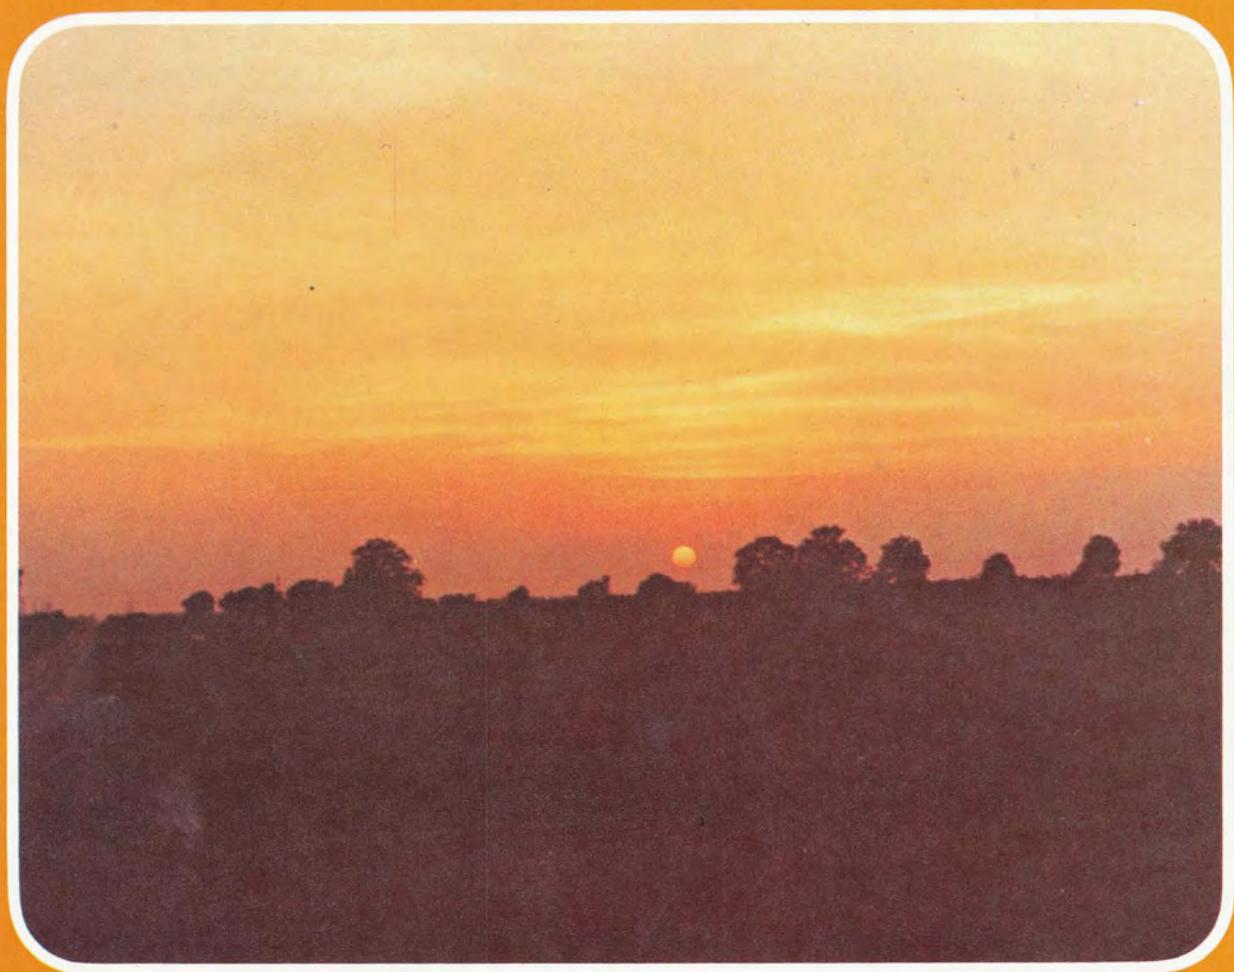

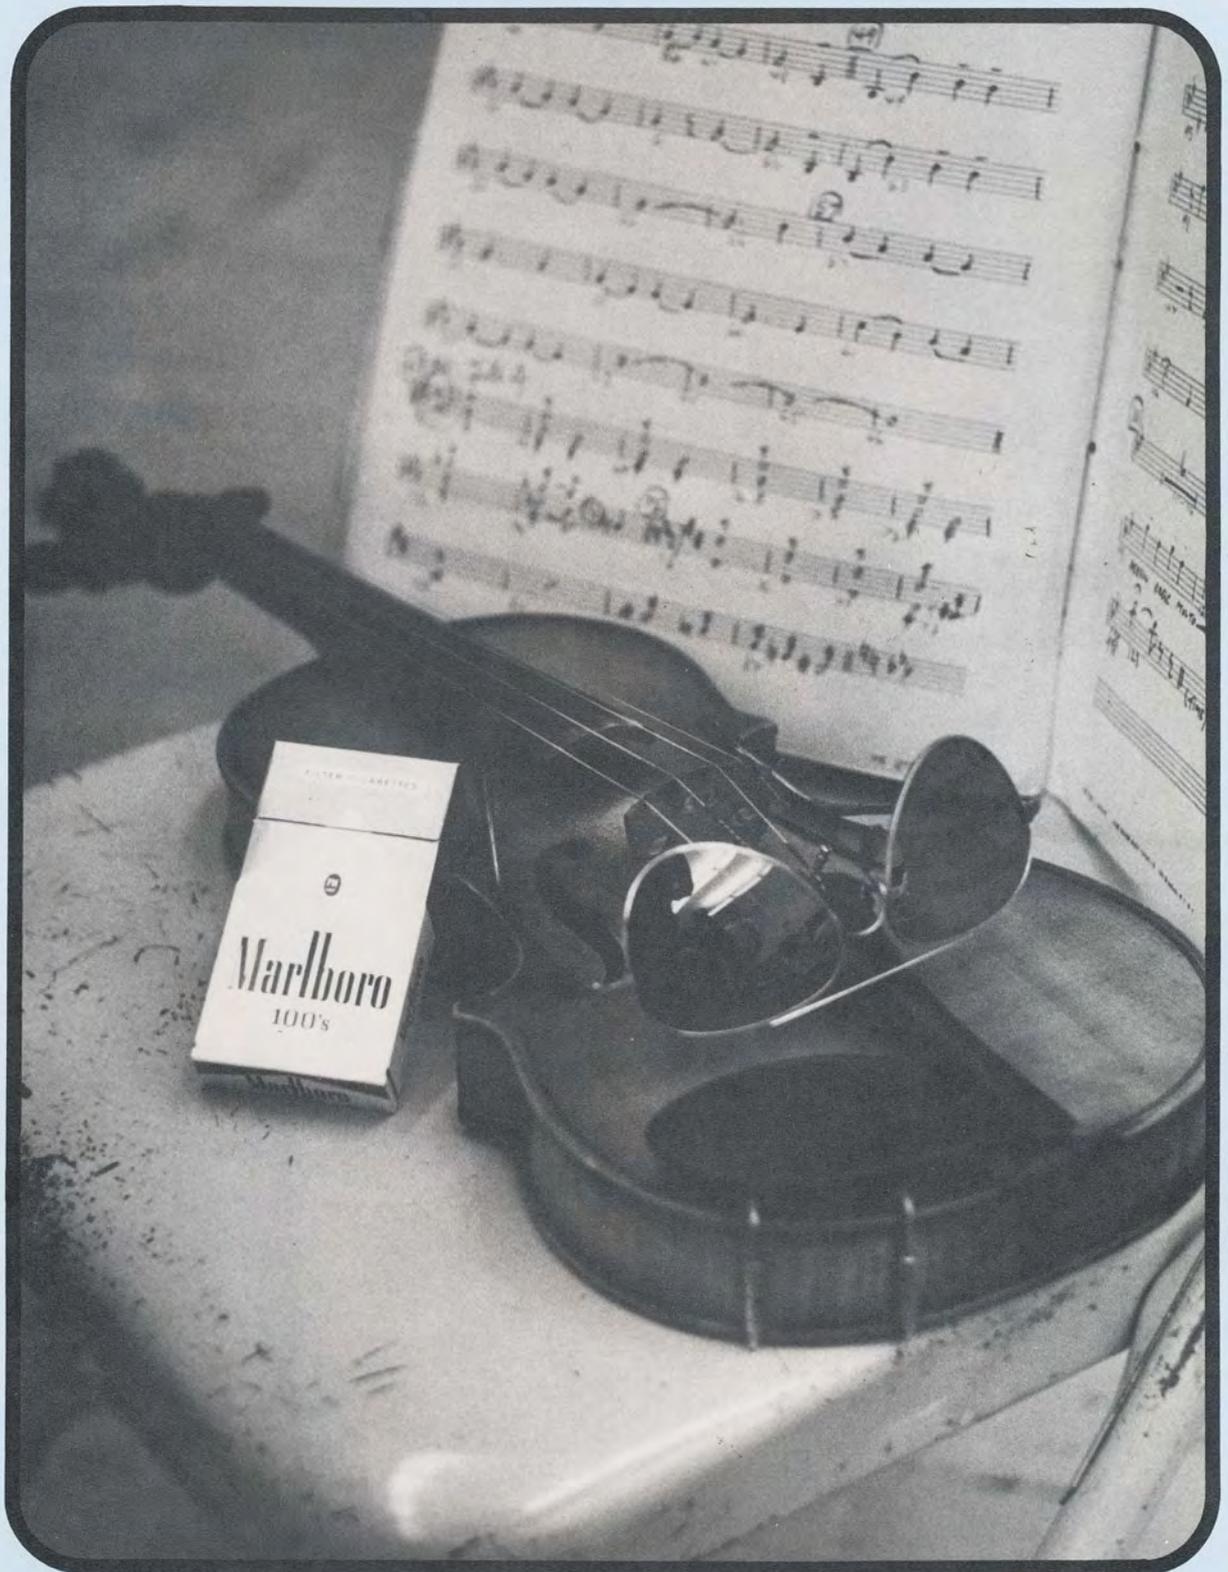

To many, the Golden Year was a time to play and forget about what tomorrow may bring.

But as we look back in the reflections of our minds, we see that things are not perfect. But Texas A&I will live on, and the Golden Year is only the beginning.

A&I Celebrate It's 50th Anniversary

Dr. Robins greets Governor Briscoe.

Dr. Jernigan presents J. C. Martin his trowel.

Crowd looks on as Dr. Robins gives his introduction.

A&I celebrated its Golden Anniversary March 21, 1975 - exactly 50 years after the first cornerstone was laid for the Main Building (Manning Hall).

The program began at 12:30 with music by the A&I band, under the direction of Dr. Joseph Bellamah.

Dr. Gerald Robins, president of A&I-Kingsville, was the Master of Ceremonies.

Following the Invocation and the National Anthem, Texas State Senator, Mike McKinnon, presented a resolution to distinguished guest, Governor Dolph Briscoe, for his signature.

U.S. Congressman Kika di la Garza was present to bring greetings and congratulations from Washington, D.C.

President of Texas A&I's System Board of Directors, J.C. Martin Jr., accepted a small metal trowel on a wooden plaque as a symbolic re-laying of the cornerstone.

Keynote speaker Dolph Briscoe challenged the 1,000 spectators to re-dedicate their lives to Texas, while two dozen Raza Unida supporters jeered and shouted at him.

Governor Briscoe and his wife were presented with a commemorative coin, specially struck for the occasion. The coin was engraved with the towers of Manning and College Halls, the A&I logo and the words - "fifty years of educational service to South Texas."

Winning over 200 trophies and medals, Marsha Whitley was guest twirler and performed during halftime with the Band. She is a junior at Banquete High School, where she has been feature twirler for three years. In 1972, the 16 year old won Texas State Grand Champion Strutter AAU Texas Grand Champion Strutter and Solo Twirler Nationals in Kansas City, and third place in 14 year old age group. She received the 15 year old Texas Strut Champion in 1973 and during 1974, Marsha again received Grand Champion Strutter. She also won fifth place in the 16 year old competition in the Nationals in San Francisco, California.

Bonnie Palacios a 4 year old from Benavides has won over 30 trophies and over 40 medals. Her competition ranges in Houston, San Antonio, Robstown and Corpus Christi. She was guest twirler and performed with A&I Band during halftime. She has been twirling for 1 1/2 years. Bonnie won second place in the Southern Regional in Houston in Solo and Strutting. She won fifth place in State Contest in San Antonio in Solo and Strutting.

