also remembered and sent your Mother a lovely bouquet of roses. He left for the Army himself last Thursday.

Mary, Dorothy Ruth and I went up to San Antonio weekend before last to do some shopping. Your Mother was up there visiting Mary Elizabeth and Frank, so I went out to see them all - mainly little Tommy. He is just adorable, Cagen, and the prettiest little baby I have ever seen. And Frankie is getting so tall and straight now. My visit would have been complete had you been there too.

Your folks have been wonderful to me, hon. I love them very much. I go to see them as often I can and it cheers me up just to be around them awhile.

I will write to you regularly from now on, so that when you do get back to your Base, you'll know we haven't given you ~~up~~. I think of you constantly, darling, and pray that you are well and safe. Whenever you are, you are close to me and always in my heart.

I will love you always,
Eddie
