A. & I. SQUAD BEATS SCORPS

Kingsville Visitors Win Game 14-0

BROWNSVILLE— With Simons, diminutive left half, sparking them, the A. & I. "B" squad utilized breaks and mental lapses to defeat the Brownsville Junior College Scorpions 14-0 on Tucker Field Thursday night.

The Valley college eleven looked good, rolling up seven first-downs to three for the victors, but lacked unity in the critical moments. The Scorpion line, in particular, did fine work with none of the points directly attributed to it.

The first quarter was fairly even with Brownsville flashing a nice running attack featuring Ed Reeves but the Scorpions, who were kicking against the brisk north wind, were gradually forced back into their own territory.

The visitors got their first scoring break early in the second quarter when Brownsville was penalized 15 yards because the backs did not come to a complete stop after shifting. This placed the ball on Brownsville's 12 yard line and on the following play McCalpin attempted a quick kick which blopped into the forward ball. The ball was recovered and soon thereafter Simmons scampered 20 yards down the north side of the field for the first marker. Pass for point failed.

The Brownsville backfield, Medley, Reeves, Garcia, and Hauser, staged several nice drives down the field but could not get into scoring position.

In the final period, the Scorpions got in a hole again when Simmons kicked out of bounds on the Brownsville 19-yard marker after the Scorpions had been set back on their heels by a 15-yard penalty. On the succeeding play, the snapback found no receiver, and a Brownsville back recovered but was downed behind the goal line.

Brownsville kicked off from its 20, and Simmons returned to the Brownsville 45. Kingsville got a first down after several short gains in the line and a five yard penalty on Brownsville for offsides. On the succeeding play, McRoberts got away on a beautiful run of about 25 yards. He was finally hauled down from behind on the Brownsville seven.

Two stabs at the line were turned back and then McRoberts tossed a pass to Simmons for the marker. Kick for point failed.

The Brownsville material appeared good and individually the Scorpion play was good, but lack of teamwork, penalties and lapses in the crucial moments cost the game.

The starting line-ups.