Guest Twirlers

Maeleen Whitley, a 17 year old senior at Banquete High School has won over 150 trophies and 200 medals. She was guest twirler and performed with A&I Band during halftime. In 1973, she won the Texas State Grand Champion Strutter, AAU State Solo Champion and USTA Sr. Miss Texas at the nationals in Milwaukee, Wisconsin. The feature twirler at Banquete High won sixth place in the 16 year old strut age group. Also, at the nationals in San Francisco, California, Maeleen won twelfth place in the 17 year old strut age group.

Melida Ortiz 12 year old daughter of Mrs. Bertha Ortiz from Premont, Texas has participated in many contests in the past two and a half years and has won over 200 awards. She was guest twirler for A&I Band in Kingsville and Monterrey Tech Mexico. She is a student of Frances Whilley.

El Rancho Celebrates 50th Year

The seven-member yearbook staff, under the editorship of Don Taylor, Victoria senior, strove for a book-of-people this year. Our goal was to have a person, whether student, faculty or administrator, in every picture.

Without a faculty advisor this year, the staff and especially the editor was kept extra busy with the business details of a yearbook usually handled by an advisor. But the yearbook staff was quite prepared for the 50th edition as everyone,

except Rick Garza, were carried over from the 1974 staff.

Some of the main features in the Golden book was the increase in the division pages, and the use of more artwork in the Organization and Greek sections.

We wish to extend special thanks to Terri Ackerman, Yvonne Kellough, Anita Camarillo, Noel Villarreal and David Vasquez for their assistance.

South Texan

The South Texan campus newspaper began under the editorship of Mary Lou Ortega. After her resignation Lilly Flores was appointed acting editor by the Publication Committee.

Under the two editors the paper shifted to a more modern and professional style of makeup. An entertainment page was added featuring the arts, along with several columns and a book review.

During the semester the paper subscribed to various university news services, enabling them to present a picture of life on other campuses.

The 11-member staff was assisted by Journalism 206 and 325 students who wrote headlines and read copy.

The South Texan worked without an official sponsor. However, Dr. Hari Dan acted as a spiritual advisor giving the staff weekly critiques.

KTAI, a station for A&I students, covers City Council meetings.

KTAI

KTAI, the only Educational station in South Texas presented two special series for children last year. One was called "Cowboy," a series of stories about Texas folklore. Also, with the cooperation of the modern languages department, "Grandfather and His Tales" told fairy tales in Spanish. This series was purchased by schools, school districts and radio stations over the country. On Fridays, an hour of music from India was played, for those who had no opportunity to hear music from their own country.

KTAI sponsored two concerts last year to earn money for miscellaneous items needed by the station. The first concert was given by area and local bands and the second was "Apple" from Alice and "Shay" from Austin. Both concerts were well received by the students.

Even though the station is geared for students, it covers city council meetings, community projects and public service announcements. KTAI is an opportunity for any student interested in radio to gain practical experience. Students that participate in KTAI are encouraged to take the primary broadcasting test given by the FCC.

The campus station changed the frequency in January from 91.9 to broadcast to the potential of 3,000 watts.

Agriculture

In A&I's College of Agriculture, major research projects are underway for the study of ways and means to increase beef production through utilization of grazing management practices and introduced high-yielding forage grasses with supplemental irrigation. To evaluate forage quality, the College has established the finest forage analysis laboratory in the southern United States. The research project is under the direction of Dr. Gary Jolliff.

Dr. Leo Bailey, horticulture professor, had his book *STEP-BY-STEP GUIDE TO LANDSCAPING AND GARDENING* published in October. The book covers areas studied in his Landscape Art class PLS 319.

In December, the College of Agriculture was host to the University of Missouri and Kansas State agriculture students. These 25 students traveled through Kingsville and Weslaco to study agriculture production and research in South Texas.

Slaughter, cutting, curing, carcass evaluation and grading are some activities of Ag. 309.

Management of cattle, swine and sheep from pure-bred and commercial aspects is discussed by observers.

Preparing terrariums is part of Landscape Art.

Problems concerning plants at home can be solved with proper care.

The feed mixer is part of a plant that will weigh, grind, and mix feed for the livestock in order to cut down on feed expenses and permit an increase in the number of livestock the farm can support.

Experimental wood carving . . .

Imagination is an asset in painting.

Art

The Art Department added a BFA degree (Bachelor of Fine Arts) through which students will be allowed to concentrate in specific areas of art. The department may have its first graduates with the new degree sometime at the end of 1975.

Arc welding equipment was purchased by the department. The metal casting furnace was reconditioned; also, a dark room for the production of photo silk screens was set up.

James Furr was a visiting professor and artist in 1974-1975. His charcoal drawings were on exhibit in the Art Gallery in November.

Natural scenery provides ideas for charcoal drawings.

Bible Chairs

Texas A&I offers Bible courses in four off-campus Bible Chairs. Although this work counts toward university credit, the Bible Chairs are supported entirely by their respective religious denominations.

The Baptist Student Union has regular activities to raise money for summer missions. Hot luncheons are sold for 50¢ every Wednesday and special events such as Fish Fries are held for this purpose. Spiritual growth is encouraged through weekly vespers and Bible Studies.

The Campus Christian Fellowship had a film series this Fall designed to stimulate discussion on special problems. The CCF also invited Dr. Charlie Shedd, author of "Letters to Karen," to speak at the university. The Bible Chair provides student and community counseling. A "Great Decisions" program was planned for the Spring to acquaint people with foreign issues.

The Church of Christ Bible Chair provides regular devotionals and Bible Studies. Members participated in a joint retreat in Lakey, Texas this Spring at the HEB camp. Students also did extensive volunteer work at the Kingsville Mental Health and Retardation Center.

The University Catholic Center holds liturgies seven days a week. Inquiry classes, pre-marital instruction, and counseling are services offered to the community. Social activities are held weekly and Friday afternoons are spent with residents of the Retama Nursing Home.

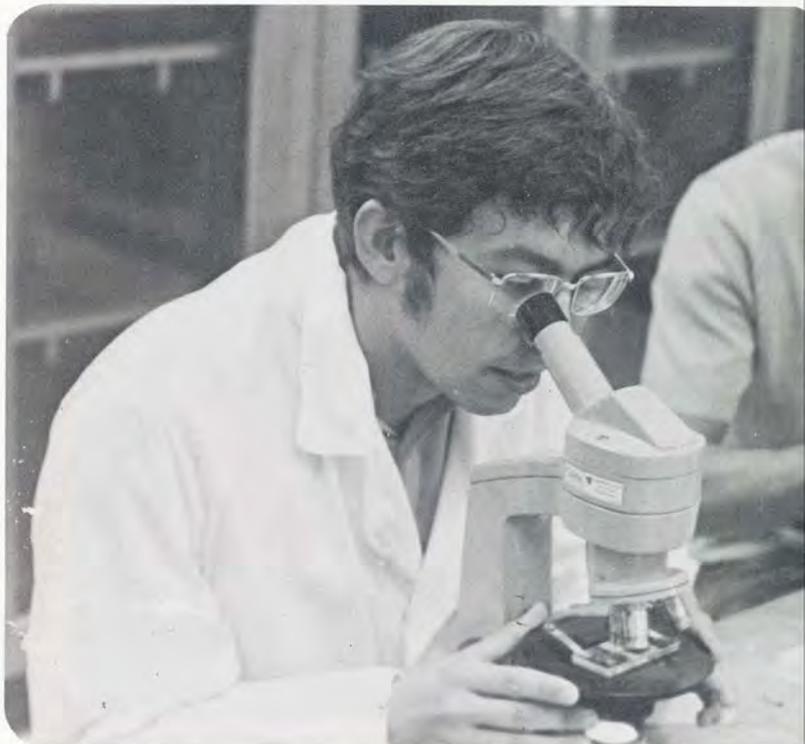

Bruce Peterson, Baptist Student Union director, discusses the Gospels in the New Testament course.

The Catholic Student Center holds services each Sunday.

Mrs. Sherry Baker explains the purpose of the leaf in Botany lab.

Omar Garza studies the bacterial count of organisms.

Biology

The Biology Department invites the top 10% biology students to its Honor Lectures every semester. This includes those taking freshman courses. The series is designed to extend class knowledge and to recognize academic ability.

Two new courses have been added to the department, effective Fall '75: Non-flowering plants and Introduction to Plant Taxonomy, the background course for field courses in biology and agriculture.

Dr. R. H. McCoy was on the faculty temporarily this year. He worked with Dr. John C. Perez on the National Institute of Health Bio-Medical Support grant program.

Bone structure is studied in Zoology lab.

Principles and methods of separation and analysis are studied in Chemistry 207.

During lab, experiments begin with pouring a base solution into a buret.

Chemistry

Environmental Chemistry was offered for the first time in the Spring of '75 with Dr. J. A. Beran teaching the course.

Several field trips were planned for the new class - to the Texas Water Quality Board in Austin and to several large industrial plants in this area. Visiting lecturers from industrial organizations and environmental protective agencies were invited to give seminars to the students.

The Second Annual Chemistry Interface sponsored by the department, was held in November. Forty to fifty high school and junior college chemistry teachers were invited for the one-day session in which problems relating high school chemistry teaching to that in the university were discussed.

A \$3,300 Infra-red Spectrometer was bought for use in Organic Chemistry. The department also purchased \$5,000 worth of equipment with part of Dr. Alberto Olivares' Robert A. Welch Foundation Grant that he received for research in Chemistry.

Seven students were accepted into medical schools during the Summer of '74 - being the highest number for any single year, according to Dr. Fred Garland, chairman of the chemistry department and of Pre-Medical Advisory Committee.

English

In september, the English Department hosted the annual meeting of Districts I and II of the Texas Joint English Conference. Two hundred teachers from college, high school, and elementary school attended.

A new beginning course - English 106 is planned for the Fall of 1975. The class will offer a different approach to writing and will be language and usage oriented.

Several combination filmstrip and cassette machines were purchased by the department for use in literature courses.

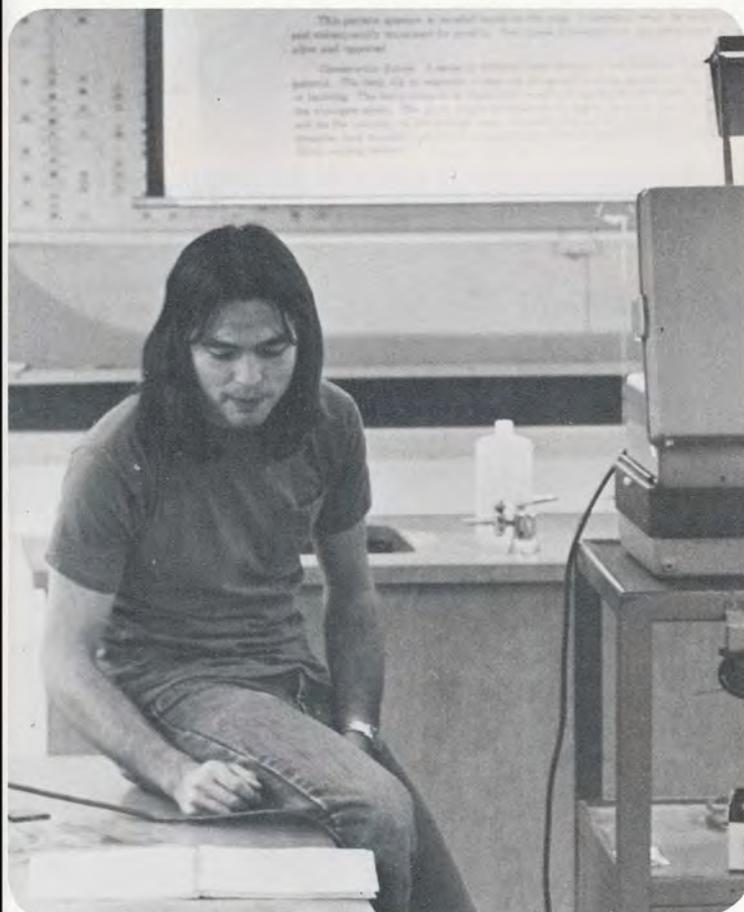

Mrs. Katherine Kantz shows slides about the novel, "Moby Dick" to her 203 English class.

The English booksale raised a little over 200 dollars for English scholarships.

