★ In presenting the game between the Texas Wesleyan Rams of Fort Worth and the Texas A & I Javelinas in Buccaneer Stadium tonight your Corpus Christi Junior Chamber of Commerce believes it is staging a game between two of the strongest teams in the nation from the ranks of the "small" schools. Both teams have fine season records. Coach A. Y. (Bud) McCallum's Javelinas are being strongly considered for a bid to the Sun Bowl game, to be played in El Paso New Year's Day. Corpus Christi extends its greetings to representatives of these two fine schools and to the fans who have made this game possible.