The gradation of sand sediments from Padre Island is determined in Geology.

Slides illustrating the layers of the earth's crust is explained in lab.

Geology- Geography

The Geology-Geography Department added an individual study graduate course to the Geology curriculum this fall, Geo. 495 - Special Problems.

The department had a visiting professor this year, Mike Miklas from Michigan, who taught several geography classes.

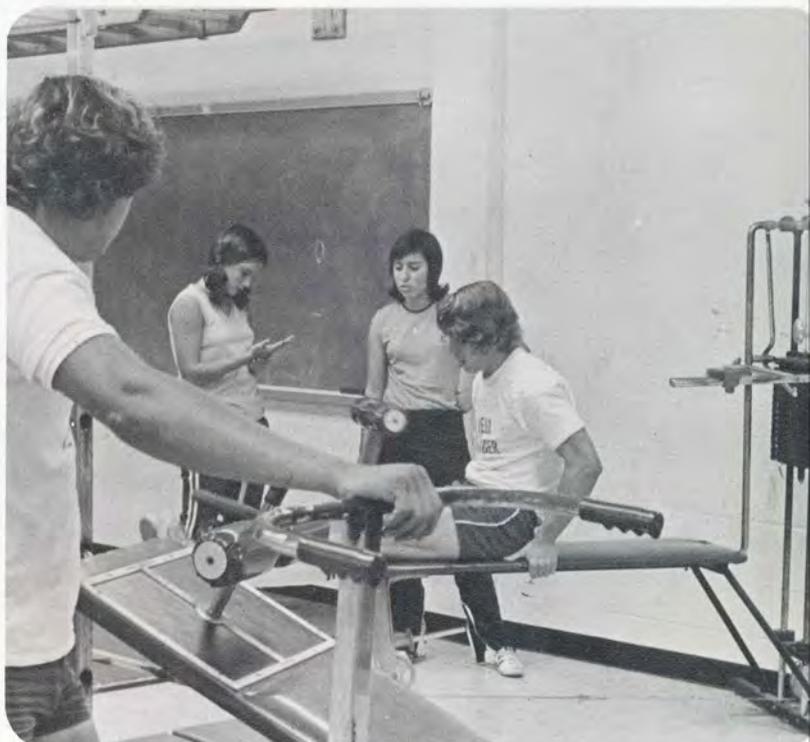

Eight major field trips were scheduled for the classes to such places as the Mexican interior, Arkansas, and several aerial photo services in San Antonio.

HPE

The HPE Department had several old projects in the planning process. The tennis courts were to be lighted and resurfaced while the women's gym was to be remodeled. Awaiting approval were plans for another field - putting greens, outdoor volleyball and basketball courts, an archery range, etc.

A Nostalgia Dance Review was presented on December 4 in Jones Auditorium by students from the dance and gymnastic classes. The free program was for all students, faculty, friends and family.

According to Chairman Dr. Eldon D. Brinley, great emphasis was put on women's athletics this year with women's intramurals and classes such as Rhythmic Gymnastics going very strong.

The challenge of weight lifting is taken by men and women.

Physical fitness must be personally pursued.

Badminton requires a great deal of skill.

Dr. George Coalson explains the theory behind the American Revolution.

Attentiveness is essential in taking accurate notes in history.

History

The History Department added a new course to its curriculum in the spring, *Methods of Teaching History*. Dr. Barbara Sorensen pioneered a course in *Women in History* and Dr. Terrence Barragy experimented with an advanced course in *Military History*.

The South Texas Social Studies Association met at A&I in April. The meeting allowed discussion of mutual problems between public school history teachers.

Mr. Gunter Mende gave a lecture on "China Today: Serve the People! And Tomorrow?" His presentation was open to the public.

Three history faculty members were awarded their doctorate degrees this year: Dr. Barbara Sorensen, Dr. Sandy Hicks, and Dr. Terrence Barragy.

The nursery is owned and operated by the Home Ec. Dept.

In advanced clothing, students are required to tailor a garment.

Home Economics

A video tape machine was purchased for demonstration purposes by the Home Economics Department. It is used while students present mini courses to their class. The department visited the CVAE in Alice in September, to train dropouts to use commercial machines in Home Economics fields of employment.

They had an open house in February for students and faculty interested in Home Economics. A style show with the latest fashions shown was also included in the Open House.

The department tries to give students the full scope of family living.

One of the basic aspects taught in Home Economics is Formal Service.

Industrial Arts students landscape and plant shrubs around their building.

Wood cutting is basic part of I. A.

Industrial Arts

The Industrial Arts Department held its annual I. A. Fair in May inviting high school students in a 100-mile radius to exhibit projects for prizes.

The department acquired two photography copying stands for producing 2x2 slides in the Educational Technology section. Also, embodying a new OMI system for the continuous production of slides was also purchased.

Students took two trips to conventions, one in January to the Texas A&M Industrial Arts Convention and the other in April to the American Industrial Arts Association (AIAA) Convention in Cincinnati.

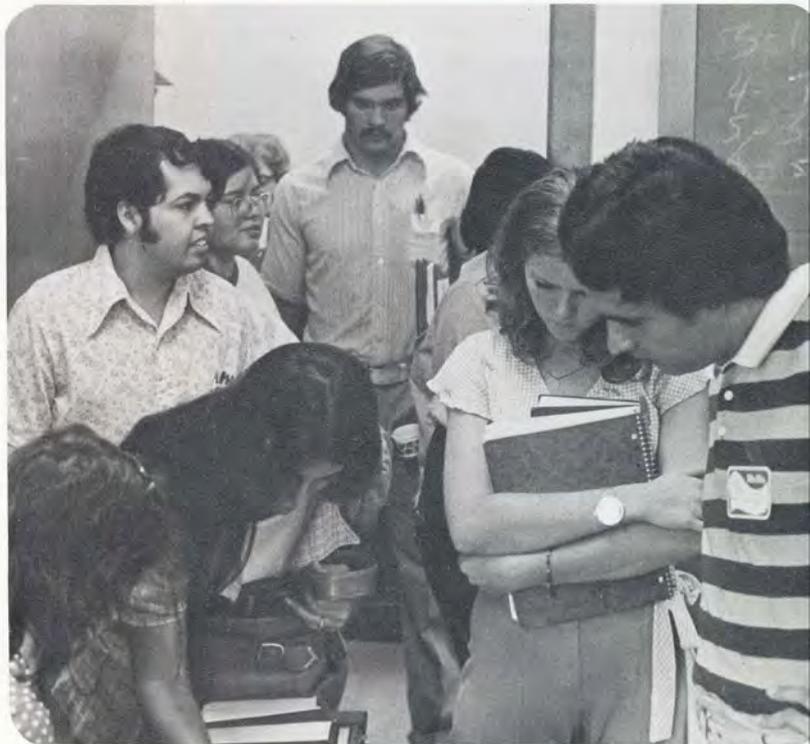

Hand and machine tools are stressed in Metals class.

Fred Neusch's copy editing class prepares their daily assignment.

Journalism

Headed by Dr. Hari N. Dam, pro tem chairman, the Journalism Department has entered a phase of renovation and reorganization. Efforts are underway to modernize and update newsroom facilities to meet the imperatives of new printing technology. Mandatory counseling and advising has been introduced as part of the department's attempt to meet the needs of each individual journalism major. Viable arrangements have been made with the university student publications to provide journalism majors opportunity for meaningful learning experiences in newspapering and yearbook production. The Media Society, a club made up of journalism majors has planned a year-round program with seminars featuring area and state media experts.

A "get acquainted" party was given for journalism majors and incoming freshmen.

Students discuss homework problems in preparation for an upcoming test.

Math is sometimes easier when explained on the board.

Mathematics

This year the Mathematics Department offered a BS degree specifically for those going into industry.

The department (with the English department) planned to co-sponsor a High School-College Inter-face program designed to get the two levels of educators together to interchange ideas and to recruit. The program was for those teachers in 36 surrounding counties and was planned for the first week in March.

The department has an APL (A Programming Language) terminal in the New Classroom Building that is used in statistics courses. It is connected with the main computer in College Hall.

Under the direction of Dr. Eladía L. Hill, students came to A&I once a week, at their convenience, to study with a teacher.

Modern Languages

During A&I's Christmas vacation, Dr. John Savageau took Spanish 102, 222, and 226 students to Universidad Internacional de Mexico in Sattilo. The mini-course was offered to students enrolled in other universities. Two hours of private tutoring daily and lodging with a Mexican family were among the students' experiences.

An independent studies course had very satisfying results this year. Letters were sent to school superintendents to let Spanish teachers know about the special program for those who wished to work on their Master's degrees but could not attend A&I every week.

A new Spanish course 105-106 will be started in the Summer of '75 for students who never had Spanish in high school, but have a Latin-American background.

First year French students concentrate on the translations given by Mrs. Nita Smith.

The Singers performed for the Navy officers' wives.

Music

The Texas A&I Music Department sponsored a stage band festival in February. Woody Herman and his band were guests at the one day event. Competition among visiting jazz bands were judged by Herman during the day and a workshop was held in the afternoon. A performance by Herman's band was presented that evening.

The Gallery Concerts were sponsored by the Music Department, too. This was the second year for the programs to be held in the A&I Art Gallery. Performances were made by students, faculty and guests. The shows were conducted once a month on Sunday evenings.

Music professor Dan Duncan conducted three A&I community orchestra concerts in the Student Union Ballroom in December and March.

Numerous Faculty and Student Recitals were held throughout the year in the music building.

The department also held its 21st annual Fine Arts Festival in the Spring.

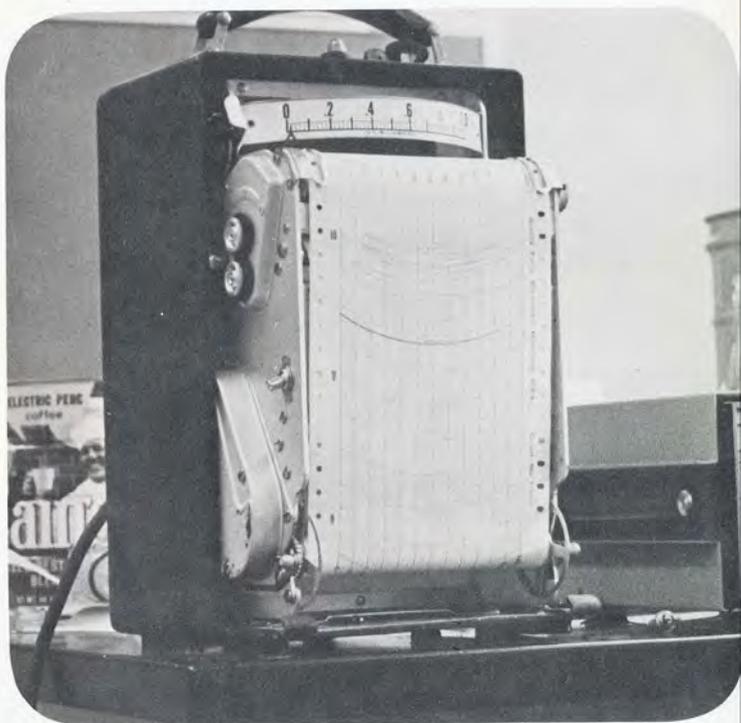

Special performances by the Music Department were given on the walkway in front of the speech building.

Physics

A second semester Astronomy course, Physics 122, was new this year. Another course, Physics 141 - Acoustical Foundations of Music, had been approved and was planned to be offered in the Fall of 1975.

Equipment was added to the low temperature research and astronomy labs. A student project - the building of a 16-inch telescope and the necessary housing - was begun by the Society of Physics students and was expected to be completed in one or two years.

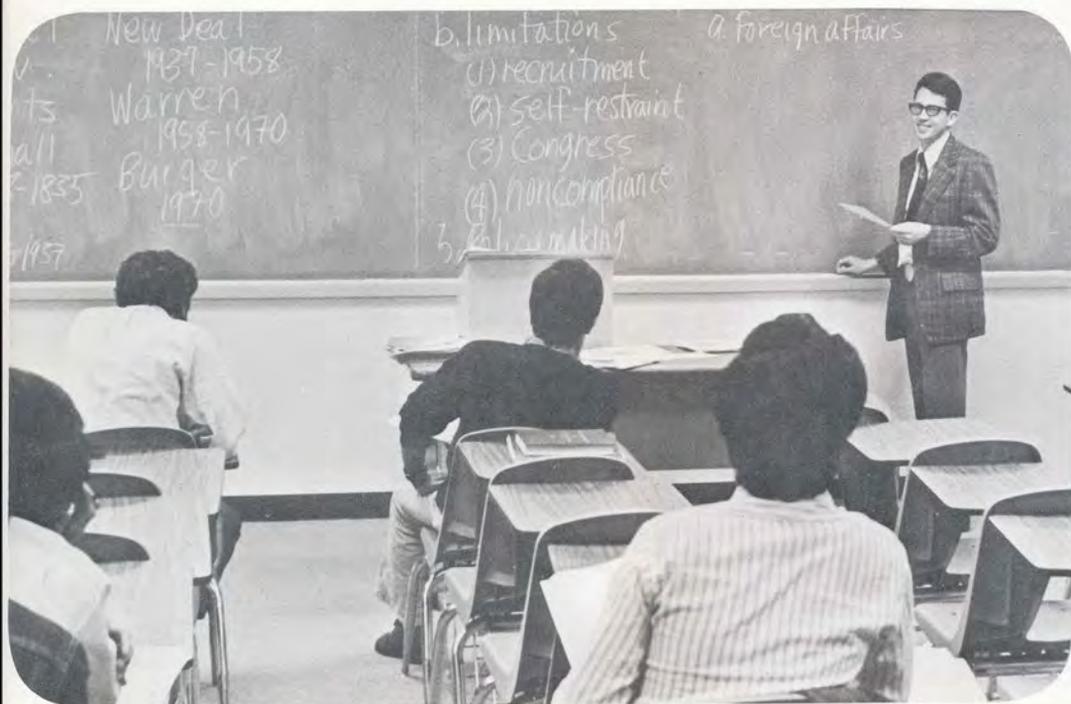

An antenna for the newly forming Herschel F. Rawls Memorial Amateur Radio Club was installed in the department. The club, named after one of the early radio men who worked for the FCC and had some of the earliest and most famous call letters, is under Mr. Burgin Dunn's direction.

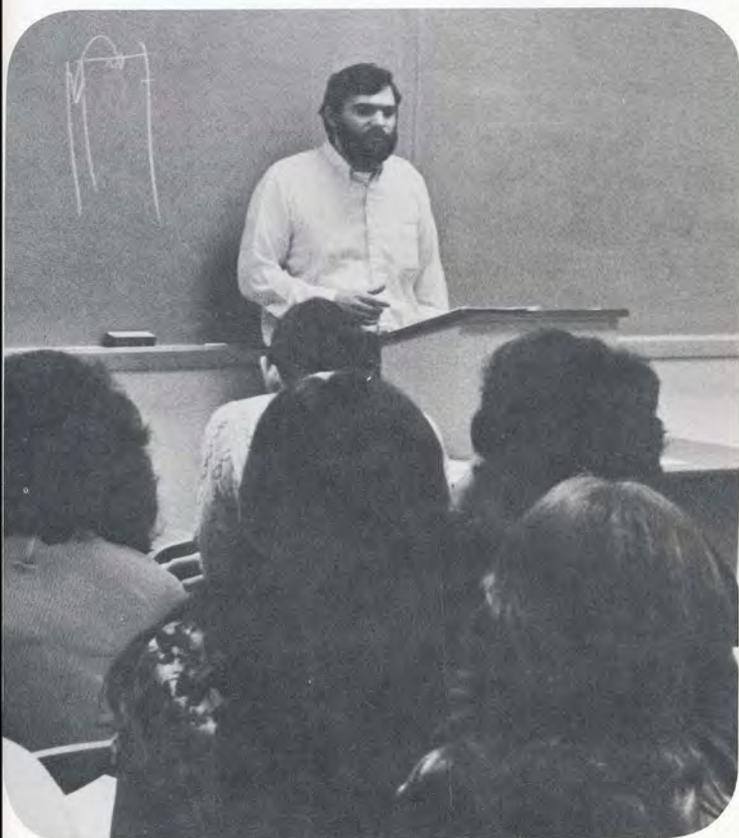

The relation between air currents and clouds was studied by the electronic current machine, which measured currents proportional to the signal received.

Dr. L. D. Hewett and a graduate assistant set up the telescope as it was during the observation of the eclipse.

Dr. Paul Hoopes discusses Texas politics in PS215.

Mr. J. D. Phaup lectures on the structures, functions, and processes of the political system of the U.S.

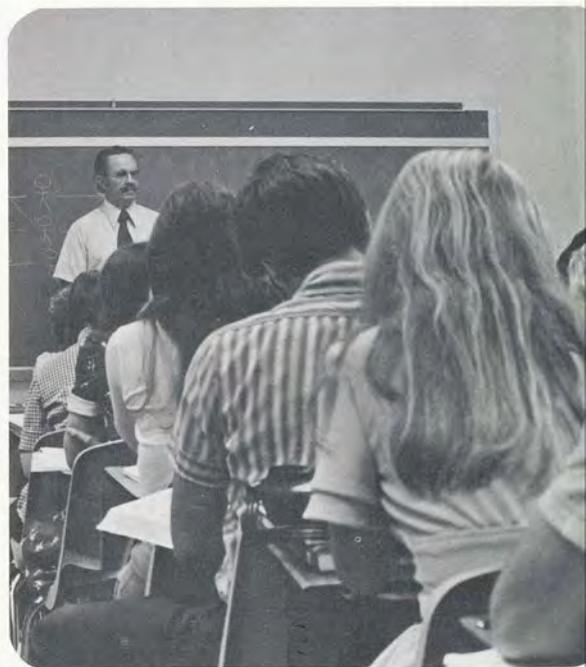

Political Science

The Political Science department had plans to get speakers from law schools across the state to talk about legal careers to both majors and non-majors. Many of those planning to go to law school are political science majors.

The International Relations Club, co-sponsored by Drs. Hoopes and Su, presented a special series of programs - "The World at Our Doorstep" - featuring the foreign students at A&I. Among those to participate were the Venezuelan, Iranian, and Indian students.

Joseph Libbon explains the sensory processes.

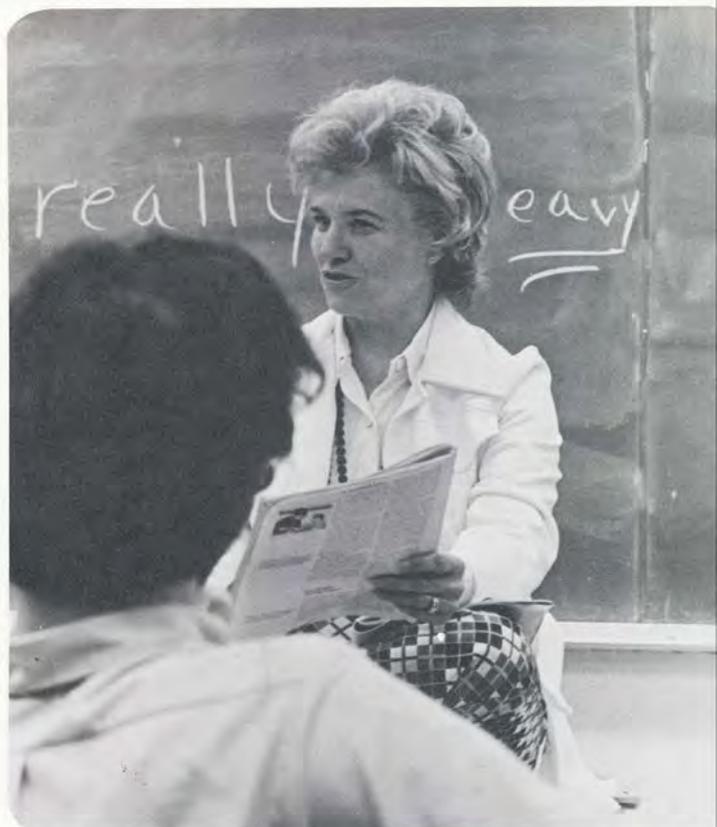

Dr. E. L. Sparks discusses the vasillation period.

Psychology- Sociology

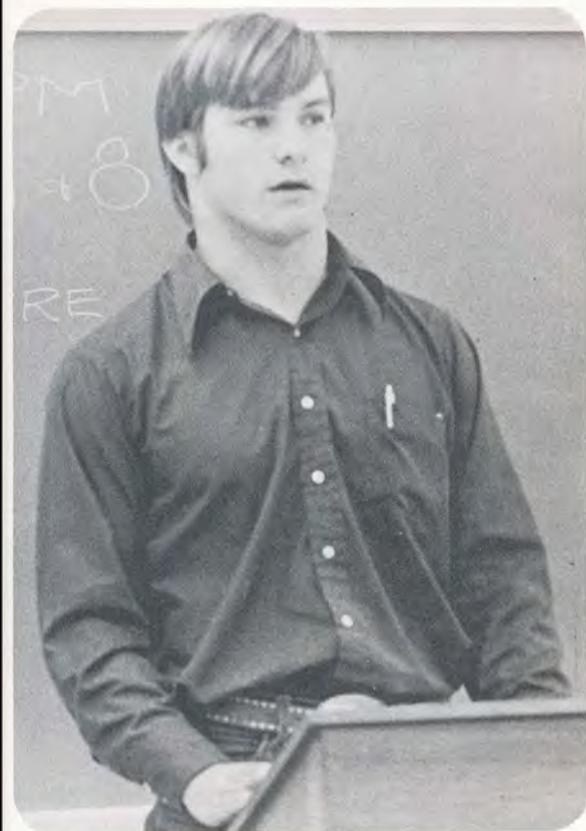

The Psychology-Sociology Department moved its offices from Manning Hall to Cousins Hall across the street.

Sociology 123 - Human Sexuality was offered for the first time during the fall semester. Sociology of Aging, dealing with retirement, personal adjustment, finances, and other aspects of aging, was taught by Carolyn Vettters.

Dr. Robert Brown took his Criminology class on a field trip to a prison and his Juvenile Delinquency class to the Giddings State School and Home.

Mrs. J. Webb shares a magazine article that stimulates discussion in the Family and Marriage course.

Speech fundamentals are practiced in 101.

Speech and Drama

Student dramatists from A&I's Speech and Drama Department performed at a celebration of Inter-American Week in Monterrey, Mexico, October 27.

The Teatro Biligue, directed by Joe Rosenberg, accepted the invitation from the mayor of Monterrey to entertain at the Teatro Calderon. Two plays by Oswaldo Dragun were presented.

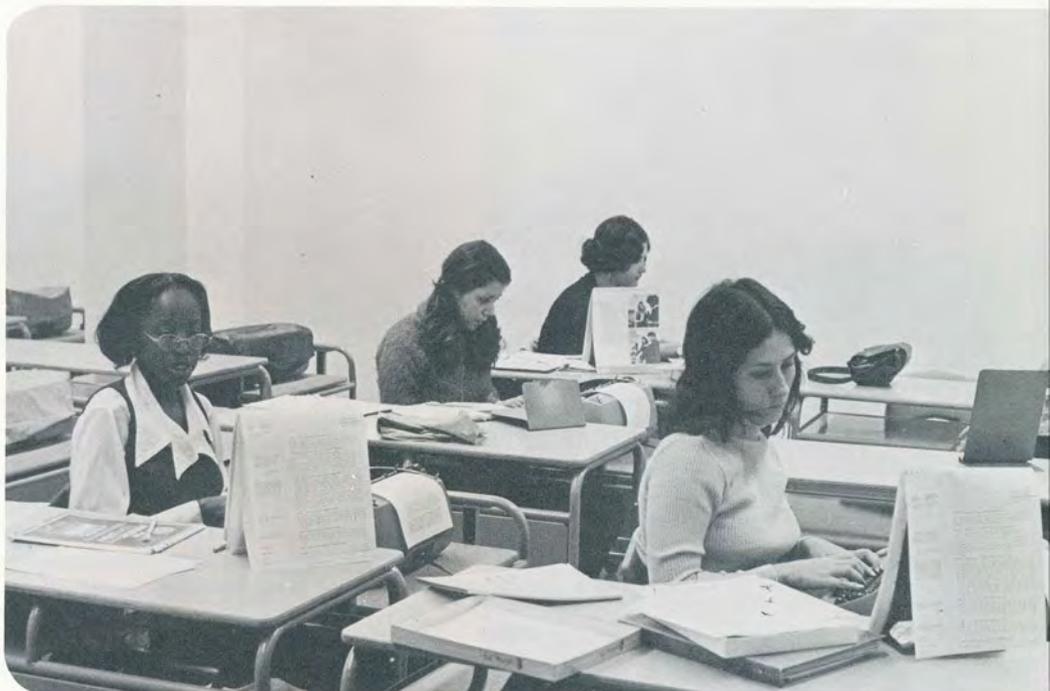

The bilingual exchange program continued this year by the return of a Mexican troupe to A&I, University of Nuevo Leon, from Monterrey, performed "El Verano," a two-act Spanish play by Romain Weingarten on November 7 and 8.

In April, Rosenberg took 12 students on a two and a half week tour of Spain. The play presented in Spain and Mexico City was "Milagro y El Marketo Viejo" by Dragun.

Among the dramatic productions presented at A&I were "Macbeth," "Waiting for Godot," "Hatful of Rain" and "Dracula."

Behind the scenes, costumes are fitted and sewn for the actors.

The skill of typing is important to those majoring in secretarial studies.

Computer Center Management provides an opportunity to study the latest practices in the computer field.

The design of tabulating cards, report forms, and flow charts is learned in course 251.

Business

Plans for a new business administration building were approved this fall and excavations began in November. The two-story building was conceptualized by Dr. Dennis Ford, dean of the School of Business.

The first level, the "noise floor" will contain the Student Computation Center, typing rooms, accounting labs, student lounge and periodical room. The noisiest laboratories will be carpeted.

The second level, the "quiet floor" will house eight classrooms, 23 faculty offices and the faculty lounge. The U-shaped plan of the lecture rooms allows the instructor to be no more than four rows from a class of 78 students.

The \$1.5 million structure will face University Boulevard, across from Rhodes Hall. The building is expected to be occupied in Spring '76.

Because of the current remodeling of Manning Hall, the business classes were scattered in 10 buildings this year.

Internship programs currently in the planning stage are College and University Business Management, and Public Administration. A specialization in Public Relations in the department of General Business was added to the school this year.

Dr. Ford took seven Prussian students to Aradmac, Pittsburgh Plate Glass Corp. and American Smelting Corp. during the Christmas holidays.

Excavations for the new business building started in November.

Dr. Robert Warren and Dr. Frederick Harvey assist education majors at registration.

Education

The School of Teacher Education is anticipating the addition of master's programs in Early Childhood Education and in Special Education. These degrees should become available by the Fall of 1975.

The School sponsors a Continuing Education program for 700 off-campus students. Those taking advantage of these programs include teacher's aides and people working on their master's degree.

Off-campus activities include student teaching, an opportunity for senior education students to gain classroom teaching experience. Students also visit off-campus classrooms as teacher assistants for one semester. These students see what teaching is like before student teaching. Some education majors also act as tutors for children in Youth City.

Painting projects for Early Childhood Education classes can be as much fun for teachers as it is for the children.

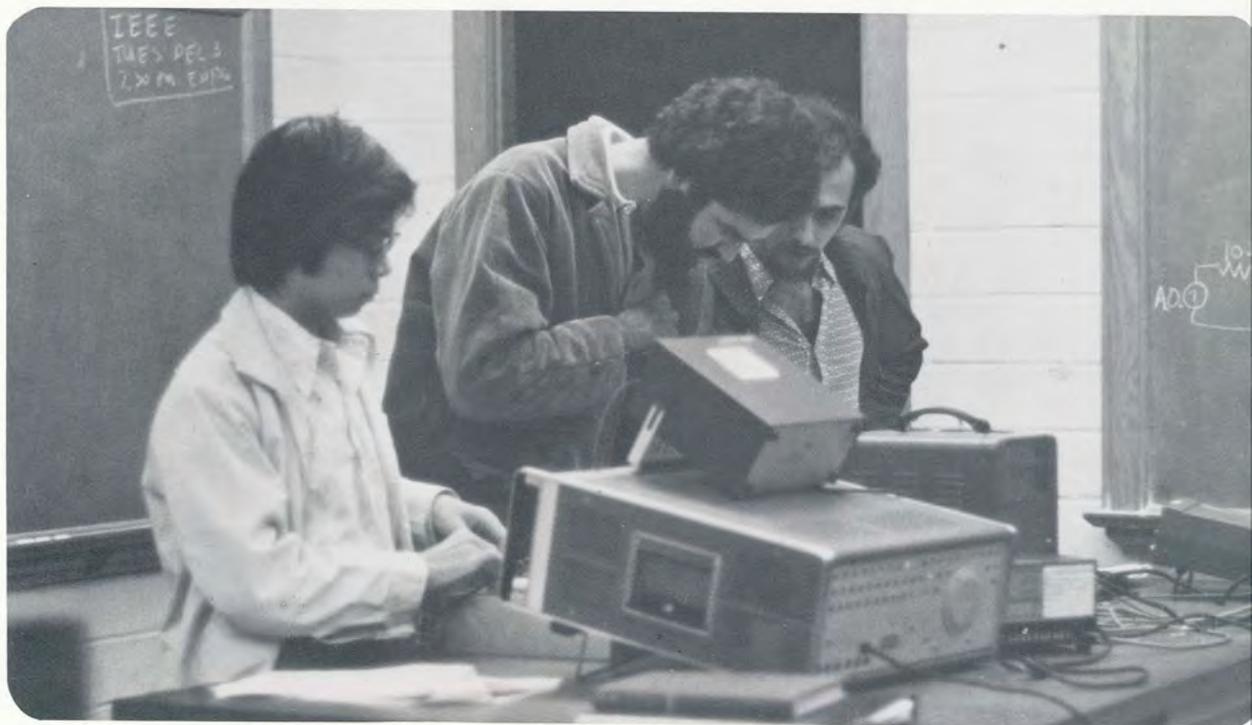

Dr. A. H. Pritchard prepares his class for student teaching. There were over 600 student teachers this year.

The Education Department sponsored the area meeting of Future Teachers of America, and the Agricultural Education Department sponsored the Future Farmers of America leadership judging for high schools.

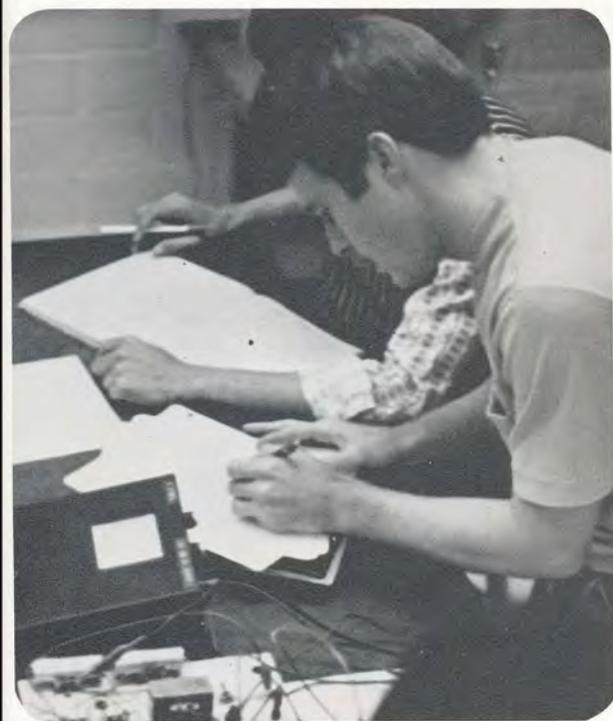

Civil and Mechanical Engineering projects include a subsonic wind tunnel that recreates winds up to hurricane force.

Meters assist future engineers in their research.

A computer-run race track constructed by Electrical Engineering can be challenged by manual controls.

Labs aid in the practical application of lecture.

Engineering

While Engineering has been finishing and evaluating long-term projects to build up the school, there has been a 40 per cent increase in engineering enrollment. The department has a high percentage of foreign students as majors. This is the first year for Mechanical and Civil Engineering projects and the second year for freshmen to design and build graphic projects. Some of these projects include a newspaper rolling machine and a riding edger for mowers. For every two engineering graduates, there is a company interviewing for employment.

Every year the department has Engineering Week where the five societies present a program each night and closes the week with an Open House and Barbecue at Celanese.

Graduate Studies

The School of Graduate Studies applied to the coordinating board for two Master's programs in education: Special Education and Early Childhood Education. These programs do not carry a minor. The degrees are designed primarily of education courses with additional hours in several areas.

The School has recently completed a study for a doctoral program in Bilingual Specialization. The program has been sent to the coordinating board. Should the program be accepted, it would be the first doctorate degree offered at A&I. It would be the first practical doctorate available in Texas. The degree stresses field experience as opposed to research-oriented study.

Between 20 and 30 Master's thesis students graduate each commencement. The School's enrollment has shown a steady increase due to the Continuing Education Program.

The revised entrance requirements allow a more flexible selection of students into the graduate program.

Military Science

Reserve Officers' Training Corps (ROTC) personnel visit high schools in South Texas where they present their program to assemblies and in private information conferences.

An Academic Assistance program is well underway in the Military Science department. The agendum provides assistance in all academic subjects to students enrolled. Most of the tutors are upper class cadets.

Curriculum changes have been made to upgrade the academic instruction in the department. The changes are designed to make the material more interesting to students.

The Kings Rifles perform their competition routine for the Dad's Day audience.

The ROTC became more involved in an extensive recruiting program this year. Their aim is to recruit students already at A&I into the program as well as new students from other schools.

Coach Steinke Wins Coach-of-Year Honors

For the third year in a row, a Lone Star Conference team won the NAIA Division I national championship, as A&I took its turn by downing Henderson St., Ark., 34-23 in the finals and gain or perfect 13-0 record.

By winning the national championship, A&I followed the footsteps of East Texas in 1972, and Abilene Christian in 1973.

It was also the first time A&I made it to post-season play since 1970. On that occasion, A&I downed Wofford College, S.C. to win the championship.

The Hogs had their toughest test the first three weeks of the season as Jacksonville St., Abilene Christian, and pre-season favorite Stephen F. Austin came into the games as heavy favorites. A&I made believers out of everyone by beating all three teams and establishing itself as a strong contender for the LSC title.

A&I went on winning in the LSC, and won the title outright by edging Howard Payne on their home field. The Hogs finished regular season play by downing Southwest Texas in the rain.

In the first game of the playoffs, the Hogs came up against a strong opponent, but finally came out with a 21-19 win over Cameron St., Okla.

Behind the running of Don Hardeman and the throwing of Richard Ritchie, A&I's offense averaged over 450 yards a game. The Border Bandits came back alive as they gave up an average of 148-yards rushing and 94-yards passing a game.

A&I became the first team in the LSC to have two players run for more than 1,000 yards in the same season, as Hardeman finished with 1,547 and Larry Collins with 1,475.

Ritchie finished as the No. 3 rusher with 486 yards and passed for 1,470.

Coach Steinke hit a milestone this year by recording his 150th victory in the Sul Ross game and finished the 1974 season with 157 wins. Steinke added to his honors by being named the LSC and NAIA Coach-of-the-Year.

Hardeman was the only A&I player to be selected in the pro draft, as the Houston Oilers got him in the 1st round.

A&I Wins First

Texas A&I started off the 1974 football season in grand style by knocking off powerful Jacksonville State of Alabama 20-19.

With 1:56 left in the game, the Gamecocks scored their final touchdown but decided to go for the two-point conversion instead of a tie. The conversion fell short, and A&I took over with a one-point lead.

Freshman running back, Larry Collins rushed for 179 yards and two touchdowns, to lead the A&I offense. Don Hardeman added 112 yards on 19 carries.

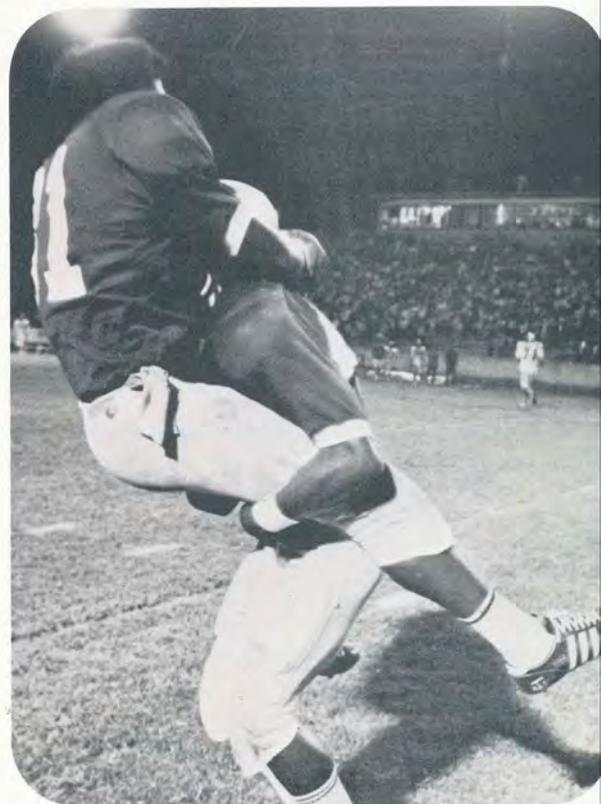

Behind the leadership of Quarterback Richard Ritchie, the Javelinas racked up over 430 yards in total offense.

Tech Falls

For game number two, Texas A&I traveled south of the border to take on Monterrey Tech, and came out with an easy victory 33-6.

Reserves played most of the game as A&I built up a 20-0 halftime lead behind the throwing arm of Ritchie. In just one half, the quarterback from Mineral Wells completed 8 of 11 passes for 149 yards.

Tech had trouble moving the ball, as the A&I defense allowed only 194 yards in total offense.

John Barefield moves in on Monterrey ball carrier.

A&I Takes Abilene Christian, 46-14

Texas A&I pulled the string on a trick play that caught Abilene Christian completely offguard, as the Hogs defeated the No. 1 team in the nation, 46-14.

The surprise came on the second play of the game. A&I huddled on the far side of the field away from the ball. Ritchie trotted over to the ball and knelt down as if he were tying his shoe. He then lateralled the ball to tight end David

Hill, and A&I was off and running for a quick touchdown. ACC never realized what happened and were never able to regroup.

Hardeman and Collins were again the main plug on offense as they totaled 159 and 128 yards rushing respectively.

In total offense gained, A&I had the edge 533 to 280.

A&I Upsets SFA

Texas A&I started off slow in the first half but unwound in the fourth quarter to pull off another upset over pre-season favorite Stephen F. Austin, 28-24.

The Hogs were down 24-7 in the fourth quarter before Ritchie put together scoring drives of 69 and 80 yards that went for scores.

That pulled A&I to within three points. With :33 left in the game, Hardeman scored to give A&I a four point lead.

Defensive back, Larry Harvey saved the victory when he batted down a long pass at the goal line on the last play of the game.

Hardeman was the leading ball carrier with 111 yards on 17 carries and three touchdowns.

A&I Downs East Texas

The No. 1 ranked Javleinas played a little shakey in the first quarter, but charged back from a 14-0 deficit to outscore East Texas State 27-20, and remain undefeated.

Long drives by A&I were again the key to success as the Hogs marched 76, 74, and 79 yards for touchdowns. The Hogs also put together drives of 64 and 59 yards, but both fell short of the goal line.

With 3:33 left in the game, the Lions began to move the ball downfield. But a fumble killed the drive, and A&I managed to run out the clock.

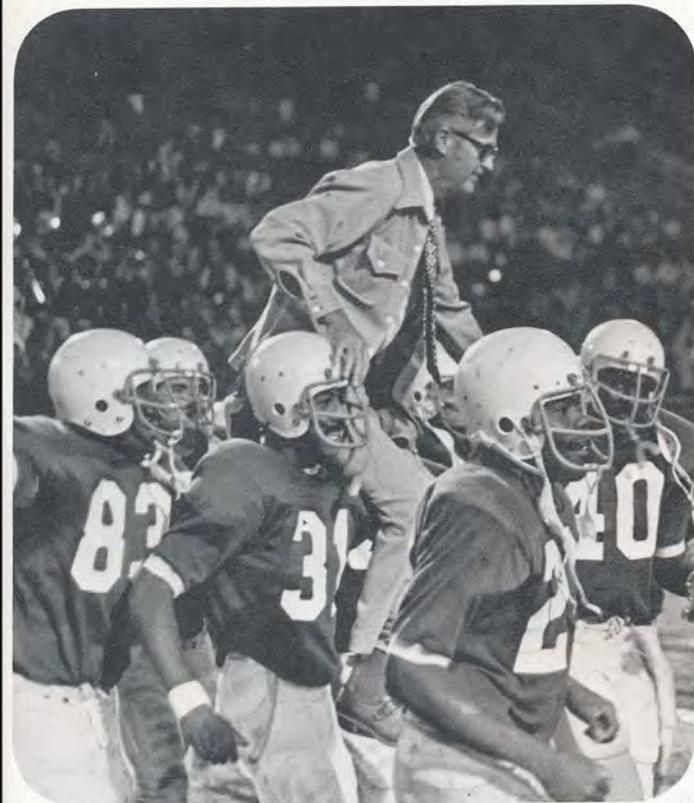

The A&I offensive machine racked up 372 yards on the ground with Hardeman gaining 152 and Collins 146.

A Parents Night crowd of 1,500 saw A&I fall behind six points, but roar back to swamp heavy underdog Sul Ross, 43-13.

Hardeman coughed up the ball the first two times he carried and one led to the Lobo touchdown. Despite the fumbles, Hardeman gained 145 yards on seven carries, all in the first half.

No. 2 quarterback, Stan Limuel, set up a third-quarter touchdown with a 37-yard sprint down the sideline. He also completed 2 of 4 passes for 78 yards and a touchdown.

This being only the sixth game, the A&I offense has already surpassed their 1973 10-game rushing total of 1,774. Haredman and Co. have already gained 2,158.

David Hill leaps for a reception.

Texas A&I Beats Angelo St. 42-14

A&I took over sole possession of first place in the Lone Star Conference with the thrashing of Angelo State, 42-14 on the Rams home field.

The Hogs suffered their usual first quarter bug, but exploded for three quick touchdowns in the third quarter to take a commanding lead. The key play in the drives was a long bomb from Ritchie to George Franklin that carried for 50 yards. The pass came at an ideal moment, as A&I was facing a third and 21 situation.

The A&I defense held the Rams to only 61 yards rushing, while the Hogs piled up 488 with Hardeman running for 131.

The win leaves A&I with a perfect 7-0 record and Angelo St. fell to 3-3.

Hogs Trample Tarleton St., 51-7

For the first time in six games, Texas A&I did not have to rally from behind, as the Hogs scored on their first possession and went on to crush Tarleton State 51-7.

A&I's first team played until the score was 21-0. At that point, the reserves took over and continued to pile up points on the outmanned Texans.

The Hogs set a new school rushing record of 2,851 yards. The old record of 2,831 was set by the 1941 team that was headed by Coach Gil Steinke.

Hardeman missed the opportunity to make 100-yards for the first time this season, as he finished with 66.

Hardeman is knocking on the door of the 1,000 yard mark as he now totals 955. Collins led the team in rushing with 136 yards including a 61-yard scoring bolt.

Ritchie got his name into the record book by booting a 45-yard field goal erasing the record of 44 yards set by John Kardow in 1966.

Hogs Take Barkats

A&I managed to fight off a thick fog before a Homecoming crowd and gain at least a tie for the LSC crown by running over Sam Houston State, 34-14.

The Javelinas had their usual first half difficulties as the score stood 14-14 at the half.

A&I got the tie breaking touchdown from Collins with 3:36 left in the third quarter, and the Hogs were off and running.

The game was marked by a number of records that started with Hardeman and Collins both surpassing the magic 1,000 yard mark. This marks the first time in the LSC history that two players from the same team have rushed for more than 1,000 yards.

Another record was that of the offensive unit. A&I broke the old LSC rushing record of 3,003 yards set by Angelo St. in 1970. The Hogs now have 3,144.

Ritchie also got a record by booting his 37 conversion for the season. The old record was 36 held by Clyde Rogers.

A&I Wins LSC

The powerful Texas A&I Javelinas wrapped up the Lone Star Conference championship by trouncing Howard Payne 42-19.

A&I again fell behind in the first quarter, but marched 83-yards on their first possession and 90 on their second to take the lead for good.

Hardeman rushed for a record 202 yards giving him 1,257 for the season. His yardage easily erased the 33-year old record of 1,074 set by Coach Gil Steinke.

Collins also had a good day as he rushed for 113 yards.

The offense had its best day of the year as they racked up 650 total yards.

Larry Grady plays tight on Jacket receiver.

Javelinas Drown Southwest Texas

Texas A&I fought off the rain, mud, and a good defense to sneak by Southwest Texas, 14-0 in the season's final regular season game.

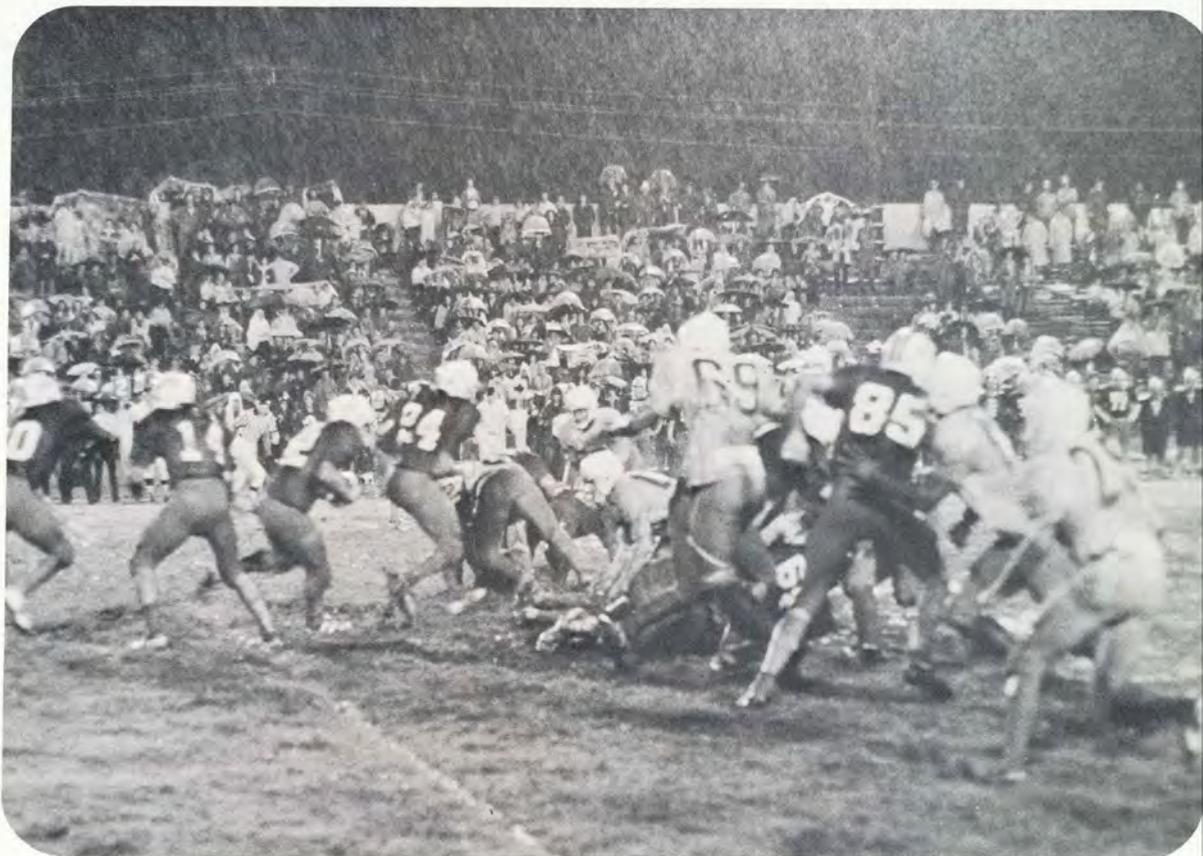

Both teams fought to a standstill in the first three quarters, but with 8:35 left in the game, Hardeman broke the ice and scored for A&I.

The A&I defense lived up to its tradition as it kept the Bobcats in check all night. The Border Bandits allowed only one first down, and 84 yards on the ground. The A&I defense also set a LSC record by not yielding the Bobcats a single yard in the air.

A&I totaled 260 yards in total offense, as David Hill made important catches to keep the two scoring drives alive.

Ritchie's uniform is a prime example of what the Southwest Texas game was like.

The Border Bandits move in to stop the Bobcats for another short gain.

A&I Holds Off Cameron For 21-19 Win

Collins sprints around right end, as Aggie defense moves in.

Behind the running and throwing of Richard Ritchie, the No. 1 ranked Javelinas squeezed past Cameron St. of Oklahoma, 21-19 in an NAIA semifinal playoff game.

Cameron went ahead 10-0 in the first quarter but A&I caught fire in the second period and rolled back into the game. The Hogs put together a 67-yard scoring drive that was kept alive when Hardeman ran for a crucial first down on a fourth-and-one at the 25. Ritchie capped off the drive with a 10-yard run around left end for the score.

A&I scored on its next possession with Hardeman going over from the 17-yard line.

The Hogs never threatened in the second half, as their deepest penetration was to the Cameron 29.

Cameron scored their last touchdown with 2:44 left in the game, but the clock was against the Aggies, as time ran out before another score could be made.

A&I managed only 197-yards on the ground after averaging 345 for the season.

Hardeman, who averaged 125 yards a game, was held to 71. Collins was also below his average as he collected 85.

Most valuable player awards went to Ritchie and David Palmore. Palmore collected 12 unassisted tackles, and one assist.

Hogs Take Title With 34-23 Win

Texas A&I put together a sparking display of offensive power in the second half to down Henderson St. of Arkansas, 34-23 and gain their fourth NAIA national championship.

Like so many times over the season, A&I was down at the half by a score of 10-6. Henderson came out the second half ready to play, as Lewis Pryor ran back the opening kickoff 97-yards to give the Reddies a 17-6 lead.

With 10:54 left in the 3rd quarter, Ritchie hit Hardeman for a 15-yard touchdown pass and the score stood 17-13, in favor of the Reddies.

Hardeman scored again with :33 left in the same quarter to put A&I ahead to stay 20-17.

After a Collins touchdown on the next series, the Reddies roared right back with Sylvester Henry going over from the

11.

A&I got first last score of the game with 8:37 left as Ritchie floated a pass to Hill that went for an 81-yard touchdown, and the score stood 34-23.

Hardeman, who was voted the game's outstanding back, tallied for 121-yards.

Mike Hawkins, freshman from Van Vleck, was the game's outstanding lineman as he had nine tackles, one assist, and a pass deflection.

Collins was the game's leading rusher with 143 yards. Glenn Starks led all receivers with four catches and 97 yards.

A&I had an overwhelming edge in total offense with 516 yards compared to the Reddies' 215.

David Hill is off and running on his 81-yard TD pass that gave A&I its final score.

George Franklin gets prepared to catch a pass from Ritchie that went for 21 yards.

St. Clair Wins Three Titles in The LSC

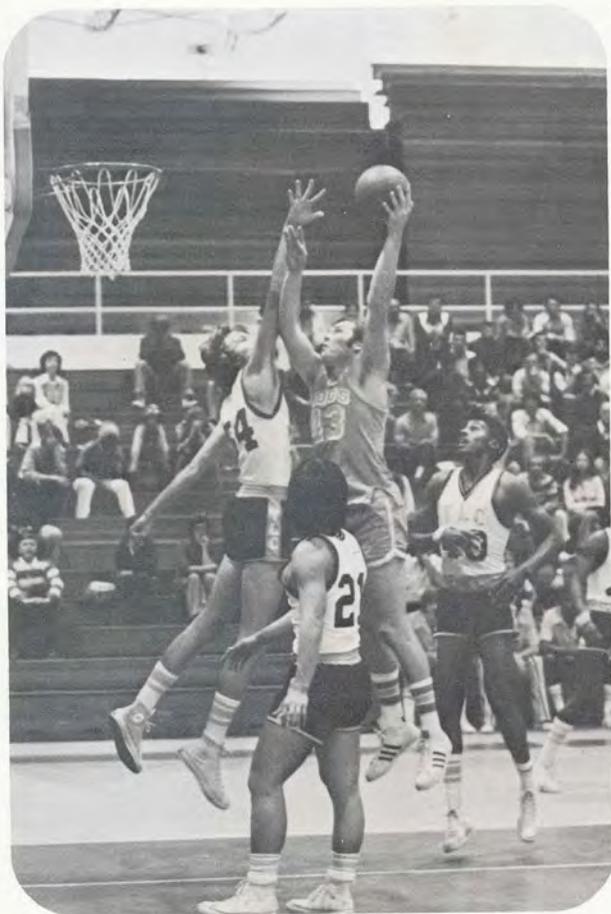

The A&I basketball team had its troubles in the 1974 season as the only bright spot on the team was the all around play of 6'6" center Jeff St. Clair.

The season started off in fair fashion, as the team won seven of their first 10 games. At that point, disaster struck and A&I lost their next 15 games in a row to finish out the year at 7-18 and a last place finish in the conference with a 1-13 record.

Grades proved to be the turning point, as key players failed to make the grade point required and were declared ineligible for the spring semester.

Although the team was not winning, St. Clair won a personal battle as he captured three of the Lone Star Conference individual titles. He won the scoring race with a 28.8 average, took the rebounding title with an average of 13.9 and was the top field goal shooter with a .609 percentage. The latter two are new school records and it marked the first time that an A&I player has won the conference rebound title.

St. Clair's 28.8 average was the third best ever in the league. The best was a 31.5 by Howard Payne's Fred Davis in 1970 and Hoegie Simmons 29.3 in 1974.

Sprint Relay Takes 1st In Corpus Christi

The 1975 track team started off the season with only four letterman, but still managed to have a respectable finish.

Under the leadership of Coach Lance, the 440-yd. relay put on an awesome array of power to finish strong in the first few meets of the season.

For the second year in a row, the baton was dropped in the Border Olympics, to finish without a place or time. But the relay came right back to finish in 2nd place behind a swift Texas Southern team in the Stephen F. Austin Relays with an excellent time of 41.2.

A&I ran away with the event in Corpus Christi

with a time of 41.8. The nearest competitor was Sam Houston with a 43.0. Members of the sprint relay were Mike McMillion, Hughie Shaw, Larry Collins and Garland Nelson.

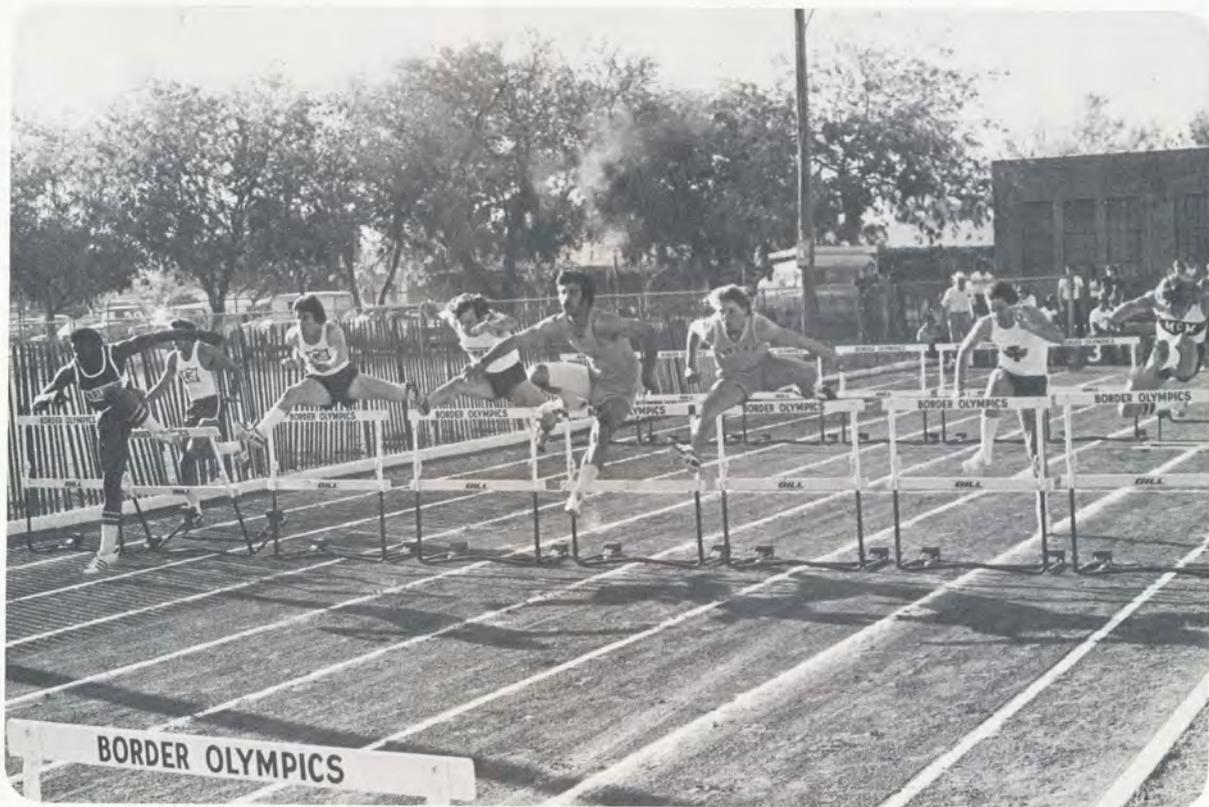

Collins and Shaw were added members to the track team, as both took time out from spring training football drills to participate. Collins, the quick running back for A&I, ran the third leg on the sprint relay. Shaw ran on the relay and also doubled up in the two sprints. He took third place behind McMillion in the 100-yd. dash in Corpus Christi, as both ran a 9.7. Shaw also ran 21.8 in the 220-yd. dash to finish second.

The men's tennis team entered conference play in third place with a 9-8-3 record. The team's best one-loss record was held by Jay Meyers.

The Javelinas competed in invitational tournaments at Pan American, San Angelo, A&I and Shriner Institute.

Dual competitions were held with Sam Houston, Pan American, Lamar University, St. Mary's, Abilene Christian College, Angelo and North Texas State University.

Conference play included matches with Stephen F. Austin, Houston Baptist College and Trinity. The conference tournament was held in San Marcos.

Golf

The Texas A&I golf team hosted the first Lone Star Conference tournament in Kingsville, and finished 5th in the event.

Alejandro Compean was 5th in individual statistics as he shot a 225. Other golf members scoring in the tournament were Mike Smith with a 229, David Hooper 232, Mark Hamilton 238 and Bill Lewis 243.

The second LSC tournament was held in Alpine as Compean was again low for A&I with a 231. Smith finished with a 232, Hamilton 238, Randy Greebon 240 and Hooper had a 244.

Other LSC meets scheduled were Stephenville and San Marcos.

Quintanilla, Antonio Medina, Ron Amiri, Saul Maduro, Jeff Bray, H. Iturbe and Fausto Huertas del Pino.

Soccer

The Texas A&I soccer team went on probation for the 1974-75 season, but still managed to play six scheduled games.

The probation was placed on A&I, who is a member of the Texas Collegiate Soccer League, for not meeting its commitments on the games scheduled the year before.

The probation will be lifted next year, and the regular 11-game schedule will go into effect.

The soccer team ended the season with a respectable 5-2 record after a forfeit by the University of Texas. The only losses came against Rice and the University of Houston.

Women's Basketball

The women's basketball team traveled to five off-campus tournaments this Spring. These tournaments were held at Trinity, San Marcos, Pan American, Sam Houston and Stephenville. A&I was host to a basketball invitational in February and held the zone tournament in March.

The girl's ended the season with a 16-12 record. Debbie Nelson was the most consistent high pointer per game with an average of 15.1.

Women's Softball

The women's softball team concluded their season with a 6-8 record.

The girls met 11 teams at five tournaments. They defeated Mary-Hardin Baylor at Texas A&M; West Texas and A&M at TWU; Texas Southmost and Pan American at Edinburg's Zone; and North Texas at TCIAW. The team also played at the Lamar University Tournament.

The player with the highest batting average of .400 was Rosalinda Losoya. She also had the most runs batted in at 16.

Women's Tennis

A&I women's tennis team tied for first place with Texas Lutheran in their season's first tournament held at A&I Feb. 15.

In March, the Javelinas defeated Laredo 4-2 at A&I. At the University of Texas, the women won consolation doubles and then continued to Sequin to tie Texas Lutheran 3-3.

The women also met teams at Lamar in Beaumont, Shriner Institute in Kerrville, and Southmost in Brownsville. The zone tournament was held April 11-12 at Laredo and the state tournament followed April 24-26 at Texas Christian University.

CLOCKWISE FROM TOP: Dena Morrison, Jan Mumford, Kathy Garza, Patricia Hayes, Karol Light (coach), Karen Creekmore, Jane Wyatt.

Women's Track

The women's track team began competition April 5 during a four-team tournament at A&I. Visiting contenders were Bee County, Trinity and Southwest Texas University.

On April 11, the Javelinas were host for a zone tournament with Bee County. The team then traveled to San Marcos for the state meet.

TAU KAPPA EPSILON

Tau Kappa Epsilon was first established at Illinois Wesleyan University in 1889. The A&I chapter was started in 1971.

The social fraternity is organized for fellowship and to promote school spirit.

The 1974-75 officers were Tom Rusnack, president; Tom Stevens, vice president; and Doug Roth, secretary-treasurer.

ZETA TAU ALPHA

Zeta Tau Alpha promotes scholarship, stimulates talents and interests through activities, and develops feelings of love, loyalty and regard for sisters and fraternity.

Founded on October 15, 1898 at Longwood College in Virginia, the local chapter of Zeta Tau Alpha was established in 1965.

Sorority officers for 1974-75 were Sandi Gracey, president; Linda Sadler, vice president; Dianne Seitz, secretary; and Kathy Harrell, treasurer.

Derby Day

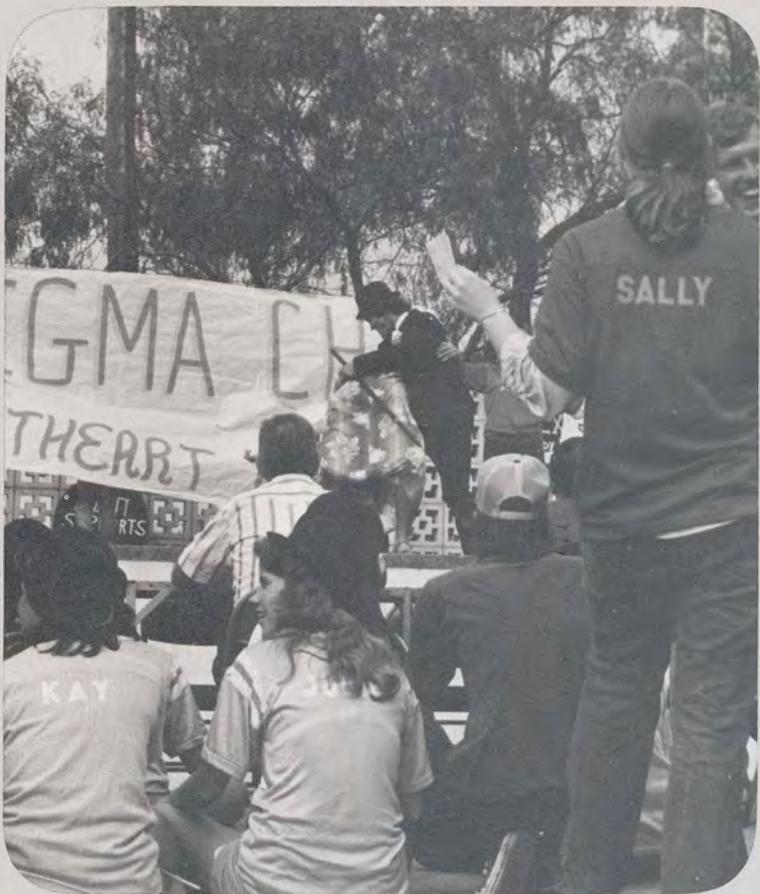

Sororities participating in Derby Day wait for the next event.

The object of the Derby Day Balloon Bust is to burst the opponent's balloons in the overalls; then they must run to the finish line and take the overalls off.

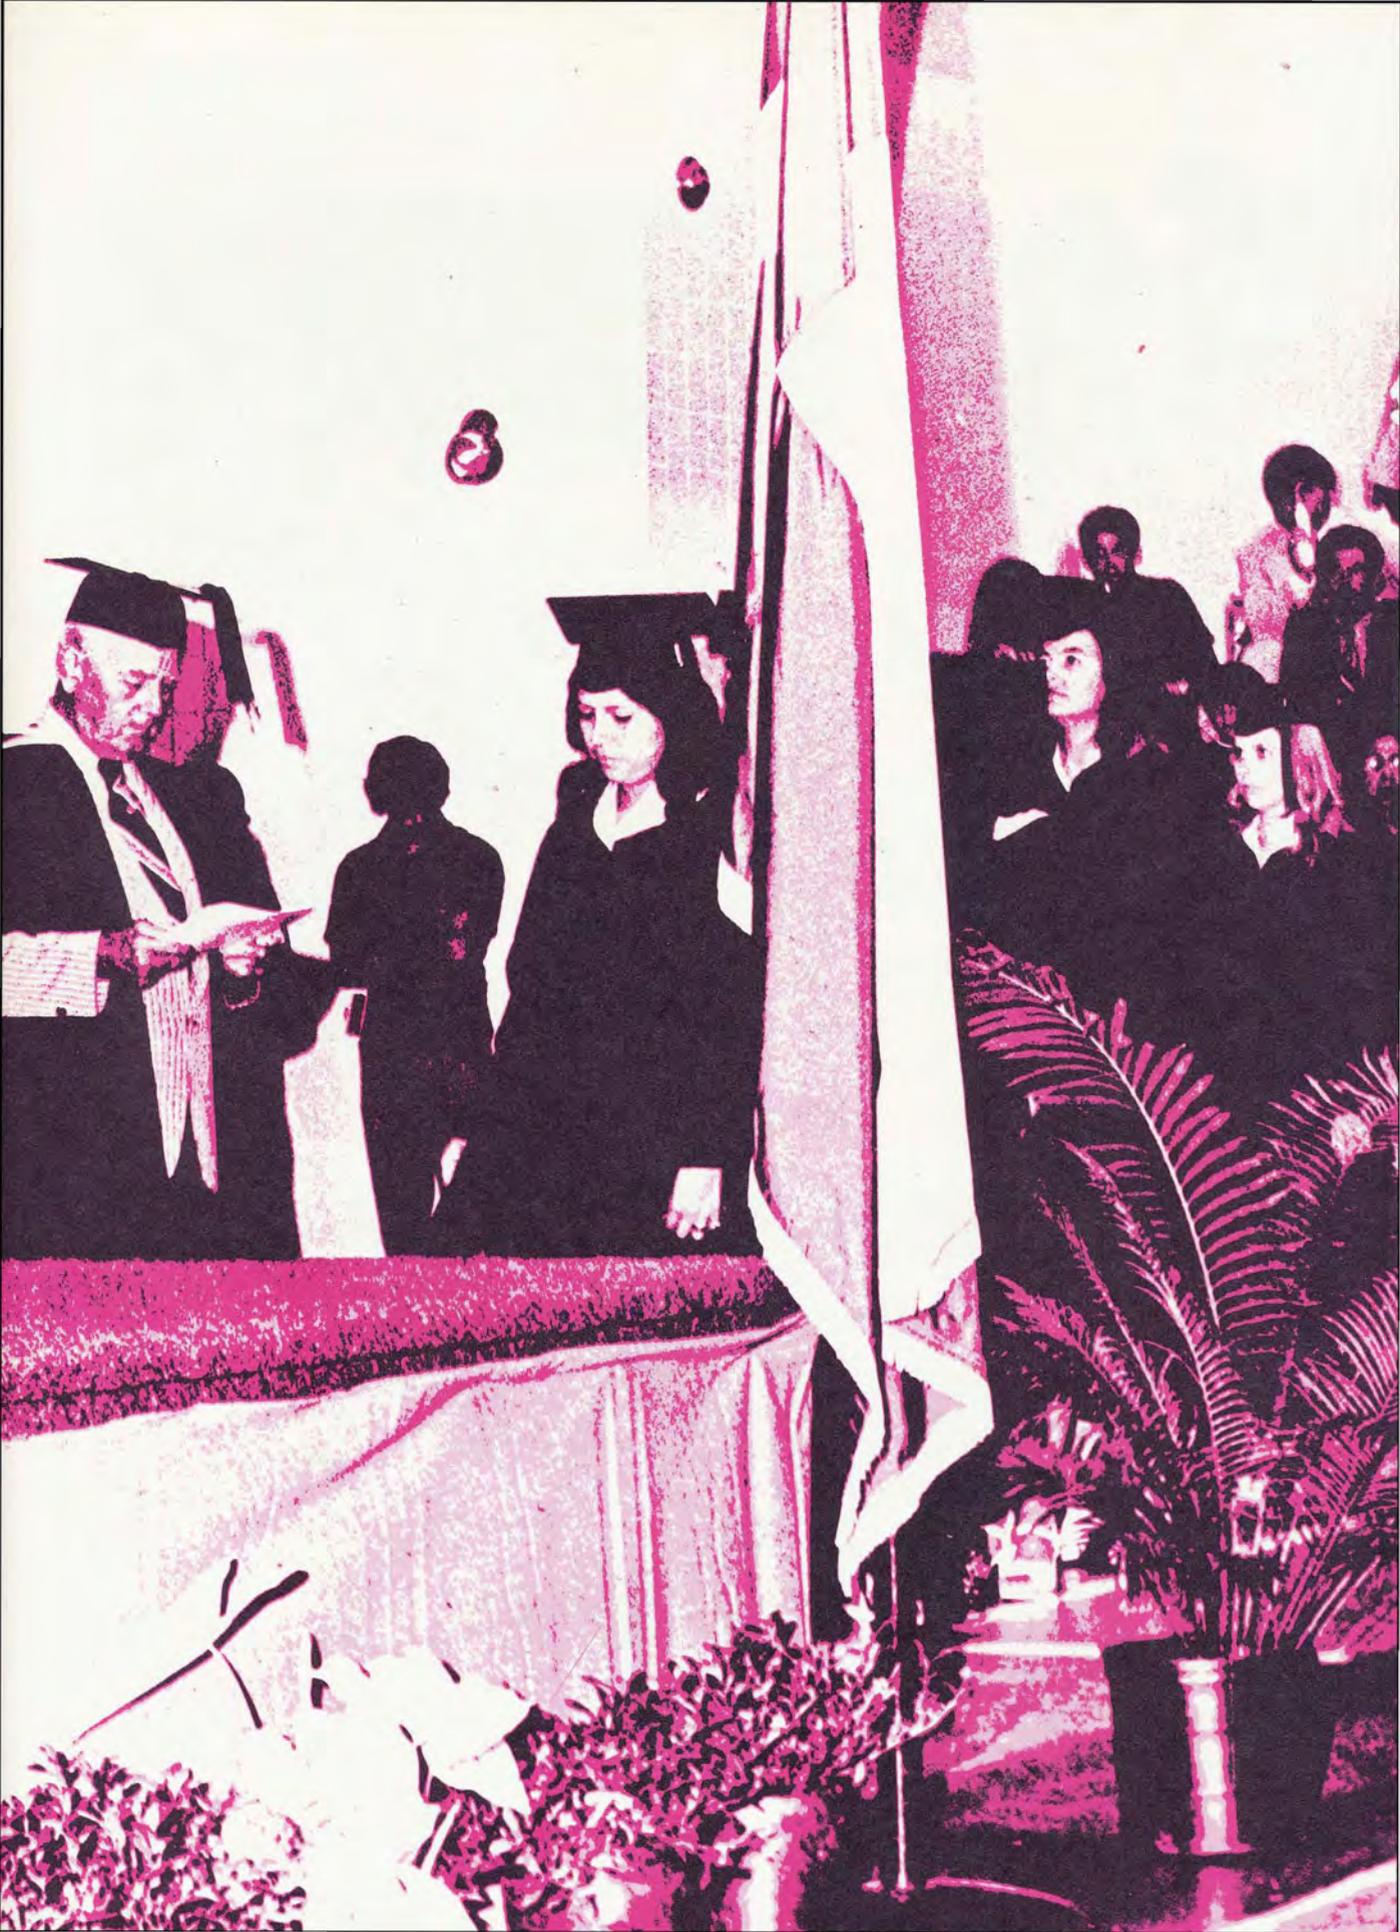

The ZTA's, Kathy Kilpatrick and Debbie Cameron, help celebrate Derby Day.

Sigma Chis decorated their coaches for Derby Day competition.

Many gathered to watch sororities and little sisters of fraternities compete against each other for trophies.
